CITY PLANNING

NOTICE OF COMPLETION OF

comments on the Draft EIS were requested and were received by the Lead Agency until November 26, 2012. The Final SEIS incorporates responses to the public comments received on the Draft SEIS and additional analysis conducted subsequent to the completion of the Draft SEIS.

The applicant, Durst Development L.L.C., proposes a rezoning of a portion of the block bounded by West 57th and West 58th Streets, between Eleventh and Twelfth Avenues (Block 1105, the project block) in Manhattan, along with special permits, modifications to existing special permits and a Restrictive Declaration and other related land use actions, to facilitate the development of approximately 965,000 zoning square feet (zsf) (approximately 1.1 million gross square feet [gsf]) of residential, commercial, community facility, and parking uses on the project block (Block 1105). The eastern portion of the block is currently developed with a residential building with ground floor retail and parking uses (The Helena) and a building with mini-storage uses. The entire block was the subject of a previous Environmental Impact Statement and Land Use Approval in 2001 (West 57th Street Rezoning Final Environmental Impact Statement [2001 FEIS], City Environmental Quality Review (CEQR) No. 00DCP041M and ULURP Nos. 000148ZMM, 010149ZSM, 010150ZSM, 010151ZSM, and 010152ZSM). The project block is located in Manhattan Community District 4.

The proposed actions are being requested to facilitate the applicant's proposed project, in which it intends to build approximately 1.1 million gsf on the project block, including residential, retail, community facility, office, and parking uses. The proposed actions would result in the construction of a new building on the western and midblock portions of the project block (Lots 1, 5, 14, 19, p/o 36, and 43, collectively, projected development site 1), a one to two story midblock community facility building (also located on projected development site 1, p/o lot 36), the renovation and conversion of the mini-storage facility to residential, retail, and community facility use (p/o Lot 36, projected development site 2), and the creation of new retail space in the existing Helena apartment building. For analysis purposes, it is anticipated that the proposed project, including both projected development site 1 and projected development site 2, would be completed by 2015.

Development of the proposed project requires approvals from the CPC for the following discretionary actions:

- Rezoning of a portion of the project block from M1-5 to C6-2. The C6-2 district has a floor-area ratio (FAR) of 6.0 for all uses except community facility uses, which is a 6.5 FAR. This change would provide an adjusted FAR across the entire zoning lot of 8.63 with the 6.0 FAR and a maximum 8.8 FAR with the additional community facility FAR (given the maximum 10.0 FAR within the existing C4-7 district);
- Special permit pursuant to Section 74-743 of the New York City Zoning Resolution to allow, in a large-scale development, (1) floor area to be distributed across the entire zoning lot, (2) buildings to be located without regard for distance between building regulations, and (3) to permit the location of buildings without regard to height and setback regulations;

•

•

•

•

- Special permit pursuant to Section 13-561 of the New York City Zoning Resolution for a 285 space accessory parking garage;
- Modification of the Large Scale General Development site plan associated with the existing special permits (Amendment to ULURP No. C010151 ZSM); and
- Modification of the existing Restrictive Declaration (Modification and termination of Restrictive Declaration No. D-145 associated with ULURP No. C010148 ZMM).

The applicant is applying to the New York City Planning Commission (CPC) for discretionary actions that would allow construction of the proposed development on the project block, which is different from what was analyzed in the 2001 *FEIS*. Because the development resulting from the proposed modifications may result in significant adverse environmental impacts not identified in the 2001 *FEIS*, the Final Supplemental Environmental Impact Statement (SEIS) has been prepared. The Final SEIS (FSEIS) assesses whether any changed background conditions and whether the differences in program elements between the proposed development program and those assessed in the 2001 *FEIS* for the project block would result in any significant adverse impacts that were not adequately addressed in the 2001 *FEIS*.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above. The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100.000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law \$ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pav its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
