The proposed project would be a complex of five mixed-used buildings that would include 2,500 residential dwelling units (including 300 dwelling units of affordable housing), 617,200 square feet (sf) of commercial space (including hotel, retail, cinema, and automotive showroom/service uses and possibly office uses), 97,000 sf of community facility uses (anticipated to be developed as a public elementary school), 1,800 public parking spaces, and approximately 3.8 acres of privately owned, publicly accessible open space. The project site has a total area of 356,282 sf and is located in a C4-7 zoning district in the Upper West Side neighborhood of Manhattan Community Board 7. The current zoning on the site would

The proposed project would require the following discretionary actions from the City Planning Commission (CPC): 1) a new special permit pursuant to Zoning Resolution (ZR) Section 74-743(a) to allow bulk modifications for the GLSD; 2) a new special permit pursuant to ZR Section 74-681(a) to allow construction of a platform in railroad or transit right of way and to allow public parking; 3) zoning text amendment to ZR Section 74-744(b) to allow, by special permit, automobile sales and service establishments on vacant land or land with minor improvements in C4 Districts

within certain general large-scale developments in Manhattan Community District 7 (would affect the proposed project site only); 4) a new special permit pursuant to ZR Section 74-744(b) as amended, to allow automobile sales and service establishments in the GLSD; 5) modification of an existing Restrictive Declaration (D-141) to reflect the proposed project; 6) authorization pursuant to ZR Section 13-533 and certification pursuant to ZR Section 26-15 to allow additional curb cuts; and, 7) an amendment to the City Map to delineate public access easements. The actions also may include site selection for a public elementary school (this application would be filed by the Department of Education).

The GLSD known as Riverside South was planned as a major mixed-use and open space project, bounded by West 72nd Street and Riverside Park on the north, West 59th Street to the south, the Hudson River to the west, and buildings at the west ends of West 70th, 71st, and 72nd Streets to the east. A Final Environmental Impact Statement (FEIS) for Riverside South was issued by the CPC as lead agency under the State Environmental Quality Review Act (SEQRA), its implementing regulations (6 NYCRR Part 617), and City Environmental Quality Review (CEQR), on October 11, 1992 (CEQR No. 85-253AM). The FEIS identified potentially significant impacts for schools, historic and archaeological resources, hazardous materials, traffic, transit and pedestrians, air quality, noise, and construction. Since the issuance of the FEIS, a large portion of Riverside South has been completed; however, the southern portion – Parcels L, M, and N – has not yet been redeveloped.

The majority of the Riverside Center project site is currently being utilized as an automobile and truck surface parking lot with a capacity of approximately 1,850 spaces, and a public parking garage with a capacity of 537 spaces. An Amtrak rail line within a sub-grade culvert passes through the northeast portion of the project site. Absent the proposed actions, the analysis assumes the applicant will develop the project site with either the original program for Parcels L, M, and N that was approved in the FEIS or the original FEIS approved program for Parcels L and M would be completed, but Parcel N would remain in its current parking use.

As stated by the applicant, the overall goal and objective of the proposed project is to create an architecturally distinctive project that respects the Manhattan street grid and provide an attractive connection to Riverside Park South and the Hudson River waterfront while creating an inviting, functional, and spatial center for the Riverside South neighborhood.

Construction of the proposed project would commence in 2009 contingent upon approval of the proposed discretionary actions. The build year for the project is 2018.

Public comments are requested with respect to issues to be addressed in the Draft Supplemental Environmental Impact Statement.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers. workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the $\it CR$.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
