

# Tremont Av Bus Priority Improvements

Community Board 6 Sanitation and Transportation Committee Meeting

February 22<sup>nd</sup>, 2024

# Table of Contents

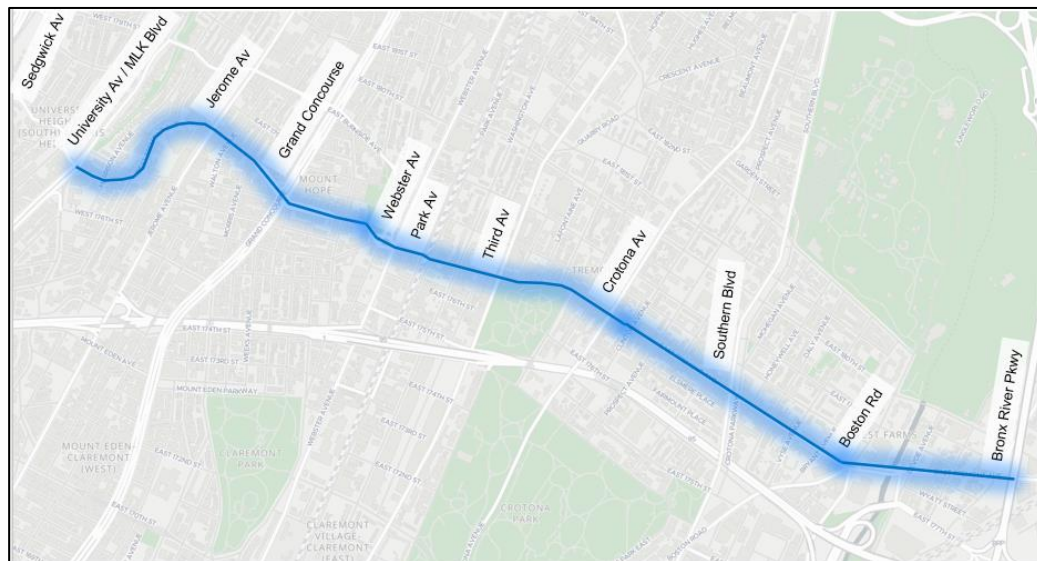

---

1. Introduction & Existing Conditions
2. Work to Date
3. Toolkit
4. Next Steps
5. Open Discussion

# Introduction & Existing Conditions

# Why Tremont Av?

- Study area: University Av to Bronx River Pkwy
- Over 34,000 daily bus passengers on the Bx36 Limited & local
  - 5th busiest bus route in the Bronx
- Critical crosstown service with connections to **1 2 4 5 6 A B D**, Metro-North Railroad & many local bus routes
- Named one of 10 key Bronx corridors for bus priority

