

Project Checklists contain project-specific details as they apply to the scope of work of the project to provide compliance with the NYC Construction Codes and other regulations.

**Department Inspections**

Make sure to request or self-certify the required inspections, by stage of completion, and obtain sign-off for the completed work.

**Self-Certification**

If self-certifying the required inspections, submit a notice of intent to self-certify, which may be audited.

**Final Sign-off**

Make sure to complete all Department inspections and obtain final sign-off of the completed work.
