Draft Scope of Work for an Environmental Impact Statement (EIS)

for the Long Island City Innovation Center Project

Project Identification CEQR No. 18DME003Q SEQRA Classification: Type I Queens, Community District 2

Lead Agency Office of the Deputy Mayor for Housing and Economic Development 253 Broadway – 14th Floor New York, NY 10007

NOTICE IS HEREBY GIVEN that a public scoping meeting will be held on Monday, September 17, 2018, at the CUNY School of Law, 2nd Floor Auditorium, 2 Court Square West, Long Island City, NY 11101. Written comments on the Draft Scope of Work will be accepted by the lead agency until 5:00 P.M., on Friday, September 28th, 2018. The purpose of the scoping meeting is to provide the public with the opportunity to comment on the Draft Scope of Work to develop an Environmental Impact Statement (EIS) for the proposed project. Interpretation services can be accommodated upon request by calling or emailing the contact information below at least one week prior to the hearing.

Two sessions will be available to the public on this date – the first beginning at 3:00 P.M., and the second beginning at 6:00 P.M.

Monday, September 17, 2018, Session 1: 3:00 P.M., Session 2: 6:00 P.M. CUNY School of Law, 2nd Floor Auditorium 2 Court Square West Long Island City, NY 11101

Directing that an EIS be prepared, the Environmental Assessment Statement, Positive Declaration, and Draft Scope of Work were issued by the lead agency on August 14, 2018, and are available for review from the contact persons listed below.

TF Cornerstone, Inc., and the New York City Economic Development Corporation (EDC), on behalf of the Deputy Mayor for Housing and Economic Development, the co-applicants, are proposing a number of discretionary actions to facilitate the redevelopment of two sites located along either side of 44th Drive in Long Island City, Queens: the "Waterfront Site" includes Block 489/Lot 23 and Block 488/ part of Lot 15, and the "Inland Site" includes Block 24/Lot 7 (the "proposed project"). The applicant proposes to redevelop the sites with approximately 1.75 million gross square feet (GSF) of space, including market rate and affordable residential units, office and incubator space, light manufacturing, artist workspace, retail, and community facility space. There would be a new, approximately one-acre publicly accessible open space along the East River waterfront. The proposed project also allows for a new 536-seat school, which would be constructed by the School Construction Authority (SCA). Existing parking on the development site used by the New York City Department of Education (DOE) will be relocated to interim sites elsewhere in Long Island City during the project's construction

Currently, the Waterfront Site includes a parking area for DOE, which occupies the building immediately to the east of the site. The area along the East River includes dilapidated platform structures as well as a pile-supported building formerly used as a restaurant at the foot of 44th Drive. A mapped but unbuilt portion of 44th Road runs through the northern part of the Waterfront Site. The Inland Site currently houses a set of single-story buildings used by NYCDOT. The NYCDOT facility houses two operations units responsible for mending potholes and road obstructions throughout all five boroughs and sidewalk repair and emergency snow removal in Manhattan and Queens.

As part of the proposed actions the NYCDOT operations will be relocated to a newly constructed facility, the "DOT Relocation Site" at 38-21 12th Street (Block 472/Lot 646). This site, about three quarters of a mile to the north of the existing facility is bounded by 38th Avenue, 12th Street and 13th Street. Currently, this site includes shed-like industrial structures and vehicle storage areas.

The two interim parking areas proposed for DOE use are existing parking facilities located to the south and east of the Waterfront and Inland Sites. No new construction is proposed for these sites, and the proposed uses are consistent with allowable zoning and land use requirements. The garage at 45-45 Center Boulevard at the northern end of the Queens West development will accommodate smaller vehicles, while the surface lot at 5-02 54th Avenue along Newtown Creek, will accommodate larger vehicles. A 2024 analysis year will be assumed for the EIS.

