Article XIII: Special Purpose Districts

Chapter 1 **Special Coney Island District**

131-60 Special Permit for Auditoriums

The special permit set forth in this Section is established to allow outdoor entertainment #uses# on a limited-term basis in a unique beachfront location within the #Special Coney <u>Island District#. The #development# of such a #use# on a</u> temporary basis pursuant to this special permit provides for the opportunity for a valuable public amenity to exist within an area that, while approved for future #residential development# pursuant to the #Special Coney Island District# plan, is currently underutilized and does not exhibit the characteristics of a well-developed #residential# neighborhood. Any special permit granted under this Section shall be subject to a term of years, in order to ensure that such #use# is consistent with and does not impede the goal of long-term revitalization of the surrounding area, pursuant to the #Special Coney Island District# plan.

In the Coney West Subdistrict, for Parcels B and G, the City Planning Commission may approve, by special permit, openair auditoriums with greater than 2,000 seats, for a term no greater than ten years from the date a certificate of occupancy, including a temporary certificate of occupancy, has been issued, provided that the proposed auditorium meets the conditions of paragraph (a) and the findings of paragraph (b) of this Section, in addition to the #sign# and parking provisions of paragraphs (c) and (d) of this Section,

For any application for such special permit, the applicant shall provide plans to the Commission including but not limited to a site plan, signage plan, parking and loading plan, lighting plan and operations plan (the "Proposed Plans")

- The Commission may permit open-air auditoriums with a maximum of 5,100 seats, provided the Proposed Plans demonstrate that:
 - <u>(1)</u> at all times when the Riegelmann Boardwalk is open to the public, all publically accessible space, as shown on the proposed plans, will remain accessible to the public, except that access may be restricted as necessary during scheduled events, for the setup and takedown for such events, and in connection with maintenance activities; any barriers erected for the purpose of restricting access or visibility during such events shall be completely removed at all other
 - <u>(2)</u> the height of all structures, temporary or fixed, does not exceed 70 feet in height, as measured from the level of the Riegelmann
 - any roof or structural canopy above the <u>(3)</u> open-air auditorium seating area will be removed prior to the month of November and shall remain removed during the entire off-season period between November through April, as well as in advance of severe weather events;
 - (4) the signage plan and parking and loading plan comply with the provisions of paragraphs (c) and (d) of this Section, respectively; and
 - <u>(5)</u> the City and applicant will enter into an agreement under which Parcel G will be returned to the City as of the expiration of the term of the special permit in a condition set forth in such agreement appropriate for #use# as a #public park#.
- <u>(b)</u> In granting such permit, the Commission shall find that:
 - such open-air auditorium will not unduly <u>(1)</u> impair the essential character or the future #use# or #development# of the $\underline{surrounding\ area,\ pursuant\ to\ the\ goals}$ and objectives of the #Special Coney <u>Island District# plan;</u>
 - the outdoor lighting for such open-air (2)auditorium is located and arranged so as to minimize any negative effects on nearby #residences# and #community facilities#, and that Proposed Plans include noise attenuation features and measures which serve to reduce the effect of noise from the open-air auditorium on the surrounding area, including nearby #residences# and #community facilities#;
 - the construction of a stage as part of any <u>(3)</u> #building# on Parcel B, for the purpose of accommodating an open-air auditorium #use#, will:
 - <u>(i)</u> enable the stage area to be closed to the outdoor portion of the open-air auditorium during the off-season when the open-air auditorium is not in use, so as to be operated for indoor entertainment #uses# with an eating and drinking establishment or other #use# permitted on Parcel B; and
 - <u>(ii)</u> allow for such #building# to be operated subsequent to the expiration of the special permit for #uses# permitted on Parcel

B, such as eating or drinking establishments with entertainment;

- <u>(4)</u> appropriate visual and pedestrian connections are maintained in the general area of the former street bed from the termination of West 22st Street to the Riegelmann Boardwalk;
- <u>(5)</u> the portions of the site not dedicated to stage area or event seating are so designed to serve as a full time park-like resource for the public, and the portions of the site designed for open-air auditorium #use# serve as a high-quality open space resource when not in auditorium use;
- any roof or structural canopy above the <u>(6)</u> open-air auditorium seating area will be visually unobtrusive, and maximize openness and visibility between the site and the Riegelmann Boardwalk,
- (7)the operations plan, which shall include a protocol for queuing for concert-goers, demonstrates that there would be no interference with the public use and enjoyment of adjacent public facilities; and
- the site plan, signage plan and lighting <u>(8)</u> plan incorporate good design, effectively integrate the site with surrounding streets and the Riegelmann Boardwalk, and are consistent with the purposes of the #Special Coney Island District#.
- <u>(c)</u> The Commission may, through approval of the Proposed Plans, permit #signs# notwithstanding the applicable #sign# regulations, except that #flashing signs# shall not be permitted and only #advertising signs# that are oriented toward the interior of the open-air amphitheater and not visible from the Riegelmann Boardwalk or other public area shall be permitted.

In order to permit such #signs#, the Commission shall find that proposed signage is appropriate in connection with the permitted open-air auditorium #use#, is not unduly concentrated within one portion of the site, and will not negatively affect the surrounding area.

