\*CARES (Collaborative Assessment, Response, Engagement and Support, formerly known as FAR) is an alternative Child Protective response to some reports of child maltreatment. CARES does not require an investigation and determination of allegations and individual culpability for families reported to the SCR. It is an alternative approach to providing protection to children by engaging families in an assessment of child safety and of family needs, in finding solutions to family problems and in identifying informal and formal supports to meet their needs and increase their ability to care for their children.

## SCR Investigation Indication Rate\* January 2019 – August 2022

\*Beginning January 1, 2022 the standard of evidence required to indicate an investigation changed from some credible evidence to a preponderance of evidence

## Average Child Protection Caseload\* August 2021 – October 2021 and August 2022 – October 2022

\*includes all caseload carrying Child Protection Specialists (CPS) in investigative and CARES Units in Primary and Case Manager roles.
