2.1.1 PROMOTION TO CAPTAIN EXAM NO. 1551

The NYC Department of Citywide Administrative Services (DCAS) has notified the Department that the following Captain List #1551 has been published for informational purposes. This list is available on the DCAS website, and on the FDNY Intranet. The next promotion to Captain will be from this list. This list will not be considered "Established" until the commencement of promotions from the list.

The following is the terminology DCAS uses in reference to various stages of a promotion lists' status and the order in which they occur:

1. DCAS **PROMULGATES** a list (creates the list internally for processing and finalization)
2. DCAS **PUBLISHES** a list (makes finalized list available to agencies to establish, and available to the public for informational purposes)
3. When an agency makes initial hires from a published list, that list is officially **ESTABLISHED**, thereby triggering the time period associated with the lifespan of that list.
