

Tracking Code	Boro	Board	Priority	Request	Reason	Location	Supported by 1	Supported by 2	Agency	Response Category	Category Description	Response	Additional Comment
304201801E	Manhattan	04	01	Expand street outreach	Expand resources for homeless Outreach		Council of Chelsea Block Associations	Hell's Kitchen Neighborhood Association	Department of Homeless Services	09	This request has already been funded	DHS provides aftercare services through the Homebase program to families newly relocating from the shelter system into NYCHA-assisted project-based Section 8, NYCHA public housing units, and LINC rental assistance programs. Homebase also serves as a safety net for all shelter exits, including LINC families.	
304201802E	Manhattan	04	02	Expand code enforcement	Enhance tracking of illegal demos, permitting work without tenant safety plan, and work with out lack certificate of non-harassment. As well as coordinate enforcement of regulations between HPD and the Department of Buildings in the interests of efficiency. In particular, Development in all parts of CD4 must be monitored and adherence to previously agreed to standards of contextual zoning maintained		West Side Neighborhood Alliance	Housing Conservation Coordinators	Department of Buildings	09	This request has already been funded	The agency will accommodate this issue within existing resources.	As Part of the Building One City Plan the Department of Buildings received additional funding and we are using existing resources to carry out the department's mandate.
304201803E	Manhattan	04	03	Provide more frequent litter basket collection	Expand funding for DSNY staff to provide more frequent litter basket collection		Council Member Corey Johnson	Council of Chelsea Block Associations	Department of Sanitation	03	The agency agrees with this request, but funding cannot be determined at this time	Although the Department of Sanitation supports this program, due to fiscal constraints the availability of funds is uncertain.	
304201804E	Manhattan	04	04	Address illegal conversions and uses of buildings	Expand funding for the enforcement of the new regulations recently signed into law by Governor Cuomo. Illegal hotel use in our district continues to grow exponentially. The NYS Attorney General report Airbnb in the City, found that CB4 is one most trafficked neighborhoods for illegal hotel use, and of the three community districts that collectively account for 41% of Airbnbs revenue in NYC. Illegal hotel use depletes our affordable housing stock, incentives tenant harassment and creates quality of life issues for existing tenants. Increase OSE resources including lawyers, investigators and inspectors dedicated to bringing litigation against illegal hotel use, particularly in the most problematic districts.		Housing Conservation Coordinators	Westside Neighborhood Alliance	Department of Buildings	09	This request has already been funded	The agency will accommodate this issue within existing resources.	As Part of the Building One City Plan the Department of Buildings received additional funding and we are using existing resources to carry out the department's mandate. MOSE has also received additional resources and continues to focus on this issue.
304201805E	Manhattan	04	05	Conduct traffic or parking studies	Study the location and construction of a Tour and charter Bus Garage. In the Hudson Yards rezoning in 2005 the city committed the building of a garage to accommodate additional off-street parking sites for tourist and commuter buses and vans, services, and waiting "black cars".				Department of Transportation	10	This is not a budget request	This is not in the City's budget jurisdiction. Contact OMB's Community Board Unit.	This request is not within DOT's jurisdiction. Please contact MBCO for specific street regulations requests.

304201806E	Manhattan	04	06	Expand code enforcement	Increase and dedicate Inspectors, Community Coordinators, and Administrative Associates to CD4 Special Districts: HPD and DOB inspectors and those assigned to the Mayor's Office of Special Enforcement (OSE) do essential work in our area. Their work is particularly important within Community District 4s Special Districts, including the Special Clinton, West Chelsea and Hudson Yards Districts, where we depend on their skills to enforce arcane, but essential provisions preventing the demolition of sound residential housing and protecting tenants from harassment. Enhance funding for staffing to pursue with due diligence the collection of outstanding fines owed by repeat violators, and enforce unsafe and after hours construction compliance is essential.		Save Chelsea	West Neighborhood Alliance	Department of Buildings	09	This request has already been funded	The agency will accommodate this issue within existing resources.	