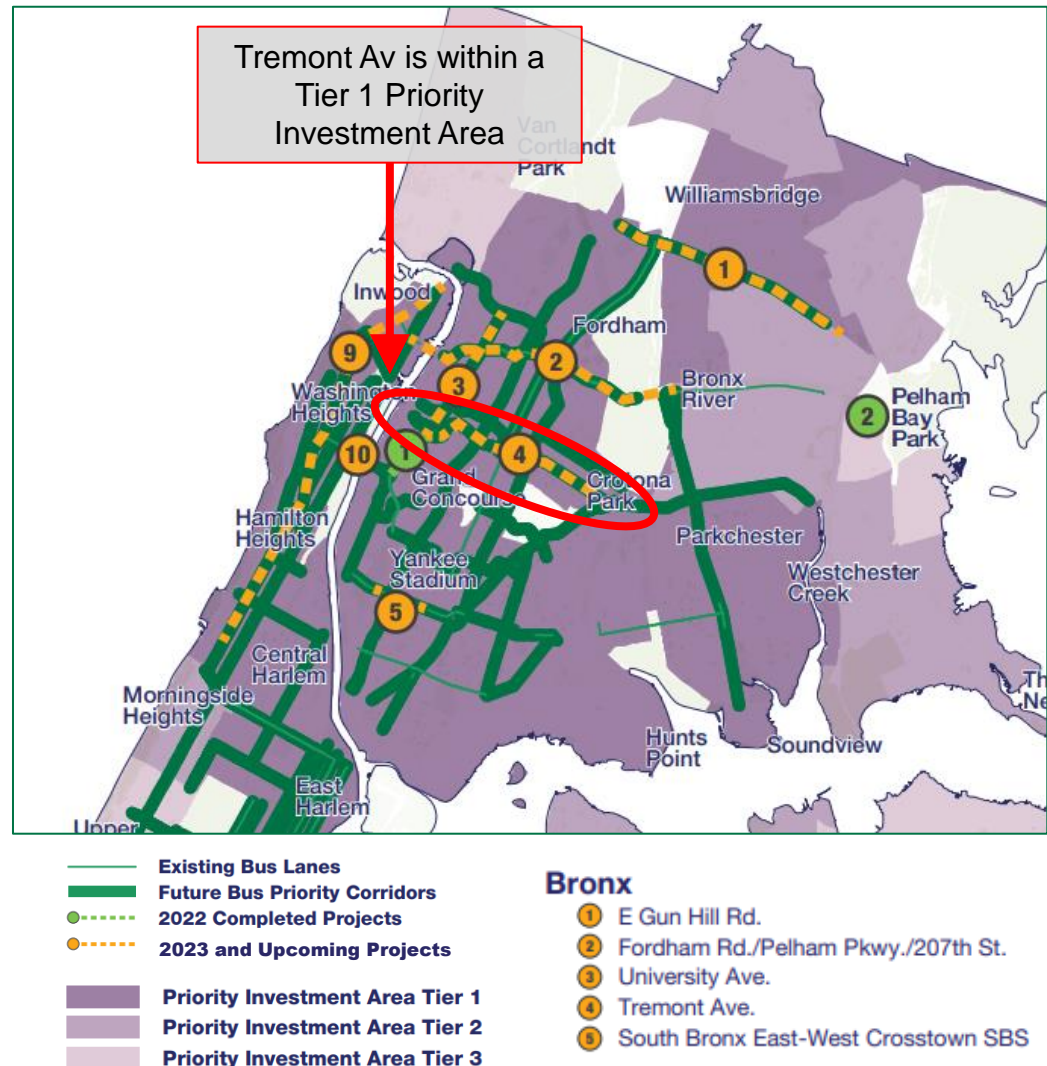

# NYC Streets Plan and Transit Goals

Transit goals of the Streets Plan:

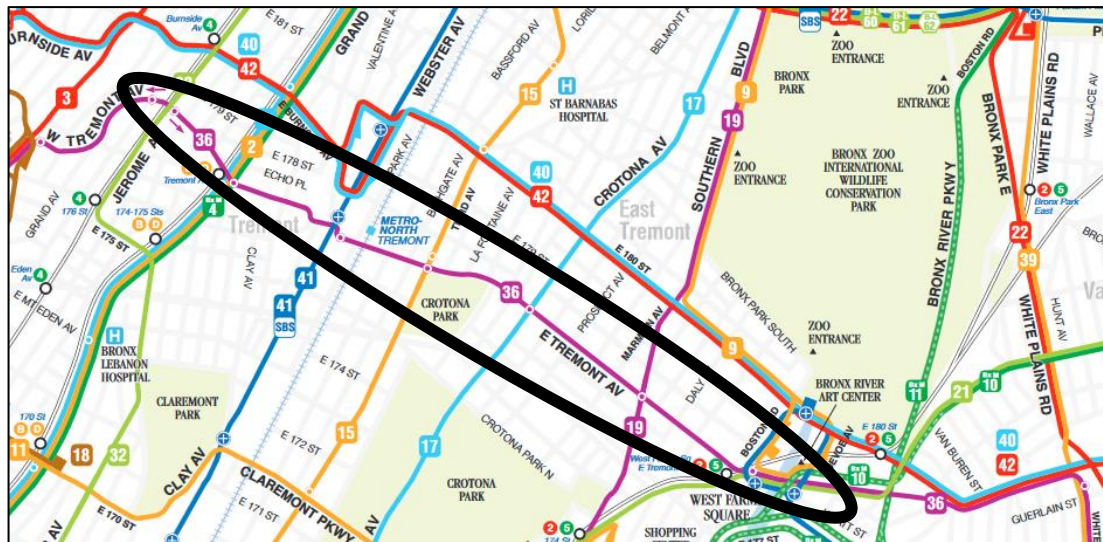

1. Increase sustainable travel modes by reconfiguring streets
2. Expand access to job opportunities through faster and more reliable transportation options
3. Allow all New Yorkers to get around the city in multiple ways without encountering barriers to travel

