Article XIII: Special Purpose Districts

Chapter 1 **Special Coney Island District**

Special Permit for Auditoriums

The special permit set forth in this Section is established to allow outdoor entertainment #uses# on a limited-term basis in a unique beachfront location within the #Special Coney Island District#. The #development# of such a #use# on a temporary basis pursuant to this special permit provides for the opportunity for a valuable public amenity to exist within an area that, while approved for future #residential development# pursuant to the #Special Coney Island District# plan, is currently underutilized and does not exhibit the characteristics of a well-developed #residential# neighborhood. Any special permit granted under this Section shall be subject to a term of years, in order to ensure that such #use# is consistent with and does not impede the goal of long-term revitalization of the surrounding area, pursuant to the #Special Coney Island District# plan.

In the Coney West Subdistrict, for Parcels B and G, the City Planning Commission may approve, by special permit, openair auditoriums with greater than 2,000 seats, for a term no greater than ten years from the date a certificate of occupancy, including a temporary certificate of occupancy, has been issued, provided that the proposed auditorium meets the conditions of paragraph (a) and the findings of paragraph (b) of this Section, in addition to the #sign# and parking provisions of paragraphs (c) and (d) of this Section, respectively.

For any application for such special permit, the applicant shall provide plans to the Commission including but not limited to a site plan, signage plan, parking and loading plan, lighting plan and operations plan (the "Proposed Plans").

- The Commission may permit open-air auditoriums with a maximum of 5,100 seats, provided the Proposed Plans demonstrate that:
 - at all times when the Riegelmann Boardwalk is open to the public, all publically accessible space, as shown on the proposed plans, will remain accessible to the public, except that access may be restricted as necessary during scheduled events, for the setup and takedown for such events, and in connection with maintenance activities; any barriers erected for the purpose of restricting access or visibility during such events shall be completely removed at all other
 - <u>(2)</u> the height of all structures, temporary or fixed, does not exceed 70 feet in height, as measured from the level of the Riegelmann
 - <u>(3)</u> any roof or structural canopy above the open-air auditorium seating area will be removed prior to the month of November and shall remain removed during the entire off-season period between November through April, as well as in advance of severe weather events;
 - the signage plan and parking and loading plan comply with the provisions of paragraphs (c) and (d) of this Section, (4)respectively; and
 - the City and applicant will enter into an agreement under which Parcel G will be (5)

returned to the City as of the expiration of the term of the special permit in a condition set forth in such agreement appropriate for #use# as a #public park#.

(b) In granting such permit, the Commission shall find that:

- (1) such open-air auditorium will not unduly impair the essential character or the future #use# or #development# of the surrounding area, pursuant to the goals and objectives of the #Special Coney Island District# plan;
- (2) the outdoor lighting for such open-air auditorium is located and arranged so as to minimize any negative effects on nearby #residences# and #community facilities#, and that Proposed Plans include noise attenuation features and measures which serve to reduce the effect of noise from the open-air auditorium on the surrounding area, including nearby #residences# and #community facilities#;
- (3) the construction of a stage as part of any #building# on Parcel B, for the purpose of accommodating an open-air auditorium #use#, will:
 - (i) enable the stage area to be closed to the outdoor portion of the open-air auditorium during the off-season when the open-air auditorium is not in use, so as to be operated for indoor entertainment #uses# with an eating and drinking establishment or other #use# permitted on Parcel B; and
 - (ii) allow for such #building# to be operated subsequent to the expiration of the special permit for #uses# permitted on Parcel B, such as eating or drinking establishments with entertainment;
- (4) appropriate visual and pedestrian connections are maintained in the general area of the former street bed from the termination of West 22st Street to the Riegelmann Boardwalk;
- (5) the portions of the site not dedicated to stage area or event seating are so designed to serve as a full time park-like resource for the public, and the portions of the site designed for open-air auditorium #use# serve as a high-quality open space resource when not in auditorium use;
- (6) any roof or structural canopy above the open-air auditorium seating area will be visually unobtrusive, and maximize openness and visibility between the site and the Riegelmann Boardwalk,
- (7) the operations plan, which shall include a protocol for queuing for concert-goers, demonstrates that there would be no interference with the public use and enjoyment of adjacent public facilities; and
- (8) the site plan, signage plan and lighting plan incorporate good design, effectively integrate the site with surrounding streets and the Riegelmann Boardwalk, and are consistent with the purposes of the #Special Coney Island District#.

