

Project Checklists contain project-specific details as they apply to the scope of work of the project to provide compliance with the NYC Construction Codes and other regulations.

## **Department Inspections**

Request or self-certify the required inspections, by stage of completion, and obtain sign-off for the completed work.

## **Self-Certification**

If self-certifying the required inspections, submit a notice of intent to self-certify, which may be audited.

## **As-Built Submission**

Coordinate installation with the Registered Design Professional (RDP) for submission. RDP to submit Post Approval Amendment (PAA) as required.

## **Final Sign-off**

Complete all Department inspections and obtain final sign-off of the completed work.
