

NYC Department of Correction

Secure Unit Compliance Audit – December 2022

Pursuant to the limited variance granted by the NYC Board of Correction on September 14, 2021, allowing for the continued use of the Secure Unit for young adults (18 to 21 years old), the related variance conditions require the NYC Department of Correction (“Department”) to conduct monthly audits on compliance with the following provisions of the Board’s Minimum Standards and with educational services:

- § 1-05(b) (Lock-in), specifically, the number of out of cell hours per young adult;
- § 1-08(f) (Access to Courts and Legal Services, including Law Library);
- § 1-06 (Recreation);
- § 1-02(c)(2) (Classification), specifically, the number of programming hours offered to each young adult and the number of hours each young adult participated in programming; and
- Education services, specifically the number of young adults brought to school and, for each young adult, the time each young adult was brought to school and the time each young adult was taken out of school.

Audit Parameters

As set forth in the Department’s June 9, 2017, compliance plan to the Board, the audit is conducted through a manual review of the housing area logbooks on four (4) selected dates each month using simple random sampling.

This audit report covers the following four (4) dates in the month of December 2022:

- December 6
- December 15
- December 21
- December 29

In addition, on-site inspections of the Secure Unit’s kiosks and typewriters were conducted on four (4) randomly selected dates, listed below.

§1-05(b) Lock-in

A manual review of housing area logbooks was performed to determine whether ten (10), twelve (12), and fourteen (14) hours of out-of-cell times were afforded to young adults based on their assigned phase. In addition, pursuant to the Secure Unit variance granted by the Board on September 14, 2021, and associated variance conditions, this audit report provides individualized data related to each young adult’s out-of-cell time during the reporting period.

§1-08(f) Access to Courts and Legal Services, including Law Library

Manual reviews of the housing area logbook, Program and Services Logbook, and Law Library Logbook were conducted to determine whether Law Library services were afforded. In addition to the above logbook reviews, on-site inspections were conducted to determine if the four (4) kiosks and four (4) typewriters located in the unit were operational.

December 2022 on-site inspections of kiosks and typewriters were conducted on dates selected using simple random sampling:

Education

A review was conducted to determine the number of young adults enrolled in educational services, the number of young adults brought to school, as well as the time that each young adult arrived at school and the time that each young adult departed school.

Audit Findings

§1-05(b) Lock-in

All young adults in the Secure Unit are required to be afforded lock-out hours based on their housing phase: ten (10) hours in Phase 1, twelve (12) hours in Phase 2, and fourteen (14) hours in Phase 3. Based on the housing area logbook, the lock-in/lock-out times were not consistently recorded for the phases in which young adults were housed within the unit on all four (4) audit dates: December 6, 15, 21 and 29, 2022.

On December 6, 2022, the scheduled Phase 1 scheduled lock-in at 1:00 p.m. and 7:00 p.m. were not recorded. Also on this audit date, the Phase 2 scheduled lock-in at 8:00 p.m. was not recorded. On December 15, 2022, the scheduled 5:00 a.m. lock-out and 7 a.m. lock-in were not recorded for Phases 1, 2 and 3. The Phase 1 scheduled lock-in at 1:00 p.m. and 7:00 p.m. were not recorded. Also on this audit date, the Phase 2 scheduled lock-in at 2:00 p.m. and 8:00 p.m. were not recorded. On December 21, 2022, the scheduled 5:00 a.m. lock-out and 7 a.m. lock-in were not recorded for Phases 1, 2 and 3. The Phase 1 scheduled lock-in at 1:00 p.m. and 7:00 p.m. were not recorded. Also on this audit date, the Phase 2 scheduled lock-in at 8:00 p.m. was not recorded. On December 29, 2022, the facility was unable to locate the housing area 11B Institutional Logbook for this audit date; therefore no lock-out/in times are provided.

The Lock-in/Lock-out Tracking Logbook captures individualized data on an hourly basis related to each young adult's time in and out of his cell. On any given day, a young adult may be out to court or transferred in or out of the Secure Unit. Depending on the length of time these young adults are in the housing unit, they may not be included in the out-of-cell time reporting.
