### 90-day Extension for Temporary Certificate of Occupancy

If a Schedule of Occupancy or Certificate of Occupancy request was submitted in DOB NOW prior to the expiration date of the TCO that was issued in BIS, an email is being sent from a DOB Borough Commissioner granting a 90-day extension of the TCO two days in advance of the TCO expiration date. Once the Schedule of Occupancy request that was submitted in DOB NOW: *Build* is approved, a Certificate of Occupancy request (of any type) must also be submitted and then approved before there can be any subsequent renewal. Renewal fees will be applied based on the expiration date of the TCO prior to the extension.