304201807E	Manhattan	04	07	Provide, expand, or enhance anti-eviction legal services	Homelessness prevention programs: While the administration is committed to supporting legal services to prevent harassment in districts that are to be rezoned in the near future, community districts such as CD4 which was subject to three large rezonings in the past decade, need enhanced funding to mitigate the effects of the zoning and harassment of tenants; provide enhanced legal services to represent individual tenants and tenant associations.		Housing Conservation Coordinators		Human Resources Administration	09	This request has already been funded	HRA funds Anti-Harassment Legal Services to work in select neighborhoods across the City with tenants, buildings, and tenant associations to help preserve their housing, protect against harassment or misconduct by unscrupulous landlords, and give representation and legal advice in evictions and other cases. HRA also funds Anti-Eviction Legal Services in the housing courts and in community offices across the City. We provide comprehensive, flexible, and individualized legal and related services to help low-income households avoid eviction and homelessness.	Manhattan Neighborhoods where these services are available include: 10029 East Harlem 10034 Inwood 10035 East Harlem
304201808E	Manhattan	04	08	Other zoning and land use requests	Complete the zoning text amendment to create a Hudson River Park development rights transfer district. This new district will fund the construction and maintenance of sections of Hudson River Park and bring some predictability to the development community for sites one block east of the Park. This effort should include a plan to remove the heliport at West 36th Street and the tow pound on Pier 76.	Location Site Name: Hudson River Park	Friends of Hudson River Park	Manhattan Borough President Gale A. Brewer	Department of City Planning	02	The agency agrees with this request, will accommodate in part	Part of this request has been accommodated in FY2017.	Please contact the Borough Office with questions.
304201809E	Manhattan	04	09	Other educational programs requests	Provide full funding for after school programs:	Location Site Name: PS11,PS33,PS35,PS51,PS58,PS111			Department of Youth & Community Development	04	The agency agrees with this request, but the funding decision follows a different budget process (i.e. RFP, local level decision)	Presently, there are a variety of agency-funded programs in the district for this target population. Additional programs are contingent upon available funding and will be distributed through an RFP process. Organizations are encouraged to apply.	DYCD is supportive of increased services for youth, but all funding decisions must be made through the City's procurement process. We encourage interested organizations to respond to Request for Proposals when they are released.
304201810E	Manhattan	04	10	Increase home delivered meals capacity	Expand existing programs for Seniors (DFTA) Meal programs. - Encore Community Services 239 West 49th Street - The SAGE Center Midtown 305 Seventh Avenue		Clinton Housing Development Corp.		Department for the Aging	03	The agency agrees with this request, but funding cannot be determined at this time	DFTA continues to advocate for seniors and senior related issues on all levels.	The Mayor's Office recently provided increased funding to DFTA for Home Delivered Meals services in recognition of growing need.

304201811E	Manhattan	04	11	Other request for services for the homeless	Casework for families with a multitude of issues, including dealing with homeless and often poverty, can better be assessed by a licensed professional who may also provide mental health services within the shelter. Addressing this may also help in creating more successful exiting strategies.				Department of Homeless Services	09	This request has already been funded	DHS provides aftercare services through the Homebase program to families newly relocating from the shelter system into NYCHA-assisted project-based Section 8, NYCHA public housing units, and LINC rental assistance programs. Homebase also serves as a safety net for all shelter exits, including LINC families.	Workforce development is one of HRA's priorities. While the budget has not increased in this area, the Agency has developed a more customized workforce development model. In November 2016, HRA announced contract awards for its three new employment programs -- CareerCompass, YouthPathways, and CareerAdvance. The new workforce development approach includes services for youth and other groups with specialized needs, such as those experiencing homeless or those with Limited English Proficiency. Moving away from a one-size-fits-all approach allows the Agency to assess clients skills, interest and employment barriers and connect them to the type of jobs, training, education and/or services that leads to long-term success and living wage careers.
304201812E	Manhattan	04	12	Expand homelessness prevention programs	Support for families and adults exiting shelter to decrease homeless recidivism through GED completion and job training and continuity of social services, for at least 3 months after exiting shelter.				Department of Homeless Services	08	This request requires further study	Homelessness prevention is an Agency priority. Funds have been allocated in the budget for these services.	
304201813E	Manhattan	04	13	Other transit service requests	NYC DOT Para-Transit Service Access-A-Ride vehicles have GPS capabilities but do not use them. Training staff to utilize the GPS technology is needed as well as better customer service training is needed.		New York City Comptroller Scott Stringer		Transit Authority			For information regarding the status of this Request, contact the Transit Authority directly at telephone number 646-252-2660.	
