

Project Checklists contain project-specific details as they apply to the scope of work of the project to provide compliance with the NYC Construction Codes and other regulations.

☑ Electrical Drawings

Ensure that work conforms to approved drawings. However, certain changes may require an amendment.

☑ Site Safety

Licensed Electrician must maintain their work site in a safe condition during construction and must minimize the risk of accidents and fire.

☑ Special Inspections

Coordinate work schedule with the [Special Inspection Agency](#) to ensure these are completed as required by stage of work.

☑ Department Inspections

Request the required inspections, by stage of completion, and obtained a sign-off for the completed work.
