The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA)

Department of Consumer Affairs (DCA)

PROVISION OF CEASEFIRE RESEARCH: ASSESSING THE IMPACT OF NEW YORK CITY CEASEFIRE - Negotiated Acquisition - Other - PIN#0561800001363 - Due 4-9-18 at 3:00 P.M.

The New York City Police Department ("NYPD") is seeking to enter into a contract to obtain Professional Services for Research, assessing the impact of NYC Ceasefire. New York City Ceasefire (known as "NYC Ceasefire" or "Ceasefire") is a strategy that involves a team of law enforcement, community, and service providers coming together to communicate face-to-face with members of groups (gangs, crews, and drug sets). This team message is clear: together, let us keep group members alive, safe, and out of prison. The strategy recognizes group members as rational people capable of making better choices.

Launched in December 2014, NYC Ceasefire represents an unprecedented collaboration between the NYPD, community members, service providers, as well as numerous City, State, and Federal criminal justice agencies. The three direct communication tools that are the foundation of the strategy- call-ins, custom notifications, and enforcement actions- require extensive commitment from all partners. The strategy began when crime in New York City was at an historic low, with much of the remaining violent crime mostly committed by a very small segment of the population, specifically members of gangs, crews, and drug sets. NYC Ceasefire is one of several gang/crew violence reduction efforts in which the NYPD engages.

The NYPD has previously obtained initial Ceasefire findings that document the massive scale of the strategy, including the numerous call-ins, custom notifications, and enforcement actions targeting two groups at a time, in the Brooklyn catchment area (Brooklyn North and 2 precincts in Brooklyn South) and later the Bronx Catchment area (three precincts in the Bronx).

This research has been instrumental to NYPD operations, and the NYPD is now proceeding with a contract to provide continuation of such research. Specifically, the NYPD is looking for a contractor to conduct research that would disentangle the effects of Ceasefire-related efforts from other NYPD enforcement actions. The contractor will be required to provide a research design that would distinguish the effects of Ceasefire-Related efforts from takedowns and other ongoing NYPD actions targeting groups as well as examine effects of the Ceasefire strategy in combination with other types of NYPD enforcement actions.

Currently, the NYPD knows of only one vendor that offers a research design of the nature and specificity required by the NYPD. This vendor is The Police Foundation, located at 1201 Connecticut Avenue NW, Suite 200, Washington, DC 20036-2636. Thus, the NYPD intends to negotiate with The Police Foundation, and any other vendors that express an interest in this solicitation for the provision of the required Ceasefire research for the NYPD.

Additional Legal Information:

A contract award will be made by the Negotiated Acquisition source selection method, pursuant to City of New York Procurement Policy Board Rules (PPB Rules) § 3-04(b)(2) because the NYPD has determined that there are a limited number of vendors able to provide the required System. See Section 3-04(b)(2)(ii) of the PPB Rules. Any Vendors that wish to express an interest in this solicitation, should contact Administrative Procurement Analyst, Sheanni Gunasekera at Sheanni Gunasekera@nypd.org, or submit a written request to: Administrative Procurement Analyst, NYPD Contract Administration Unit, 90 Church Street, Suite 1206, New York, NY 10007.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor prequalification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

Notice of Adoption

NOTICE IS HEREBY GIVEN, PURSUANT TO THE AUTHORITY VESTED IN THE COMMISSIONER OF the Department of Housing Preservation and Development by Section 1043 and 1802 of the City Charter and New York State Real Property Tax Law Section 421-a (1-15) that the Department of Housing Preservation and Development is adopting amendments to Chapter 6 of Title 28 of the Rules of the City of New York to make changes to the distribution requirements for affordable units in buildings receiving tax benefits under New York State Real Property Tax Law Section 421-a (1-15) that commenced construction on or after June 15, 2015.

A NOTICE OF PROPOSED RULEMAKING WAS PUBLISHED IN THE CITY RECORD ON FEBRUARY 7, 2018. A public hearing was held on March 13, 2018. Written regarding the rules were received in accordance with the notice published in the City Record or electronically through NYC RULES at http://rules.cityofnewyork.us/. Comments were made available to the public at 421-a Customer

Service Conference Room No. 8-CO9, 8^{th} Floor, 100 Gold Street, between 10:00 A.M. – 4:00 P.M. on weekdays.

Statement of Basis and Purpose

Section 421-a of the Real Property Tax Law (RPTL) provides real property tax exemptions for eligible new multiple dwellings. In New York City, HPD determines eligibility for these exemptions and is responsible for ensuring that applicants for the exemption comply with eligibility requirements.

Chapter 20 of the Laws of 2015, which took effect on June 15, 2015, prohibits the isolation of affordable units to a specific floor or area of a building and requires shared common entrances and common areas for all residents. This prohibition is what is known as the "distribution requirement". The law defined common entrances as "any area regularly used by any resident for ingress and egress from a multiple dwelling."