304201814E	Manhattan	04	14	Other services for homebound older adults programs	Expand existing programs for Seniors in the following areas: In-home supports supportive housing Preventive health and social services		Clinton Housing Development Corp.		Department for the Aging	05	The agency supports this request, but funding is not available at this time	DFTA continues to advocate for increased funding to support aging services throughout the five boroughs. Presently, there is no additional funding available to increase program budgets or commence new initiatives.	
304201815E	Manhattan	04	15	Assign additional staff to address specific crimes (e.g. drug, gang-related, vice, etc.)	Increase enforcement staff for idling laws: work with DEP to conduct repeated and targeted operations in areas identified by our communities. The hundreds of buses idling in our community warrant a much level higher of enforcement.				Police Department	02	The agency agrees with this request, will accommodate in part	Additional NYPD resources for this project are unavailable at this time due to funding constraints. However, the program will continue to operate within current funding levels.	

304201816E	Manhattan	04	16	Assign additional uniformed officers	Expand funding to add 10 traffic officers (enforcement and traffic) to the district The top areas of complaints are: vehicular failure to yield to pedestrians, - vehicular spillback, - illegal bus parking/standing, especially tourist buses on the west side, from 30th Street to 57th Street. - bus drivers using unauthorized routes, - vehicular idling, - bicycles riding on sidewalks, going the wrong way bike paths and streets, and running red lights. - Illegal electric bikes- vehicles blocking bike lanes - unnecessary honking, - liquor license stipulations- tagging of food delivery bikes.		CHEKPE DS		Police Department	09	This request has already been funded	This NYPD request is funded.	
304201817E	Manhattan	04	17	Study land use and zoning to better match current use or future neighborhood needs	Explore rezoning the northern part of Hudson Yards to complete the planned park and allow for additional residential units. A rezoning of Hudson Yards North is needed to provide a mechanism to fund the construction of the planned Hudson Yards Blvd. park, and to reflect the realities of the market which favors residential development over commercial development.	Location Site Name: Hudson Yards	Clinton Housing Development Corp	Council Member Corey Johnson	Department of City Planning	08	This request requires further study	The agency will try to accommodate this issue within existing resources.	
304201818E	Manhattan	04	18	Provide new bike lanes	Study new protected crosstown bike lanes in midtown - between 36 and 33rd street should be moved to expenses				Department of Transportation	02	The agency agrees with this request, will accommodate in part	The agency will try to accommodate this issue within existing resources.	The DOT Bike division continues to look for expanded opportunities using existing resources.
304201819E	Manhattan	04	19	Other water supply system maintenance requests	MCB4 requests that NYC DEP finalize transfer mechanism of portion of DEP site at West 48th Street and 10th Avenue to the City's Parks Department. This transfer has been committed as part of the Western Rail Yards re zoning and the water maintenance tunnel construction is completed at this location.	Location Site Street: 10th Avenue Cross Street 1: West 48th Street C ross Street 2: West 49th Street	47/48 Block Association	Council Member Corey Johnson	Department of Environmental Protection	10	This is not a budget request	More information is needed from the community board before making a funding decision. The community board should contact the agency.	Mayor de Blasio has prioritized the construction of the remaining two shafts, and has included \$685 million in the Executive Budget and upcoming 10-year strategy, allowing for an accelerated construction of the shafts to begin in 2020, one year earlier than previously projected, as well as ensuring that the tunnel is activation-ready by the end of 2017.
304201820E	Manhattan	04	20	Address traffic congestion	Study the creation of bus lane on 9th Avenue from 44th street to 57th street to increase the M11 reliability and consistency of its service	Location Site Street: 9th Avenue Cross Street 1: 44th Street C ross Street 2: 57th Street	CHEKPE DS		Department of Transportation	10	This is not a budget request	Further study by the agency of this request is needed.	Consistency and reliability of the M11 service is managed by the MTA. The Community Board should contact the Borough Commissioner's office to further discuss.

