"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

• Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA)

Department of Consumer Affairs (DCA)

Department of Corrections (DOC)

Department of Health and Mental Hygiene (DOHMH)

Department of Homeless Services (DHS)

Department of Probation (DOP)

Department of Small Business Services (SBS)

Department of Youth and Community Development (DYCD)

DETERMINATION AND FINDINGS BY THE CITY OF NEW YORK PURSUANT TO SECTION 204 OF THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW

Whereas, the New York City Department of Design and Construction ("DDC"), on behalf of the New York City Department of Transportation ("DOT") and the City of New York ("City"), has proposed the acquisition of certain portions of Amboy Road from Murray Street to Page Avenue and from Page Avenue to Low Street; as shown on Damage and Acquisition Map No. 4254, (Capital Project: HWR005-09) in the Borough of Staten Island; and

Whereas, the New York State Eminent Domain Procedure Law ("EDPL") sets forth uniform procedures for condemnations by municipalities throughout the State of New York, which also governs over this acquisition; and

Whereas, pursuant to the EDPL, the City is required to hold a public hearing to determine whether the public would be better served by the proposed acquisition of the above-mentioned properties and the impact of such an acquisition on the neighborhood where the project is to be constructed; and

Whereas, the City held a public hearing pursuant to EDPL Section 204 in relation to this acquisition on June 27, 2018 in the Borough of Staten Island. Having given due consideration to the complete hearing record, which includes, among other things, all documents submitted and all public comments, the City makes the following determination and findings concerning the above and below described acquisitions and project:

- The public use and benefit of this project is for roadway improvements, widening and related work in the Borough of Staten Island (the "Project")
- The properties to be acquired are within the acquisition limits shown on Damage and Acquisition Map No. 4254 as follows:
 - The bed of Amboy Road from Murray Street to Page Avenue and from Page Avenue to Low Street.

The properties (Blocks and Lots) affected include the following locations, as shown on the Tax Map of the City of New York for the Borough of Staten Island:

Block No.	Part of Lot
8008	28, 42, 45, 48
7797	1
8007	59

The adjacent Blocks and Lots affected include the following locations, as shown on the Tax Map on the City of New York for the Borough of Staten Island:

Adjacent Block No.	Adjacent Lot No.
8008	14, 28, 42, 45, 48
7797	1, 7, 10, 11, 12
7774	6, 8, 12, 14, 17
8007	59

The City selected these locations based on a need for the reconstruction of the roadways, sidewalks and curbs as well as the installation of two layby bus lanes on Amboy Road and Page Avenue.

The general effect on the neighborhood will be to improve current living conditions.

The New York City Department of Design and Construction conducted an environmental review of the proposed property acquisition locations in accordance with New York City Environmental Quality Review process (CEQR No. 16DOT042R). The New York City Department of Transportation as lead agency determined that the proposed project would not have a significant effect on the environment and published a Negative Declaration on September 22, 2016.

Comments and concerns presented at the public hearing and through subsequent written submissions have been reviewed by the City. Concerns were raised with respect to the locations to be acquired and the impact of the acquisitions on private properties, specifically in terms of the potential reduction of future development due to reduced square footage, and reduced parking for vehicles. Questions were also raised about compensation calculation, and the appropriateness of the bus station location. Property owners also noted that the current design, a single drop curb for a large property with high human and vehicular traffic, may raise potential safety issues.

The City will work with all public and private parties involved in the project to minimize the impact of construction activities on the street, residents and environment, and will work with other involved agencies and the community in order to review and address project-related concerns. The City continues to review its plans and will make modifications addressing any issues whenever possible. The City has also reviewed all potential alternate locations and has determined that no other sites are feasible for the Project.

DETERMINATION:

Based upon due consideration of the record and the foregoing findings, it is determined that the City of New York should exercise its power of eminent domain to acquire the above-described properties in order to promote and permit the purposes of the Project to be achieved.

NOTICE:

Pursuant to EDPL Section 207, property owners have thirty (30) days from completion of the publication of this "Determination and Findings" to seek judicial review of this determination. This publication will be advertised in the City Record and Staten Island Advance newspapers.

The exclusive venue for the judicial review of this determination pursuant to EDPL Sections 207 and 208 is the Appellate Division

of the Supreme Court in the Judicial Department where any part of the property to be acquired is located.

A copy of this Determination and Findings by the City is available without cost upon written request to:
