- The calendar months do not cooperate when it comes to distributing stipends evenly in weekly increments.
- To make it a little easier to understand we have provided the calendar to the left. **(Paying on Friday every week.)**
- For those students who did not attend Winter session classes, they were pro-rated 15 days in January.
- In order to maintain the "pay once a week" schedule, you will include days from the following month, because the daily per diem is always the same.
- Note: December 30th and 31st are included in the prior weeks of the month.