304201821E	Manhattan	04	21	Enhance or expand noise pollution abatement and enforcement programs	Enhance or expand noise pollution abatement and enforcement programs: Additional resources are needed for night inspections when the noise pollution is most acute and invasive.		Council of Chelsea Block Associations	HK50/51 Block Association	Department of Environmental Protection	07	The agency requires additional information from the community board regarding this request	The agency will accommodate this issue within existing resources.	<ul style="list-style-type: none"> •DEP Air & Noise Inspectors/Staffing: 57 •DEP Air & Noise Manhattan Day Time Inspectors, Monday – Friday, 6 AM – 6 PM: 12 (including supervisors) •DEP Air & Noise Night Unit responds to complaints in all boroughs Monday – Friday 6PM – 2AM 12 (including supervisors) •DEP Air & Noise Late Night Unit, newly added, also responds to complaints in all boroughs, Monday – Friday, 8PM – 4AM, 4 inspectors/1 supervisor •DEP Air & Noise Early Morning Construction Unit, newly added, also responds to complaints in all boroughs, Tuesday- Saturday 6AM - 2PM, 6 Inspectors/1 Supervisor. •Weekend inspections will be augmented by staff working overtime based on complaint volume and time of day.
304201822E	Manhattan	04	22	Other zoning and land use requests	Modify the special permit process for off-street parking in new residential buildings. The current methodology for calculating parking for special permit findings does not reflect the realities of CD4, particularly in West Chelsea. The methodology encourages the building of unnecessary parking spaces which attract more cars in an area that is already overwhelmed by traffic and has excellent mass transit.		Manhattan Borough President	CHEKPE DS	Department of City Planning	08	This request requires further study	The agency will try to accommodate this issue within existing resources.	
304201823E	Manhattan	04	23	Other park maintenance and safety requests	The parks in the CD4 district that have comfort stations should have fixed post staff to address constituents' concerns, provide security and perform routine maintenance of that park alone.				Department of Parks and Recreation	03	The agency agrees with this request, but funding cannot be determined at this time	The agency recommends funding this expense budget request in FY 2018, but at this time the availability of funds is uncertain.	
304201824E	Manhattan	04	24	Streamline 311 update process	Reprogram 311 to direct A frames complaints to Dept. of Sanitation. Currently they are erroneously directed to NYPD . Program 311 to direct Illegal Storm Enclosures complaints to DOB or DOT. This has been an on going issue for years and currently there is no category for illegal storm enclosures.				Dept of Information Technology & Telecommunication	08	This request requires further study	311 receives complaints related to sidewalk obstructions and forwards them to the appropriate agency. 311 does not provide training or enforcement. In this instance, the identified agency is NYPD. NYPD may consider expanding the available services it provides to handle these complaints. If the issue is not for NYPD, then the Office of Operations should determine the agency responsible to address sidewalk obstruction complaints. Once a determination has been made, 311 will update its content to reflect the correct routing of these types of complaints to the appropriate agency.	

304201825E	Manhattan	04	25	Support nonprofit cultural organizations	Preserve and create affordable space for small to mid-sized art groups theatrical and other non-profit performance and visual art organization as well as their support services such as artists' studios, rental storage space for art, costumes, scenery, lighting, and rehearsal studios. MCB4 has long advocated for the creation of a subsidy program, as part of the overall budget of the Department of Cultural Affairs as well as through the theater Sub-district. This program would ensure permanent locations for existing and displaced nonprofit arts entities is an ongoing need and a high priority for this community.		League of Independent Theaters		Department of Cultural Affairs	04	The agency agrees with this request, but the funding decision follows a different budget process (i.e. RFP, local level decision)	The Department of Cultural Affairs recommends this project be brought to the attention of your local elected official, i.e. Borough President or City Council member.	
304201826E	Manhattan	04	26	Conduct Historic District Study	The significant development at Hudson Yards and the West Chelsea area have begun threatening the surrounding existing built neighborhoods. LPC needs to put a higher priority on working with Community Board 4 to identify and approve historical districts.		Save Chelsea	Hell's Kitchen Neighborhood Association	Landmarks Preservation Commission	08	This request requires further study	The Landmarks Preservation Commission needs to study this matter further before committing to funding this request.	LPC designates new individual landmarks and historic districts in the context of the agency's priorities and citywide equity agenda. LPC's Research Department has a detailed workplan to accomplish significant designation work within this Fiscal Year in accordance with the agency's priorities. The agency would be willing to meet with CB4 to understand the specific needs and concerns of the district.
