### **BUILD NYC RESOURCE CORPORATION**

PUBLIC HEARINGS

The Build NYC Resource Corporation (the "Corporation") is a not-forprofit local development corporation organized under Sections 402 and 1411 of the Not-for-Profit Corporation Law of the State of New York. In accordance with the aforesaid law, and pursuant to its certificate of incorporation, the Corporation has the power to issue non-recourse revenue bonds and to make the proceeds of those bonds available for projects that promote community and economic development in The City of New York (the "City"), and to thereby create jobs in the non-profit and for-profit sectors of the City's economy. The Corporation has been requested to issue such bonds for the financings listed below in the approximate dollar amounts respectively indicated. As used herein, "bonds" are the bonds of the Corporation, the interest on which may be exempt from local and/or state and/or federal income taxes; and, with reference to the bond amounts provided herein below, "approximately" shall be deemed to mean up to such stated bond amount or a greater principal amount not to exceed 10% of such stated bond amount

Approximately \$60,000,000 tax-exempt revenue bond transaction for the benefit of the Hebrew Home for the Aged at Riverdale (the

"Institution"), a New York not-for-profit corporation exempt from federal taxation pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, as borrower. Proceeds from the bonds, together with other funds of the Institution, will be used to (1) refinance (i) a taxable loan to the Institution in the original principal amount of \$12,318,800, the proceeds of which were used to refinance a portion of the construction and renovation of an approximately 109,873 square foot, three story nursing home building (plus two below grade levels for parking) known as the Gilbert Pavilion located at 5931 Palisade Avenue, Bronx, NY 10471 and containing 144 nursing home beds, (ii) a taxable loan to the Institution in the original principal amount of \$11,093,400, the proceeds of which were used to refinance a portion of the cost of the construction and renovation of approximately 41,507 square feet of improvements collectively known as the Link Pavilion located at 5901 Palisade Avenue, Bronx, NY 10471, consisting of a two story addition to a building linking the Institution's Stolz Pavilion with another pavilion, a two story addition to the Stolz Pavilion, a floor adjacent to the Stolz Pavilion, a ground level terrace and new service areas for the Stolz Pavilion and a vehicular drive, and containing offices, dining areas, dietary services and other support administrative and common facilities; and (iii) a taxable loan in the original principal amount of \$46,521,600, the proceeds of which, together with other funds of the Institution were used to finance the construction and renovation of an approximately 145,072 square foot, five story nursing home building (with cellar area) known as the Jacob Reingold Pavilion located at 5941 Palisade Avenue, Bronx, NY 10471 and containing 174 nursing home beds; (2) fund any required debt convice recovery fund; and (2) nov for contain costs related to the service reserve fund; and (3) pay for certain costs related to the issuance of the bonds. The Gilbert Pavilion, the Link Pavilion and the Reingold Pavilion are each owned and operated by the Institution in furtherance of its exempt purpose of providing nursing home services. The financial assistance proposed to be conferred by the Corporation will consist of such tax-exempt bond financing and exemption from City and State mortgage recording taxes.

Approximately \$11,300,000 tax-exempt revenue bond transaction for the benefit of Talmud Torah Ohel Yochana (the "School"), a New York religious corporation exempt from federal taxation pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, as borrower. Proceeds from the bonds, together with other funds of the School, will be used to: (i) refinance an outstanding taxable loan to the School in the aggregate principal amount of approximately \$6,800,000, the proceeds of which, together with other funds of the School, were used to finance the costs of the acquisition, renovation and equipping of an approximately 18,000 square foot building located on an approximately 24,000 square foot parcel of land located at 1325-1345 38th Street, Brooklyn, NY 11218 (the "Facility"); (ii) finance or refinance the costs of the construction, renovation and equipping of an additional 30,539 square foot expansion to the Facility, in the approximate amount of \$4,000,000, in order to provide additional classrooms (the "Expansion"); and (iii) pay for certain costs related to the issuance of the bonds. The Facility and the Expansion will be owned and operated by the School and used to provide educational services to boys in pre-kindergarten through grade 8. The financial assistance proposed to be conferred by the Corporation will consist of such tax-exempt bond financing and exemption from City and State mortgage recording taxes

Approximately \$8,000,000 tax-exempt revenue bond transaction for the benefit of Women In Need, Inc. ("WIN") a New York not-for-profit corporation exempt from federal taxation pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, as borrower. Proceeds of the bonds, together with other funds of WIN, will be used to: (i) finance a portion of the costs of the construction, furnishing and equipping of an approximately 14,109 square foot building to be located on an approximately 5,185 square foot parcel of land located at 13 West 118<sup>th</sup> Street, New York, NY 10026, to serve as WIN's office headquarters; (ii) fund capitalized interest for the bonds; and (iii) pay for certain costs related to the issuance of the bonds. The Facility will be owned and operated by WIN and used to assist women and their families who are homeless and disadvantaged through comprehensive programs that provide shelter, supportive permanent housing, job training, child care and other supportive services. The financial assistance proposed to be conferred by the Corporation will consist of such tax-exempt bond financing and exemption from City and State mortgage recording taxes.

Approximately \$35,000,000 tax-exempt revenue bond transaction for the benefit of the Yeshivah of Flatbush (the "School"), a New York not-for-profit corporation exempt from federal taxation pursuant to Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, as borrower. Proceeds of the bonds, together with other funds of the School, will be used to: (i) finance or refinance a portion of the costs of construction, renovation, equipping and/or furnishing of an approximately 25,000 square foot building (the "Extension Facility") which will be connected to the existing approximately 100,000 square foot Joel Braverman High School building (the "Existing Facility") both located on an approximately 44,000 square foot parcel of land located at 1609 Avenue J, Brooklyn, NY 11230, to be used as an educational facility (ii) finance or preference of the facility; (ii) finance or refinance a portion of the costs of renovations, improvements and upgrades both internally and externally to the

Existing Facility; and (iii) pay for certain costs related to the issuance of the bonds. The Existing Facility and the Extension Facility will be owned and operated by the School and used to provide educational services for students in grades 9 through 12. The financial assistance proposed to be conferred by the Corporation will consist of such tax-exempt bond financing and exemption from City and State mortgage recording taxes.

Pursuant to Internal Revenue Code Section 147(f), the Corporation will hold a public hearing on the proposed financings described hereinabove at the offices of the New York City Economic Development Corporation ("NYCEDC"), located at 110 William Street, 4<sup>th</sup> Floor, New York, NY 10038, commencing at 10:00 A.M. on Thursday, November 6th, 2014. Interested members of the public are invited to attend. The Corporation will invite comments at such hearing on the proposed financings. In addition, at such hearing the Corporation will provide the public with an opportunity to review the financing application and the cost-benefit analysis for each of the proposed financings. For those members of the public desiring to review project applications and cost benefit analyses before the date of the hearing, copies of these materials will be made available, starting on or about fourteen (14) days prior to the hearing. Persons desiring to obtain copies of these materials may visit the website of New York City Economic Development Corporation at www.nycedc.com or may call (212) 312-3598. Persons desiring to make a brief statement regarding the proposed financings and transactions should give prior notice to the Corporation at the address or phone number shown below. Written comments may be submitted to the Corporation to the attention of Ms. Frances Tufano at the address shown below. Comments, whether oral or written, must be submitted no later than the close of the public hearing. Please be advised that certain of the aforementioned proposed financings and transactions may possibly be removed from the hearing agenda prior to the hearing date. Information regarding such removals will be available by contacting ftufano@nycedc.com on or about noon on the Friday preceding the hearing.

## PROCUREMENT

### "Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

• Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would

submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

### **Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

VENDOR LIST

Construction / Construction Services

PREQUALIFIED VENDOR LIST: GENERAL CONSTRUCTION - NON-COMPLEX GENERAL CONSTRUCTION SITE WORK ASSOCIATED WITH NEW YORK CITY DEPARTMENT OF PARKS AND RECREATION ("DPR" AND/OR "PARKS") PARKS AND PLAYGROUNDS CONSTRUCTION AND RECONSTRUCTION PROJECTS

DPR is seeking to evaluate and pre-qualify a list of general contractors (a"PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction")

By establishing contractor's qualifications and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construction its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction reconstruction site work of up to \$3,000,000 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contractors by making them more competitive in their pursuit of NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)\*; The submitting entity must be a registered joint venture or have a
- 2)valid legal agreement as a joint venture, with at least one of the entities in the venture being a certified M/WBE\*; The submitting entity must indicate a commitment to sub-contract
- 3) no less than 50 percent of any awarded job to a certified M/WBE for

every work order awarded.

\*Firms that are in the process of becoming a New York City-certified M/ WBE may submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has begun the Certification process.

### HOUSING PRESERVATION AND DEVELOPMENT

■ NOTICE

### **NOTICE OF ADOPTION**

**NOTICE IS HEREBY GIVEN** that pursuant to sections 1043 and 1802(1) of the New York City Charter and section 27-2153 of the New York City Administrative Code, and in accordance with Charter section 1043(b), the Department of Housing Preservation and Development hereby adopts amendments to rules governing the Alternative Enforcement Program. The proposed amendments were published in the City Record on July 7, 2014. A public hearing was held on October 14, 2014.

