The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.

- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

Statement of Basis and Purpose of Proposed Rule

On February 18, 2014, Mayor de Blasio launched the Vision Zero action plan – an ambitious plan to reduce traffic fatalities in New York City. Vision Zero accepts no traffic fatality as inevitable. Vision Zero allows government agencies, industry groups, key transportation stakeholders and the public to understand traffic crashes as the result of a series of actions that can be changed or prevented through enforcement, education and design.

The proposed rule would amend Section 4-06 of Title 34 of the Rules of the City of New York, which relates to speed limits. The purpose of the proposed rule is to update the speed limit rule to correspond with an expected change to the citywide speed limit. Intro. 466 of 2014, which is expected to be enacted in October, will amend Section 19-177 of the New York City Administrative Code to reduce the official citywide speed limit from the current thirty miles per hour to twenty-five miles per hour. This local law change is pursuant to the authority provided by section 1642(a)(26) of the New York State Vehicle and Traffic Law, which was recently amended. If enacted, Intro. 466 will take effect on November 7, 2014. The Department of Transportation anticipates that this reduced speed limit will result in both fewer crashes involving pedestrians, and fewer fatalities and less severe injuries if crashes involving pedestrians do occur.

These rule amendments are proposed pursuant to the authority of the Commissioner of the New York City Department of Transportation to make rules under sections 1043(a) and 2903(a) of the New York City Charter.

Section 1. Section 4-06 of Title 34 of the Rules of the City of New York is amended to read as follows:

- (a) **Maximum speed limits and basic rule.**
- (1) No person shall drive a vehicle at a speed greater than [thirty] twenty-five miles per hour except where official signs indicate a different maximum speed limit.
 - (2) Where official signs are posted indicating a maximum speed limit, no person shall drive a vehicle at a speed greater than such maximum speed limit.
 - (3) Reserved.

§ 2. This rule shall take effect only in the event that Intro. 466 of 2014 is enacted. Upon such enactment, this rule shall take effect on November 7, 2014, but if this rule is adopted on a date thereafter, this rule shall take effect immediately.

Statement of Basis and Purpose of Proposed Rule

The Office of Citywide Events Coordination and Management (OCECM), Street Activity Permit Office (SAPO) administers New York City's permit system for street activities, block parties and fairs.

Each year SAPO issues permits to over 200 street fairs and over 5,000 other events, most of which include the use of multiple blocks over several days, the erection of structures, the vending of food, apparel and

other goods and the use of amplified sound and the performance of music. Events like these require additional police officers which increases overtime costs to the City. These events also divert police officers from core crime fighting, public safety and counter terrorism duties.

To more effectively deploy police resources and control overtime costs, the New York City Police Department has requested that SAPO exercise its discretion temporarily to deny permits for additional events scheduled for calendar year 2015. The proposed rules will authorize SAPO to deny permits to these events only if the event was not held in the calendar year 2014. Events that received permits in calendar year 2014 will be eligible to receive permits again in calendar year 2015.

SAPO authority for these rules is found in section 1043 of the New York City Charter and Executive Order No. 105 of 2007.

New material is underlined. [Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1-05(d) of Chapter 1 of Title 50 of the Rules of the City of New York is amended to read as set forth below.

(d) For the calendar year [2014] 2015 , the Director shall deny applications for street activity permits for street fairs not held in the calendar year [2013] 2014 .