In addition to the Streets Plan and bus priority corridors, NYC DOT and MTA are working together on automated enforcement & transit signal priority

# Bronx Bus Network Redesign

- Implemented June 2022
- Recognized Tremont Av as an important Bronx bus corridor & made improvements:
  - Straight, direct routing: Bx36 serves Tremont Av from University Av to White Plains Rd; Bx40/Bx42 serves Tremont Av east of Rosedale Av
  - Bus stop consolidation improves bus travel time & reliability
- This project continues NYC DOT & MTA's work to improve bus service on Tremont Av

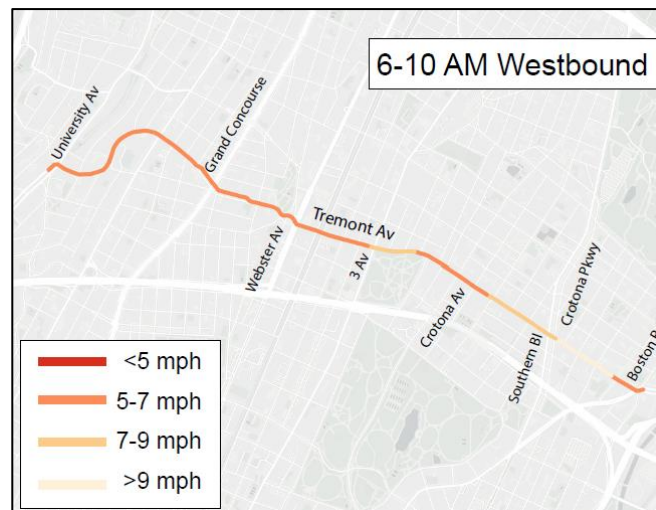

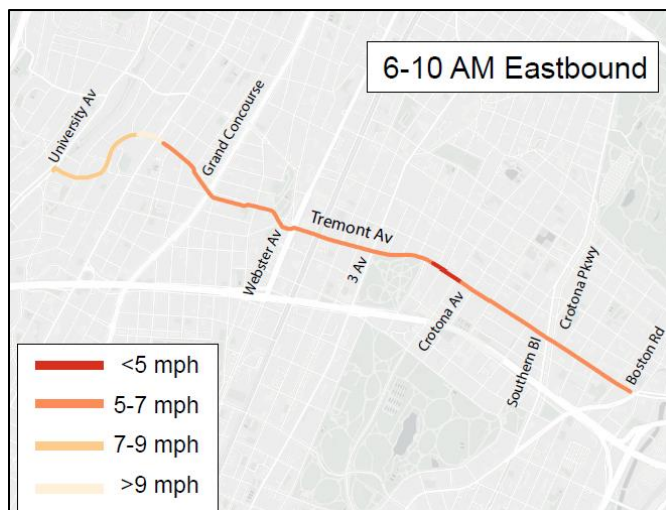

*MTA Bronx Bus  
Network Redesign  
Public Open House*

# Tremont Av Bus Speeds (AM)

- Slow and unreliable bus service along Tremont Av
- Buses move slowly all day and **less than 5 mph** in some segments
- Traffic congestion and double parking cause slowdowns