#### Statement of Basis and Purpose of the Adopted Rule

Under the Alternative Enforcement Program (AEP), the Department of Housing Preservation and Development (HPD) identifies the most distressed buildings in need of repair and systems replacement, and monitors the progress of owners towards correcting Housing Maintenance Code violations or corrects the violations itself. Pursuant to section 27-2153 of the New York City Administrative Code, HPD is authorized to revise the criteria used to select buildings for participation in the program and does so in Chapter 36 of Title 28 of the Rules of the City of New York.

The adopted rules amend those criteria to increase the look-back period from three years to five years for violations and paid or unpaid emergency repair charges. The look-back period is the interval of time in the past during which violations or charges accrued for the purposes of identifying buildings for participation in the AEP. The increase would apply beginning in the eighth year of the program.

Distress in a building can be acute or the result of a long period of neglect. The current look-back period allows HPD to identify buildings experiencing acute or short term distress. The adopted changes allow HPD to also include in the AEP buildings experiencing a slow but steady decline in conditions over time. The changes will also increase the cost effectiveness of the AEP by addressing conditions before they become acute and more expensive to correct.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

New material in the following rule is <u>underlined</u>, deleted material is in [brackets].

Section one. Section 36-05 of chapter 36 of title 28 of the rules of the

City of New York is amended to read as follows:

§36-05 Criteria for Identification of Buildings for Participation in the Alternative Enforcement Program.

- (a) Beginning in the sixth year of the Alternative Enforcement Program, the Department will use the following criteria to identify distressed buildings for participation in the program:
  - (1) A multiple dwelling that contains at least three but not more than nineteen dwelling units must have:
    - i) A ratio of open hazardous and immediately hazardous violations that were issued by the Department within the three-year period prior to such identification that equals in the aggregate five or more such violations for every dwelling unit in the multiple dwelling; and
    - (ii) Paid or unpaid Emergency Repair Charges of five thousand dollars (\$5,000.00) or more, which were incurred within the three-year period prior to such identification.
  - (2) A multiple dwelling that contains twenty or more dwelling units must have:
    - (i) A ratio of open hazardous and immediately hazardous violations that were issued by the Department within the three-year period prior to such identification that equals in the aggregate three or more such violations for every dwelling unit in the multiple dwelling; and
    - (ii) Paid or unpaid Emergency Repair Charges of two thousand five hundred dollars (\$2,500.00) or more, which were incurred within the three-year period prior to such identification.
- (b) Beginning in the eighth year of the Alternative Enforcement Program, the Department will use the following criteria to identify distressed buildings for participation in the program:
  - (1) A multiple dwelling that contains at least three but not more than nineteen dwelling units must have:
    - (i) A ratio of open hazardous and immediately hazardous violations that were issued by the Department within the five-year period prior to such identification that equals in the aggregate five or more such violations for every dwelling unit in the multiple dwelling; and
    - (ii) Paid or unpaid Emergency Repair Charges of five thousand dollars (\$5,000.00) or more, which were incurred within the five-year period prior to such identification.
  - (2) A multiple dwelling that contains twenty or more dwelling units must have:
    - (i) A ratio of open hazardous and immediately hazardous violations that were issued by the Department within the five-year period prior to such identification that equals in the aggregate three or more such violations for every dwelling unit in the multiple dwelling; and
    - (ii) Paid or unpaid Emergency Repair Charges of two thousand five hundred dollars (\$2,500.00) or more, which were incurred within the five-year period prior to such identification.
- (c) For purposes of identifying buildings for participation in the Alternative Enforcement Program pursuant to this section, those buildings having the highest amount of paid and unpaid Emergency Repair Charges incurred within the two-year period prior to such identification shall be selected first.

### TAXI AND LIMOUSINE COMMISSION

#### ■ NOTICE

### **Notice of Promulgation of Rules**

Notice is hereby given in accordance with section 1043(b) of the New York City Charter ("Charter") that the Taxi and Limousine Commission ("TLC") promulgates amendments to its rules in order to implement the requirements of newly adopted Local Laws 27, 28 and 30 of 2014. All three local laws implement Mayor de Blasio's "Vision Zero" program.

These rules are promulgated pursuant to sections 1043 and 2303 of the Charter and section 19-503 of the Administrative Code of the City of New York.

These rules were published on August 8, 2014, for public comment in the City Record. On September 18, 2014 a public hearing was held by the TLC at its offices at 33 Beaver Street, 19<sup>th</sup> Floor, New York, New

York, 10004 and the rules were adopted by the Commission at a public meeting held on October 16, 2014. Pursuant to section 1043(e)(1)(c) of the Charter, these rules will take effect 30 days following publication in the City Record.

#### Statement of Basis and Purpose

On February 18, 2014, Mayor de Blasio launched the Vision Zero action plan – an ambitious plan to reduce traffic fatalities in New York City. Vision Zero accepts no traffic fatality as inevitable. Vision Zero allows government agencies, industry groups, key transportation stakeholders and the public to understand traffic crashes as the result of a series of actions that can be changed or prevented through enforcement, education and design. In June of 2014, the Mayor signed Local Laws 27, 28 and 30 of 2014 to implement Vision Zero. Each Law mandates specific requirements for one or more of the agencies involved in directly implementing Vision Zero.

These rules implement the three recently-enacted local laws that provide the TLC with enforcement tools necessary to support Mayor de Blasio's Vision Zero goals. The rules increase the TLC's ability to remove unsafe TLC-licensed drivers from the street quickly, promoting the safety of passengers, pedestrians, bicyclists, and other motorists.

Each new local law supports the Vision Zero goals specifically as follows:

- Local Law 27 of 2014, known as "Cooper's Law," allows the TLC to summarily suspend the license of any driver summonsed or charged with a traffic violation or crime following a crash in which a person has suffered a critical injury or death. If the driver is convicted of the traffic violation or crime, the TLC driver's license must be revoked.
- Local Law 28 of 2014 requires the TLC to review the results of the NYPD's investigation of any crash involving a TLC licensed driver operating a TLC licensed vehicle that results in death or critical injury. Additionally, this new law requires the TLC to review the fitness of any driver involved in a crash resulting in death or critical injury and allows the TLC to summarily suspend the driver while the fitness review is pending.
- Local Law 30 of 2014 allows the TLC to combine DMV license points assessed against a license under the critical driver program for traffic violations with TLC license points assigned under the persistent violator program for safety violations in determining when a TLC-issued driver's license must be suspended or revoked. The law also increases the number of points deducted from a TLC license after a driver completes a point reduction class.

In addition to implementing the requirements of these newly adopted local laws, the proposed rules will also:

- count traffic violations that result in critical driver points as of the date of conviction, rather than the date the violation occurred;
- reduce the number of TLC rules not related to driver or vehicle safety whose violation results in persistent violator points;
- increase the fine amounts for violation of certain non-safety related TLC rules;
- clarify that the category of "named drivers" in the medallion owner and driver rules has been eliminated, and
- correct the rate of fare for a trip to Newark in the Driver's rules, to mirror the Owner's rules.

These rules are authorized by Section 2303 of the Charter, Section 19-503 of the Administrative Code of the City of New York, and Local Laws 27, 28 and 30 of 2014.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

New material is underlined.

[Deleted material is in brackets.]

Section 1. The definition of Long-Term Driver as set forth in section 51-03 of Title 35 of the Rules of the City of New York is amended, the definition of Named Drivers is deleted, and definitions of Critical Injury and Serious Crash are added to read as follows:

### §51-03 Definitions

**Critical Injury** is any injury determined to be critical by the emergency medical service personnel responding to a crash.

**Long-Term Driver** is a Licensed Medallion Taxicab Driver who meets all of the following conditions:

- (1) Personally drives the Taxicab at an annual rate of at least 160 hours per month;
- (2) [Is named on the rate card (is a Named Driver):
- (3)] Owns the Medallion or is leasing the Medallion for a term of no less than five months; and

[(4)] (3) Is a Long-Term Driver on no more than one Taxicab.

**[Named Drivers** is a term indicating that only the Drivers specifically named on the Rate Card are allowed to drive the Taxicab.]

**Serious Crash** is a crash in which any person has suffered Critical Injury or death.

Section 14. Section 54-27 of Title 35 of the Rules of the City of New York is amended to read as follows:			
§ <b>54-27</b>	_	ecial Driver Penalty Program	
(a) Critical Driver's Program ("Points" in this Section refers to points assessed by the Department of Motor Vehicles). In addition to any other action the Commission might take, the following penalties will be enforced as part of the Commission's Critical Driver's			

- Program: License Suspension. If, within a 15-month period, a Driver (1)accumulates six or more points but fewer than ten points on his or her driver's license (whether issued by New York or another state), the Commission will suspend the Driver's Taxicab Driver's License for up to 30 days.
- (2) License Revocation. If, within a 15-month period, a Driver accumulates 10 or more points on his or her driver's license (whether issued by New York or another state), the Commission will revoke the Driver's Taxicab Driver's License
- Review of Driver Fitness. The Commission can at any time (3)review the fitness of a Driver to continue to be Licensed

following any moving violation, accident, or other drivingrelated incident and can seek to impose other, additional, and/or more severe penalties or take any other action permitted under these Rules.

