• Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

Notice of Opportunity to Comment on Proposed Rule

What are we proposing? The Office of Administrative Trials and Hearings (OATH) proposes amending the table in subsection (a) of section 7-02 of chapter 7 of title 48 of the Rules of the City of New York, to reflect the new monetary penalties set forth in section 16-118(9) of the Administrative Code of the City of New York for second and third violations of littering, sweep-out, throw-out, and spitting, as amended by Local Law 131 of 2018, and to correct an error in a rule citation.

When and where is the Hearing? OATH will not hold a public hearing on this proposed rule pursuant to New York City Charter section 1043(e)(iii) on the grounds that a public hearing would serve no public purpose. OATH has no discretion over the new monetary penalties set forth in Administrative Code section 16-118(9), which are replicated in this proposed rule.

How do I comment on the proposed rules? Anyone can comment on the proposed rule by:

- Website. You can submit comments to OATH through the NYC rules website at http://rules.cityofnewyork.us/.

Statement of Basis and Purpose of Proposed Rule

The Office of Administrative Trials and Hearings (OATH) proposes amending the table in subsection (a) of Section 7-02 of Chapter 7 of Title 48 of the Rules of the City of New York (RCNY) to reflect the new monetary penalties set forth in Section 16-118(9) of the Administrative Code of the City of New York (Administrative Code) for second and third violations of Administrative Code Section 16-118(1) (littering, sweep-out, throw-out, and spitting), as amended by Local Law 131 of 2018.

Section 7-02(a) includes a table of violations eligible for community service, the monetary civil penalty, and the corresponding community service hour requirement. Effective November 28, 2018, Local Law 131 of 2018 amends Section 16-118(9) to remove the penalty ranges for second and third violations of Section 16-118(1) and sets a fixed penalty of \$300 for a second violation, and \$400 for a third violation of that provision. This proposed amendment reflects the increase in these penalties

The proposed amendments also correct an error in the citation to 56 RCNY Section 1-04(i), related to unleashed/uncontrolled animals in the park.

STATEMENT OF BASIS AND PURPOSE

Reorganization of rules

In the Section 1 of this rulemaking, the Board proposes to move four sections of the Rules of the Board from Chapter 1, entitled "Conflicts of Interest," to a new Chapter 4, entitled "Annual Disclosure". Section 1-08, "Procedures for Obtaining an Extension of Time Within Which to File a Financial Disclosure Report"; Section 1-10, "Retention of Financial Disclosure Reports"; Section 1-14, "City Employees Holding Policymaking Positions for Purposes of the Financial Disclosure Law"; and Section 1-15, "City Employees Whose Duties Involve the Negotiation, Authorization, or Approval of Contracts and of Certain Other Matters". These four sections, promulgated in 1992, 1994, 2003, and 2005 respectively, are an integral part of the administration of the Annual Disclosure Law set forth in Section 12-110 of the New York City Administrative Code and not relevant to determinations made about "conflicts of interest" under Chapter 68 of the City Charter. By creating a new Chapter 4, the Board's rules will be better organized, and each chapter of rules will be more clearly related to the other rules within such chapter. The text of the four relocated Board Rules remain otherwise unchanged.

Proposed definition of "Other Similar Entity" within the definition of "Firm"

The Board proposes a new definition of "other similar entity" within the definition of "firm", to be numbered § 1-08. Several provisions of the City Charter are relevant to the proposed new definition. At the threshold, City Charter § 2601(11) defines "firm" as follows:

'Firm' means sole proprietorship, joint venture, partnership, corporation and any other form of enterprise, but shall not include a public benefit corporation, local development corporation or other similar entity as defined by rule of the board.

Another key term, "interest," is defined by §2601(12) to mean an "ownership interest in a firm or position with a firm."

Moreover, the term "firm" is implicated by various provisions of City Charter §§ 2604(a) ("Prohibited interests") and 2604(b) ("Prohibited conduct"). Charter § 2604(a)(1) proscribes a full-time public servant from having an interest in a firm which such person knows is engaged in business dealings with his or her agency (except as addressed by paragraph (3) of subdivision (a)). Charter § 2604(b)(1) addresses the issue of a public servant taking an action particularly affecting the interest of a firm in which they have an interest; paragraph (b)(3) prohibits a public servant from using or attempting to use his or her position to benefit themself or any person or firm associated with him or her; and paragraph (b)(5) bars a public servant from accepting any valuable gift (as defined by Board Rule § 1-01) from any person or firm which the public servant knows is or intends to become engaged in business dealings with the City.

