LODI APPLICATION DEVELOPERS – Negotiated Acquisition – PIN# 09131000042215 – DUE 11-06-08 AT 5:00 P.M. – The Office of Payroll Administration (OPA) intends to enter into negotiations with Spherion Atlantic Enterprises, Inc. and MODIS, Inc. to continue to obtain services of Syed Raza, Venu Talluri, Kevin Yang and Girish Ukarande. The Consultants will continue to provide consulting, programming and training to support the Line of Duty Injury (LoDI) FICA Refund Claim. The contract will commence on January 1, 2009 and will conclude on June 30, 2009.

As per PPB Rules, Section 3-04(b)(2)(i)(b)(d), OPA intends to use the Negotiated Acquisitions process to insure continuity of this critical service. NOTICE

Notice of Opportunity to Comment on Proposed Amendments to the Rules Regarding Truck Routes.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of the Department of Transportation by subdivision (b) of Section 2903 of the New York City Charter, Title 19 of the Administrative Code, and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department of Transportation proposes to amend subdivision (c) of Section 4-13 of Chapter 4 of Title 34 of the Official Compilation of the Rules of the City of New York, the Traffic Rules. Matter underlined is new; matter in [brackets] is deleted. The proposed amendments to section 4-13 were included in DOT's regulatory agenda.

Written comments regarding the proposed rule may be sent to Tom Cocola, Borough Commissioner, Staten Island, 10 Richmond Terrace, Staten Island, NY 10301 by November 24, 2008. A public hearing shall be held on December 1, 2008 at 40 Worth Street, Room 1015, New York, NY at 10:00 A.M. Persons seeking to testify are requested to notify Borough Commissioner Cocola at the address stated above. Persons who need a sign language interpreter or other accommodation for a disability at the hearing are asked to notify Borough Commissioner Cocola at the foregoing address

by November 24, 2008. Persons interested in receiving comments may request them by writing to: Department of Transportation, Record Access Office, 40 Worth Street, New York, N.Y. 10013. Janette Sadik-Khan, Commissioner. Section one. The Local Truck Route Network for the Borough of Staten Island set forth in paragraph (2) of subdivision (c) of section 4-13 of Title 34 of the Rules of the City of New York is amended by adding an entries for Castleton Avenue and Craig Avenue, amending the entries for Ebbitts Street and New Dorp Lane, and adding an entry for Richmond Valley Road. The amendments read as follows:

LOCAL TRUCK ROUTE NETWORK

Street	Limits
Castleton Avenue	Jewett Avenue to Port Richmond Avenue
Craig Avenue	Hylan Boulevard and Amboy Road
Ebbitts [Street] Avenue	[Hyland] Hylan Boulevard to [Grove Beach Place] Mill Road
New Dorp Lane	[Cedar Grove Avenue] Mill Road to Hylan Boulevard
Richmond Valley Road	Arthur Kill Road to Page Avenue

STATEMENT OF BASIS AND PURPOSE OF PROPOSED RULE

Castleton Avenue from Jewett Avenue to Port Richmond Avenue is being added as a local truck route to improve truck operations by allowing a connection to the Richmond Avenue local truck route. Westbound trucks at Castleton Avenue and Jewett Avenue are only allowed to turn left or right. If they turn right, they arrive at Jewett Avenue and Richmond Terrace which only allows right turns. The trucks are being forced into a circle as a result of the turn restrictions. By adding Castleton Avenue from Jewett Avenue to Port Richmond Avenue as a local truck route, truck operations will be improved in this area, and truck movements will be more efficient.

Main Street is part of the one-way grid pattern project in Tottenville. Main Street is currently a two-way roadway carrying a truck route and a bus route. In order to change the operation of Main Street to a one-way pair, the agency needs to add Craig Avenue between Hylan Boulevard and Amboy Road as a local truck route so that southbound truck traffic will travel on Main Street and northbound truck traffic can travel on Craig Avenue.

Due to land use changes two local truck routes are being eliminated, specifically, New Dorp Lane from Old Mill Road to Cedar Grove Avenue and Ebbitts Avenue from Old Mill Road to Cedar Grove Avenue.

Adding Richmond Valley Road as a local truck route, between Arthur Kill Road and Page Avenue will allow for east-west connection between two north-south local truck routes.

NOTICE

PUBLIC NOTICE OF A CONCESSION OPPORTUNITY FOR THE OPERATION, MANAGEMENT AND MAINTENANCE OF PEDESTRIAN PLAZAS LOCATED ON BROADWAY BETWEEN 41ST AND 36TH STREETS, BOROUGH OF MANHATTAN

Pursuant to the Concession Rules of the City of New York, the Department of Transportation ("DOT") intends to enter into a concession for the operation, management, and maintenance of pedestrian plazas located on Broadway between 41st and 36th Streets, Borough of Manhattan, including through DOT-approved events, sponsorships, and subconcessions, providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that helps brand or promote the neighborhoods or the concessionaire, and other similar merchandise. The concessionaire shall issue solicitations in the basic form of a Request for Proposals to select entities to operate and manage such subconcessions. The selection of the entities to operate and manage the subconcessions will be subject to DOT's approval.

The concession agreement will provide for one (1) five-year term and four (4) one-year renewal options, exercisable at DOT's discretion. Any revenue received by the concessionaire in excess of both the amount attributable to maintenance of the pedestrian plazas and reasonable administrative costs shall be paid to DOT for the City's General Fund.

DOT has identified the Fashion Center Business Improvement District ("Fashion BID") as a potential concessionaire, but DOT will consider additional expressions of interest from other potential concessionaires for the operation, management, and maintenance of pedestrian plazas located on Broadway between 41st and 36th Streets, Borough of Manhattan.

Instructions and information for potential concessionaires concerning how they may express interest in the proposed concession and/or how they may obtain additional information concerning the proposed concession should be directed to Andrew Wiley-Schwartz, Assistant Commissioner for Public Spaces, at (212) 442-7462 or by email at awileyschwartz@dot.nyc.gov. To ensure the consideration by DOT of any expressions of interest resulting from this notification, please contact Mr. Wiley-Schwartz by Friday, October 31, 2008. Mr. Wiley-Schwartz may also be contacted with any questions relating to the proposed concession. Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the concession process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, New York 10007, telephone number (212) 669-2323.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists-free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