## AM Peak Period Bus Speeds, Oct 2023

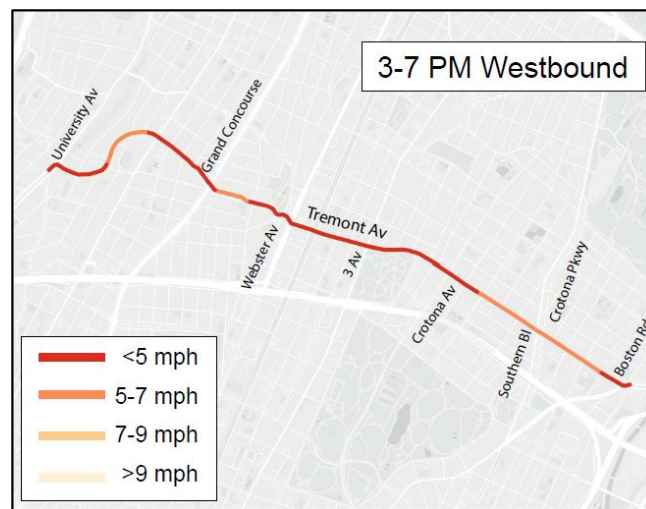

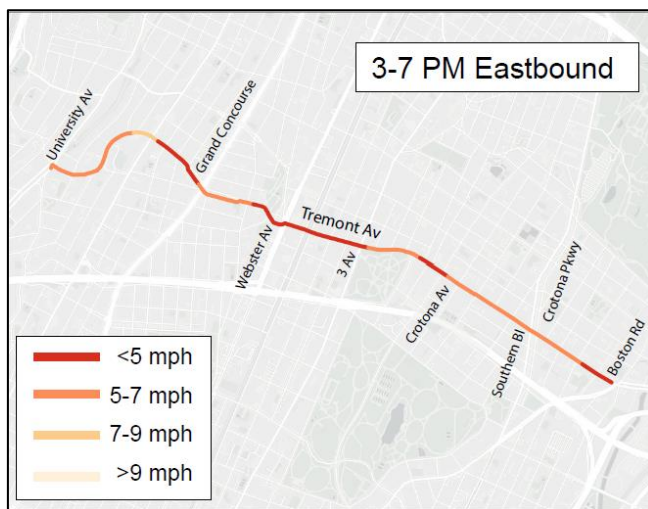

Source: MTA NYCT

# Tremont Av Bus Speeds (PM)

- Slow and unreliable bus service along Tremont Av
- Buses move slowly all day and **less than 5 mph** in many segments
- PM peak-period trips take **7-9 minutes longer** than evening/overnight
- Traffic congestion and double parking cause slowdowns

## PM Peak Period Bus Speeds, Oct 2023

# Safety

- From 2019-2023, 920 people were injured in crashes on Tremont Av between University Av and the Bronx River Pkwy
  - Average of more than 3 injuries every week
  - 57 people severely injured
  - 4 people were killed
- Vision Zero Priority Corridor, with one Vision Zero Priority Intersection:
  - Park Av & E Tremont Av

Tremont Av, University Av to Bronx River Pkwy  
Injury Summary, 2019-2023 (5 years)

	Total Injuries	Severe Injuries	Fatalities	KSI
Pedestrian	179	16	3	19
Bicyclists	119	14	0	14
Motor Vehicle Occupant	622	27	1	28
Total	920	57	4	61

# Public Health and Air Quality

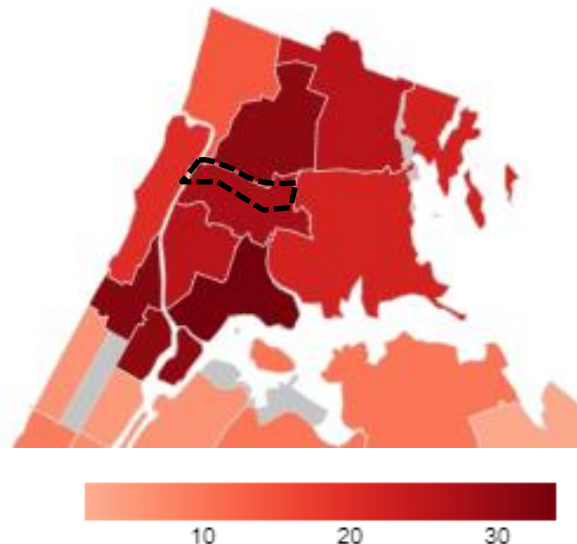

- Residents in neighborhoods near Tremont Av have high rates of asthma, diabetes, and heart disease, in part due to exposure to pollution
- Transit improvements can reduce private vehicle use, improve air quality, and promote physical activity

Premature Mortality

# Existing Condition

- Most sections are 50 feet wide, curb to curb
  - Each direction has a moving lane, a parking lane and a bike lane
- Tremont Av widens and divides into EB & WB sides around Grand Concourse, Valentine Av
- 2 extra moving lanes from Webster Av to Park Av (1 block)
- 1 extra moving lane from Park Av to Monterey Av (4 blocks)

# Upcoming Capital Projects

---

- Tremont Av at Devoe Av
  - Starting construction in Fall 2024
- Jerome Av Area
  - Preliminary Design