304201827E	Manhattan	04	26	Provide more HIV/AIDS information and services	Over the last 10 years, HIV rates in the Chelsea/Clinton area were 50% higher than the average of New York City. Given the demographics of the resident population in Chelsea and Clinton, the district requires increased funding for education, prevention and treatment that is specific to our neighborhoods.		Actors Fund		Department of Health and Mental Hygiene	03	The agency agrees with this request, but funding cannot be determined at this time	Preventing the spread of HIV/AIDS and other STDs is a top priority for DOHMH. We were pleased to announce last year that the number of new adult AIDS cases is declining. Through a variety of condom distribution and community-based programs, we work to give communities the tools they need to stay safe. While additional services would be contingent upon available funds, please feel free to contact us to discuss available services in your community.	
304201828E	Manhattan	04	27	Study land use and zoning to better match current use or future neighborhood needs	Study the extension of the Special West Chelsea District (SWCD) to adjacent areas. It is now time, nine years after the creation of the SWCD, for the City to follow through with the promises it made including those listed then as Points of Agreement. Also it is important that the City examine the unforeseen problems, which have emerged as development rises in the SWCD creating pressures on adjacent areas like West 14th Street that might necessitate new zonings or the expansion of the SWCD itself.	Location Site Name: Special West Chelsea District	Save Chelsea	Council of Chelsea Block Associations	Department of City Planning	09	This request has already been funded	This request has been accommodated in a prior fiscal year.	
304201829E	Manhattan	04	28	Other cultural facilities and resources requests	Expand funding to bring the Irish Arts Center project to completion.	Location Address: 553 West 51st Street	Clinton Housing Development Company		Department of Cultural Affairs	04	The agency agrees with this request, but the funding decision follows a different budget process (i.e. RFP, local level decision)	The Department of Cultural Affairs recommends this project be brought to the attention of your local elected official, i.e. Borough President or City Council member.	

304201830E	Manhattan	04	29	Other sewer maintenance requests	MCB4 lauds DEPs NYC Green Infrastructure Program we ask that DEP and agency partners, including the Federal government design, construct and maintain a variety of sustainable green infrastructure practices within MCD4. A portion of the FY 2016 budget should be earmarked to conduct a feasibility study of measures that can limit the damage of storm surges including flood gates. It has been estimated that the cost to design and construct flood gates at Verrazano Narrows, Arthur Kill and Throgs Neck is approximately \$10 billion.				Department of Environmental Protection	08	This request requires further study	This project is included in the ten-year plan.	The City will invest \$505 million, of which DEP's component is \$170 million to integrate the coastal flood protection system along the eastern shore of Manhattan, from 23rd Street to the Manhattan Bridge.
304201831E	Manhattan	04	30	Address traffic congestion	install a no truck traffic - only local deliveries at 22nd street and 10th avenue , which si being used as a short cut by construction trucks	Location Address: 22nd street at 11th avenue			Department of Transportation	06	The agency does not/cannot give priority to funding this request	The Borough Commissioner's office has reviewed this request. This request has been denied. Please contact the B/C's office for further details.	This request has been reviewed and denied.
304201832E	Manhattan	04	31	Other street trees and forestry services requests	Tree guards for dangerous tree pits: A number of tree pits have been identified as dangerous for pedestrians and for low vision individuals in particular. More tree guards should be used to resolve this problem, which presents a real danger to low-vision pedestrians.		CHEKPE DS	Hell's Kitchen Neighborhood Alliance	Department of Parks and Recreation	07	The agency requires additional information from the community board regarding this request	Department of Parks and Recreation funds are insufficient for this project. We recommend this project be brought to the attention of your elected officials, i.e. Borough President and/or City Council member.	
304201833E	Manhattan	04	32	Assign additional traffic enforcement officers	Expand funding to add 10 traffic officers (enforcement and traffic) to the district The top areas of complaints are: vehicular failure to yield to pedestrians, - vehicular spillback, - illegal bus parking/standing, especially tourist buses on the west side, from 30th Street to 57th Street. - bus drivers using unauthorized routes, - vehicular idling, - bicycles riding on sidewalks, going the wrong way bike paths and streets, and running red lights. - Illegal electric bikes- vehicles blocking bike lanes - unnecessary honking, - liquor license stipulations- tagging of food delivery bikes	Location Site Street: 9th avenue, 11th and 8th avenues Cross Street 1: W37, W23, W 57 Cross Street 2: W 47	CHEKPE DS		Police Department	09	This request has already been funded	This NYPD request is funded.	