- 15-Month Period. When determining whether a suspension (4)or revocation is required based on the accumulation of points in a 15-month period, the Commission will count backwards 15 months from the date of the most recent conviction for the violation carrying points that is cited in the summons under this section.
- (5) Date of Point Accumulation. For the purpose of this rule, points assigned by the Department of Motor Vehicles for any violation will be counted as of the date [the violation occurred] of conviction
- Multiple Points from a Single Incident. For a Driver who has (6)been found guilty of multiple violations arising from a single incident, the Commission will consider the Driver guilty of the single violation with the highest point total for purposes of this section.
- (7) Point Reduction for Voluntary Course Completion.
  - Before suspending or revoking a Driver's License, the Commission will deduct [two] three points from the total points of any Licensee who voluntarily attends and satisfactorily completes a motor vehicle accident prevention course approved by the NYS DMV or equivalent licensing agency of the state which issued such license that appears on the Licensee's [DMV] driving record maintained by the DMV or equivalent. licensing agency of the state which issued such license. Such point reduction will count only towards points accumulated by the Licensee as a result of the conviction for violations that occurred within 15 months prior to the date of the completion of the course; <u>counting from date of conviction</u>. [In order for the motor vehicle accident prevention course to reduce the Licensee's Critical Driver's Program points and avoid suspension or revocation of the Driver's Taxicab Driver's License, the course must be satisfactorily completed prior to the issuance of a critical driver program summons.] Completion of the motor vehicle accident prevention course after the issuance of a critical driver program summons will reduce the Licensee's Critical Driver's Program points only after the Licensee completes his or her suspension. If the Licensee's driver's license was issued by a state other than New York, the Licensee must submit a recent driving abstract from the state of licensure.
  - (ii) The Driver must furnish the Commission with proof of when the course was taken and that the course was satisfactorily completed before the Commission will reduce the Driver's point total.
  - (iii) If the Commission has already suspended or revoked the Driver's License, the point reduction will not change the Commission's decision.
  - [If the Driver completed the course on or after September 1, 1999, the] <u>The</u> Commission will not (iv) reduce total points more than once in any 18-month period.
- Authorized Drivers of Street Hail Liveries Licensed under (8)other Chapters of these Rules. Any points accumulated under this Chapter by a For-Hire Driver or a Paratransit Driver while operating a Street Hail Livery will count towards and be applied to the Driver's For-Hire Driver's License or Paratransit Driver's License as specified in
  - (i) Section 55-27(a) of these Rules if the Driver is a For-Hire Driver and
  - Section 56-13(b) of these Rules if the Driver is a (ii) Paratransit Driver, and the Driver may incur the penalties specified as a result.
- (b)Program for Persistent Violators of Taxicab Drivers' Rules ("Points" in this Section refers to points assessed by the Commission; these points are included in the penalties for specific violations of rules in this Section ).
  - (1)Required Remedial Course Attendance for Persistent Violators
    - Any Driver who has been found guilty of three or more (i) violations within a 15-month period and whose license has not been revoked must attend a remedial or refresher course. The Commission will also add one point to that Taxicab Driver's License.
    - (ii) Any Driver who does not [complete] provide proof of

- (2) Suspension and Revocation Points and Time Periods.
  - Any Driver who has accumulated six or more Commission-issued points <u>but fewer than ten points</u> against his or her Taxicab Driver's License within a 15-month period and whose License has not been revoked will have his or her License suspended for <u>up</u> to 30 days.
  - (ii) The Commission will revoke the License of any Driver who has accumulated ten or more points against his or her Taxicab Driver's License within a 15-month period.
  - (iii) Any Driver whose License has not been revoked and who has within a 15-month period accumulated against his or her Taxicab Driver's License a combination of designated Persistent Violator points and Critical Driver points totaling six to nine points, counting from the date of conviction, will have his or her Taxicab Driver's License suspended for up to 30 days. For purposes of this subparagraph and subparagraph (iv) of this paragraph, "designated Persistent Violator points" shall be points assessed against the Driver's Taxicab Driver's License for violations that threaten the safety of passengers or any other persons, and shall be all violations listed in Sections 54-13 and 54-14 of these rules.
  - (iv) The Commission will revoke the Taxicab Driver's License of any Driver who has within a 15-month period accumulated against his or her Taxicab Driver's License a combination of designated Persistent Violator points and Critical Driver points totaling ten or more points, counting from the date of conviction.
- (3) *Multiple Violations from a Single Incident.* For a Driver who has been found guilty of multiple violations arising from a single incident, the Commission will consider the Driver guilty of the single violation with the highest point total for purposes of this section.
- (4) More Severe Penalties at Discretion of Commission. The Commission can impose more severe or additional penalties to any penalties stated in this section.
- (5) Hearing Process and Imposition of Penalties.
  - The Commission will impose penalties described in this section following the hearing at which the Driver is found to have violated the rule(s) triggering these penalties.
  - (ii) Persistent violator penalties will be in addition to those penalties specifically listed in the Rules.
- (6) Point Reduction for Voluntary Course Completion.
  - Before suspending or revoking a Driver's License, the Commission will deduct [two] <u>three</u> points from the total points of any Licensee who voluntarily attends and satisfactorily completes a remedial or refresher course approved by the Commission.
  - (ii) The Driver must furnish the Commission with proof of when the course was taken and that the course was satisfactorily completed before the Commission will reduce the Driver's point total.
  - (iii) If the Commission has already suspended or revoked the Driver's License, the point reduction will not change the Commission's decision.
  - (iv) [If the Driver completed the course on or after September 1, 1999, the] <u>The</u> Commission will not reduce total points more than once in any five year period.
  - (v) If no remedial or refresher course approved by the Commission is available when the Driver seeks to enroll, the Driver may take a motor vehicle accident prevention course approved by the NYS DMV or equivalent licensing agency of the state which issued such license. After the driver completes the course, as reflected on the Driver's driving record maintained by the DMV or equivalent agency of the state which issued such license, the TLC will deduct three points from either the number of points accrued under the Critical Driver Program, §54-27(a) or the Program for Persistent Violators §54-27(b). The Driver will select the program from which the points will be deducted.

basis for the violation was beyond the control and influence of the Taxicab Driver.

- (8) Authorized Drivers of Street Hail Liveries Licensed under other Chapters of these Rules.
  - Any points accumulated under this Chapter by a For-Hire Driver while operating a Street Hail Livery will count towards and be applied to the Driver's For-Hire Driver's License as provided in Section 55-27(b) of these Rules, and the Driver may incur the penalties specified as a result).
  - (ii) Any points accumulated under this Chapter by a Paratransit Driver while operating a Street Hail Livery will count towards and be applied to the Driver's Paratransit Driver's License as provided in this subdivision as if the Paratransit Driver's License were a Taxicab Driver's License, and the Driver may incur the penalties specified as a result.

Section 19. Section 55-14 of Title 35 of the Rules of the City of New York is amended by adding a new subdivision (h), to read as follows:

- (h) Serious Crashes. A Serious Crash is one in which any person has suffered Critical Injury or death. "Critical Injury," for purposes of this section, means any injury determined to be critical by the emergency medical service personnel responding to such crash.
  - (i) If a Driver has been issued a summons for or charged with one or more traffic related violations or crimes in a Serious Crash, the Driver's License may be Summarily Suspended, upon a finding that the Driver's conduct was a substantial cause of the Serious Crash. Upon conviction of the Driver of one or more of the violations or crimes stated in the summons or charges and upon a determination that one or more of the violations or crimes for which conviction occurred was a cause of Critical Injury or death, the License will be revoked. A Summary Suspension pursuant to this section may be lifted pursuant to this Title or upon dismissal of all such charges or upon a finding of not

guilty of all of the stated traffic related violations and crimes, except that the Chairperson may continue to suspend the license pursuant to an investigation into the Driver's fitness and such License may be revoked if the Driver is found not Fit to Hold a License (see subdivision (ii)). This section does not limit in any way the Chairperson's authority to Summarily Suspend a Driver for other reasons.

(ii) After any Serious Crash of which the TLC is notified involving a Driver operating a Licensed Vehicle, the TLC will review whether the Driver is Fit to Hold a License under Section 55-08(b) of this Chapter. The TLC can seek Suspension or Revocation of the Driver's License and can Summarily Suspend the Driver's License while any fitness review or enforcement action is pending, in accordance with Section 68-15 of this Title.

Section 20. Subdivision (b) of section 55-19 of Title 35 of the Rules of the City of New York is amended to read as follows:

#### §55-19 Operations - Passenger and Solicitation and Engagement

(a) *Taxi Stands*. A For-Hire Driver must not pick up a Passenger at an authorized taxi stand.