(c) The Commission may, through approval of the Proposed Plans, permit #signs# notwithstanding the applicable #sign# regulations, except that #flashing signs# shall not be permitted and only #advertising signs# that are oriented toward the interior of the open-air amphitheater and not visible from the Riegelmann Boardwalk or other public area shall be permitted.

In order to permit such #signs#, the Commission shall find that proposed signage is appropriate in connection with the permitted open-air auditorium #use#, is not unduly concentrated within one portion of the site, and will not negatively affect the surrounding area.

(d) The Commission may, through approval of the Proposed Plans, reduce or waive required parking or loading requirements, provided the Commission finds that the open-air auditorium will be adequately served by a combination of surrounding public parking facilities and mass transit. In addition, the Commission shall find that the proposed loading facilities on the site are located so as not to adversely affect the movement of pedestrians or vehicles on the #streets# surrounding the auditorium.

The City Planning Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area. Such conditions and safeguards may include, but are not limited to restrictions on signage or requirements for soundproofing of auditoriums, shielding of floodlights or screening of open #uses#.

Upon the first issuance of this permit for an open-air auditorium, the effective period of the permit shall be ten years from the date a certificate of occupancy, including a temporary certificate of occupancy, has been issued. To establish the term of years for subsequent applications for this special permit, the Commission shall, in determining whether the finding of paragraph (b)(1) of this Section is met, take into account the existing character of the surrounding area, as well as #residential# and #community facility development# proposed or under construction on surrounding #blocks#, and shall also consider whether continuation of such auditorium #use# within a proposed term of years would be compatible with or may hinder achievement of the goals and objectives of the #Special Coney Island District# plan.

Subsequent applications for this special permit shall be filed no later than one year prior to expiration of the term of the permit then in effect.

PROCUREMENT

"Compete To Win" More Contracts!
Thanks to a new City initiative - "Compete to Win" - the
NYC Department of Small Business Services offers a
new set of FREE services to help create more

opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Client and Community- based Services Agencies: Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator.

Before the Department of Buildings can issue a permit for the alteration or demolition of a single room occupancy multiple dwelling, the owner must obtain a "Certification of To Harassment" from the Department of Housing Preservation and Development ("HPD") stating that there has not been harassment of the building's lawful occupants during a specified time period. Harassment is conduct by an owner that is intended to cause, or does cause, residents to leave or otherwise surrender any of their legal occupancy rights. It can include, but is not limited to, failure to provide essential services (such as heat, water, gas, or electricity), illegally locking out building residents, starting frivolous lawsuits, and using threats or physical force.

The owner of the building identified above has applied for a Certification of No Harassment. If you have any comments or evidence of harassment at this building, please notify HPD at CONH Unit, 100 Gold Street, 6th Floor, New York, NY 10038 by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. New York City Economic Development Corporation (NYCEDC) New York City Department of Parks and Recreation (DPR)

COMMUNITY DEVELOPMENT BLOCK GRANT -DISASTER RECOVERY PROGRAM

Final Notice and Public Explanation of a Proposed Activity in a 100-Year Floodplain

To: All interested Agencies, Groups, and Individuals

This publication gives notice that New York City has conducted an evaluation of the proposed Rockaway Beach Boardwalk reconstruction and related improvements, as required by Executive Orders (EO) 11988 and 11990, in accordance with HUD regulations 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management and Protection of Wetlands, respectively. These evaluations are made to determine the potential effects that proposed activities in the floodplain and wetland associated with the proposed project will have on the human

environment. New York City will receive federal Community Development Block Grant-Disaster Recovery (CDBG-DR) funding from HUD to execute the reconstruction of the Rockaway Beach Boardwalk and related improvements.

The City has considered the following alternatives to be taken to minimize adverse impacts and to restore and preserve natural and beneficial values of its floodplains:

Action Outside the Floodplain: As the Rockaway Beach Boardwalk is a major public open space in the Rockaways Peninsula and an integral component of Rockaway Beach, there is no practicable alternative to locate it outside the floodplain.