# Vision & Challenges

## Vision:

- Make bus service fast, reliable and on-time
- Make Tremont Av safer to walk, bike & drive
- Ensure access to businesses

Tremont Av & Walton Av

## Challenges:

- Traffic congestion
- Double parking & vehicle access needs
- Few alternate routes in some sections
- Space for bikes and buses

Tremont Av & Arthur Av

# Work to Date

# Work to Date

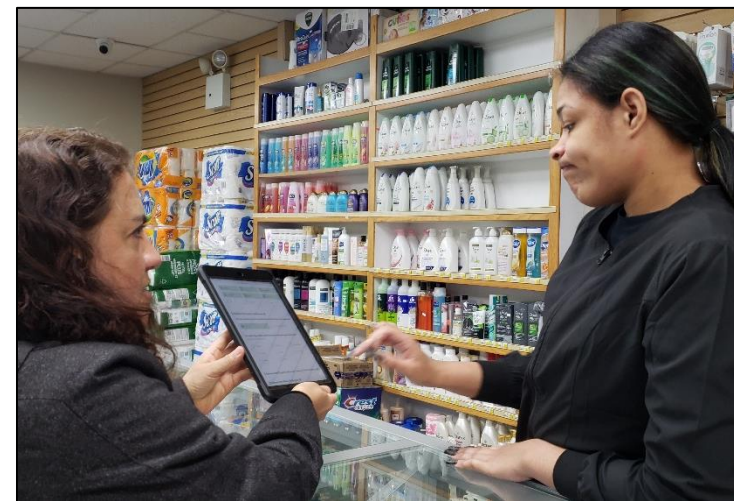

- Tremont Av Safety Project (2016) →
- MTA Bronx Bus Network Redesign: 50+ public outreach events
  - On-street and in-station pop-ups
  - Public open houses
  - Community Board presentations
  - Online workshop & surveys →
- Tremont Av Project Community Advisory Board Meeting (Dec 2022)
- DOT on-street engagement (2023)
  - Merchant survey
  - Pedestrian Intercept survey
  - Bus passenger survey
- Field observations & data analysis

# Tremont Av Merchant Survey

---

- In April and May of 2023, DOT visited every business on Tremont Av from University Av to Boston Rd
- 162 merchants took our survey on delivery schedules, challenges & needs
- Busiest blocks for deliveries:
  - Lafontaine Av to Arthur Av, North curb
  - Park Av to Washington Av, North curb
  - Webster Av to Park Av, South curb
- Most businesses reported receiving deliveries between 9 AM and 1 PM

