OPERATIONS POLICY AND PROCEDURE NOTICE #7 /95

TO:

Distrubution

FROM:

Barry G. Co.

DATE:

18 May 1995

SUBJECT:

Pilot Program on Staten Island for Data Entry of Information onto BIS for a

1 or 2 Family Home

Effective:

June 12, 1995

Purpose:

To implement industry's suggestion to address the clerical backlog at DEAR and

to maximize the time a plan examiner is available for plan review and appointments

with applicants.

Referrence:

OPPN #2/95, TPPN #7/94

Specifics:

Pre-filer:

When an application is filed for a new 1 or 2 family home, the required information

will be data entered onto BIS and the appropriate fee paid.

The application will then be forwarded to the Plan Examination unit for assignment

to an examiner.

Plan Examiner:

The plan examiner shall review the application for compliance with the N.Y.C. Administrative Code, Zoning Resolution and all other applicable laws

Pg. 2 - continued

The required items checklists shall be filled out and signed by the examiner.

If no objections are raised, the examiner shall sign the PW1 and stamp the application "approved per PPN 7/95". The approved plans will be perforated and the application returned to the applicant for microfilming. The approval can not be entered onto BIS at this time.

If objections are raised, an appointment shall be scheduled with the applicant to resolve these objections consistent with existing policy and procedure. When all objections are resolved, the Examiner shall sign the PWI and stamp the application "approved per PPN7/95". The approved plans will be perforated and the application returned to the applicant for microfilming. The approval can not be entered onto BIS at this time.

Where appropriate, objections may be resolved through the optional Professional Certification procedure detailed in TPPN #7/94.

Post Approval Amendments (PAA's) not affecting changes to the Schedule A or Certificate of Occupancy need not be data entered. All required paperwork must be provided (including microfilm) in advance of an applicant filing for a work permit.

D.E.A.R.:

Prior to requesting a work permit, the applicant must return the completed final application, microfilm and all documents required to the DEAR section.

When an application is filed for a work permit, all the required information will be data entered by DEAR, the application shall be approved in BIS, and a work permit may be issued.
