CCRB Case Number: ███████
CCRB Squad Manager: ████████████████████████

Dear ████████████████:

Unfortunately the Civilian Complaint Review Board was unable to obtain a formal interview about what happened to the victims during this incident. We tried using the contact information that was provided when the complaint was filed and other contact information we found searching various databases. Without a formal interview, we were unable to move forward with a full investigation of the incident. As a result, the following are the Board's findings on the allegation(s) raised by the above-referenced complaint.

Allegation(s) by letter: Board Finding(s):

A)   Abuse of Authority: Unable to Investigate
      Police Officer ████████████ refused to
      provide his name and shield number to ██
      ██████████.

B)   Force: Unable to Investigate
      Police Officer ████████████ used physical
      force against ████████████.

There is an enclosed form that lists what each of the potential outcomes of an investigation is, and explains what each outcome means. But, as noted above, the CCRB did not conduct a full and thorough investigation of this complaint in the absence of an available and cooperative complainant and/or victim(s). However, where new evidence or a previously unavailable or uncooperative witness becomes available within eighteen months of the incident, the Board may reopen the case if such new evidence may reasonably lead to a different finding.

To request that the Board reopen a closed case, please detail the new evidence and the request in a letter addressed to, Director of Case Management, at CCRB, 100 Church Street, 10th Floor, New York, NY 10007.

Sincerely,

Jonathan Darche
Executive Director