304201834E	Manhattan	04	33	Address traffic congestion	Convert 11th avenue to one-way southbound from 57th Street to 42nds Street Reduce congestion by re-balancing traffic between 9th and 11th Avenue as recommended in the Hells Kitchen study. Add pedestrian safety features and a protected bus lane. Make Eleventh Avenue one-way southbound from West 57th Street to West 44th Street to ensure the reliability of the new bus route.	Location Site Street: 11th Ave Cross Street 1: West 42 Street Cross Street 2: West 57 Street	CHEKPE DS	Hell's Kitchen Neighborhood Association	Department of Transportation	02	The agency agrees with this request, will accommodate in part	Work on this project/program has either been completed or will be finished in FY 2017.	Implementation for this conversion is scheduled to begin in spring of 2017, and DOT has already presented the plan to CB 4. For further information, please visit: http://www.nyc.gov/html/dot/html/motorist/hellskitchen.shtml
304201835E	Manhattan	04	34	Provide resources to train officers, e.g. in community policing	Provide additional resources to further train officers in the following: Traffic officers and agents: Pedestrian safety Bus/truck laws including idling Preventing gridlock Precinct Officers: Collision investigation (10-190). It is critical that all agents responding to crashes be educated in the 10-190 laws and be ready to report all crashes causes.				Police Department	09	This request has already been funded	This NYPD request is funded.	

304201836E	Manhattan	04	35	Other programs to address public health issues requests	Substance Abuse: The Board is concerned about reports that the use of crystal methamphetamine and K2 is gaining a foothold in our community. In addition to other health and mental health dangers, use of this drug has been associated with increased use of other illicit drugs, as well as sexual practices that enhance the chances of contracting HIV and other sexually transmitted diseases.	Location Site Name: Gay Men's Health Crises Address: 446 W 33rd St			Department of Health and Mental Hygiene	05	The agency supports this request, but funding is not available at this time	DOHMH manages a variety of HIV programs that include education, testing, and counseling, including Brooklyn Knows. We will review and assess the request for additional programming, which would be contingent upon available funds. Data suggests that crystal meth is not very prevalent in NYC; however, we are gathering information about current practices of use to ascertain whether use is rising again. There are concerns about other emerging synthetic drugs, such as synthetic marijuana and bath salts, and we are working on initiatives with our colleagues at the State level to reduce availability.	
304201837E	Manhattan	04	36	Other zoning and land use requests	Revise the CEQR manual to correctly calculate the need for school seats resulting from cumulative rezoning. With an additional 20,000 residents and further developments under way, our capacity to deliver a proper education to our students is woefully inadequate. Revise Chapter 6 of the City Environmental Quality Review, which grossly and unfairly under counts needed school seats in our community. The problem is worst in Manhattan; as each residential unit is calculated to yield three times more 4-17 year olds in the Bronx [.74] than in Manhattan [.22]. Calculations must be based on the most recently available data to update the borough formulas.		Council Helen Rosenthal		Department of City Planning	10	This is not a budget request	Changes to the CEQR Manual are not within DCP's purview. Please contact the Mayor's Office for Environmental Coordination.	
304201838E	Manhattan	04	37	Other senior center program requests	Expand existing mental health services for low income seniors by partnering with service providers such as Service Program for Older People (SPOP)		Actor's Fund	Clinton Cares	Department for the Aging	05	The agency supports this request, but funding is not available at this time	DFTA continues to advocate for increased funding to support aging services throughout the five boroughs. Presently, there is no additional funding available to increase program budgets or commence new initiatives.	
304201839E	Manhattan	04	38	Expand code enforcement	Training and stricter enforcement are needed to remove storm enclosures that are illegal and encroach in the pedestrian right of way. A focused effort is needed on 8th and 9th avenue and a proper coding in 311 is necessary.		CHEKPE DS	HK 50/51 Block Association	Department of Buildings	09	This request has already been funded	The agency will try to accommodate this issue within existing resources.	
