C 180065 PCK

IN THE MATTER OF an application submitted by the Department of Environmental Protection and the Department of Citywide Administrative Services, pursuant to Section 197-c of the New York City Charter, for the site selection and acquisition of property, located at 242 Nevins Street (Block 411, Lot 24, Block 418, Lot 1, Block 425, Lot 1), for a combined sewer overflow control facility.

NOTICE

On Wednesday, January 17, 2018, at 10:00 A.M., in Spector Hall, at 22 Reade Street, in Lower Manhattan, a public hearing is being held by the City Planning Commission to receive comments related to a Draft Environmental Impact Statement (DEIS), concerning an application by the New York City Department of Environmental Protection (DEP), for approval of several discretionary actions, including site selection and acquisition, for sites in Brooklyn, Community District 6.

The Proposed Actions would facilitate the construction of new combined sewer overflow (CSO) facilities as part of the Gowanus Canal Combined Sewer Overflow (CSO) Facilities Project. The Project is mandated by the United States Environmental Protection Agency (USEPA), to satisfy remediation objectives under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA, or Superfund). The first of the two CSO facilities, the "Head End Facility," would include an 8-million-gallon (MG) underground tank that would increase CSO capture for overflows that would otherwise be discharged at the "head end," or northernmost portion of the Gowanus Canal. The second facility, the "Owls Head Facility," would include a 4-MG tank that would additionally increase capture for overflows. The Owls Head Facility would be located at the middle of the Gowanus Canal, approximately 0.5 miles south of the northernmost portion of the Canal.

Written comments on the DEIS are requested, and will be received and considered by the New York City Department of Environmental Protection, the Lead Agency, until Monday, January 29, 2018, at 5:00 P.M.

Where possible existing City applications shall be modified to incorporate this procedure and a one-stop review process
- (1) within 20 calendar days of receipt of a determination pursuant to § 6-03(b) of this chapter, if applicable, the lead agencies shall notify the applicant, in writing, whether the application is complete or whether additional information is required;

(a) An action may have a significant effect on the environment if it can reasonably be expected to lead to one of the following consequences:

(1) a substantial adverse change to ambient air or water quality or noise levels or in solid waste production, drainage, erosion or flooding;

- (2) the removal or destruction of large quantities of vegetation or fauna, the substantial interference with the movement of any resident or migratory fish or wildlife species, impacts on critical habitat areas, or the substantial affecting of a rare or endangered species of animal or plant or the habitat of such a species;
- (3) the encouraging or attracting of a large number of people to a place or places for more than a few days relative to the number of people who would come to such a place absent the action;

(4) the creation of a material conflict with a community's existing

plans or goals as officially approved or adopted;

(5) the impairment of the character or quality of important historical, archeological, architectural or aesthetic resources (including the demolition or alteration of a structure which is eligible for inclusion in an official inventory of such resources), or of existing community or neighborhood character;

(6) a major change in the use of either the quantity or type of

the creation of a hazard to human health or safety;

- (8) a substantial change in the use or intensity of use of land or other natural resources or in their capacity to support existing uses, except where such a change has been included, referred to, or implicit in a broad "programmatic" EIS prepared pursuant to § 6-13 of this chapter.
- (9) the creation of a material demand for other actions which would result in one of the above consequences:
- (10) changes in two or more elements of the environment, no one of which is substantial, but taken together result in a material change to the environment.
- (b) (Reference to § 6-15 Type II list, deemed to be State Type II list of 6 NYCRR Part 617.13. See City Planning Rules § 5-02(b)(2).); For the purpose of determining whether an action will cause one of the foregoing consequences, the action shall be deemed to include other contemporaneous or subsequent actions which are included in any long-range comprehensive integrated plan of which the action under consideration is a part, which are likely to be undertaken as a result thereof, or which are dependent thereon. The significance of a likely consequence (i.e. where it is material, substantial, large, important etc.) should be assessed in connection with its setting, its probability of occurring, its duration, its irreversibility, its controllability, its geographic scope and its magnitude (i.e. degree of change or its absolute size). Section 6-15 of this chapter refers to lists of actions which are likely to have a significant effect on the environment and contains lists of actions found not to have a significant effect on the environment.
- § 6-07; **Determination of Significant Effect Notification.** (a) (Error. Reference to § 6-05(a) should be to § 6-05(b).) (2) The lead agencies may consult with, and shall receive the cooperation of any other agency before making their determination pursuant to this subdivision (a).