\$55-19(b) Fine: First Violation: \$350 Second Violation in 24 months: \$500 Third Violation in 36 months: Revocation [Points: 2]	§55-19(b)	months: \$500 Third Violation in 36 months: Revocation	Appearance REQUIRED

Section 21. The penalty provision of subdivision (a) of section 55-23 of Title 35 of the Rules of the City of New York is amended to read as follows:

\$55-23(a) (1)-(3)	Fine: \$100 if plead guilty before a hearing; \$150 if found guilty following a hearing. [Points: 2]	Appearance NOT REQUIRED
-----------------------	--	----------------------------

Section 22. Section 55-27 of Title 35 of the Rules of the City of New York is amended to read as follows:

### §55-27 Special Driver Penalty Programs

- (a) Critical Driver's Program ("Points" in this Section refers to points assessed by the Department of Motor Vehicles). In addition to any other action the Commission might take, the following penalties will be enforced as part of the Commission's Critical Driver's Program:
  - (1) *License Suspension.* If, within a 15-month period, a Driver accumulates six or more points <u>but fewer than ten points</u> on his or her driver's license (whether issued by New York or another state), the Commission will suspend the Driver's For-Hire Driver's License for 30 days.
  - (2) License Revocation. If, within a 15-month period, a Driver accumulates 10 or more points on his or her driver's license (whether issued by New York or another state), the Commission will revoke the Driver's For-Hire Driver's License.
  - (3) Review of Driver Fitness. The Commission can at any time review the fitness of a Driver to continue to be Licensed following any moving violation, accident, or other driving related incident and can seek to impose other, additional, and/or more severe penalties or take any other action permitted under these Rules.
  - (4) 15-Month Period. When determining whether a suspension or revocation is required based on the accumulation of points in a 15-month period, the Commission will calculate the 15-month period by counting backwards 15 months from the date of the most recent <u>conviction for the</u> violation carrying points that is cited in the summons issued under this section.
  - (5) Date of Point Accumulation. For the purpose of this rule, points assigned by the Department of Motor Vehicles for any violation will be counted as of the date [the violation occurred] of conviction.
  - (6) Multiple Points from a Single Incident. For a Driver who has been found guilty of multiple violations arising from a single incident, the Commission will consider the Driver guilty of the single violation with the highest point total for purposes of this section.
  - (7) Point Reduction for Voluntary Course Completion.

- Before suspending or revoking a Driver's License, the Commission will deduct [two] <u>three</u> points from the (i) total points of any Licensee who voluntarily attends and satisfactorily completes a motor Vehicle accident prevention course approved by the NYS DMV or equivalent licensing agency of the state which issued such license that appears on the Licensee's [DMV] driving record maintained by the DMV or equivalent licensing agency of the state which issued such license. Such point reduction will count only towards points accumulated by the Licensee as a result of the conviction for violations that occurred within 15 months prior to the date of the completion of the course; counting from date of conviction. [In order for the motor vehicle accident prevention course to reduce the Licensee's Critical Driver's Program points and avoid suspension or revocation of the Driver's For-Hire Vehicle Driver's License, the course must be satisfactorily completed prior to the issuance of a critical driver program summons.] Completion of the motor vehicle accident prevention course after the issuance of a critical driver program summons will reduce the Licensee's Critical Driver's Program points only after the Licensee completes his or her suspension. If the Licensee's driver's license was issued by a state other than New York, the Licensee must submit a recent driving abstract from the state of licensure.
- (ii) The Driver must furnish the Commission with proof of when the course was taken and that the course was satisfactorily completed before the Commission will reduce the Driver's point total.
- (iii) If the Commission has already suspended or revoked the Driver's License before the Driver completes the course, the point reduction will not change the Commission's decision.
- (iv) [If the Driver completed the course on or after September 1, 1999, the] <u>The</u> Commission will not reduce total points more than once in any 18-month period.
- (b) Program for Persistent Violators of For-Hire Drivers' Rules ("Points" in this Section refers to points assessed by the Commission).
  - (1) **Reserved** Required Remedial Course Attendance for Persistent Violators.
  - (2) Suspension and Revocation Points and Time Periods.
    - (i) The Commission will add one point to the For-Hire Driver's License of any Driver who has been found guilty of three or more violations within a 15-month period.
    - (ii) Any Driver who has accumulated six or more Commission-issued points <u>but fewer than ten points in</u> <u>total</u> against his or her For-Hire Driver's License within a 15-month period and whose License has not been revoked will have his or her License suspended for 30 days.
    - (iii) The Commission will revoke the License of any Driver who has accumulated ten or more points against his or her For-Hire Driver's License within a 15-month period.
    - (iv) Any Driver whose License has not been revoked and who has within a 15-month period accumulated against his or her For-Hire Vehicle Driver's License a combination of designated Persistent Violator points and Critical Driver points totaling six to nine points, counting from the date of conviction, will have his or her License suspended for up to 30 days. For purposes of this subparagraph and of subparagraph (v) of this paragraph, "designated Persistent Violator points" shall be points assessed against the Driver's License for violations that threaten the safety of passengers or any other persons, and shall be all violations listed in sections 55-13 and 55-14 of these rules.
    - (v) The Commission will revoke the License of any Driver who has within a 15-month period accumulated against his or her For-Hire Vehicle Driver's License a combination of designated Persistent Violator points and Critical Driver points totaling ten or more points, counting from the date of conviction.
  - (3) Multiple Violations from a Single Incident. For a Driver who has been found guilty of multiple violations arising from a single incident, the Commission will consider the Driver guilty of the single violation with the highest point total for

purposes of this section.

- (4) More Severe Penalties at Discretion of Commission. The Commission can impose more severe or additional penalties to any penalties stated in this section.
- (5) Hearing Process and Imposition of Penalties.
  - (i) The Commission will impose penalties described in this section following the hearing at which the Driver is found in violation of rules that bring his accumulated point total to the level that triggers these penalties.
  - (ii) Persistent violator penalties will be in addition to those penalties specifically listed in the Rules.
- (6) Point Reduction for Voluntary Course Completion.
  - (i) Before suspending or revoking a Driver's License, the Commission will deduct [two] <u>three</u> points from the total points of any Licensee who voluntarily attends and satisfactorily completes a remedial or refresher course approved by the Commission.
  - (ii) The Driver must furnish the Commission with proof <u>issued by the course provider</u> of when the course was taken and that the course was satisfactorily completed before the Commission will reduce the Driver's point total.
  - (iii) If the Commission has already suspended or revoked the Driver's License before the Driver completes the course, the point reduction will not change the Commission's decision.
  - (iv) [If the Driver completed the course on or after September 1, 1999, the] <u>The</u> Commission will not reduce total points more than once in any 18-month period.
  - (v) If no remedial or refresher course approved by the Commission is available when the Driver seeks to enroll, the Driver may take a motor vehicle accident prevention course approved by the NYS DMV or equivalent licensing agency of the state which issued such license. After the driver completes the course, as reflected on the Driver's driving record maintained by the DMV or equivalent licensing agency of the state which issued such license, the TLC will deduct three points from either the number of points accrued under the Critical Driver's Program, \$55-27(a) or the Program for Persistent Violators \$55-27(b). The Driver will select the program from which the points will be deducted.
- (7) It will be an affirmative defense that the act that formed the basis for the violation was beyond the control and influence of the Driver.

Section 23. Subdivision (b) of section 56-13 of Title 35 of the Rules of the City of New York is amended to read as follows:

#### §56-13 Comply with laws - Miscellaneous

- (b) Critical Driver's Program. ("Points" in this Section refers to points assessed by the Department of Motor Vehicles). In addition to any other action the Commission might take, the following penalties will be enforced as part of the Commission's Critical Driver's Program:
  - (1) License Suspension. If, within a 15-month period, a Driver accumulates six or more points <u>but fewer than ten points</u> on his or her driver's license (whether issued by New York or another state), the Commission will suspend the Driver's Paratransit Driver's License for 30 days.
  - (2) License Revocation. If, within a 15-month period, a Driver accumulates 10 or more points on his or her driver's license (whether issued by New York or another state), the Commission will revoke the Driver's Paratransit Driver's License.
  - (3) Review of Driver Fitness. The Commission can at any time review the fitness of a Driver to continue to be licensed following any moving violation, accident, or other drivingrelated incident and can seek to impose other, additional, and/or more severe penalties or take any other action permitted under these Rules.
  - (4) 15-Month Period.   - (5) Date of Point Accumulation. For the purpose of this rule, points assigned by the Department of Motor Vehicles for

any violation will be counted as of the date [the violation occurred] <u>of conviction</u>.

- (6) Multiple Points from a Single Incident. A Driver can be fined points against his or her license for multiple violations arising from a single incident. For the purpose of calculating points that might lead to a License suspension or revocation, if a Driver has accumulated points for multiple violations arising from a single incident, the Commission will count the single violation with the highest point total..
- (7) Point Reduction for Voluntary Course Completion.
  - Before suspending or revoking a Driver's License, the Commission will deduct [two] <u>three</u> points from the (i) total points of any Licensee who voluntarily attends and satisfactorily completes a motor vehicle accident prevention course approved by the NYS DMV or equivalent licensing agency of the state which issued such license that appears on the Licensee's [DMV] driving record maintained by the DMV or equivalent licensing agency of the state which issued such license. Such point reduction will count only towards points accumulated by the Licensee as a result of the conviction for violations that occurred within 15 months prior to the date of the completion of the course; <u>counting from date of conviction</u>. [In order for the motor vehicle accident prevention course to reduce the Licensee's Critical Driver's Program points and avoid suspension or revocation of the Driver's Paratransit Driver's License, the course must be satisfactorily completed prior to the issuance of a critical driver program summons.] Completion of the motor vehicle accident prevention course after the issuance of a critical driver program summons will reduce the Licensee's Critical Driver's Program points only after the Licensee completes his or her suspension. If the Licensee's driver's license was issued by a state other than New York, the Licensee must submit a recent driving abstract from the state of licensure.
  - (ii) The Driver must furnish the Commission with proof that the course was satisfactorily completed before the Commission will reduce the Driver's point total.
  - (iii) If the Commission has already suspended or revoked the Driver's License, the point reduction will not change the Commission's decision.
  - (iv) [If the Driver completed the course on or after September 1, 1999, the] <u>The</u> Commission will not reduce the total points of any Driver more than once in any 18-month period.