304201840E	Manhattan	04	39	Assign additional crossing guards	Add two crossing guards 10th Avenue and 43rd, 44th; 45th Streets and 10th and 11th Avenues where the Beacon School is moving to with 1,500 additional students.	Location Site Name: Beacon School Address: 522 West 44 Street	Manhattan Borough President's Office		Police Department	03	The agency agrees with this request, but funding cannot be determined at this time	NYPD funding is currently available to maintain both the School Crossing Guards and School Safety Agents headcounts. The availability of future funding depends on decisions made in the Preliminary and Executive budget process.	
304201841E	Manhattan	04	40	Forestry services, including street tree maintenance	Tree Pruning: Many of the trees within our district are in desperate need of pruning and may not survive until the next seven-year cycle for pruning comes up.		Council of Chelsea Block Association	CHEKPE DS	Department of Parks and Recreation	03	The agency agrees with this request, but funding cannot be determined at this time	The agency recommends funding this expense budget request in FY 2018, but at this time the availability of funds is uncertain.	

304201842E	Manhattan	04	41	Provide resources to train officers, e.g. in community policing	Provide resources to train officers in noise measurement to address the many noise complaints due to the 700 bars restaurants and clubs and now massive number of construction activity.				Police Department	09	This request has already been funded	This NYPD request is funded.	
304201843E	Manhattan	04	42	Other zoning and land use requests	Conduct a study of publicly accessible Community Facilities. Create a publically accessible Community Facilities database that would index information contained in the COO of every building located within MCD4.		MANHATTAN LEAGUE OF INDEPENDENT THEATERS		Department of City Planning	02	The agency agrees with this request, will accommodate in part	A feasibility study on this work is currently underway in collaboration with the Mayor's Office of Operations.	
304201844E	Manhattan	04	43	Other community board facilities and staff requests	Reevaluate Community Board's OTPS budget for inflation.				Mayor's Office of Management and Budget	06	The agency does not/cannot give priority to funding this request	The community boards' budgets will be maintained in FY 2018.	
304201845E	Manhattan	04	44	Address air quality issues	Conduct air pollution studies: Provide Funding to conduct air pollution studies in the Lincoln Tunnel Corridor. Given the proximity of the Chelsea and Clinton/Hells Kitchen neighborhoods to the Lincoln Tunnel and to the Port Authority Bus Terminal, MCD4 most likely is at particular risk from unhealthy air. According to the New York City Department of Health and Mental Hygiene, this community suffers the second highest incidents of chronic lung disease of any community in Manhattan south of Harlem.				Department of Environmental Protection	07	The agency requires additional information from the community board regarding this request	Further study by the agency of this request is needed.	NY State DEC maintains the air quality monitoring network required by US EPA. Please refer the question to State DOT.
304201846E	Manhattan	04	45	Address air quality issues	Increase incentives for building owners to Convert dirty boilers that burn heating oil #4 and #6. DEP needs to work with the New York State Energy Research and Development Authority (NYSERDA) and the Energy Efficiency Corporation to develop specialized financing solutions to towards this effort.		Housing Conservation Coordinators		Department of Environmental Protection	02	The agency agrees with this request, will accommodate in part	The agency will accommodate this issue within existing resources.	-The Air Code adopted a phase out of #4 oil by 2030. -However, the Clean Heat Program is working to incentivize building owners to change out sooner.
304201847E	Manhattan	04	46	Increase case management capacity	The number of people over age 65 began to increase substantially beginning in 2011 as the oldest members of the baby-boom generation reach the 65-year mark. The number of people age 65 or older will nearly double between 2000 and 2030.				Department for the Aging	05	The agency supports this request, but funding is not available at this time	DFTA continues to advocate for increased funding to support aging services throughout the five boroughs. Presently, there is no additional funding available to increase program budgets or commence new initiatives.	
304201848E	Manhattan	04	47	Provide more programs in parks or recreational centers	Programming in needed for all age groups in our parks: more art in the parks in the form of exhibits, dance or musical performances would be a great way to engage the community.				Department of Parks and Recreation	03	The agency agrees with this request, but funding cannot be determined at this time	The agency recommends funding this expense budget request in FY 2018, but at this time the availability of funds is uncertain.
