

Report of Materials and Equipment Acceptance Division

NYC Department of Buildings
280 Broadway, New York, NY 10007
Patricia Lancaster, FAIA, Commissioner
(212) 566-5000, TTY: (212) 566-4769

Pursuant to Administrative Code Section 27-131, the following equipment or material has been found acceptable for use subject to the terms and conditions contained herein.

MEA 440-06-E

Manufacturer: Cleveland Range, LLC, 1333 East 179th Street, Cleveland, Ohio 44110

Trade Name(s): Cleveland Range

Product: Commercial electrically heated steam cookers

Pertinent Code Section(s): 27-787, 27-792

Prescribed Test(s): RS 14-6 (UL 197)

Laboratory: Underwriters Laboratories, Inc.

Test Report(s): UL File E35238, dated April 9, 2002

Description: Commercial electrically heated steam kettles that include an ASME-certified vessel of various gallon capacities. The kettle may be stationary or tilting, pedestal- or leg-style floor-mounted, and some provided with an electric mixer. They also consist of resistance-heating elements, on/off switch, contactors, thermostat, water level control, pilot lights, terminal block, vacuum/pressure gauge and a safety valve.

	480	28.1	16.2	13500

Terms and Conditions: The above commercial electric steam cookers are accepted under the following conditions:

1. Units shall be installed in accordance with manufacturer's instructions and New York City Building and Electrical Code requirements.
2. Adequate supply of fresh air shall be provided into room or space enclosing equipment for unit ventilation requirement.
3. Satisfactory room exhaust system shall be furnished.
4. The installation shall not interfere with accessibility for operation and servicing.
5. Approval of electrical equipment, apparatus, materials and devices shall be obtained from the Department's Electrical Advisory Board before installation.
6. Units shall be used in compliance with the Energy Conservation Construction Code of New York City.

7. All shipments and deliveries of such equipment shall be provided with a metal tag, suitably placed, certifying that the equipment shipped or delivered is equivalent to that tested and acceptable for use, as provided in Section 27-131 of the New York City Building Code.

Final Acceptance 11/22/08