Section 24. Section 56-14 of Title 35 of the Rules of the City of New York is amended by adding a new subdivision (j), to read as follows:

- (j) Serious Crashes. A serious crash is one in which any person has suffered Critical Injury or death. "Critical Injury," for purposes of this section, means any injury determined to be critical by the emergency medical service personnel responding to such crash.
  - If a Driver has been issued a summons for or charged (i) with one or more traffic related violations or crimes in a Serious Crash, the Driver's License may be Summarily Suspended, upon a finding that the Driver's conduct was a substantial cause of the Serious Crash. A Summary Suspension pursuant to this section may be lifted pursuant to this Title or upon dismissal of all such charges or upon a finding of not guilty of all of the stated traffic related violations and crimes, except that the Chairperson may continue to suspend the license pursuant to an investigation into the Driver's fitness, and such license may be revoked if the Driver is found not Fit to Hold a License (see subdivision (ii)). This section does not limit in any way the Chairperson's authority to Summarily Suspend a Driver for other reasons.
  - (ii) After any Serious Crash of which the TLC is notified involving a Driver operating a Licensed Vehicle, the TLC will review whether the Driver is Fit to Hold a License under Section 56-08(b) of this Chapter. The TLC can seek Suspension or Revocation of the Driver's License and can Summarily Suspend the Driver's License while any fitness review or enforcement action is pending, in accordance with Section 68-15 of this Title.

Section 25. Subdivision (a) of section 57-13 of Title 35 of the Rules of the City of New York is amended to read as follows:

#### §57-13 Comply with Laws - Traffic Laws & Miscellaneous

- (a) Critical Driver's Program ("Points" in this Section refers to points assessed by the Department of Motor Vehicles). In addition to any other action the Commission might take, the following penalties will be enforced as part of the Commission's Critical Driver's Program:
  - (1) License Suspension. If, within a 15-month period, a Driver accumulates six or more points <u>but fewer than ten points</u> on his or her driver's license (whether issued by New York or another state), the Commission will suspend the Driver's Commuter Van Driver's License for 30 days.
  - (2) License Revocation. If, within a 15-month period, a Driver accumulates 10 or more points on his or her driver's license (whether issued by New York or another state), the Commission will revoke the Driver's Commuter Van Driver's License.
  - (3) Review of Driver Fitness. The Commission can at any time review the fitness of a Driver to continue to be licensed following any moving violation, accident, or other drivingrelated incident and can seek to impose other, additional, and/or more severe penalties or take any other action permitted under these Rules.

    - (ii) The Driver must furnish the Commission with proof that the course was satisfactorily completed before the Commission will reduce the Driver's point total;
    - (iii) If the Commission has already suspended or revoked the Driver's License, the point reduction will not change the Commission's decision.
    - (iv) [If the Driver completed the course on or after September 1, 1999, the] <u>The</u> Commission will not reduce the total points of any Driver more than once in any 18-month period.

Section 25. Section 57-14 of Title 35 of the Rules of the City of New York is amended by adding a new subdivision (d), to read as follows:

- (d) Serious Crashes. A serious crash is one in which any person has suffered Critical Injury or death. "Critical Injury," for purposes of this section, means any injury determined to be critical by the emergency medical service personnel responding to such crash.
  - If a Driver has been issued a summons for or charged with one or more traffic related violations or crimes in <u>a serious crash, the Driver's License may be Summarily</u> Suspended, upon a finding that the Driver's conduct was a substantial cause of the Serious Crash. Upon conviction of the Driver of one or more of the violations or crimes stated in the summons or charges and upon a determination that one or more of the violations or crimes for which conviction occurred was a cause of Critical Injury or death, the License will be revoked. A Summary Suspension pursuant to this section may be lifted pursuant to this Title or upon dismissal of all such charges or upon a finding of not guilty of all of the stated traffic related violations and crimes, except that the Chairperson may continue to suspend the license pursuant to an investigation into the Driver's fitness, and such license may be revoked if the Driver is found not Fit to Hold a License (see subdivision (ii)). This section does not limit in any way the Chairperson's authority to Summarily Suspend a Driver for other reasons.
  - (ii) After any Serious Crash of which the TLC is notified involving a Driver operating a Licensed Vehicle, the TLC will review whether the Driver is Fit to Hold a License under Section 57-08(b) of this Chapter. The TLC can seek Suspension or Revocation of the Driver's License and can Summarily Suspend the Driver's License while any fitness review or enforcement action is pending, in accordance with Section 68-15 of this Title.

### Name, Description and Location of Proposal:

#### 180 Orchard Street

The applicant, 180 Orchard Retail LLC, is seeking a special permit pursuant to Sections §13-45 and §13-451 of the New York City Zoning Resolution (ZR). The proposed action would facilitate a proposal by the applicant to develop a 99-space, 22,995 gsf public parking garage within the ground floor, cellar and sub cellar levels of a new as-ofright, 154,153 square feet mixed-use building containing 295 hotel rooms, retail and community facility uses. The project site (Block 412, Lot 1001, 1002 and 1003) is located between Orchard and Ludlow Streets, in the Lower East Side Historic District (S/NR), in Manhattan, Community District 3.

At present the building at the project site is under construction on an as-of-right basis. The depth and configuration of the building foundations, columns and other load-bearing elements have been constructed, as have the full 24 stories. The 22,995 gsf ground floor and below-grade levels, intended for the proposed garage, have been constructed and remain vacant. A proposed new curb cut on Ludlow Street is expected to provide ingress and egress to the ground floor of the proposed garage. The proposed special permit would allow the ground floor and below-grade levels of the proposed development to include a total of 99 parking spaces, including 53 spaces facilitated by the proposed action and 46 parking spaces permitted on an as-of-right basis. The 99 total parking spaces are expected to consist of 74 nonelevated spaces and 25 additional spaces in the form double-height stackers.

Absent the proposed action, the applicant has stated that the construction of the 24-story mixed use building will be completed with a 46-space parking garage occupying the ground floor, cellar and subcellar levels. The 46 total parking spaces are expected to consist of 28 non-elevated spaces and 18 spaces in the form double-height stackers.

#### The proposed project is expected to be completed by 2015.

#### **Statement of No Significant Effect:**

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated October 16, 2014 prepared in connection with the ULURP Application (No. 130321ZSM). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

### **Supporting Statement:**

The above determination is based on an environmental assessment which finds that:

- 1. In 2010, a special permit pursuant to Z.R. Sections 13-562 and 74-52 was sought in connection with an earlier proposal for the project site (ULURP #100371ZSM) to facilitate the development of an attended, 118-space public parking garage within a partially constructed building. The application was subsequesntly withdrawn in 2013.
- 2. No other significant effects on the environment which would require an Environmental Impact Statement are foreseeable.

This Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

### HUMAN RESOURCES ADMINISTRATION

#### ■ NOTICE

The New York City Human Resources Administration (HRA) intends to issue a Request for Proposals (RFP) for Housing and Homelessness Prevention.

In advance of the release of the RFP, HRA is issuing a concept paper which outlines the program model of the Homelessness Prevention Law Project (HPLP) program (RFP). The HPLP program has existed for over a decade, but as of fiscal Year 2015, the City of New York (City) moved the HPLP program from the Department of Homeless Services (DHS) to the Human Resources Administration (HRA). The HPLP program provides an array of legal services that help ensure that low-income families facing eviction or other potential loss of housing remain housed and avoid becoming homeless and entering shelters. HRA's Office of Housing and Homelessness Prevention is seeking qualified service providers to provide HPLP services in all five boroughs.

### MISCELLANEOUS/AMENDMENTS

August 12, 2014 ISSUED TO:

Timothy Joseph NYC Dept. of Housing Preservation and Development 100 Gold Street New York, NY 10038

Re: MISCELLANEOUS/AMENDMENTS LPC - 160987 MISC 16-1293 365 JAY STREET <u>Brooklyn Fire Headquarters</u> INDIVIDUAL LANDMARK Borough of Brooklyn

Pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City, the Landmarks Preservation Commission issued Binding Staff Report 09-7701 on February 26, 2009, approving a proposal for restorative work all elevations, roof replacement, window replacement, and interior alterations, all at the subject premises.

Block/Lot: 147 / 2

Subsequently, on August 5, 2014, the staff received a request to amend the scope of work approved under the original permit.

The proposed amendment consists of the removal of the asphalt shingles at the roofs of the three (3) conical turrets, and the installation of red Spanish clay tiles arranged radially, and featuring a ball finial cap; as shown in a written statement dated July 31, 2014, prepared by Christopher Rome, and drawing A-312.00 dated February 4, 2010, prepared by Thomas Andrew Fenniman, R.A.

Accordingly, the staff reviewed this proposal, and finds that the replacement roof tiles will match the historic tiles in terms of color, texture, profile, dimension and details; and that the proposed work is in keeping with the intent of the original approval. Based on these findings, the Commission determines the work to be appropriate to this Individual Landmark. The work, therefore, is approved, and Binding Staff Report 09-7701 is hereby amended to incorporate the above referenced change.

This amendment is being issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original building fabric is discovered. The Commission reserves the right to revoke this permit, upon written notice to the applicant, if the actual building conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of the approval. The approved work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. The applicant is hereby put on notice that performing any work not explicitly authorized by this permit may make the applicant liable for criminal and/or civil penalties, including imprisonment and fines. This letter constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Carly Bond.

LPC - 161301 MISC 16-1914 MACOMBS DAM BRIDGE <u>Macombs Dam Bridge & 155th Street Viaduct</u> INDIVIDUAL LANDMARK Borough of Manhattan Block/Lot: 7777 / 777

Pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City, the Landmarks Preservation Commission issued Binding Staff Report 11-3725 on October 26, 2010, approving a proposal for a seismic retrofit of the Macombs Dam Bridge and rehabilitation of the 155th Street Viaduct.

Subsequently, on August 18, 2014, the staff received a request to amend the scope of work approved under the original permit.

The proposed amendment consists of the final construction drawings for the previously approved proposal; as shown in drawings 1 through 118 dated July 2014, prepared by the Division of Bridges, New York City Department of Transportation.

Accordingly, the staff reviewed the drawings and finds that the proposal previously approved by the Commission has been maintained. Based on these findings, the Commission determines the work to be appropriate to this Individual Landmark. The work, therefore, is approved, and Binding Staff Report 11-3725 is hereby amended to incorporate the above referenced change.

This amendment is being issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original building fabric is discovered. The Commission reserves the right to revoke this permit, upon written notice to the applicant, if the actual building conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of the approval. The approved work is limited to what is contained in the perforated documents. ### ADVISORY REPORTS

ISSUE DATE:	DOCKET	ſ #:	SRA #:
08/19/14	145942	2	SRA 16-1594
ADDRES 298 SATTERLEE		BOROUGH:	BLOCK/LOT:
<u>Conference I</u> INDIVIDUAL LA		STATEN ISLAND	7857 / 1

To the Mayor, the Council, and the Commissioner, Department of Parks and Recreation

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for work associated with the reconstruction of a pavilion that is located off of the individually designated Conference House site, but includes the installation of seating walls, asphalt paving, and subsurface work, a portion of which is located on the landmark site; and test borings; as shown in a written statement dated August 13, 2014, prepared by Thomas Devaney, site plans, existing condition photographs, and drawings 7.02 and L-204.00 dated June 10, 2014, prepared by New York City Department of Parks and Recreation.

In reviewing this proposal, the Commission notes that the designation report describes the Conference House as a fieldstone house built in 1680-1688, with a later frame addition. The Commission further notes that the landmark site consists of Block 7960, Lot 90.

With regard to this proposal, the Commission finds that the proposed landscaping and test borings will have no effect on significant protected features of the landmark building; and that the proposed work will enhance the surrounding landscape. Based on these findings, the Commission determines the work to be appropriate to the landmark site.

The Commission notes that while the majority of the proposed work, including the construction of a new pavilion, is not on the landmarked site Block 7857 Lot 90, work including the installation of seating walls and a portion of the new pathway are within the landmarked lot. However, all of the work is within archaeologically sensitive areas. Therefore, the Commission recommends that the excavation work needed for the new drainage structures, pipes, water service, light poles and the seating walls be archaeologically monitored and that the scope for this work and the final report detailing the findings be submitted to the LPC for review and approval. In addition, should any human remains be found the project should be redesigned to leave them protected in place.

In issuing this report, the Commission stipulates that should artifacts, human remains, or other cultural material be encountered during the course of work, work should stop immediately pending Commission notification and review. If artifacts or other cultural material are encountered, contact Amanda Sutphin at (212) 669-7823.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. To the Mayor, the Council, and the Chief Project Officer, School Construction Authority

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the construction of a rooftop addition and mechanical room at the roof of the two-story portion of the building; and interior alterations at the cellar through third floors, including changes to partition walls, and fire protection, structural, mechanical and plumbing systems; as shown in drawings T-001.00 through T-003.00, FPP101.00 through FPP104.00, PA100.00 through PA103.00, A010.00 through A030.00, A041.00, A100.00 through A104.00, A201.00, A202.00, A301.00, A302.00, A401.00 through A404.00, A410.00, A411.00, A415.00, A441.00, A501.00 through A505.00, A601.00, A602.00, A701.00, A02.00, A710.00 through A714.00, A720.00, A730.00, A731.00, A732.00, A801.00 through A803.00, A810.00, A901.00, A910.00, A911.00, A930.00 through A933.00, A940.00 through A946.00, FF101.00, FF102.00, FF104.00 through FF120.00 dated September 19, 2013, prepared by Francis X. Tedesco, R.A., drawings S001.00, S101.00 through S104.00, and S401.00 dated September 19, 2013, prepared by Richard Dennis Roberts, P.E., and drawings M001.00 through M003.00, M101.00 through M104.00, M201.00, M202.00, M301.00 through M303.00, M401.00 through F103.00, F201.00, F301.00, P001.00, F101.00 F101.00 through F103.00, F201.00, F301.00, P202.00, P301.00 through P303.00, P401.00 through P403.00 dated September 19, 2013, prepared by Hector R. Mena, P.E.

In reviewing this proposal, the Commission notes that the designation report describes the Brooklyn Bridge as a Gothic inspired suspension bridge designed by John A. Roebling and Washington Roebling, and built in 1867-83. The Commission also notes that a small portion of Block 36 lot 1, on which the two-story portion of the building is located, is noted as part of the landmark site in the designation report; the roadway passes over this portion of the lot and building.

With regard to this proposal, the Commission finds that the existing modern building is not significant to the history of the Brooklyn Bridge, and is not a contributing feature to the Individual Landmark. Based on these findings, the Commission determines the proposed work will have no effect on this Individual Landmark. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ADDRES RIVERSIDE		BOROUGH:	BLOCK/LOT:
<u>Waterfront Esple</u> <u>72nd St to West</u> SCENIC LANI	<u>t 99th St</u>	MANHATTAN	1897 / 19

To the Mayor, the Council, and the Commissioner, New York City Department of Parks & Recreation

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the replacement of missing and damaged portions of the existing waterfront fencing along the western edge of the park, between West 72nd street and West 99th Street, with new units, matching the historic conditions, as well as the repainting all of the metalwork at the waterfront fencing between West 72nd street and West 99th Street black, as described in a written scope of work, dated (received) July 18, 2014, July 31, 2014, and August 11, 2014, and shown in current condition photographs and drawings SK1 through SK4, dated January 1, 2013, prepared by the City of New York Department of Parks and Recreations, all submitted as components of the application.

In reviewing this application, the Commission notes that the Riverside Park and Riverside Drive Scenic Landmark Designation Report describes the park and drive as an English Romantic style park and parkway, built in 1873-1902 and designed by Frederick Law Olmsted, with modifications and additions designed by Clifton Lloyd and Gilmore Clarke and built in 1934-1937. The Commission also notes that the waterfront fencing at this portion of the park consists of teak handrails, steel rails, and cast iron stanchions and bollards, originally installed between West 72nd street and West 99th Street circa 1935-1937; and that the fencing was partially reconstructed in the 1980s.

With regard to this proposal, the Commission finds that the work is restorative in nature and will help return this section of the fencing closer to its historic appearance and condition; that the selective replacement of the damaged units is warranted by their deteriorated condition; that the replacement metal and woodwork will match the existing historic units in terms of placement, materials, dimensions, design, profiles, details, and finishes; that repainting the metalwork throughout the fence will help protect it from disrepair; that the proposed black paint finish will match the existing historic finish; and that the cumulative effect of the work will support the special architectural and historic character of Riverside Park.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ADDRESS 3737 RICHMONE		BOROUGH:	BLOCK/LOT:
<u>Cubberly-Britton</u> INDIVIDUAL LAN	<u>Cottage</u> DMARK	STATEN ISLAND	2359 / 1

To the Mayor, the Council, and the Associate Commissioner, Department of Design and Construction

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for restorative work at the Cubberly-Britton Cottage, including the replacement of wood shingles at the roof as required, and cleaning and refinishing the wood shingles; at the south elevation, masonry cleaning and preparing and repainting the wood clapboard and trim white; the replacement of select clapboards; the removal and reconstruction of the cellar bulkhead, featuring a stone base and wood board and batten construction; the installation of a paneled wood door with period appropriate hardware, and resetting a salvaged bluestone slab stoop at the entrance; the restoration of two (2) twelve-over-eight wood double-hung windows, and the installation of two (2) twelve-light wood single-hung windows, three (3) six-over-six wood double-hung windows, and two (2) pairs of leaded glass wood casement windows with fixed transoms, all painted white; at the west elevation, masonry cleaning, and repointing the brick oven and restoration of the stucco surface; the in-kind replacement of the wood rake boards; the restoration of one (1) existing wood door, and the installation of one (1) paneled wood door with period appropriate hardware with a salvaged bluestone slab stoop; the installation of one (1) nine-light and two (2) four-light wood casement windows, painted white; at the north elevation, the removal of the wood shingles, and the installation of wood clapboard and trim, painted white; masonry cleaning; the installation of a paneled wood Dutch door and period appropriate hardware; the reconstruction of the wood porch deck, steps, posts, railings, and roof; the restoration of one (1) six-over-six wood double-hung window, and one (1) twelve-over-eight wood double-hung window; the installation of one (4) fourlight wood casement window; at the east elevation, masonry cleaning and repointing; preparing the repainting the wood clapboard and trim white; the in-kind replacement of the wood rake boards; the installation of one (1) nine-light wood casement window, painted white; and interior alterations, including excavation and waterproofing of the foundations, structural work, and altering finishes; as shown in existing condition photographs, written statement dated November 15, 2013, prepared by Jeremy Woodoff of the Department of Design and Construction, drawings H-001.00 through H-003.00 dated November 8, 2013, prepared by Weston Solutions, written specifications, historic structure report and drawings T- 100.00, T-101.00, C-100.00, C-101.00, A-100.00 through A-103.00, A-200.00, A-201.00, A- 300.00, A-400.00 through A-402.00, A-500.00, A-501.00, A-600.00 dated May 9, 2014, prepared by John G. Waite, Jr., R.A., and drawing S-100.00 dated May 9, 2014, prepared by Donald Friedman, P.E.

In reviewing this proposal, the Commission notes that the designation report describes 3737 Richmond Road, the Cubberly-Britton Cottage, as a civic and domestic building built c. 1670, with additions built c. 1700 and c. 1750; and that building was moved to Historic Richmond Town in 1967, and was only partially restored. The Commission further notes that fragments of diamond shaped leaded lights were uncovered when the building was moved. The Commission finally notes that the proposed work is a continuation of the reconstruction and restoration of the building begun in the 1960s, and the three sections of the building are proposed to be restored to their probable original designs, resulting in an overall building appearance that never existed historically.

With regard to this proposal, the Commission finds that the proposed work is restorative in nature, and will return each era of the house to their original appearance; that the façades will be cleaned using the gentlest methods possible without damaging the façade materials, and using a water pressure not to exceed 500 psi; that the proposed replacement windows reflect the historic window configuration, material, and operation likely used on the building; that the material, details, and design of the proposed doors are appropriate to the style and era of the building; and that the proposed work is supportive of the significant architectural and historic character of this Individual Landmark. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

ADDRES 250 FIFTH AV	TANTI ITA	BOROUGH:	BLOCK/LOT:
HISTORIC DIS MADISON SQUAR	<u></u>	MANHATTAN	830 / 37

To the Mayor, the Council, and the Department of Consumer Affairs

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission, at the Public Hearing and Public Meeting of August 5, 2014, voted to issue a positive binding report for the installation of a newsstand at the northwest corner of Fifth Avenue and 28th Street, as put forward in your application completed on July 10, 2014.

The proposal, as approved, consists of the installation of the city-wide standard Cemusa newsstand, featuring metal and glass construction, at the northwest corner of Fifth Avenue and 28th Street, adjacent to 250 Fifth Avenue. The proposal was shown on seventeen unlabeled presentation slides dated as received July 2014, prepared by Franklyn Estrella and Landmarks Preservation Commission staff, and submitted as components of the application, and presented at the Public Hearing and Public Meeting.

In reviewing this proposal, the Commission noted that the newsstand is proposed adjacent to 250 Fifth Avenue, a neo-Classical style bank building designed by McKim, Meade & White, and built in 1907-28; and that the building's style, scale, materials, and details are among the features that contribute to the special architectural and historic character of the Madison Square North Historic District. The Commission further noted that Status Update Letter 13-8898 was issued December 12, 2012, approving a proposal for work on 250 Fifth Avenue, including demolition of an existing rooftop addition and construction of a new addition, to install a canopy on the West 28th Street elevation, alter window and door openings, and to construct a 23-story building.

With regard to this proposal, the Commission found that the existing sidewalk expanse is wide, and the proposed newsstand will be situated far from the building facade; that the proposed newsstand will require the removal of concrete sidewalk, which is not a significant feature of the historic district; that the newsstand will be seen in conjunction with the altered commercial ground floor of the building, and therefore will not obscure significant architectural features of the building; and that the proposed newsstand will not detract from the special architectural and historic character of the Madison Square North Historic District. Based on these findings, the Commission determined the proposed work to be appropriate and voted to approve it.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ADDRI VARIOUS S'		BOROUGH:	BLOCK/LOT:
HISTORIC D MULTIPLE D		MANHATTAN	7777 / 777

To the Mayor, the Council, and the Associate Commissioner, Department of Design and Construction

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the installation of a subsurface water main in the vicinity of Washington Square Park, and located within the NoHo and Greenwich Village Historic Districts. The proposed work consists of the select removal and in-kind replacement of sidewalk paving and roadbed materials, including concrete, bluestone, granite and bluestone curbs, granite cobblestone, and asphalt hexagonal pavers; the installation of pedestrian corner ramps in select locations, consisting of tinted concrete and a granite curb; the replacement of fire hydrants (A.P. Smith Type with decorative fender caps); and the removal and replacement of fourteen (14) cobra-head type light poles; as shown in existing condition photographs, written specifications, written statement dated July 3, 2014, prepared by Jeremy Woodoff, and drawings 1 through 24 dated May 27, 2014, prepared by the New York City Department of Design and Construction.

The Commission notes that where present, the bluestone, granite, and other significant paving materials, are among the features that contribute to the special architectural and historic character of the NoHo and Greenwith Village Historic Districts.

With regard to this proposal, the Commission finds that the existing fire hydrants and light poles to be replaced are not significant architectural features of the districts; that the in-kind replacement of the paving materials will maintain a consistent sidewalk and streetscape treatment within the districts; and that the proposed work will help maintain the city's infrastructure and water main system. Based on these findings, the Commission determines the proposed work to be appropriate to the NoHo and Greenwich Village Historic Districts. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. ADDRESS 314 WEST 54TH 5 Former Eleventh District Courth INDIVIDUAL LAN	STREET Judicial louse	<b>BOROUGH:</b> MANHATTAN	BLOCK/LOT: 1044 / 22

To the Mayor, the Council, and the Deputy Commissioner, DCAS This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the temporary installation of three (3) wall-mounted HVAC condensing units at the secondary east elevation, to be removed by October 2015; as described in a letter dated July 15, 2014 and in an email dated August 12, 2014, and as shown in existing condition photographs and sketch drawings, prepared by Carlos F. Harrington, Construction Manager/AECOM, and submitted as components of the application.

In reviewing this application, the Commission notes that the Former Eleventh Judicial District Courthouse designation report describes 314 West 54th Street as a Renaissance Revival style courthouse designed by John H. Duncan and built in 1894-96. The Commission also notes that Commission Binding Report 11-8447 was issued on April 7, 2011 for the installation of HVAC units at the rear and main roofs, and that the installation has not been completed.

With regard to this proposal, the Commission finds, in accordance with the provisions set forth in Title 63 of the Rules of the City of New York, Section 2-18, that the installation will cause no damage to protected architectural features of the property; and that an acceptable plan and time schedule for the dismantling of the installation has been submitted to the Commission as a component of the application, along with specifications for any repair work that might be required after dismantling of the installation. Based on these findings, the work is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. ADDRES 215 WEST 58TH		BOROUGH:	BLOCK/LOT:
<u>Engine Compar</u> INDIVIDUAL LA	i <u>y No. 23</u> NDMARK	MANHATTAN	1030 / 23

To the Mayor, the Council, and the Assistant Commissioner, FDNY

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for exterior work at the subject premises, including installing strap ties at select locations at the west lot-line wall of the 1-story rear extension, consisting of steel straps anchored to plain brick masonry on both sides of existing cracks; as shown in photographs, specifications and drawings S-001.00 and S-002.00, dated 7/21/14, prepared by Lawrence Shapiro, PE, and submitted as components of the application.

In reviewing this proposal, the Commission notes that the Engine Company No. 23 Individual Landmark designation report describes 215 West 58th Street as a Beaux Arts style firehouse designed by Alexander H. Stevens and built in 1905-06. The Commission also notes that the work is being executed as a precautionary measure due to extensive site work and the construction of a new building at the adjacent property at 220 Central Park South.

With regard to this proposal, the Commission finds that the work will help to stabilize a potentially unsound structural condition; that the work will not result in damage to or loss of any significant historic fabric; that the work will not visible from a public thoroughfare; that the work is designed to be in compliance with the Department of Buildings regulations; and that the work will not detract from the special architectural or historic character of the building. Based on these findings, the work is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. HISTORIC DIS SOUTH STREET	<u>sinici</u>	1ATTAN 96 / 5				

To the Mayor, the Council, and the Senior Vice President, New York City Economic Development Corporation

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the removal and resetting of a granite slab at the sidewalk measuring 4' by 8'4" in size, to facilitate water main repair; as shown in drawing A-100.00 dated July 31, 2014, prepared by Matthew J. Diproperzio, R.A.

