## Summer Streets Manhattan Bike Tour (9.4 miles)

---

Summer Streets is an annual celebration of New York City's most valuable public space—our streets. This 9.4-mile route runs along Summer Streets in Manhattan, calling out nearby cultural landmarks. Intermediate cyclists can try the route in one go, while newer riders may want to split the ride across multiple trips.

### Tour Stops

---

**(1) Brooklyn Bridge** has seen several NYC DOT upgrades, including a 2-way separated bike path in 2021. **(2) Tony Rosenthal's *Alamo*\***, also known as the Astor Place Cube, is popular for its interactivity. **(3) New York Public Library** (Stephen A. Schwarzman Building) contains a vast collection. **(4) Museum Mile** features numerous cultural institutions—don't miss El Museo del Barrio. Central Park's **(5) North Woods** offer an escape from the City. **(6) Electric Ladybug Garden** is one of many GreenThumb community gardens to explore in Harlem. **(7) *Swing Low: Harriet Tubman Memorial*\*** by Alison Saar depicts the Underground Railroad leader.

### Notes

---

550+ GreenThumb community gardens citywide:
