PROCUREMENT

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

• Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

OFFICE OF PUPIL TRANSPORTATION SCHOOL BUS ROUTING CONSULTATION PROJECT - Request for Proposals -PIN#R1039040 - Due 11-3-14 at 1:00 P.M.

The DOE is seeking proposals from organizations with the demonstrated ability to provide consulting services to define evaluate, document and recommend technology and business processes to support school bus routing operations for over 150,000 students who ride buses each day in the New York City metropolitan area to public, non-public, and charter schools. The Office of Pupil Transportation (OPT) also schedules bus service for more than 160,000 field trips every year. The DOE does not own any school buses and thus contracts for that service with more than

50 private companies for over 8,600 buses to transport riders to and from more than 3,000 schools. This RFP seeks to engage the services of a consultant (which may be an individual, a team or a firm) to analyze, evaluate and document OPT's current management of bus routing from technical, business process and resource perspectives. The consultant will also recommend any refinements and/or additions to increase the efficiency and effectiveness of those processes that should be included in any future solution. The resulting requirements document will be used to decide if OPT should buy a bus routing software package or to develop one or some combination of the two that would involve enhancing processes and systems already in place or in development. The consultant must not have any affiliation with any bus routing software vendor and will not be allowed to submit a Proposal or Bid for such services as may be sought as a result of the recommendations made in fulfillment of this RFP. In addition, consulting contracts require that software vendors have not and will not pay the consultant any compensation as a result of any routing solution growing out of this RFP. The RFP may result in award of one (1) full value contract for a base term of one (1) year with an option to extend the contract for two (2) nine (9) month periods. If you cannot download this RFP, please send an e-mail to VendorHotline@schools.nyc. gov with the RFP number and title in the subject. For all questions related to this RFP, please send an e-mail to spisik@schools.nyc.gov with the RFP number and title in the subject line of your e-mail.

■ NOTICE

Pursuant to the Concession Rules of the City of New York, the Department of Transportation ("DOT") intends to enter into a concession for the operation, management, and maintenance of a pedestrian plaza located on West 12th Street between Bowery Street and the Coney Island Boardwalk in the borough of Brooklyn ("Licensed Plaza"), including through DOT-approved events, sponsorships, and subconcessions including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that help brand or promote the neighborhood or the concessionaire, and other similar merchandise within the Licensed Plaza. Subconcessions would be awarded based on solicitations issued by the concessionaire in the basic form of Request for Proposals or Request for Bids, subject to DOT's prior written approval of both solicitation and award.

The concession agreement will provide for one (1) five-year term, with four (4) one-year renewal options. The renewal options shall be exercisable at DOT's sole discretion.

DOT has identified the Alliance for Coney Island, Inc. as a potential concessionaire, but DOT will consider additional expressions of interest from other potential not-for-profit concessionaires for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly accessible facilities, including but not limited to programming/events management.

Not for profit organizations may express interest in the proposed concession by contacting Nicholaas Peterson, Senior Project Manager for Public Spaces, by email at npeterson@dot.nyc.gov or in writing at 55 Water Street, 6th Floor, New York, NY 10041 by October 6, 2014. Mr. Peterson may also be contacted with any questions relating to the proposed concession by email or by telephone at (212) 839-6691.

Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the concession process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, NY 10007, telephone number (212) 669-2323.