(b) The lead agencies shall provide written notification to the applicant immediately upon determination of whether the action may or will not have a significant effect on the environment. Such determination shall be in one of the following forms

(;Reference to § 6-15, Type II list, deemed to be State Type II list of 6 NYCRR Part 617.13 See Rules § 5-02(b) (2).); If the lead agencies determine that the proposed action is not an exempt action or a Type II action pursuant to §§ 6-04 and 6-15 of this chapter, respectively, and that the action will not have a significant effect on the environment, they shall issue a Negative Declaration which shall contain the following information:

- (i) an action identifying number;
- (ii) a brief description of the action;

 - (i) a list of conditions, modifications or alternatives to the

proposed action which supports the determination;

(ii) the signature of the applicant or its authorized representative, accepting the conditions, modifications or alternatives

to paragraph (3) of this subdivision.

- (3) Notice of Determination. (Reference to § 6-15 Type II list, deemed to be State Type II list of 6 NYCRR Part 617.13. See City Planning Rules § 5-02(b)(2).); If the lead agencies determine that the proposed action is not an exempt action or a Type II action pursuant to §§ 6-04 and 6-15 of this chapter, respectively, and that the action may have a significant effect on the environment, they shall issue a Notice of Determination which shall contain the following information:

They should not contain more detail than is appropriate considering the nature and magnitude of the proposed action and the significance of its potential impacts.

(b) All draft and final EIS's shall [be preceded by] <u>include</u> a cover

When a statement uses incorporation by reference, the referenced document shall be briefly described and its date of preparation provided. § 6-10 **Draft Environmental Impact Statements - Procedures.**
- (a) Notice of Completion. Upon the satisfactory completion of a draft EIS, the lead agencies shall immediately prepare, file and make available for public inspection a Notice of Completion as provided in paragraphs (1), (2) and (3) of this subdivision. Where a proposed action is simultaneously subject to the Uniform Land Use Review Procedure ("ULURP"), the City Planning Commission shall not certify an application pursuant to ULURP until a Notice of Completion has been filed as provided in paragraph (3) of this subdivision.

(1) (Inapplicable, City Planning Rules, § 5-02(a).); (Inapplicable, City Planning Rules, § 5-02(a).);

(b) When an agency decides to carry out or approve an action which may have a significant effect on the environment, it shall make the following findings in a written decision:

(1) consistent with social, economic and other essential considerations of state and city policy, from among the reasonable alternatives thereto, the action to be carried out or approved is one which minimizes or avoids adverse environmental effects to the maximum extent possible, including the effects disclosed in the relevant environmental impact statement;

(2) consistent with social, economic and other essential considerations of state and city policy, all practicable means will be taken in carrying out or approving the action to minimize or avoid

adverse environmental effects.

(c) For public information purposes, [a copy of] the Decision shall be filed in the same manner as the draft EIS pursuant to \S 6-11(b) of this

- 6-13 Programmatic Environmental Impact Statements. (a) Whenever possible, agencies shall identify programs or categories of actions, particularly projects or plans which are wide in scope or implemented over a long time frame, which would most appropriately serve as the subject of a single EIS. Broad program statements, master or area wide statements, or statements for comprehensive plans are often appropriate to assess the environmental effects of the following:
 - (1) a number of separate actions in a given geographic area;
 - (2) a chain of contemplated actions;
 - separate actions having generic or common impacts;

(4) programs or plans having wide application or restricting the range of future alternative policies or projects.

63

(b) No further EIS's need be prepared for actions which are included in a programmatic EIS prepared pursuant to Subdivision (a) of this section. However:

(1) a programmatic EIS shall be amended or supplemented to reflect impacts which are not addressed or adequately analyzed in the EIS as originally prepared; and

(2) actions which significantly modify a plan or program which has been the subject of an EIS shall require a supplementary EIS;
(3) programmatic EIS's requiring amendment and actions

- requiring supplementary EIS's pursuant to this section shall be processed in full compliance with the requirements of this chapter. § 6-14 Rules and Regulations. (Inapplicable, City Planning Rules § 5-02(a).
- \S 6-15 **Lists of Actions.** (a) Type I. (See City Planning Rules \S 5-02(d).); Type I actions enumerated in \S 617.12 of 6 NYCRR 617 are likely to, but will not necessarily, require the preparation of an EIS because they will in almost every instance significantly affect the environment. However, ministerial actions never require the preparation of an EIS except where such actions may directly affect a critical area or an historic resource enumerated in Paragraphs (22) and (23), respectively, of Subdivision (a) of § 617.12. In addition, for the purpose of defining Paragraph (2) of said subdivision and section, the following thresholds shall apply:

(1) relating to public institutions:

- (ii) new sanitation facilities, including:
 (A) incinerators of at least 250 tons per day capacity;

marine transfer stations;

- (iii) new hospital or health related facilities containing at least 100,000 sq. ft. of floor area;
- (iv) new schools with seating capacity of at least 1,500 seats;
 (v) any new community or public facility not otherwise specified herein, containing at least 100,000 sq. ft. of floor area, or the expansion of an existing facility by more than 50 percent of size or capacity, where the total size of an expanded facility exceeds 100,000 sq. ft. of floor
- relating to major office centers: any new office structure which has a minimum of 200,000 sq. ft. of floor area and exceeds permitted floor area under existing zoning by more than 20 percent, or the expansion of an existing facility by more than 50 percent of floor area, where the total size of an expanded facility exceeds 240,000 sq. ft. of floor area.

(b) Type II.

- (1) (See City Planning Rules § 5-02(d).); Type II actions will never require the preparation of an EIS because they are determined not to have a significant effect on the environment, except where such actions may directly affect a critical area or an historic resource enumerated in paragraphs (22) and (23), respectively, of subdivision (a) of § 617.12 of 6 NYCKR 617.
- (2) (Inapplicable. Replaced by State Type II list 6 NYCRR Part 617.13. See City Planning Rules § 5-02(a) and § 5-02(b)(2).);

Chapter 6: Rules For the Processing of Plans Pursuant To Charter Section 197-a * * *

§ 6-02 Plan Submission.

- (a) Notification of Intent. To assist the Department in anticipating the need for technical assistance for the preparation of plans in the efficient scheduling of their review, the sponsor of a plan shall notify the Department of its intent to prepare and submit a plan. This notice shall be given not less than ninety (90) days prior to the submission of a proposed plan. Periodically, the Department shall report to the Commission on the notices received and on the progress of 197-a plans underway.
- (b) Submission. [Thirty (30) copies of a] All proposed plans shall be submitted to the Department of City Planning[,] through its website or at [Intake Office, 22 Reade Street] 120 Broadway, 31st Floor, New York, NY 10271 [007]. If a plan has been initiated by a community board, borough board or Borough President, this initial submission shall include a summary record of the public hearing held by the board or Borough President. The submission shall also include the name(s) and address(es) of the person(s) designated by the sponsor to be its representative(s) in any discussions of the plan.

§ 6-03 Threshold Review and Determination.

(a) Department Review. Each proposed plan shall be reviewed by the Department staff who shall report to the Commission not later than 90 days after the plan's submission as to whether the plan appears to meet the standards for form and content and for consistency with sound planning, as set forth in § 6-04 of these rules. Prior to making the report, the staff shall inform the sponsor of all deficiencies with respect to form and content and any changes, additions or deletions which, in the opinion of the staff, may correct such deficiencies. The sponsor may, thereupon, indicate its willingness to make such changes, additions or deletions in which case the Department will defer its report to the Commission until the changes have been made. The

sponsor may, instead, request that the plan be presented without change to the Commission for its threshold findings of form and content and sound planning policy. At the time of any Department report on a proposed plan, the Commission may receive a similar

report from representatives of the sponsor.

(b) City Planning Commission Determination. Within 30 days after its presentation by the Department staff, the Commission shall determine, when required by the Charter and in accordance with the standards set forth in § 6-04 of these rules, whether the proposed plan is of appropriate form and sufficient content, and whether it is in accordance with sound planning policy. If the Commission has determined that a proposed plan does not meet the standards for form or content or for sound planning policy, it shall direct the plan back to the sponsor with a statement explaining its deficiencies. When the Commission has determined that a proposed plan is of appropriate form and content and is in accordance with sound planning policy, it shall direct the Department to undertake the necessary environmental review if the plan has been sponsored by a community board in accordance with Article 5 of these rules. If the plan has been sponsored by an agency other than a community board the Commission shall determine whether a Type II declaration, a negative declaration, or a notice of completion of a draft EIS has been issued, and if so, it shall direct the Department to distribute the plan in accordance with § 6-06 of these rules.

(c) Coordination of Plan Review. The Commission may determine that, despite its finding of appropriate form and content and sound planning policy, a proposed plan should not immediately proceed because there are other planning efforts, ULURP reviews or environmental studies underway which should be coordinated with the plan. In such a case, the Commission may direct the Department to work with the sponsor and any other interested agencies in developing an appropriate timetable and strategy for the plan, and to report back

to the Commission.

(d) Progress Report. "Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)
Human Resources Administration (HRA)

Office of the Criminal Justice Coordinator (CJC)