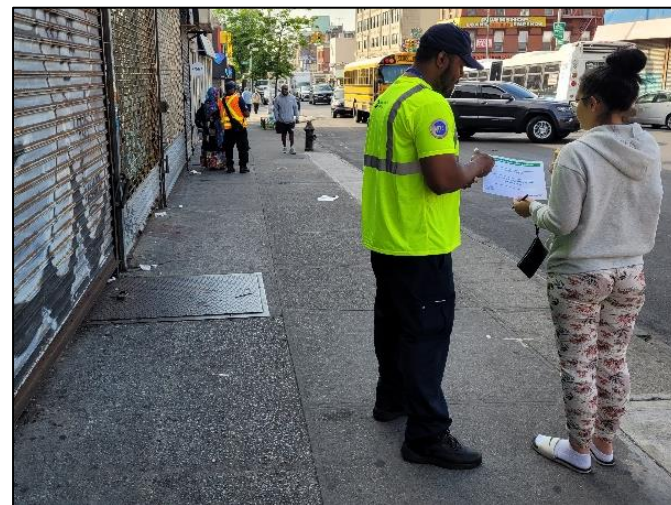

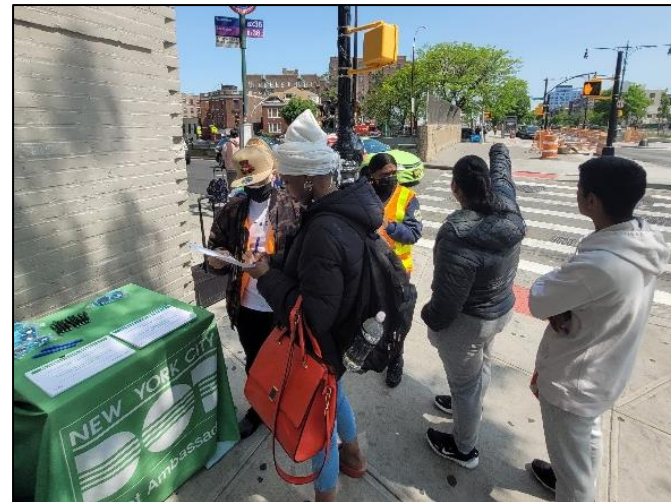

# Tremont Av Pedestrian Intercept Survey

- In April and May 2023, DOT administered pedestrian intercept surveys at select locations along Tremont Av
- DOT had over 150 on-street conversations and administered 131 on-street surveys
- Participants commented on Bx36; issues mentioned included long wait times, bus bunching, and congestion
- 62% of people surveyed took the bus to Tremont Av
  - 33% of participants walked

# Tremont Av Bus Passenger Testimonials

- In May 2023, DOT and MTA spoke with the public at bus stops along Tremont Av and had conversations with over 290 bus riders
  - Wednesday, May 10
  - Friday, May 12
  - Monday, May 15
- Included stops at Grand Concourse, Third Av, Webster Av, Jerome Av, Crotona Av, and Boston Rd

# Community Feedback

- Bus riders' top requests:
  - Timely service/more reliable service
  - Less crowding
  - Faster bus speeds
  - Improved accessibility for older residents & people with disabilities

“Arrive more consistently”

“Faster/Rápido”

# Community Feedback

"I wish the buses run on time more"

"Come on time, more frequent"

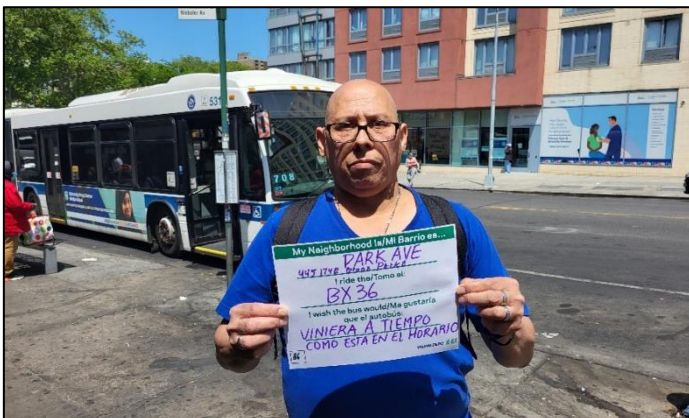

"Más espacio, los buses tienen mucha gente y no tienen mucho espacio/More space, the buses have a lot of people and they don't have much space"

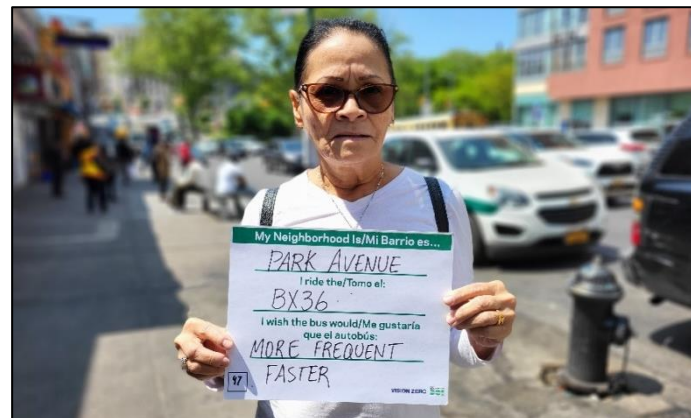

"Pasar ma rápido/Go faster"

# Community Feedback

“Viniera a tiempo como esta en el horario/Come on time as it is on the schedule”

“More frequent, Faster”

“Faster”

“I [would] like the bus [to] be more often”

## No Parking/ No Standing

# Other Tools

---

- Traffic signal timing
- Transit Signal Priority (TSP)
- Bus lane camera enforcement
  - DOT stationary cameras
  - MTA on-bus cameras (ACE)
- Left & right turn bays
- Trees & streetscape improvements

