Young Adult Housing Monthly Progress Report

March 2017

- Safe Crisis Management training will be required for all staff who have contact with young adults.
 - Cognitive behavioral intervention training will be provided to staff working in Second Chance, TRU, and Secure units, prioritizing TRU and Secure housing unit officers.
- b. Number and percent of all staff who have contact with YAs who have completed the course (sorted by course)*
- Safe Crisis Management – 83% of active members of staff (or 794 staff members) at GMDC have received the Safe Crisis Management training since it first began
 - 46% of staff (or 436 staff members) at GMDC are current in their Safe Crisis Management training.
 - The number of staff members who are current in this training has decreased since last month due to the expiration of credentials for an increasing number of staff members. Because the initial push to begin Safe Crisis Management consistently began approximately a year ago, those credentials from the first classes have begun to expire over the past few months.
 - As staffing needs permit, DOC will begin offering the annual refresher course to reinstate staff members' credentials.
 - Cognitive behavioral interventions – 42% (75) of the 180 MOS that require cognitive behavioral intervention training for posts in specialized housing (Second Chance and TRU) have received training thus far. An additional 65 officers at GRVC have received this training as well, with 8 officers in that facility remaining to be trained.
- c. Number and percent of all staff who have contact with YAs who are currently receiving training (sorted by course)*
- An additional 20 GMDC staff members were scheduled to receive Safe Crisis Management training this month.
- d. Number and percent of all staff who have contact with YAs who are expected to be enrolled in the course (sorted by course)*
- The remaining approximately 15% of staff (144 officers, captains, ADWs, deputy wardens, and warden) who have not yet received the training and who have contact with young adults will be enrolled in the mandated Safe Crisis Management training, and the remaining 37% of staff whose credentials have expired will be enrolled in the refresher course.
 - The remaining 105 officers that are projected to be posted in the Second Chance and TRU units in GMDC will be provided with cognitive behavioral intervention training as it becomes available. The Department's Deputy Commissioner of Youthful Offender and Young Adult Programming and Deputy

On June 13, 2016, DOC launched an inside mentoring program where adult inmates are selected and trained to serve as program assistants to all young adult housing areas as part of a new work detail. Mentors are trained in positive youth development principles, basics in anger management and cognitive behavioral interventions, as well as work readiness in order to train the youth that are served in programming.

5. Maintenance and housing area prep

The analysis for “a” through “d” below includes the 18 cell blocks that will remain in the long-term steady state of GMDC.

a. Cameras - # placed and location/# needed and location

- 100% of active housing areas in GMDC have had cameras installed. (The housing areas that do not yet have cameras installed are not currently housing any inmates.)
- Approximately 88% of the ancillary areas have had cameras installed.

b. Locks functioning/not functioning and location

- Locks are functioning in all of the 18 cell blocks; however, some of the cells must be locked manually due to notification lights in the control rooms being non-functional. Repairs of the cell-door panels are pending in 1 housing area and in progress in 1. This issue is resolved in the other 16 cell blocks.

c. Cells doors functioning/not functioning and location

- Similarly to above, while the cell doors are functioning in all 18 cell blocks, repairs are needed in order to allow for the electronic closing of the cell doors. Repairs are pending in 1 of these housing areas and in progress in 1. This issue is resolved in the other 16 cell blocks.