In reviewing this proposal, the Commission notes that the South Street Seaport Historic District designation report describes 21 Fulton Street as a Greek Revival style store building built in 1845-46; and that the building's style, scale, materials, and details are among the features that contribute to the special architectural and historic character of the South Street Seaport Historic District.

With regard to this proposal, the Commission finds that the existing granite slab is a significant remnant of the original sidewalk paving found in this district; and that the granite slab will be reset when the subsurface utility work is complete, thereby preserving this significant feature. Based on these findings, the Commission determines the work to be appropriate to the building and the South Street Seaport Historic District. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

To the Mayor, the Council, and the Assistant Commission of Facilities, Fire Department

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for emergency restorative work on multiple buildings in the Fort Totten Historic District, including the removal and in-kind replacement of slate or asphalt roof shingles as required; as shown in existing condition photographs and a written statement dated August 1, 2014, prepared by Joseph Mastropietro of the Fire Department.

In reviewing this proposal, the Commission notes that the Fort Totten Historic District designation report describes Building 103 as a Bungalow style guardhouse designed by Office of the Quartermaster General and built in 1892 and altered in 1902; Building 309 as a Utilitarian style bakery building designed by the Office of the Quartermaster General and built in 1897 and altered in 1912; Building 314-315 as a Colonial Revival style twin dwelling designed by the Office of the Quartermaster General and built in 1910 and altered c. 1933; Building 333 as a Utilitarian style mess hall designed by the Office of the Quartermaster General and built in 1897-98 and altered in the 1950s; Buildings 400-401, 402-403, 409, 411, and 420 as Colonial Revival style twin dwellings designed by the Office of the Quartermaster General and built in 1906; Building 405 as a Colonial Revival style barracks building designed by the Office of the Quartermaster General and built in 1906; Building 405 as a Colonial Revival style barracks building designed by the Office of the Ruartermaster General and built in 1900; and that the buildings' style, scale, materials and details are among the features that contribute to the special architectural and historic character of the Fort Totten Historic District. The Commission further notes that the work has been completed in response to damage to the buildings from Hurricane Sandy.

With regard to this proposal, the Commission finds that the proposed work eliminated unstable conditions, and will protect the buildings' facades and underlying structures from damage due to water inflitration; that the replacement shingles match the existing shingles in terms of color, material, dimension, and placement; and that the proposed work is supportive on the long terms preservation of these buildings. Based on these findings, the Commission determines the proposed work to be appropriate to the buildings and the Fort Totten Historic District. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

ADDRES 131 KANE ST		BOROUGH:	BLOCK/LOT:
HISTORIC DI COBBLE H		BROOKLYN	310 / 44

To the Mayor, the Council, and the Commissioner of NYC DoITT

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for alterations at the Kane Street sidewalk for the installation of a metal telecommunication pedestal FDH (Fiber Distribution Hub), measuring 40" high by 20" wide by 15" deep with a beige finish; as shown in photomontage, site plan dated December 31, 2013, and two written statements prepared by Alfred Tse and Verizon of New York.

In reviewing this proposal, the Commission notes that the telecommunication pedestal is to be installed at the concrete sidewalk adjacent to 131 Kane Street; and that the Cobble Hill Historic District Designation Report describes 131 Kane Street as a Greek Revival style rowhouse, built in the late 1840s; and that the building's style, scale, materials, and details are among the features that contribute to the special architectural and historic character of the historic district. The Commission also notes that the existing paving at the sidewalk is concrete.

With regard to this proposal, the Commission finds that the telecommunications equipment will be installed at a portion of concrete sidewalk and therefore, will not damage any historic paving material; that the proposed work will be located at a large expanse of concrete sidewalk, at a distance from the rowhouses and areaways, and at the curbside of the sidewalk, and therefore will not obscure or detract from significant features of buildings within the district; that the small scale, neutral finish, and simple design of the proposed pedestal will be in keeping with such aspects of typical utilitarian streetscape features found throughout the historic district; and that the work will not diminish the special architectural and historic character of the streetscape or the historic district. Based on these findings, the Commission determined that the work is appropriate to the building and to the Cobble Hill HistoricDistrict. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for conducting investigatory probes, four at the primary elevation, and one at the south elevation, including the temporary removal of brick, terra cotta elements, and copper cornice cap as required; as shown in written statements dated as received August 13, 2014, prepared by Joseph Mastropietro and Jeremy Brooks of the Fire Department, and drawings EX-200.00 and EX-201.00 and a written statement dated July 30, 2014, prepared by Vincent Benic.

In reviewing this proposal, the Commission notes that the designation report describes 257 Beach 116th Street, the Engine Company 268/ Hook & Ladder Company 137, as a Colonial Revival style firehouse with Arts & Crafts style elements designed by Frank J. Helmle, and built in 1912-13.

With regard to this proposal, the Commission finds that the proposed work is necessary to determine the cause of water infiltration and masonry displacement; that the work is a necessary step in developing a long term restoration plan; and that materials removed to perform the probes will be salvaged or replaced in-kind. Based on these findings, the Commission determines the proposed work to be appropriate to this Individual Landmark. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the removal of a portion of the concrete sidewalk adjacent to the corner of Macon Street and Lewis Avenue; and the installation of an electrical sidewalk vault on Macon Street, featuring a cover with metal grating and untinted concrete, set flush with the adjacent paving; as shown in existing condition photographs and drawing titled 409-411 Macon Street dated July 2, 2014, prepared by Liliana Malkovich Kandic, P.E.

In reviewing this proposal, the Commission notes that the proposed work is located adjacent to 409 Macon Street, described in the Bedford

ORD MONDAY, OCTOBER 27, 2014

Stuyvesant/Expanded Stuyvesant Heights Historic District designation report as a Colonial Revival style apartment building designed by William T. McCarthy, and built c. 1914; and that the building's style, scale, materials and details are among the features that contribute to the Bedford Stuyvesant/Expanded Stuyvesant Heights Historic District.

With regard to this proposal, the Commission finds that the concrete sidewalk paving to be removed is not a significant feature of the historic district; that the metal grating is simple and utilitarian and will not call attention to this installation; that the concrete infill at the vault cover will match the surrounding paving; and that the cumulative effect of the proposed work will not diminish the special architectural and historic character of the Bedford Stuyvesant/ Expanded Stuyvesant Heights Historic District. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the temporary installation of signage at the base of the building, to be removed by August 30, 2014; as shown photographs and an email, dated August 11, 2014, prepared by Joseph Wagner, Chief Engineer, DCAS.

In reviewing this proposal, the Commission notes that the designation report describes 1 Centre Street, the Municipal Building, as a Beaux-Arts style skyscraper office building designed by William M. Kendall of McKim, Mead and White, and built from 1909-1914. The Commission also notes that the signage has already been installed using cables and two-sided tape.

With regard to this proposal, the Commission finds in accordance with the Rules of the City of New York, Title 63, Section 2-18, that the "temporary installation" is defined as an installation for 60 days or less; that the installation will cause no damage to significant protected architectural features of the property; and that an acceptable plan and time schedule for the dismantling of the property has been submitted to the Commission as a component of the application.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. The Landmarks Preservation Commission has reviewed a proposal for rehabilitation of mechanical elements; as shown and described in a letter, dated August 1, 2014, prepared by David P. Galst and annotated photographs and drawings submitted by New York Carousel as components of the application.

With regard to this proposal, the Commission finds that the proposed work will have no effect on any significant architectural or decorative feature of this Individual Landmark and that the work will keep the carousel in good working order. To the Mayor, the Council, and the Deputy Commissioner for Capital Projects, DPR

This report is issued pursuant to Sections 3020 and 854 (h) of the New York City Charter and Section 25-318 of the Administrative Code of the City of New York, which require a report from the Landmarks Preservation Commission for certain plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for the temporary installation of tents, an ice rink, and portable structures in Bryant Park to be installed beginning September 29, 2014 and removed by March 31, 2015; as described in a letter dated August 27, 2014, prepared by Alan R. Garry; and shown in a drawing labeled L-001.00, dated issued July 21, 2014, prepared by Alan R. Garry,R.A., all submitted as components of the application.

In reviewing this proposal, the Commission noted that the designation report describes Bryant Park as a formal French-style garden designed in 1933 by Lusby Simpson and reconstructed and partially redesigned by Hanna/Olin in 1988-91.

With regard to this proposal, the Commission finds, in accordance with the Rules of the City of New York, Title 63, Section 2-18, that the tents, ice rink, and portable structures will be installed for less than one year; that the temporary installations will not cause damage to significant protected architectural features of the property; that the tents, ice rink, and portable structures will not penetrate the ground surface; and that an acceptable plan and time schedule for the dismantling of the tents, ice rink, and portable structures when the temporary installation permit expires has been submitted to the Commission as a component of the application. Based on these findings, the Commission determined that the work is appropriate to this Scenic Landmark. The work, therefore, is approved.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.

All approved drawings are marked approved by the Commission with a perforated seal indicating the date of approval. The work is limited to what is contained in the perforated documents. Other work or amendments to this filing must be reviewed and approved separately. This report constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Jared Knowles.