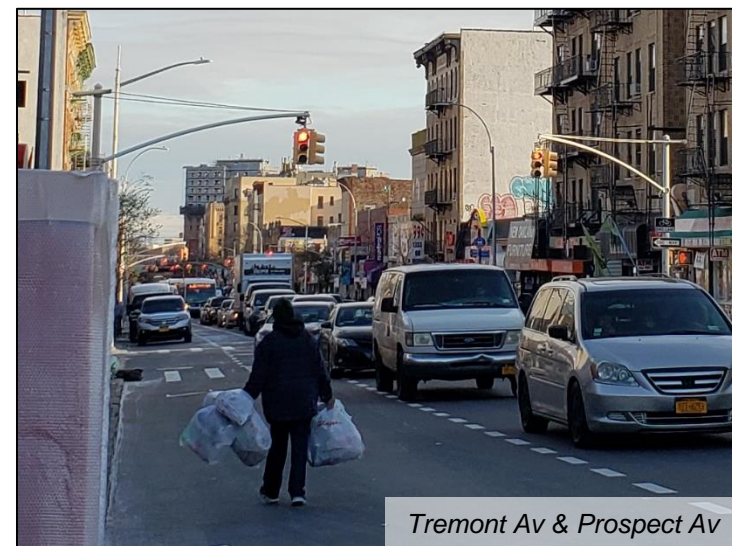

# Next Steps

# Next Steps

---

*(Note: all dates are tentative estimates)*

- February and March 2024
  - Community Boards 5 & 6: Discuss existing conditions, needs & wants
  - Feedback will help shape DOT's draft proposal
  - Site visits & data collection
- Spring/Summer 2024:
  - Continue public outreach w/ CBs 5 & 6, elected officials, Community Advisory Board & other stakeholders
  - Conduct traffic analysis
  - Develop & share draft plans; feedback will help refine proposal
  - Share refined plan
- Implementation in late 2024 or 2025

