**Resolution for St. Nicholas Playground North - NYC Parks Renovation Project**

**WHEREAS**, St. Nicholas Playground North is located on Adam Clayton Powell, Jr. Blvd. between West 129<sup>th</sup> and 131<sup>st</sup> Streets in the borough of Manhattan in Community Board 10; and

**WHEREAS**, a public design charrette was held on December 9, 2014, which included the collaboration of New York City Parks Department architects and the local community; and

**WHEREAS**, on January 14, 2015 the Parks Department presented to the Manhattan CB 10 Parks and Recreation Committee the proposed concept design for the renovation of St. Nicholas Playground North and solicited our comments; and

**WHEREAS**, on May 13, 2015 the Parks Department presented to the Manhattan CB 10 Parks and Recreation Committee the proposed final design incorporating community input for St. Nicholas Playground North; and

**WHEREAS**, the proposed renovation will upgrade the active play amenities, enhance the environmental qualities of the site, facilitate increased passive recreational use of the site, clarify user circulation and improve the experience of arriving at and entering the park; and

**WHEREAS**, the existing comfort station will undergo renovation as a separate project; and

**WHEREAS**, construction is expected to begin in the Fall of 2016 and be ongoing for one year, ending in 2017; and

**WHEREAS**, the NYC Parks Community Parks Initiative program will include funding for ongoing maintenance post-renovation; and

**WHEREAS**, improving public parks and open space is integral to livable communities and has a direct impact on the everyday quality of life for our residents, from fighting blight to facilitating physical activity and better health in our neighborhoods;

**THEREFORE, BE IT RESOLVED**, that on June 3, 2015 the Manhattan Community Board 10 supports the City's efforts to upgrade through renovation and a new design St. Nicholas Playground North with a vote of 34 in favor, 0 opposed and 0 abstentions.
