Young Adult ESH Compliance Audit – January 2022

Mayor's Executive Order 241, that began on September 15, 2021, allows for the continued use of Enhanced Supervision Housing (ESH) for young adults (18 to 21 years old). The Department continues to report on compliance through a monthly audit for the following provisions of the Board's Minimum Standards:

- § 1-05(b) (Lock-in), specifically, the number of out-of-cell hours per young adult;
- § 1-08(f) (Access to Courts and Legal Services, including Law Library);
- § 1-06 (Recreation);
- § 1-02(c)(2) (Classification), specifically, the number of programming hours offered to each young adult and the number of hours each young adult participated in programming; and
- Education services, specifically the number of young adults brought to school and, for each young adult, the time each young adult was brought to school and the time each young adult was taken out of school.

Audit Parameters

The audit is conducted through a manual review of housing area logbooks and programming attendance data on four (4) randomly selected dates from each month. The scope of the audit encompasses only those housing units within ESH in which young adults are housed within the audit period. On the four (4) audit dates specified below, young adults were housed in one (1) ESH housing area, labelled A.

This audit report covers the following four (4) dates in the month of January 2022:

- January 4
- January 11
- January 18
- January 25

In addition, on-site inspections of the ESH unit kiosks and typewriters were conducted on four (4) randomly selected dates:

- January 7
- January 14
- January 21
- January 28

§1-05(b) Lock-in

A manual review of housing area logbooks was performed to determine whether seven (7) or fourteen (14) hours of out-of-cell time were afforded to the young adults based on their housing level. This audit report also provides individualized data related to each young adult's out-of-cell time during the reporting period.

§1-08(f) Access to Courts and Legal Services, including Law Library

A manual review of Law Library Logbooks was conducted to determine whether Law Library services were afforded. In addition to the logbook review, on-site inspections were conducted to

Education

A review was conducted to determine the total number of young adults enrolled in educational services and whether they **chose to** participate in educational services.

Audit Findings

§1-05(b) Lock-in

All young adults in ESH are afforded lock-out based on their housing level: seven (7) hours for Level II and fourteen (14) hours for Level III. On all four (4) dates audited, institutional **lock-out** and **lock-in** were not consistently recorded in the Lock-In/Out Logbook for each of the levels.

All young adults in ESH are housed in single occupancy cells within their respective housing area. Each ESH housing area consists of multiple single occupancy cells located on two (2) tiers – the lower tier and the upper tier. Young adults in Level II are afforded seven (7) hours of lock-out time each day. For each young adult in this level, the specific time that he locks out depends on his tier's lock-out schedule. For example, one (1) day the lower tier locks out in the am and the upper tier locks out in the pm. The following day the upper tier locks out in the am and the lower tier locks out in the pm. Regardless of the lock-out schedule for ESH young adults in Levels II, they are all afforded seven (7) hours of lock-out time on any given day. Young adults in Level III, who are afforded fourteen (14) hours of lock-out time, are not subject to a tier lock-out schedule. Young adults in Level III are all afforded lock-out during both the am and pm hours, regardless of the tier in which they are housed. On any given day, a young adult may be out to court or transferred in or out of the ESH Unit. These young adults may not be included in the out-of-cell time reporting.

Please note that the Department ceased operating young adult ESH Level 1 in April 2021.

Level II

Young adults in Level II are afforded seven (7) hours of out-of-cell time each day. Listed below is individualized data related to each young adult's total out-of-cell time in Level II, based on a manual review of the Lock-In/Out Logbook, for the audit dates. The out-of-cell time is the hours each day that a young adult **chooses to** be out of his cell during institutional lock-out periods.

Young adults in ESH are placed in housing units exclusively with other young adults (18 to 21 years old). Young adults who are 19 to 21 years old can also be commingled in units with adults (22 years old and older). In the commingled housing areas, the provision of programming is provided to each tier separately through two programming sessions. The hours of programming afforded may vary by tier within a housing area. In the young adult exclusive housing areas within ESH, tablets are intended to be utilized in the provision of programming and offered to young adults regardless of whether it is during the individual's lock-out period. The Programs Division is in the process of rolling out the provision of tablets over the coming months. In addition, in the young adult exclusive housing areas, on days when support programming staff are present, young adults may request individualized counseling while other programming components are being held.

The audit reviewed programming attendance data on each of the four (4) dates audited to ascertain the number of programming hours offered to each young adult and the number of hours each young adult **chose to** participate in programming. Program participation hours are based on the number of hours each young adult **chooses to** participate in programming. Please note that on any given day, a young adult may be out to court or transferred in or out of the ESH Unit. These young adults may not be included in the programming reporting. It is important to note that young adults returning from court during programming hours are offered the opportunity to participate in programming upon their return.