HPD adopted rules implementing these requirements on May 27, 2016. When the Affordable New York Housing Program was enacted by the State Legislature in 2017, it contained the same distribution requirement. HPD's adopted rules implementing the Affordable New York Housing Program included an additional ground for waiver of the distribution requirements based upon a story containing a single dwelling unit. HPD is now adopting amendments to the distribution requirements for the former 421-a program to reflect this same additional ground for waiver and to clarify that the waiver is available for eligible buildings receiving benefits under either program.

New material is underlined. [Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Subparagraph (i) of Paragraph 4 of Subdivision (b) of Section 6-09 of the Rules of the City of New York is amended to read as follows:

(i) If a story contains one or more GEA 60% AMI units or GEA SGA units, not less than thirty percent of the dwelling units on such story shall be units that are neither GEA 60% AMI units nor GEA SGA units, provided, however, that the Department may waive such requirement where either (A) the GEA 60% AMI units and GEA SGA units comprise more than fifty percent of the units in a multiple dwelling, or (B) there is only one dwelling unit on a story in a multiple dwelling;

MAYORS OFFICE OF MEDIA AND ENTERTAINMENT

■ NOTICE

$\frac{\text{NOTICE OF ADOPTION OF AMENDMENTS TO THE MARKETING}}{\text{CREDIT RULES}}$

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Commissioner of the Office of Media and Entertainment by Sections 389 (b) and 1043 of the New York City Charter, that the Office of Media and Entertainment promulgates and adopts amendments to its Marketing Credit rules.

The rules were proposed and published in the <u>City Record</u> on December 11, 2017. A public hearing was held on March 2, 2018. Comments were received from the public and changes have been made to reflect such feedback, described below.

STATEMENT OF BASIS AND PURPOSE

The Mayor's Office of Media and Entertainment ("MOME"), which includes the Office of Film, Theatre and Broadcasting, supports various media and entertainment industries in New York City. Since its creation over 40 years ago, thousands of television shows, feature films, commercials, music videos, documentaries, print ad campaigns and theatrical projects have been made in New York City, the entertainment capital of the world. The local entertainment production industry contributes nearly \$9 billion a year to the City's economy and employs over 130,000 New Yorkers. A primary goal of MOME is to both support and grow this dynamic local industry. The "Made in NY" branding initiative was created as part of this goal, and includes the logo and credit attribution by production companies in their final filming products.

In 2013, the "Made in NY" Marketing Credit Program ("the Program") was formally established by rule. The Program offers to "Made in NY" film and television productions a number of opportunities to promote their project in New York City, the top media

market in the country. The Marketing Credit Program offers eligible "Made in NY" productions marketing opportunities at various media outlets, including bus stops and City-Owned television stations. The amount of media advertising to eligible productions is based on certain production costs as defined in the current rule.

To receive the marketing credit, Program participants must financially contribute a "Cultural Benefit," which is a financial donation given to a non-profit entity that has been chosen by the production and approved by the New York City Department of Cultural Affairs (DCLA). The total cost of the monetary contribution is determined by certain production costs as defined in the current rule. Donations provided under this rule support theatrical, film, writing and other local art institutions that nurture upcoming talent and strengthen the City's creative community.

Because the Program recognizes that the "Made in NY" logo has become a mark of distinction in the industry as well as among New Yorkers, the current rule requires that the logo be included in all media used by the marketing credit recipients. By featuring the logo graphic in the media, projects both promote that they were shot in New York City and showcase MOME's and the City's efforts as a production center.

Based on its years of experience administering the Program, MOME is amending its rules governing the Program. The amendments add or revise definitions to reflect program changes and current operating practices, and update definitions and clarify terms to ensure that program participants understand all program requirements.

Specifically, the amended rules:

