

AMERICAN MUSEUM OF NATURAL HISTORY

**Richard Gilder Center for Science,
Education, and Innovation**

Informational Meeting

Thursday, November 12

6:30–8:30 pm

Please join us at the Museum for an informational meeting about the Richard Gilder Center for Science, Education, and Innovation. The meeting will feature a presentation by architect Jeanne Gang on the recently announced conceptual design.

Please enter at 77th Street between Central Park West and Columbus Avenue.

RSVP: 212-769-5246 or GilderCenter@amnh.org

More information about the project is available at amnh.org/GilderCenter
