Monday, September 17, 2018, Session 1: 3:00 P.M., Session 2: 6:00 P.M. CUNY School of Law, 2nd Floor Auditorium

2 Court Square West Long Island City, NY 11101

Directing that an EIS be prepared, the Environmental Assessment Statement, Positive Declaration, and Draft Scope of Work were issued by the lead agency on August 14, 2018, and are available for review from the contact persons listed below.

TF Cornerstone, Inc., and the New York City Economic Development Corporation (EDC), on behalf of the Deputy Mayor for Housing and Economic Development, the co-applicants, are proposing a number of discretionary actions to facilitate the redevelopment of two sites located along either side of 44th Drive in Long Island City, Queens: the "Waterfront Site" includes Block 489/Lot 23 and Block 488/ part of Lot 15, and the "Inland Site" includes Block 24/Lot 7 (the "proposed project"). The applicant proposes to redevelop the sites with approximately 1.75 million gross square feet (GSF) of space, including market rate and affordable residential units, office and incubator space, light manufacturing, artist workspace, retail, and community facility space. There would be a new, approximately one-acre publicly accessible open space along the East River waterfront. The proposed project also allows for a new 536-seat school, which would be constructed by the School Construction Authority (SCA). Existing parking on the development site used by the New York City Department of Education (DOE) will be relocated to interim sites elsewhere in Long Island City during the project's construction.

Currently, the Waterfront Site includes a parking area for DOE, which occupies the building immediately to the east of the site. The area occupies the building immediately to the east of the site. The area along the East River includes dilapidated platform structures as well as a pile-supported building formerly used as a restaurant at the foot of 44th Drive. A mapped but unbuilt portion of 44th Road runs through the northern part of the Waterfront Site. The Inland Site currently houses a set of single-story buildings used by NYCDOT. The NYCDOT facility houses two operations units responsible for mending potholes and road obstructions throughout all five boroughs and sidewalk repair and emergency snow removal in Manhattan and Queens.

As part of the proposed actions the NYCDOT operations will be relocated to a newly constructed facility, the "DOT Relocation Site" at 38-21 12th Street (Block 472/Lot 646). This site, about three quarters of a mile to the north of the existing facility is bounded by 38th Avenue, 12th Street and 13th Street. Currently, this site includes shed-like industrial structures and vehicle storage areas.

The two interim parking areas proposed for DOE use are existing parking facilities located to the south and east of the Waterfront and Inland Sites. No new construction is proposed for these sites, and the proposed uses are consistent with allowable zoning and land use requirements. The garage at 45-45 Center Boulevard at the northern end of the Queens West development will accommodate smaller Creek, will accommodate larger vehicles. A 2024 analysis year will be assumed for the EIS.

It is currently anticipated that the Long Island City Innovation Center may require the following discretionary approvals:

- Zoning Map Amendments: to create a new MX-18 (M1-5/R9) mixed use district along the Long Island City Waterfront, on Zoning Map 9b;
- Zoning Text Amendments:
 - To create a new MX-18 special district with certain bulk 0 and use provisions, To provide floor area exemptions and zoning waivers, 0
 - and
 - To identify the project area as a Mandatory Inclusionary 0 Housing Årea. Zoning Special Permit: for a Large Scale General

Development (LSGD) Special Permit (ZR§ 74-743);

- Additional waivers may be sought for bulk, use, distribution of floor area, loading and lot coverage. City Map Change:
- To demap portions of the street along the north and 0 south sides of 44th Drive, from Vernon Blvd toward the waterfront, and
- 0 To demap all of 44th Road from Vernon Boulevard to the waterfront.
- Authorization to modify design and certain waterfront public access requirements (ZR § 62-822);
- Disposition of City-Owned Property, pursuant to 384(b)(4) of the New York City Charter, for:
 - City-Owned; Block 488, Lot part of 15; Block 489, Lot 23; 0 and Block 24, Lot 7;
 - Acquisition/Site Selection:
 - The City to acquire Block 472, Lot 646.

In addition, a Chair Certification for Waterfront Public Access Areas (ZR§ 62-811) would be required.

Pursuant to ULURP, the new NYCDOT facility (Block 472, Lot 646) will require a site selection and a Fair Share analysis

In the future the developer may seek funding by the New York City Housing Preservation and Development or the New York City Housing Development Corporation to facilitate the development of permanently affordable housing and/or public financing by the New York City Industrial Development Agency for economic development purposes.

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

CITY PLANNING

■ NOTICE

Project Name: 51 White Street CEQR #: 18DCP092M SEQRA Classification: Type I

NEGATIVE DECLARATION

Statement of No Significant Effect

Pursuant to Executive Order 91 of 1977, as amended, and the Rules of Procedure for City Environmental Quality Review, found at Title 62, Chapter 5 of the Rules of the City of New York and 6 NVCRR, Part 617, State Environmental Quality Review, the Department of City Planning, acting on behalf of the City Planning Commission assumed the role of lead agency for the environmental review of the proposed project. Based on a review of information about the project contained in this environmental assessment statement and any attachments hereto, which are incorporated by reference herein, the lead agency has determined that the proposed project would not have a significant adverse impact on the environment.