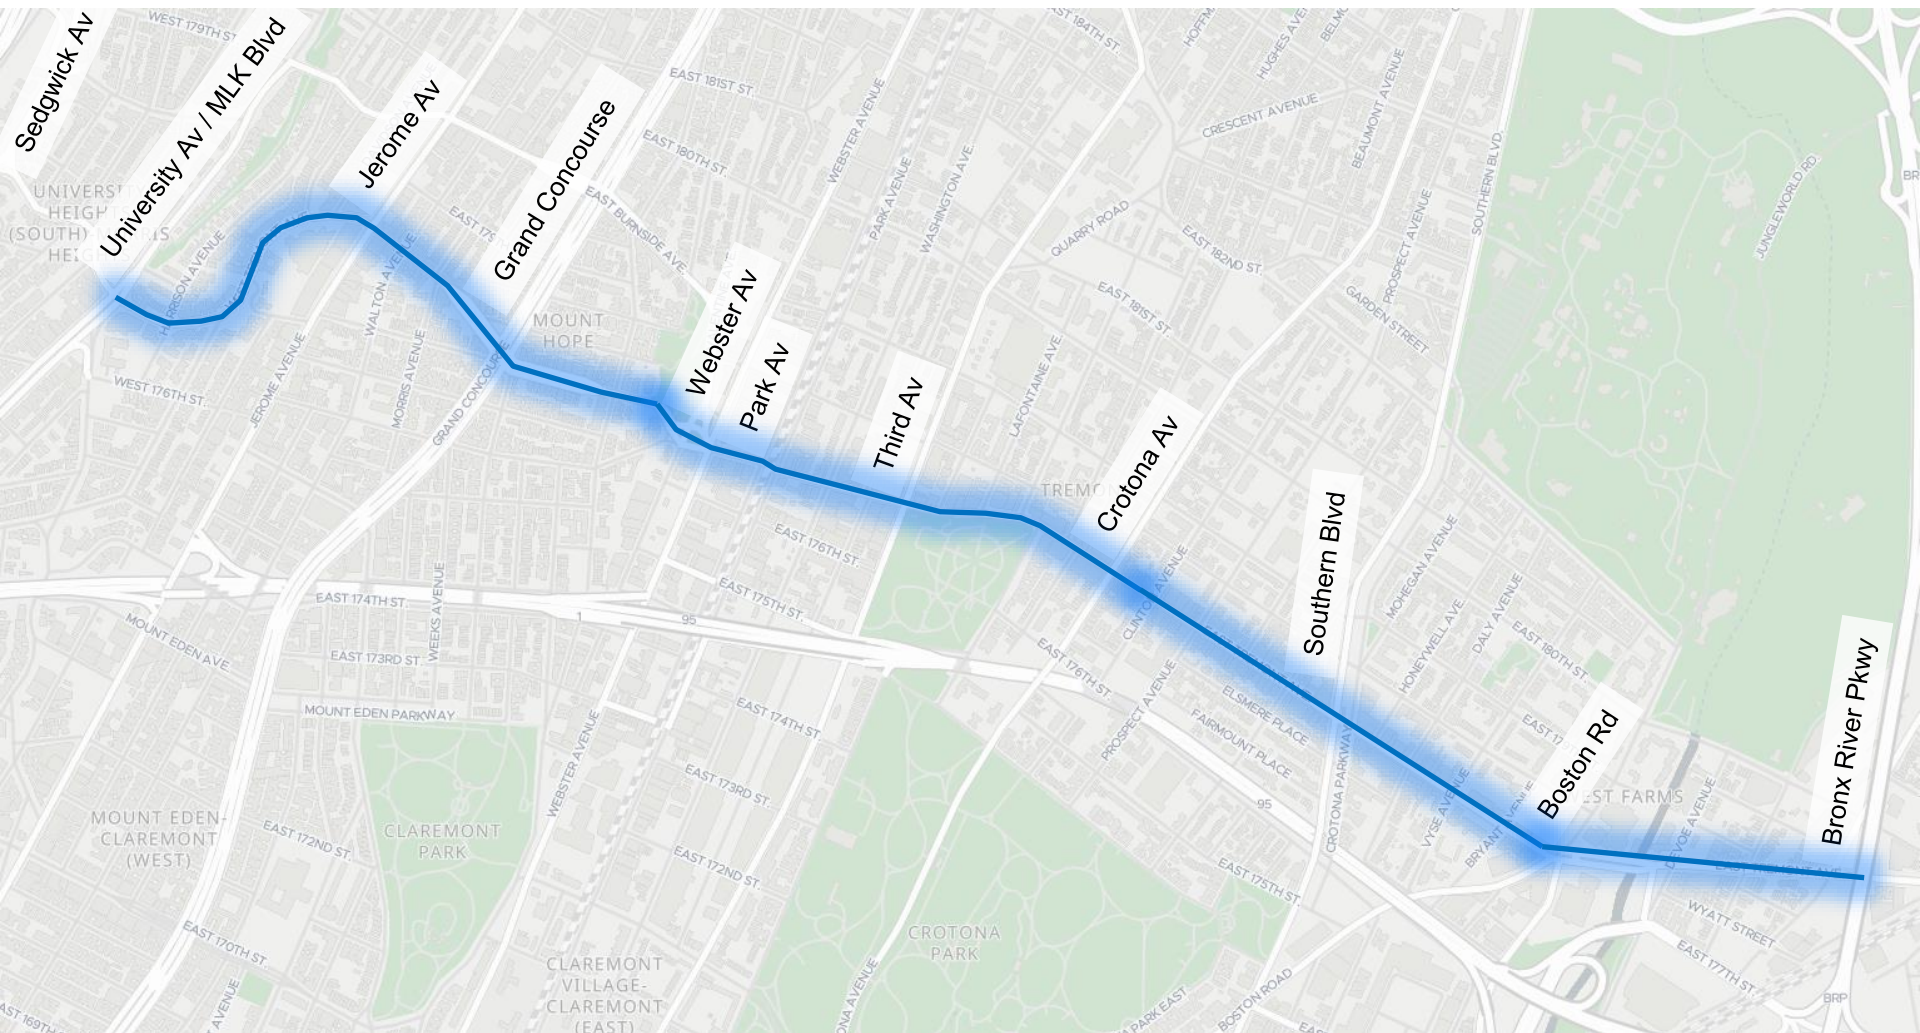

# Discussion

# Open Discussion

- How does Tremont Av operate right now? What works & doesn't work?
- Which DOT and MTA tools sound most useful? Less useful?
- Who else should we reach out to about this project? Any groups or specific individuals?
- What would a successful project look like?
- What tradeoffs are acceptable?
- What role can DOT and MTA take to make Tremont Av work better?

# Full Corridor

# Thank You!
