

NYC Mayor's Office of Recovery and Resiliency  
Quarterly Contract Look Ahead

Contracts to be Offered in Q2 - Q3 2016

**Note:** This document is intended for advisory purposes only and does not constitute a binding release timeframe. The expected release timeframes listed here reflect project status as of the publication of this document. These timeframes are subject to change at the discretion of the City. As procurement documents are prepared by agencies, they will become available on individual agencies' contract opportunities pages, which can be reached by clicking the links at the right of each line item. Please keep checking back for updated information.