The Commission may, through approval of the <u>(d)</u> Proposed Plans, reduce or waive required parking or loading requirements, provided the Commission finds that the open-air auditorium will be adequately served by a combination of surrounding public parking facilities and mass transit. In addition, the Commission shall find that the proposed loading facilities on the site are located so as not to adversely affect the movement of pedestrians or vehicles on the #streets# surrounding the auditorium.

The City Planning Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area. Such conditions and safeguards may include, but are not limited to restrictions on signage or requirements for soundproofing of auditoriums, shielding of floodlights or screening of open #uses#.

Upon the first issuance of this permit for an open-air auditorium, the effective period of the permit shall be ten years from the date a certificate of occupancy, including a temporary certificate of occupancy, has been issued. To establish the term of years for subsequent applications for this special permit, the Commission shall, in determining whether the finding of paragraph (b)(1) of this Section is met, take into account the existing character of the surrounding area, as well as #residential# and #community facility development# proposed or under construction on surrounding #blocks#, and shall also consider whether continuation of such auditorium #use# within a proposed term of years would be compatible with or may hinder achievement of the goals and objectives of the #Special Coney Island District# plan. Subsequent applications for this special permit shall be filed no later than one year prior to expiration of the term of the permit then in effect.

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this.

the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/road

map.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

AGENCY RULES

FINANCE

NOTICE

FINDING OF SUBSTANTIAL NEED FOR EARLIER **IMPLEMENTATION**

Section 1180-b of the New York State Vehicle and Traffic Law (VTL) became effective on August 30, 2013. This new section of the VTL authorizes the City of New York to establish a demonstration program implementing photo speed violation monitoring systems to record maximum speed limit violations in school speed zones. Subdivision (e) of this new VTL section authorizes the Parking Violations Bureau (PVB), a division of the New York City Department of Finance (DOF), to promulgate a schedule of fines and penalties for such violations. Subdivision (g) establishes requirements for the notice of liability, and subdivision (h) authorizes the PVB to adjudicate violations under Section 1180-b. Under this section, a vehicle operator who exceeds the maximum speed limit in a school speed zone and who is recorded by a photo speed violation monitoring system will receive a notice of liability for the violation.

The New York City Department of Transportation (DOT) will implement the demonstration program, including maintaining the photo speed violation monitoring systems, sending notices of liability to motorists, and transmitting information relating to violations to DOF. The proposed rule amendment establishes penalties for such violations, provides requirements for the notice of liability, and authorizes the PVB to adjudicate allegations of liability. A public hearing on these proposed rules was held on November 21, 2013.

Because speeding violations are often a significant factor in accidents, the City wishes to begin enforcement of this new demonstration program as soon as possible. Immediate implementation of this rule amendment upon its final publication is necessary to effectuate the purpose of the State law, and to address safety concerns through the prompt enforcement of these rules by PVB.

Therefore, pursuant to section 1043(f)(1)(c) of the New York City Charter, DOF and DOT find that there is a substantial need for the earlier implementation of the Rules Relating to Photo Speed Violation Monitoring Systems. Consequently, the attached rule shall be effective upon its final publication in the City Record, and the requirement that thirty days first elapse after such publication shall not apply.

THE CITY OF NEW YORK DEPARTMENT OF FINANCE

NOTICE OF ADOPTION

Pursuant to the power vested in me as Commissioner of Finance by section 1180(b) of the Vehicle and Traffic Law and sections 389(b) and 1043 of the New York City Charter, I hereby promulgate the within amendment to the Rules of the Commissioner of Finance Relating to Photo Speed Violation Monitoring Systems. This rule amendment was published in proposed form on October 21, 2013. A hearing for public comment was held on November 21, 2013. No comments were received in writing or orally, prior to or during the public hearing. As the Mayor and the Commissioner have authorized the early implementation of this rule based upon

substantial need, this rule shall take effect immediately upon publication.

S/S_Beth E. Goldman
Commissioner of Finance

Statement of Basis and Purpose of Rule

New York State has adopted Vehicle and Traffic Law (VTL) Section 1180-b, effective August 30, 2013, which authorizes the City to establish a demonstration program implementing photo speed violation monitoring systems to record maximum speed limit violations in school speed zones. Subdivision (e) of VTL Section 1180-b authorizes the Parking Violations Bureau (PVB), a division of the New York City Department of Finance (DOF), to promulgate a schedule of fines and penalties for such violations. Subdivision (g) establishes requirements for the notice of liability. Subdivision (h) authorizes the PVB to adjudicate violations under Section 1180-b.

Speeding violations are often a significant factor in accidents which result in death or injury. Under VTL Section 1180-b, vehicle operators who exceed the speed limit in school zones and who are recorded by a photo speed violation monitoring system will receive a summons for the violation. VTL Section 1180-b enables the City to use technology to improve the safety and quality of life of motorists and pedestrians by

reducing speeding in school zones.

The New York City Department of Transportation (DOT) will implement the demonstration program. DOT will maintain the photo speed violation monitoring systems, send notices of liability to motorists, and transmit information relating to violations to DOF. The amendment establishes penalties for such violations, provides requirements for the notice of liability, and authorizes the PVB to adjudicate allegations of liability.

DOF's authority for the rule is found in sections 389(b) and 1043 of the New York City Charter and section 1180-b of the Vehicle and Traffic Law.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

ACCO

CSB

NA/10

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

 $OLB/d \quad other: (specify)$

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
