

UPCOMING CHANGE

Updates to User Interface in DOB NOW: Inspections

Design changes will be made to DOB NOW: Inspections on November 22. Current functionality will remain the same; however the minor changes in label names and search options will make it easier for users to search, view and request inspections.

CURRENT Homepage

The Current Development (Buildings Job, Permit or Device) tab will be renamed Search. Logged in users will still see their associated records from the new Search tab.

CURRENT Tab

Development (Buildings, Job, Permit or Device)

Records					
Your Permit/Job/	Device records are I	isted below.			
Select checkboxes	next to Record IDs below r: Don't forget: Owners ar	Is associated to that record and/or and click 'Add to collection' to grov ad LPs can delegate Records to oth	up the records as