- Expand the list of organizations eligible for the Cultural Benefit (§15-01(a), (c))
- Rename the Cultural Benefit as "Community Benefit" to reflect the composition of the expanded list (§15-01(c))
- Revise the timing requirement of payment of the Community Benefit to occur after completion of the media campaign (§15-01(c))
- Expand the list of cultural institutions identified by DCLA to include non-profit organizations with proposals for program funding on a Participatory Budgeting (PB) New York City ballot. The PB process allows members of the community to decide on the allocation of budgets set aside by local elected officials. (§ 15-01(a))
- Add a new definition of "end credit requirements". Based on comments received from the industry, this was revised to specify that end credits must include a phrase regarding the fact that the "Made in NY" logo is a trademark of the City of New York and is used with the City's permission. (§15-01(h))
- Add a requirement regarding the authorized applicant's intention to comply with end credit requirements (\$15-04(a)(5))
- Amend the definition of "qualified film" by eliminating "television pilots" from the type of productions that qualify to participate in the Program (because television pilots do not qualify unless they are part of a television series, which is already included in the definition). Based on comments received from the industry, "streaming services" or "advertiser supported streaming services" have been incorporated into the definition to specify the type of lateral distribution (815 02(n))
- specify the type of Internet distribution. (§15-02(p))
 Require that "qualified films" have production costs of at least \$400,000 to ensure that the productions in the Program are generating economic activity for the City (15,02(x))
- (15-02(p))
 Require that "qualified films" distributed exclusively over the Internet must be distributed through a paid subscription-based service in order to distinguish between professionally produced projects and amateur videos (§15-02(p))
- Amend the definitions of "television film", "television special" and "television series" to clarify that they also include productions intended for distribution through the Internet (\$15.02 (t) (u) and (v))
- the Internet (§15-02 (t), (u) and (v))

 Repeal the definition of "television pilot" because television pilots are not distributed as stand-alone projects and would therefore not be eligible for the marketing credit (former § 15-02(t))
- Revise the application process to limit to once per year the number of times that someone can apply for marketing credit and require that applications for the marketing credit be received at least 60 days prior to the release date of the qualified film, thus simplifying the allocation of the marketing credit to a "first come, first served" basis (\$15-03(b), (c))
- served" basis (§15-03(b), (c))
 Clarify that when a marketing credit recipient needs to change its release date, their marketing credit would be reallocated based on availability and may not be
- guaranteed (§15-05(a))

 Clarify the meaning of "qualified production costs" as related to (1) eligibility for the credit, (2) the obligation to assume printing costs in connection with the media campaign, and (3) the consequences of a marketing

- credit recipient's failure to pay the Community Benefit (§15-05(d)), and
- Clarify throughout the rules the terminology used regarding entities participating in the marketing credit program (i.e., "authorized applicant" and "marketing credit recipient")

New material is underlined.

[Material inside brackets indicates deleted material.]

Section 1. Subdivisions (a) and (c) of § 15-01 of Chapter 15 of Title 43 of the Rules of the City of New York are amended to read as follows:

- (a) The "Made in New York Marketing Credit Program" ("the Program"), established and administered by the Mayor's Office of Media and Entertainment ("MOME"), offers "Made in New York" film and television productions a number of opportunities to promote their project in major media markets that are City-Owned assets or are privately owned and operated media outlets with which the City has established relationships. Qualified "Made in New York" productions that apply and are approved for this Program will be provided media outlets including, but not limited to, bus shelters, subway cars, and broadcasts on New York City Media group television stations. The amount of media advertising offered will be determined by certain production costs as defined in this rule. In exchange for the marketing credits, recipients will be required to make a monetary contribution to a New York City [Cultural Institution identified] cultural institution approved by the New York City Department of Cultural Affairs or a non-profit organization with proposals for program funding on a Participatory Budgeting New York City ballot. a qualified film or television series;

(3) the authorized applicant's qualified production costs paid or incurred are attributable to the use of tangible property or the performance of services in the production of a qualified film; [and]

(4) the authorized applicant has identified the cultural <u>institution or community</u> organization to which it will make a payment as part of the Program; and

(5) the authorized applicant intends to comply with the end credit requirements set forth in Section 15-02(h) of this chapter.

§ 8. Section 15-05 of Chapter 15 of Title 43 of the Rules of the City of New York is amended to read as follows:

\$15-05 Allocation of New York City Made in New York marketing credit.

- (a) When an application has been approved [by the Office, if the qualified production's release date is within sixty (60) days of the submission of the application,] the Office will allocate the credit in order of priority based upon submission date of an application and subject to the availability of media assets. In the event that an [applicant's qualified production is not actually released within sixty (60) days of the submission of the application] marketing credit recipient is unable to use the media assets after the credit has been allocated, [the applicant] such recipient will lose its "first come, first served" status and will be accommodated subject to availability without guarantee of reallocation.
- (b) The Office will allocate the credit based on a project's qualified production costs. The amount of qualified production costs will determine which of the following three tiers an applicant would qualify for:
 - Tier 1: Qualified production costs of \$10 million (ten million dollars) or more

- Tier 2: Qualified production costs of at least \$5 million (five million dollars) and less than \$10 million (ten million dollars)
- Tier 3: Qualified production costs of at least \$400,000 (four hundred thousand dollars) and less than \$5 million (five million dollars)
- (c) Depending on the availability of media assets, the Office will determine the amount and type of media assets assigned to each tier, which will be allocated to [applicants] marketing credit recipients according to their tier category.
- (d) Productions that have qualified production costs of \$10 million or more, or are produced (i) by a company of which more than 5 percent of the beneficial ownership is owned directly or indirectly by a publicly traded entity, or (ii) by a company having more than \$35 million in annual revenue, must pay for the costs, if any, of printing materials for distribution through the media assets assigned under the credit.
- (e) If a marketing credit recipient does not pay the Community Benefit within thirty (30) days of the completion of such recipient's media campaign, such recipient may be required to make a payment to MOME in an amount equivalent to 100% of the value of the media assets received, as determined by MOME.
- § 9. Section 15-06 of Chapter 15 of Title 43 of the Rules of the City of New York is amended to read as follows:

§ 15-06 Appeal process.