Proposed Action in the Floodplain: The project site is located within the 100-year floodplain, and New York City proposes to use CDBG-DR funds to reconstruct the boardwalk between Beach 20th and Beach 126th Streets and to improve its future storm resiliency by raising the overall elevation to account for both revised 100-year flood elevations and predicted future sea level rise. Further, the proposed reconstruction would incorporate a sand-retaining wall underneath the boardwalk that would prevent sand migration and help to protect the adjacent community. The sand-retaining wall would span the length of the boardwalk and would retain the volume of sand extending from new dunes currently being constructed by the United States Army Corps of Engineers (USACE) to the sand-retaining wall under the boardwalk. The wall would also restrict blowing sand from passing under the boardwalk from the beach to the inland area. The CDBG-DR funds would also be used to provide structured access to the beach between Beach 126th and Beach 149th Streets over the new USACE dunes and to restore and enhance existing dunes between Beach 9th and Beach 20th Streets, including constructing at-grade access through the dunes. Overall, the proposed project would restore a damaged recreational resource while increasing the resiliency of the boardwalk against future storms, enhance beach access, and help protect newly created dunes.

No Action: The No Action Alternative would not support PlaNYC's goals to increase the sustainability and resiliency of open space resources, and would provide less park user accessibility and enjoyment of the unique open space resource of the beaches on the Rockaway Peninsula. The No Action Alternative is also inconsistent with New York City's Special Initiative for Rebuilding and Resiliency (SIRR), which identifies reconstruction of the Rockaway Beach Boardwalk as a key rebuilding project. Under the No Action Alternative, the boardwalk would not be reconstructed between Beach 20th and 126th Streets, structures across the USACE dune between Beach 126th Street and Beach 149th Street would not be constructed, and the existing dunes between Beach 20th and Beach 9th Streets would not be restored.

Original Height Alternative: Under this alternative, the boardwalk would be rebuilt at its original height with no raising of the elevation or the inclusion of resiliency features. While the Original Height Alternative would be designed and constructed to be more resilient to future storms than the former boardwalk, the alternative would be less consistent with the goals and objectives of PlaNYC and the SIRR than the proposed project, because it would not be raised in height to accommodate future sea level rise.

No Sand-Retaining Wall Alternative: Under this alternative, the boardwalk would be rebuilt as under the proposed project except that there would be no sandretaining wall constructed under the boardwalk. While the No-Sand Retaining Wall Alternative would provide the same resiliency to future storms as the proposed project, it would not retain the infill sand under the boardwalk and, therefore, would not protect the adjacent communities by helping to protect newly created dunes or preventing sand migration over adjacent roadways, homes, and open space areas.

This FINAL NOTICE FOR PUBLIC REVIEW OF A PROPOSAL TO SUPPORT ACTIVITY IN A 100-YEAR **FLOODPLAIN** is required by Section 2(a)(4) of EOs 11998 and 11990, respectively for Floodplain Management and Protection of Wetlands and is implemented by HUD regulations found at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management. The 8step Decision Making Process includes public notices and the examination of practicable alternatives to building in the floodplain or wetland. The City proposes to use CDBG-DR funds to reconstruct the Rockaway Boardwalk, provide structured access to the beach over new USACE dunes, and restore and enhance existing dunes located within the 100year floodplain.

Additional project information including floodplain maps of the project site are contained in the Environmental Review Record and Environmental Assessment currently on file with Calvin Johnson, Assistant Director CDBG-DR, 255 Greenwich Street, 8th Floor, New York, New York 10007 and may be examined from 10:00 A.M. to 5:00 P.M. This posting can be found by using this link:

http://www.nyc.gov/builditback and then clicking on "Reports and Public Notices." The City is interested in alternatives and public perceptions of possible adverse effects that could result from the project as well as potential mitigation measures.

All interested persons, groups, and agencies are invited to submit written comments regarding the proposed use of federal funds to support the reconstruction of the Rockaway Boardwalk in a floodplain. Written comments should be sent to OMB at 255 Greenwich Street, 8th Floor, New York, New York 10007, Attention: Calvin Johnson, Assistant Director CDBG-DR or via email at CDBGDR-enviro@omb.nyc.gov. The minimum 7 calendar day comment period will begin the day after publication and end on the 8th day after publication. All comments should be received by OMB on or before December 21, 2013.

REVENUE AND CONCESSIONS

NOTICE

In accordance with Section 1-14 of the Concession Rules of the City of New York ("Concession Rules"), the New York City Department of Parks and Recreation (Parks) intends to enter into negotiations with only Super Value Inc. for a license agreement for the operation and maintenance of two gasoline service stations on the Hutchinson River Parkway (Northbound and Southbound), near the Westchester Avenue Exit. Bronx.

The concession will have a short term and will commence on August 27, 2013 (retroactive to the expiration of the previous license agreement) and expire on April 30, 2015. The concession will be operated pursuant to a license issued by Parks; no leasehold or other proprietary right will be offered. As compensation to the City, Parks requires a monthly fee of at least \$17,900.00.

At this time, it is neither practicable nor advantageous to award this concession by competitive sealed proposals or competitive sealed bids due to the existence of a time-sensitive situation where a concession must be awarded quickly or significant revenues will be lost. The existing concession agreement expired in August 2013. Without a negotiated short-term concession, this facility will remain vacant since Parks does not have the capability or the resources to operate, maintain or secure the gasoline service stations. Service to the public will be interrupted and significant revenue to the City will be lost in concession fees.

An RFP for this concession was originally issued on October 5, 2012 with the intent of making an award prior to the expiration of the then existing concession agreement; however, Parks is unable to make an award pursuant to that RFP because material information regarding ownership of the underground storage tanks, gasoline pumps and dispensers that are currently on the premises came to Parks' attention subsequent to the close of the RFP process.

Parks has determined that it is in the City's best interest to negotiate only with the previous concessionaire, Super Value Inc., because they own the underground storage tanks, gasoline pumps and dispensers and they are currently occupying and operating the premises and have been since their license expired. As part of the negotiated concession, Super Value Inc. will be required to remove the existing underground gasoline storage tanks, gasoline pumps and dispensers, restore the premises and undertake any necessary environmental remediation of the premises before the end of the term. This negotiated concession is meant to act as a short-term solution to bridge the gap until a new competitive RFP solicitation, evaluation, and award process have concluded and to allow time for the existing underground storage tanks, pumps and dispensers to be removed from the premises before the start of any longer term concession.

Therefore, pursuant to the Concession Rules and with the approval of the Director of the Mayor's Office of Contract Services, Parks will negotiate only with Super Value Inc. However, if you want to express interest in the proposed concession or obtain additional information concerning the proposer concession, please contact Lauren Standke, Project

SAMANTHA C

Manager for the Revenue Division, at (212) 360-3495 or via email at Lauren.Standke@parks.nyc.gov by December 30, 2013 for instructions and information. Where applicable, Parks may condition the award of this concession upon the successful completion of VENDEX Questionnaires (Vendor and Principal Questionnaires) and review of that information by the Department of Investigation. In addition, any person or entity with at least a 10% ownership interest in the submitting vendor (including a parent company), may be required to complete VENDEX Questionnaires (Principal Questionnaire for any person and Vendor Questionnaire for any entity with at least a 10% ownership interest in the submitting vendor).

This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission.

Please note that the concession award is subject to applicable provisions of federal, State, and local laws and executive orders requiring affirmative action and equal employment opportunity.

The New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the proposal process should inform the Comptroller's Office of Contract Administration, 1 Centre Street, Room 835, New York, New York 10007. This office may be reached at (212) 669-2323.

 $\ensuremath{\mathbf{IN}}$ $\ensuremath{\mathbf{THE}}$ $\ensuremath{\mathbf{MATTER}}$ of a proposed contract between the Department of Design and Construction of the City of New York and Maimonides Medical Center, 4802 10th Avenue, Brooklyn, NY 11219, for Project 850HL82MIDES. The contract amount shall be \$1,147,501.00for reimbursement of vehicle purchase for Maimonides Medical Center. The contract term shall be five years from the date of registration. PIN#: 8502014HL0957D, E-PIN#: 85014L0024001.

The proposed contractor is being funded through the City Council's office by line appropriation discretionary funding, pursuant to Section 1-02 (e) of the Procurement Policy Board Rules.

A draft copy of the contract is available for public inspection at the Department of Design and Construction, Legal Division, 30-30 Thomson Avenue, Fourth Floor, Long Island City, New York 11101, from December 13, 2013 to December 16, 2013, excluding Saturdays, Sundays and Holidays, from 9:00 A.M. to 4:00 P.M. Contact Bruce Rudolph at (718) 391-1732.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc $\,$

HOW TO READ CR PROCUREMENT NOTICES

 $OLB/d \quad other: (specify)$

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
