Public Interest Statement

St. Vince Group dba East Village Tavern

158 Avenue C, NY, NY 10009

The East Village Tavern is located at 158 Avenue C, in the East Village of New York City. The proposed premises is located on the corner of East 10th Street and Avenue C, and has been vacant since about November, 2016. It was previously operated as the East Village Tavern for approximately 8 years, serving pub food, and had a full on-premise liquor license. It was a popular local spot for area residents. The St. Vince Group is also seeking a full on-premise liquor license, focusing on the dining experience. We are elevating the menu to include affordable and gourmet choices, offering cocktails, wine, beer, mocktails, and other non-alcoholic beverages to compliment the menu.

In anticipation of working with Community Board 3 and its residents, we understand the concerns about a new applicant. We want to partner with the community board and residents to have a strong and respectful relationship. We ask for the same stipulations which were granted to the previous owner of East Village Tavern, Brooklyn Bar NYC Inc., which were as follows: operate as a full restaurant serving food to within 1 hour of closing, close accordion doors by 10 PM every night, have only background music, close no later than 2 AM all nights. There was mention of live music, however, we have no desire to have live music of any kind, the space does not lend itself to live music, karaoke, or a dj. This space is a restaurant, and has been designed as such.

During the petitioning process, we had the pleasure of speaking with many local residents. Time and again it was expressed that they were very eager to see a new business move into the vacated East Village Tavern spot, as empty store fronts have a negative impact on the neighborhood. In this particular case, the location has one tenement building housing the East Village Tavern, and the remainder of the block on Avenue C is a community garden, which, at night, is quite dark. Allowing a business to operate will add light and security to an otherwise desolate block, and provide more safety to local residents.

Another request that was expressed by local residents was the need for an affordable lunch spot, and as you will see from the included menu, the new East Village Tavern offers a wide array of options in an area that doesn't currently have many lunch choices.

The East Village Tavern will operate 7 days a week from 11:00 AM to 12:00 AM Monday – Thursday, and 11:00 AM to 2:00 AM Friday and Saturday. The kitchen will close daily at 12:00 AM. Takeout and delivery will be offered daily, with the last delivery occurring at approximately 11:00 PM. There will be background music played through an Ipad, at a low level allowing for conversations throughout the establishment. We are not planning to keep the accordion doors open for the following reasons: during winter months it's not applicable, during spring, summer, and fall it is not energy efficient and it may encourage insects and vermin.

Serving alcohol to minors (under 21) will be prevented by checking identification before serving alcoholic beverages and using an ID SCANNER. Sara Kim, owner, is TIPS certified, and will train all employees to ensure that drinks are not passed to minors. Additionally, bartenders and servers will refuse to serve alcohol to anyone who appears to be intoxicated. If someone does appear to be

intoxicated, management and / or security will be notified so that proper action may be taken. Stephen Choi, owner, will be serving as GM, and will be present at least 40 hours per week. Should any issues arise, they can be quickly addressed. He was a resident of the East Village for more than 15 years, and has more than 25 years of hospitality management experience. There will be security personnel on the premises to ensure that there is a safe and quiet atmosphere inside and outside and no loitering outside. Anyone exiting will be asked not to loiter in front of the premises and to keep noise levels at a minimum. Anyone smoking will be directed toward the street and away from the building and garden and directed to respect noise levels. Security personnel will be retired NYPD police officers. The outside will be swept regularly for any debris.

All required signs will be conspicuously posted, including, but not limited to the 2 Pregnancy Warning signs, the prohibited sales sign, Liquor License, Health Department, Sales Tax, Certificate of Occupancy, CPR, Defibrillator sign, No Smoking, Food Handler's permit, etc. We will also liberally post Please Respect the Neighbors, Keep Noise Levels to a Minimum.

Thank you for your time and consideration. We look forward to being a part of the East Village Community.

Regards,

St Vince Group
