HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic pregualification application using the City's Health and Human Services (HHS) Accelerator Using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

ILLEGAL GUN MARKET STUDY - Negotiated Acquisition - Other -PIN# 00215MOCJ011 - Due 8-18-15 at 11:59 P.M.

MOCJ proposes a multifaceted effort to provide a detailed account of the varied transactions that comprise the supply lines of illegal guns to criminals in New York City. Identifying effective and feasible evidencebased approaches to disrupt these illegal transactions is thus a critical challenge in curbing gun violence. This project seeks to conduct research into the structure and dynamics of illicit firearms transactions in New York City, to ascertain how best to disrupt them. The research is intended to provide guidance in setting priorities in prosecutions, design undercover operations against gun transactions, craft new regulations, and related actions, all with the ultimate purpose of reducing gun violence.

The negotiated acquisition procurement has been chosen due to the limited number of vendors available and able to perform the work in accordance with PPB 3-04(b)(2)(ii). MOCJ will continue to accept expressions of interest to the extent required by the City of New York Procurement Policy Board Rules.

EAST RIVER WATERFRONT ESPLANADE AND PIERS **PROJECT CM SERVICES, CONSULTANT SERVICES** - Request for Proposals - PIN# 17060022 - Due 8-28-15 at 4:00 P.M.

The ERW Project was conceived as part of the Concept Plan to further the Mayor's Vision Statement by (1) creating a spectacular waterfront esplanade, (2) completing the Manhattan Greenway, and (3) reconnecting the communities of Lower Manhattan to the East River.

Completion of the ERW Project, together with other public initiatives in the area, will help strengthen the central business district in Lower Manhattan and enhance its residential communities. The ERW Project is to improve and redevelop an approximately two-mile portion of the East River Waterfront that extends from Peter Minuit Plaza at the southern tip of Manhattan to East River Park on the Lower East Side. CDBG funds from HUD are being made available to the City for the ERW Projects by LMDC.

NYCEDC is seeking a Construction Manager to manage construction of all of Phase 4 of the ERW Project and complete the remaining Sub-Projects. Services shall include pre-construction, construction, and post-construction Services for certain Sub-Projects of the Project. The Consultant shall subcontract with Subcontractors and vendors as required to complete the Project pursuant to the contract schedule

NYCEDC plans to select a consultant on the basis of factors stated in the RFP which include, but are not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee.

This project has Minority and Women Owned Business Enterprise ("M/WBE") participation goals, and all respondents will be required to submit a M/WBE Narrative Form with their response.