Reasons Supporting this Determination

The above determination is based on information contained in this EAS, which finds that the proposed project and related actions sought before the City Planning Commission would have no significant effect on the quality of the environment. Reasons supporting this Determination are noted below.

1. Historic and Cultural Resources

The proposed action would facilitate the two story enlargement of a contributing building in the Tribeca East Historic District. LPC has issued a Certificate of Appropriateness and agrees with the conclusion of no significant adverse impacts to Historic and Cultural Resources. An LPC Restrictive Declaration will be recorded on the property which includes a continuing maintenance plan designed to ensure that the subject building will be preserved in a sound first-class condition in perpetuity.

2. Land Use, Zoning and Public Policy

This EAS includes a detailed Land Use, Zoning and Public Policy section, which analyzes the potential significance of the proposed action on land use, zoning and public policy in the study area. The proposed action would modify bulk regulations to facilitate a two story enlargement and the residential use of a mezzanine level in an existing building at 51 White Street in the Tribeca East Historic District of Manhattan. The study area is characterized by diverse uses including residential, commercial, mixed residential/commercial and community facility uses. The analysis concludes that no significant adverse impacts related to Land Use, Zoning and Public Policy would result from the proposed action.

3. Air Quality

The proposed action would not result in any significant adverse impacts related to air quality. In both the no-action and withaction scenarios, the approved DOB plans and proposed site plans include details for an electric HVAC system with no emissions stack. Accordingly, a detailed air quality analysis is not warranted.

No other significant effects upon the environment that would require the preparation of a Draft Environmental Impact Statement are foreseeable. This Negative Declaration has been prepared in accordance with Article 8 of the New York State Environmental Conservation Law (SEQRA).

Special Hudson Yards District, Zoning Resolution Authority: §93-90

Before the Department of Buildings can issue a permit for the alteration or demolition of a multiple dwelling in certain areas designated in the Zoning Resolution, the owner must obtain a "Certification of No Harassment" from the Department of Housing Preservation and Development ("HPD") stating that there has not been harassment of the building's lawful occupants during a specified time period. Harassment is conduct by an owner that is intended to cause, or does cause, residents to leave or otherwise surrender any of their legal occupancy rights. It can include, but is not limited to, failure to provide essential services (such as heat, water, gas, or electricity), illegally locking out building residents, starting frivolous lawsuits, and using threats or physical force.

The owner of the building identified above has applied for a Certification of No Harassment. If you have any comments or evidence of harassment at this building, please notify HPD at **CONH Unit, 100 Gold Street**, 6th Floor, New York, NY 10038, by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement, please call (212) 863-5277 or (212) 863-821.

LATE NOTICE

NICOLETT S 51222

MAYOR'S OFFICE OF ENVIRONMENTAL COORDINATION

■ PUBLIC HEARINGS

MCKEEVER

NOTICE OF PUBLIC SCOPING

The City of New York's success in dramatically reducing crime and lowering the number of people in jail, coupled with the grassroots support for closing Rikers Island Correctional Facility (Rikers Island) has allowed for the City, through the New York City Department of Correction (DOC), to propose implementing a borough-based jail system as part of the City's continued commitment to create a modern, humane and safe justice system and close the jails on Rikers Island. This proposed project would establish four new detention facilities Manhattan (80 Centre Street), and Queens (126-02 82nd Avenue). Each proposed location is currently on City-Owned property. In accordance with the rules and procedures of the City Environmental Quality Review (CEQR), a Draft Environmental Impact Statement (DEIS) will be prepared. The Environmental Assessment Statement and DEIS Draft Scope of Work may be obtained by any member of the public at https://a002-ceqraccess.nyc.gov/ceqr/. A series of public scoping sessions have been scheduled to accept oral and written comments on the Draft Scope of Work as follows:

Borough of Brooklyn, September 20, 2018 PS 133 William A. Butler School 610 Baltic Street, Brooklyn, NY 11217

Borough of Queens, September 26, 2018 Queens Borough Hall 120-55 Queens Boulevard, Kew Gardens, NY 11424

Borough of Manhattan, September 27, 2018 Manhattan Municipal Building 1 Centre Street, New York, NY 10007

Borough of Bronx, October 3, 2018 Bronx County Courthouse 851 Grand Concourse, Bronx, NY 10451

All meetings begin at 6:00 P.M., and will open with a presentation, followed by public comment. Comments can be made orally or in writing at these meetings. Those interested in making oral comments must register to speak by 9:00 P.M., at the hearing. The meeting facilities are accessible to persons with disabilities. Spanish, Cantonese, Mandarin, and American Sign language interpreters will be Astoria Boulevard, Suite 160, East Elmhurst, NY 11370, or emailed to boroughplan@doc.nyc.gov.