- (a) If an authorized applicant's application is disapproved by the Office, or if [an approved applicant] a marketing credit recipient disagrees with the amount of the media assets granted by the Office, each such [applicant] person or entity may appeal such determination.
- (b) In the case of an appeal from a disapproval of an application, an authorized applicant can request an appeal by sending a letter to the Mayor's Office of Media and Entertainment, Attn: Commissioner, to the address and by the means specified in the application form, within thirty (30) days from the date of the denial letter issued by the Office.
- (c) In the case of an appeal from a determination of the amount of media assets, [an applicant] a marketing credit recipient can request an appeal by sending a letter to the Commissioner as provided in Subdivision (b), within thirty (30) days from the date of issuance of the certificate of marketing credit.
- (d) If an <u>authorized</u> applicant <u>or a marketing credit recipient</u> fails to request an appeal within thirty (30) days of the Office's denial decision and/or allocated amount of media assets, such decision will be deemed final.
- (e) Upon receipt of a timely letter of appeal, the Commissioner will appoint an appeal officer within the Office to review the matter. The appeal officer may reverse, affirm or modify the original determination and provide a written explanation of his or her finding in a report to the Commissioner. The Commissioner or his or her designee must issue a final order within sixty (60) days of the report. A copy of the final order will be issued to the appealing [applicant] person or entity within ten (10) days after the date the Commissioner or his or her designee renders the final order.
- § 10. Section 15-07 of Chapter 15 of Title 43 of the Rules of the City of New York is amended to read as follows:

§ 15-07 Final report.

As part of the [cultural] community benefit component of the Program, within thirty (30) days after the completion of [an authorized applicant's] a marketing credit recipient's media campaign, [an approved applicant] such recipient must submit to the Office by U.S. mail, email or fax, proof of payment to the identified New York City cultural institution, in the form of a cancelled check or letter of acknowledgment. [Applicants] Such recipients who have not satisfied this component of the Program will be required to make a payment to MOME in an amount equivalent to 100% of the value of the media assets received, as determined by MOME.

§ 11. Section 15-08 of Chapter 15 of Title 43 of the Rules of the City of New York is amended to read as follows:

§ 15-08 Record retention.

NOTE:

As of January 1, 2017, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2017, the contractor will no longer be deducting the tax credit as a separate line item on the invoice. Should the tax credit be extended, it will once again appear as deduction and line item on the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon, and will be shown as a separate line item on your invoice.

The National Oilheat Research Alliance (NORA) resumed operations in 2014. A related assessment of \$.002 per gallon has been added to the posted weekly fuel prices and will appear as a separate line item on invoices. This fee applies to heating oil only and since 2015 has included #4 heating oil. NORA has been authorized through February 2019. All other terms and conditions remain unchanged.

REMINDER FOR ALL AGENCIES:

Please send inspection copy of receiving report for all gasoline (E70, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

CITYWIDE MOBILE THREAT PROTECTION APPLICATION

- Demonstration Project - Testing or experimentation is required - PIN# 85818D0001 - Due 4-6-18 at 2:00 P.M.

The City intends to award a contract with Zimperium, Inc., for the use of their proprietary software, to develop a Citywide mobile threat protection application. Through this Demonstration Project, the Zimperium mobile application will be specifically engineered to protect privacy and will function based on patented approaches, to detecting malicious activity. The app will provide guidance on mitigating measures the end user can take, including disconnecting from Wi-Fi, deleting malicious applications and restoring settings to factory defaults. Should vendors express interest, they must satisfy the following requirements in order to be considered:

- 1. The vendor must have filed U.S. patents related to mobile cyber threat detection;
- 2. The vendor must list the names of at least one other enterprise customer(s), currently using the technology;
- 3. The vendor must provide a detailed description of data required to be transmitted from the end user, to the vendor/manufacturer, in order for the technology to function
- 4. The vendor must provide results of third-party penetration testing of the solution;
- 5. The vendor must provide back-tested results against newly discovered vulnerabilities. (For example if a vulnerability is made public on 3/19/2018, does the build of the proposed solution on 3/18/2018 detect the vulnerability or is a software update required?)
