24 COMMENTS (place additional comments on an Al-1 form; see Guide for proper incorporation of professional certification statements)

25 APPLICANT'S STATEMENTS & SIGNATURES (required for all applications)

Falsification of any statement is a misdemeanor and is punishable by a fine or imprisonment, or both. It is unlawful to give to a City employee, or for a City employee to accept, any benefit, monetary or otherwise, either as a gratuity for properly performing the job or in exchange for special consideration. Violation is punishable by imprisonment or fine or both. I understand that if I am found after hearing to have knowingly or negligently made a false statement or to have knowingly or negligently falsified or allowed to be falsified any certificate, form, signed statement, application, report or certification of a violation required under the provisions of this code or of a rule, of any agent, I may be barred from filing further applications or documents with the Department. I prepared or supervised the preparation of the construction documents and specifications herewith submitted and to the best of my knowledge and belief, the construction documents and work shown thereon comply with the provisions of the NYC Administrative Code and other applicable laws and rules, $\Box (\leftarrow check here if)$ except as set forth in the accompanying documents. I acknowledge that I have read and complied with all instructions pertaining to this applicable as upplementary schedules submitted. **Cluster Development Statement** (if applicable). I hereby state that all specifications relating to this ob are identical to those previously filed under the group lead job number, except as specified herein.

 For initial New Building and Alteration 1 applications filed under the 2022 NYC Building Code only: does this building qualify for high-rise designation?

26 PROPERTY OWNER'S STATEMENTS & SIGNATURES

Falsification of any statement is a misdemeanor and is punishable by a fine or imprisonment, or both. It is unlawful to give to a City employee, or for a City employee to accept, any benefit, monetary or otherwise, either as a gratuity for properly performing the job or in exchange for special consideration. Violation is punishable by imprisonment or fine or both. I understand that i 1 am found after hearing to have knowingly or negligently falsified or allowed to be falsified any certificate, form, signed statement, application, report or certification of the correction of a violation required under the provisions of this code or of a rule of any agency, I may be barred from filing further applications or documents with the Department. Furthermore, I understand that I am responsible for insuring that a final inspection be performed when the permitted work is complete, and that a satisfactory report of final inspection be submitted, along with all required submittal documents, so that the NYC Department of Buildings may issue a Letter of Completion or Certificate of Occupancy within the time prescribed by law.

I have authorized the applicant to file this application for the work specified herein and all future amendments. I will not knowingly authorize any work that is not in compliance with all applicable laws, rules, and regulations.

YES NO

- □ □ Fee Exemption Request (Non-Profit Owned and Operated) In accordance with Administrative Code §28-112.1, Exception 1, I certify that the deed holder is a corporation or association organized and operated exclusively for the purposes indicated in such section, and that the property is used exclusively by such entity for such purposed. ★
- Fee Exemption Request (NYCHA/HHC, NYC Agency, or Other Government Owned and Operated)
 The building or any part thereof to be constructed, renovated, altered or demolished is owned and operated exclusively for the purposes of the NYC Agency, NYC Authority, NYS Agency, Federal Government or any other government entity.★
- Owner's Certifications Regarding Occupied Housing
 The building to be altered, constructed or demolished contains one or
 more occupied dwelling units.
- The building to be altered, constructed or demolished contains one or more dwelling units that will remain occupied during construction. These occupied dwelling units have been clearly identified on the submitted construction documents.
- The site of the building to be altered or demolished, or the site of the new building to be constructed, contains occupied housing accommodations subject to rent control or rent stabilization under Chapters 3 and 4 of Title 26 of the New York City Administrative Code. If yes, select one of the following:
 - The owner is not required to notify the New York State Homes and Community Renewal (NYSHCR) of the owner's intention to file because the nature and scope of the work proposed, pursuant to NYSHCR regulations, does not require notification.

The owner has notified the New York State Homes and Community Renewal (NYSHCR) of its intention to file such construction

documents/apply for such permit and has complied with all requirements imposed by the regulations of such agency as preconditions for such [filing/application].

Provide date NYSHCR notified:

Owner's Certification for Directive 14 Applications (*if applicable*)
 I have read and am fully aware of the applicant's statement that the construction documents submitted and all construction documents related to this application will not require a new or amended Certificate of Occupancy as there is no change in use, exits, or occupancy and the work is not inconsistent with the current certificate of occupancy. Furthermore, I understand that I am responsible for retaining a qualified design professional to perform a final inspection when the permitted work is complete and this professional must submit a satisfactory final inspection report to the NYC Department of Buildings within the time following inspection prescribed by Department rule.

Notes for Section 26A: Section required if unit owner signed Section 26. Signature required for authorized representative of Condo or Co-Op Board.

★ For fee waivers, please see the PW1 User Guide