It is currently anticipated that the Long Island City Innovation Center may require the following discretionary approvals:

- Zoning Map Amendments: to create a new MX-18 (M1-5/R9) mixed use district along the Long Island City Waterfront, on Zoning Map 9b;
- Zoning Text Amendments:
 - To create a new MX-18 special district with certain bulk 0 and use provisions,
 - To provide floor area exemptions and zoning waivers, 0 and
 - To identify the project area as a Mandatory Inclusionary 0 Housing Área.
 - Zoning Special Permit: for a Large Scale General
 - Development (LSGD) Special Permit (ZR§ 74-743); Additional waivers may be sought for bulk, use,
 - distribution of floor area, loading and lot coverage. City Map Change:
 - To demap portions of the street along the north and south sides of 44th Drive, from Vernon Blvd toward the waterfront, and
 - To demap all of 44th Road from Vernon Boulevard to the waterfront.
- Authorization to modify design and certain waterfront public access requirements (ZR § 62-822);
- Disposition of City-Owned Property, pursuant to 384(b)(4) of the New York City Charter, for:
 - City-Owned; Block 488, Lot part of 15; Block 489, Lot 23; 0 and Block 24, Lot 7;
- Acquisition/Site Selection: The City to acquire Block 472, Lot 646.

In addition, a Chair Certification for Waterfront Public Access Areas (ZR§ 62-811) would be required.

Pursuant to ULURP, the new NYCDOT facility (Block 472, Lot 646) will require a site selection and a Fair Share analysis.

In the future the developer may seek funding by the New York City Housing Preservation and Development or the New York City Housing Development Corporation to facilitate the development of permanently affordable housing and/or public financing by the New York City Industrial Development Agency for economic development purposes.

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget. Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

CONTINUITY OF MEDICAL SERVICES AT BRONX AND QUEENS SCHOOL BASED HEALTH CENTERS - Negotiated Acquisition - Other - PIN#18PH022200R0X00 - Due 8-27-18 at 11:00 A.M.

DOHMH's overall goal for School Based Health Centers (SBHC), is to improve the physical and mental health status of students enrolled in these schools and ensure that all SBHCs serving New York City High School students, are provided with these on-site services. To ensure that these services are ongoing in New York City Communities, DOHMH, intends to enter Negotiated Acquisitions with two (2) medical providers; Children's Aid Society and Urban Health Plan, to operate and provide medical and comprehensive services at three current SBHC sites, located in the Bronx (X148 Charles Drew Education Campus and X066 Fannie Loue), and Queens (Q744 Elmhust Campus). The contract term shall be from 9/1/2017 to 6/30/2021. DOHMH determined that it is advantageous to the City to procure the required SBHC services via a Negotiated Acquisition with Children's Aid Society and Urban Health Plan, who are Article 28, licensed by the New York State DOH, to operate these three SBHC sites, and has previously held contracts with the NYC Department of Education DOE) to provide SBHC services, at the current Bronx and Queens SBHC sites.

This is not an invitation to submit a bid or proposals, however vendors may submit an expression of interest if they feel that they can provide these services for this procurement or procurements in the future for these type of services. Expressions of interest and questions should be submitted via email to swillia9@health.nyc.gov.

Pursuant to PPB Rule § 3-01(d)(3) and (4), the Agency Chief Contracting Officer, has determined that competitive sealed bidding and competitive sealed proposals are not practicable or advantageous, and that negotiated acquisition is the most competitive alternate method of source selection from those listed in § 3-01(d)(1) which is both appropriate under the circumstances and practicable and advantageous to the City.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor prequalification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construct its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)*;
- 2) The submitting entity must be a registered joint venture or have a valid legal agreement as a joint venture, with at least one of the entities in the joint venture being a certified M/WBE*;

The owner of the building identified above has applied for a Certification of No Harassment. If you have any comments or evidence of harassment at this building, please notify HPD at CONH Unit, 100 Gold Street, 6th Floor, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period.
