PROCUREMENT

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator

may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA)

Department of Consumer Affairs (DCA)

Department of Consumer Amaris (DC)

Department of Health and Mental Hygiene (DOHMH)

AGENCY RULES

CONSUMER AFFAIRS

■ NOTICE

Notice of Adoption

Notice of Adoption to amend several rules to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to help public understanding and compliance.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer Affairs by Sections 1043 and 2203(f) of the New York City Charter and Section 20-104(b) of the New York City Administrative Code, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department amends several rules in Chapters 1 and 2 of Title 6 of the Rules of the City of New York ("RCNY") relating to bond requirements, newsstands, electronic and home appliance service dealers, and storage warehouses.

This rule was proposed and published on May 23, 2018. A public hearing was held on June 22, 2018.

Statement of Basis and Purpose of Rule

The Law Department, the Office of Management and Budget, and the Office of Operations conducted a retrospective review of the City's existing rules, identifying those that should be repealed or modified to reduce regulatory burdens, increase equity, support small businesses, and simplify and update content to help public understanding and compliance. The review identified the amendments contained herein.

Specifically, the Department is making the following amendments:

- Section 1-06 of Chapter 1 of Title 6 of the Rules of the City of New York, which relates to the bond requirements for licenses, to fix a typographical error. This amendment does not make any substantive changes to the rule.
- Sections 2-61, 2-63, 2-64, and 2-65 of part 1 of Subchapter G of Chapter 2 of Title 6 of the Rules of the City of New York, which relate to newsstands, to replace outdated references to the Art Commission of the City of New York with updated references to the New York City Public Design Commission. The Art Commission of the City of New York no longer exists.
- Section 2-253 of Subchapter X of Chapter 2 of Title 6 of the Rules of the City of New York to eliminate certain information required to be displayed by electronic or home appliance service dealers,

such as the name of one owner or partner of the business. In the experience of DCA, this information is not helpful to a consumer who wants to file a complaint and is unnecessarily burdensome on the business to provide. A consumer can file a complaint about a business using the business's DCA license number and/or location. Additionally, this amendment eliminates the requirement that a business provide to consumers on request a copy of DCA's regulations governing electronic or home appliance service dealers. In DCA's experience, such information is not helpful to consumers and the regulations are readily available from the Department.

 Sections 2-321 and 2-322 of Subchapter BB of Chapter 2 of Title 6 of the Rules of the City of New York to increase the maximum amount that may be charged by a storage warehouse for a written estimate based upon a physical inspection. This increase of the maximum amount charged accounts for the passage of time since the rule was originally promulgated. This amendment also fixes a typographical error.

The amendments also include minor plain language edits throughout.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Section 1-06 of Chapter 1 of Title 6 of the Rules of the City of New York is amended to read as follows:

Except where otherwise provided, all such b[e]onds must allow any person aggrieved by the bondholder's breach of the conditions of the bond to proceed against the bond.

- Construction of stand. The license applicant is required to reimburse the franchisee, to the extent required by the franchise, for the costs of construction and installation by such franchisee of a newsstand that is not a replacement newsstand, as defined in § 2-61 of this Part. No license shall be issued to the applicant and no construction of a proposed newsstand shall begin until the franchisee provides DCA with satisfactory proof that the costs of construction, to the extent required by the franchise, have been paid or provided for by or on behalf of the applicant to the satisfaction of the franchisee. The franchisee [shall]must obtain necessary construction, electrical, street opening, and other permits and approvals before commencing construction. Construction [shall]must be completed within 150 calendar days from the date of [AC] PDC or LPC approval. [In the event that Iff construction is not completed within such period due to conditions over which the franchisee or the applicant for a license have no control, DCA shall have discretion to extend the timeframe for [such]construction for a reasonable period beyond the initial 150 calendar days. If, after DOT inspection of the proposed newsstand site, but prior to construction of such newsstand, conditions surrounding such site change so that the newsstand would no longer comply with the siting criteria in § 2-65 of this Part, it shall be the responsibility of the applicant for a license to identify an alternate location that fully complies with such siting criteria and to obtain approval of such alternate location from DCA, DOT, as well as the [AC]PDC or LPC.
- (9) Notice of completion of construction. DOT shall notify DCA of the completion of the newsstand. The applicant must submit, for DCA and [Art Commission]PDC records, 8" x 10" color archival-quality photographs of all sides of the newsstand, including at least one photograph each of the front, back, and both sides of the newsstand. Each photograph must be clearly marked on the back to indicate the stand's location, the applicant's name, the view of the stand depicted in the photograph, and the date the photograph was taken.

§ 2-65 Siting Requirements for Newsstands.

- (d) Franchise newsstands. If the [Art Commission] PDC or the LPC has approved the type and design of a model of a new newsstand to be constructed and installed by a franchisee after the grant of a franchise, the [Art Commission] PDC or LPC shall review the appropriateness of the franchise model for the proposed location and the design relationship of the proposed newsstand to its surroundings.

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

PRE-QUALIFIED LISTS

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in