As noted above, Charter § 2604(a)(1) prohibits a full-time public servant from having an ownership interest or position in a firm that is engaged in business dealings with the City. This means that any full-time public servant who wishes to have a second job with a firm that has business dealings with any City agency must obtain a waiver from the Board to have such an interest. Charter § 2601(11) already exempts public benefit corporations and local development corporations from the definition of "firm" and grants the Board the authority to exempt "similar entities" that it defines by rule.

The Board proposes this new rule to clarify the entities at which public servants may take positions, such as by taking a second job at the entity, serving on its board, or teaching a class as an adjunct teacher, without requiring a waiver of Charter § 2604(a)(1). The Board is proposing this rule because over the years it has advised numerous public servants that their proposed activities would not violate Chapter 68 because their prospective employer or ownership interest does not fall within the ambit of "firm" for the purposes of City Charter § 2601(11). See, e.g., A.O. Nos. 1992-20, 1994-10, 1997-1, 1999-6, 2000-1, and 2005-2. The Board proposes to include "New York State local public authorities," as defined in the New York Public Authorities Law

§ 2(2), as entities exempted from the definition of "firm." The Board also proposes to limit the definition of "local development corporation," as used in Charter § 2601(11), to those local development corporations established by, affiliated with, sponsored by, or created by a unit of New York State government and not to include any private local development corporations. As stated in the rule, the term "other similar entity" includes, but is not limited to, the listed entities; this list is not exclusive.

Public servants who have second jobs with entities that are not "firms" remain subject to other fundamental requirements of Chapter 68, including, but not limited to: their work for the other employing entity must be conducted at times when they are not required to perform services for the City (Charter § 2604(b)(2), Board Rules § 1-13(a)); they may not use Čity equipment, letterhead, personnel, or other City resources in connection with their second jobs at the employing entity (Charter § 2604(b)(2), Board Rules § 1-13(b)); they may not use their official City positions or titles to obtain any private advantage for themselves, the employing entity, or any of such entity's clients (Charter § 2604(b)(3)); they may not disclose or use for private advantage any confidential information concerning the City (Charter $\$ 2604(b)(4)); they may not make any appearances before the City on behalf of the employing entity (Charter § 2604(b)(6)); and lastly, they may not be compensated by the employing entity for performing their official duties (Charter § 2604(b)(13)). Additionally, the Board will make a separate determination whether any given entity is a "local, state or federal agency" pursuant to Charter § 2604(d)(6) and therefore a public servant's employment therein would be exempt from the postemployment restrictions of Chapter 68.

<u>Proposed section regarding business and financial relationships</u> <u>between superior and subordinate public servants</u>

City Charter § 2604(b)(14) provides as follows: "No public servant shall enter into any business or financial relationship with another public servant who is a superior or subordinate of such public servant.' Charter § 2604(b)(14) recognizes the potential for coercion or favoritism that exists when co-workers who occupy different positions in a City government office hierarchy, in which one person has authority over another, enter into business or financial relationships. The Board has repeatedly been asked to provide advice about whether public servants may enter into certain relationships with their co-workers, supervisors, and subordinates. Its numerous advisory opinions on this topic include A.O. Nos. 1992-28 (prohibiting a subordinate from representing a superior as his attorney); 1998-12 (prohibiting superiors from selling anything to subordinates but permitting subordinates to sell a limited amount of commercial and charitable projects to a superior); 2001-3 (reiterating that a subordinate and a superior may not enter into an attorney-client relationship); 2003-6 (advising that a public servant may be compensated for voluntarily working on his or her superior's political campaign); 2004-2 (advising that a superior and subordinate cannot participate in the same savings club); 2004-3 (advising that any financial relationship between a community board member and a member of the community board's staff is prohibited); 2012-5 (reiterating that a public servant may be compensated for voluntarily working on his or her superior's political campaign and advising that a superior and subordinate may volunteer on the same campaign and in that capacity one may supervise the other); 2013-1 (advising that while it generally violates Chapter 68 for superiors to solicit or accept gifts from their subordinates, superiors can do so long as such gift-giving is not extremely frequent or extravagant; furthermore, public servants can accept gifts from their peers); 2017-5 (advising that participation by a superior and subordinate in the same lottery pool was an impermissible financial relationship).

Moreover, numerous enforcement actions have been initiated over the years that have resulted in fines for public servants found to have violated this prohibition. Examples include COIB Case Nos. 2016-057 (2017) (a New York City Department of Education ("DOE") Superintendent paid a \$3,000 fine for having sold her house to a teacher she supervised as her Principal); 2016-600 (2017) (a DOE Principal was issued a public warning letter for being regularly driven to and from work by a subordinate); 2015-858(a) (2017) (a former Director of Contracts and Construction in the New York City Department of Transportation's Traffic Division paid a \$4,000 fine for, over the course of three years, lending and repaying his subordinate more than \$40,000); and 2016-902 and 902a (2017) (a DOE Assistant Principal and a teacher whom he supervised at the school found to have entered into an impermissible financial relationships by cohabitating and were fined \$3,750 and \$1,752, respectively).

