Re: Semi-Annual Report for October 1, 2013, though March 31, 2014:
Fundraising, Donations and Affiliates
New York City Department of Environmental Protection
New York City Water Board

Dear Ms. Gonzalez:

I am writing pursuant to New York City Conflict of Interest Board's Advisory Opinions 2003-4 and 2008-6.

Please be advised that the New York City Department of Environmental Protection ("DEP") received a donation of real property from New York Commercial Associates, the principal of which is Ralph Zurlo. The property (Block 3708, Lots 35 and 43 on the Tax Map for the Borough of Staten Island) is 2.15 acres in size and immediately adjacent to another wetland parcel, the owner of which has agreed to a negotiated sale to the City. These wetlands preserve the East Branch in the New Creek Bluebelt system, which is managed by DEP for stormwater management purposes. The previous private owner of the property had constructed a wetland on the site, as mitigation for wetland impacts caused by an adjacent housing development. As such, the site's development potential had been exhausted, which is the reason for the donation. The donor did not provide an appraised value of this property.

Please be further advised that DEP receives requests from producers for film shoots on DEP-managed property. DEP does not charge location fees, but informs the producers that they may make donations to the Mayor's Fund to Advance New York City ("Fund"), which is a 501(c)(3) not-for-profit organization ("NFP"). DEP may use money from the Fund for certain expenditures.

DEP does not have any “affiliated” NFP entities for which it engages in fundraising activities. As for unaffiliated NFPs, Water for People is an international NFP with the mission of advancing the goals of providing safe drinking water and sanitation in developing countries. DEP endorses WFP and engages in activities seeking private support for WFP.

The NYC Water Board has confirmed that it does not have any donations or activities to disclose for this reporting period.

If any additional information is required, please do not hesitate to contact me at (718) 595-4259.

Very truly yours,

Dear Mr. Thompson:

The Mayor's Office to Combat Domestic Violence (OCDV) is pleased to offer OCDV's support to your organization's application to the U.S. Health Resources and Services Administration (# HRSA-14-110) for funding to establish a Mental Health Services Expansion - Behavioral Health Integration (BHI) program to increase behavioral health provider capacity to serve the unmet need of mental health services in Staten Island.

OCDV formulates policies and programs, monitors the citywide delivery of domestic violence services, and works with diverse communities to increase awareness of domestic violence. OCDV aims to make it easier for domestic violence victims and their children to get the help that they need regardless of the language they speak or their immigration status.

The Community Health Center of Richmond (CHCR) is a partner of OCDV's Domestic Violence Response Team (DVRT), a program aimed to provide comprehensive services to high-risk victims in Staten Island. CHCR refers victims of domestic violence to the DVRT program for coordinated services and CHCR is a valuable partner helping DVRT partners in crisis obtain needed medical services.

We recognize the need for additional mental health service providers in Staten Island and strongly support your application. We look forward to assisting your project in any way that we can.

Regards,

Dear Mr. Briffaul:

Pursuant to the financial disclosure requirements set forth in Advisory Opinion 2003-4 and 2008-6, the New York City Department of Sanitation has researched the records of all donations to the agency and agency affiliated not-for-profit entities. For the six-month period ending March 31, 2014, the agency and agency affiliated not-for-profit entities did not receive any donations of \$5,000 or more. Therefore, the Department is not submitting a financial disclosure form. Additionally, the Department did not solicit support for any unaffiliated not-for-profit entities.

Please do not hesitate to contact me should you need any further information regarding this matter.