The Board therefore proposes this new rule to clarify which relationships between superiors and their subordinates are deemed to be business or financial relationships for the purposes of Charter § 2604(b)(14) and are therefore prohibited. This section would prohibit a public servant from entering into any of the enumerated relationships with any other public servant who either is supervised by him/her or is supervising his/her work, or who has the power to direct his/her work, or whose work he/she directs, or whose terms and conditions of employment the superior public servant has the power to affect or who could affect the terms and conditions of the subordinate public servant's employment. As stated in the rule, the term "business

or financial relationship" includes, but is not limited to, the listed relationships; this list is not exclusive.

Statement of Basis and Purpose of Proposed Rule

First, DCA seeks to amend its penalty schedule for tobacco retail dealers at Section 6-12 of Subchapter B, Chapter 6, of Title 6 of the Rules of the City of New York by adding a penalty provision for violations of 24 RCNY § 13-03. The Department of Health and Mental Hygiene recently adopted rules related to the price floors for certain tobacco products and non-tobacco shisha. These rules can be found at Sections 13-02 to 13-03 of Title 24 of the Rules of the City of New York. DCA will be enforcing these new rules. The penalties for violations of

these rules are provided by Section 17-176.1(f) of Title 17 of the New York City Administrative Code.

Second, DCA seeks to amend the penalty schedule for electronic or home appliance service dealers located at Section 6-31 of Subchapter B of Chapter 6 of Title 6 of the Rules of the City of New York. Recently, DCA amended Section 2-253 of Title 6 of the Rules of the City of New York to eliminate a violation relating to electronic and home appliance service dealers, which was set forth as 6 RCNY § 253(a)(3). DCA now seeks to update the penalty schedule to incorporate this recent change by deleting the reference to that repealed provision and updating the penalty schedule to reflect the renumbering of the required notice provision.

Third, DCA seeks to amend the penalty schedule for the consumer protection law located at Section 6-47 of Subchapter B of Chapter 6 of Title 6 of the Rules of the City of New York. This penalty schedule should contain an entry for violations of Part 7 of Subchapter A of Chapter 5 of the Rules of the City of New York relating to sales and discounts – namely, 6 RCNY § 5-87 through 6 RCNY § 5-103. The penalties for such violations are contained in Section 20-703(a) of the New York City Administrative Code.

Fourth, DCA seeks to amend the penalty schedule for public safety violations located at Section 6-61 of Subchapter B of Chapter 6 of Title 6 of the Rules of the City of New York. This penalty schedule should contain an entry for violations of Section 10-117(d) of the Administrative Code, which prohibits displaying aerosol spray paint cans, broad tipped indelible markers or etching acid. The penalties for such violations are contained in Section 10-117(g), and DCA's authority to enforce is contained in Section 10-117(h).

Finally, Local Law 142 of 2013 amended Title 16 of the New York City Administrative Code to restrict the sale of certain expanded polystyrene items. Local Law 142 grants to the Department, among others, the power to enforce these restrictions. To implement Local Law 142, DCA seeks to add a new rule, Section 6-70, to Subchapter B, Chapter 6, of Title 6 of the Rules of the City of New York, to establish fixed penalties for violations of this law.

DCA's authority for these rules is found in Sections 1043, 2203(f), and 2203(h)(1) of the New York City Charter, and Sections 1043, 2203(t), and 2203(h)(1) of the New York City Charter, and Sections 10-117, 16-329(g), 17-176.1(g), 20-104(b), 20-418, and 20-702 of the New York City Administrative Code.

This proposed rule is not subject to analysis under section 1043(d) of the Charter, pursuant to Section 1043(d)(4)(ii).

<u>New material is underlined.</u> [Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Unless otherwise specified by law, for violations of § 17-715 of Title 17 of the Administrative Code, a second or third or subsequent violation means a violation by the same respondent, whether by pleading guilty, being found guilty in a decision, or entering into a settlement agreement for violating the same provision of law or rule, within three years of the prior violation(s).

At a hearing, points assigned to a respondent's New York State tobacco registration record may be reduced, pursuant to New York Public Health Law § 1399-ee(3)(a).

In certain cases, the Department may ask for license suspension, in violation of multiple provisions that require a suspension period, the suspension periods shall run concurrently.

The parties shall be authorized to present evidence to mitigate the license revocation or suspension period within the date range marked by two asterisks (**).
