Name, Description and Location of Proposal:

Madison Square Garden

The applicant, MSG Holdings, L.P., is seeking a number of discretionary actions, which include a special permit pursuant to Section 74-41, as amended, to allow an arena in excess of 2,500 seats, a special permit, as amended by a proposed text amendment to modify Section 93-17 (Modifications of Sign Regulations), to modify sign regulations within the Pennsylvania Station Subarea B4 of the Special Hudson Yards District, a text amendment to Sections 37-625 and 74-41 to allow the City Planning Commission (CPC) to approve, in connection with an arena special permit without certification by the Chairperson of the CPC, design changes to existing plazas within Subarea B4 of the Special Hudson Yards District. The proposed action would facilitate the continued use and operation of the Madison Square Garden arena, a proposal by the applicant to install signage that is

larger and higher than signage permitted under current zoning and includes third-party advertising and sponsor messaging and certain open space area improvements. The project site encompasses Subarea B4 of the Special Hudson Yards District, which is located on the western portion of the block bounded by West 31st Street, West 33rd Street, Seventh and Eighth Avenues, in the Midtown South neighborhood of Manhattan, Community District 5. The Project Site is currently developed with Madison Square Garden and Pennsylvania Station.

Additionally, the applicant is seeking a certification by the Chairperson of the CPC pursuant to Section 37-621 for the elimination of non-bonused plaza area, which is a ministerial action and is not subject to environmental review. The special permit pursuant to Section 74-41 is also not subject to environmental review pursuant to CEQR's grandfathering

Madison Square Garden is currently undergoing a major, three-year rehabilitation known as the Transformation. consisting of substantial as-of-right interior renovations to upgrade many components of the Arena's interior.

The text amendment to modify Section 93-17 (Modification of Sign Regulations) of the Zoning Resolution would create a special permit by which sign regulations applicable within Subarea B4 of the Special Hudson Yards District may be modified. Subsequently, the applicant seeks the grant of a special permit to Section 93-17, as amended, to modify the sign regulations applicable to the Project Site. The proposed text amendment to Section 93-17 of the Zoning Resolution would create a special permit by which Sections 32-63 (Permitted Advertising Signs), 32-64 (Surface Area and Illumination Provisions), and 32-65 (Permitted Projection or Height of Signs) could be modified within Subarea B4 for a use permitted by a CPC special permit pursuant to Section 74-41 of the Zoning Resolution. The proposed text amendment to Section 93-17 would maintain the basic zoning controls contained in the existing Subarea B4 of the Special Hudson Yards District, but would amend the zoning text to create a special permit that would allow greater signage flexibility in terms of size and content.

The Project Site would be the only site that would be affected by the text amendments. The proposed sign regulations would not have any implications for any part of the Special Hudson Yards District except Subarea B4. The proposed signs for the Arena exceed the maximum surface area and height limitations applicable within Subarea B4 of the Special Hudson Yards District and would contain third-party advertising and sponsorship messages, as well as content associated with the Garden. Therefore, a special permit pursuant to Section 93-17, as amended, is needed to modify the application of such sections to allow the proposed signs.

The proposed text amendment and associated special permit to Section 93-17 would facilitate a signage program with the following components:

- Proposed Tower Signage ("Tower Media")—20 mm LED display panels with a square footage of up to 3,000 square feet would be installed on each of the escalator Towers A, B, C and D. The panels would have a maximum height of 80" above curb level. The digital displays would include content permitted under current zoning as well as advertising signs.
- Proposed Eighth Avenue Signage ("Eighth Avenue Media Wall")—The existing marquee-like sign on Eighth Avenue would be removed and replaced by a 20 mm LED media wall on the Eighth Avenue façade. The media wall have a height of 18'-8" and a width of 230'-0", and wrapping around the façade's northern and southern ends, with end panels of 18'-8" by 26'-6". The maximum height of all proposed media wall signage would be 53 feet above curb level. 3. Proposed Vitrines—Pedestrian-level vitrines would be incorporated into the lower façades along West
- 31st Street and portions of West 33rd Street on areas that are currently blank walls or doors. Vitrine signage would not be digital. Signage in the proposed vitrines would help to enliven the pedestrian-level facades with images of defining moments in MSG's history and would promote upcoming events.

The text amendment to modify Sections 37-625 and 74-41 would allow the CPC to regulate the design of pedestrianaccessible open areas in connection with the grant of a CPC special permit pursuant to Section 74-41. Currently, under the existing Section 37-625, design changes to existing plazas require a certification by the Chairperson of CPC that such changes bring the plazas into greater accordance with the current standards for public plazas. The proposed text amendment would allow CPC to approve design changes to existing plazas without a certification by the Chairperson of CPC. The text amendment would facilitate the open space area modifications described below.

The open area improvements would consist of a number of modifications including proposed wayfinding signage, cladding an existing vent structure with bench seating, providing improved lighting and additional benches and cluster seating with LED underlighting. The two wayfinding signs would be located near the Penn Station entrances on Eighth Avenue. The signs would be free-standing pylons, approximately 8 feet tall by 2 feet wide, with identification for the Garden, and would contain text at eye level to direct the reader to the Arena's main entrance on Seventh Avenue. The building's exterior façade recesses and the compression ring at the top of the building would be illuminated. Decorative pavings, plaza identification plaques and other wafinding signage would be placed by the Penn Station entrance areas at 31st and 33rd Streets.

Absent the proposed action, there would be signage that is compliant with the current zoning regulations. Additionally, absent the proposed action, the open space areas would be

improved with new lighting, paving, seating, area wayfinding signage, and non-graphic screening at the loading area in accordance with the current Certification pursuant to Section 37-625. The build year is 2014.

Name, Description and Location of Proposal:

Sidewalk Cafe Listings for LIC and PC (Sunnyside Gardens) Special Districts and LIC District Area C Base Height Text Amendments

The applicant, New York City Department of City Planning (DCP), is proposing zoning text amendments to modify Article I, Chapter 4 (SIDEWALK CAFÉ REGULATIONS) and Article 11, Chapter 7 (SPECIAL LONG ISLAND CITY MIXED USE DISTRICT) to permit unenclosed and unenclosed small sidewalk cafes and to establish minimum base heights on two blocks. The proposed zoning text amendments would allow small sidewalk cafes along 19 streets within the Special Long Island City Mixed Use District (LIC District) and small sidewalk cafes along 1.5 blocks of Skillman Avenue within the Special Planned Community Preservation District PC District (Sunnvside Gardens) and would modify Section 117-532 to establish a minimum base height for two blocks in Area C of the Queens Plaza Subdistrict (QP Subdistrict) of the LIC District. The proposed text amendments do not modify the amount of allowable floor area or range of permitted uses. The proposed text amendments would affect portions of 195 blocks in the LIC District and PC District in the Long Island City and Sunnyside neighborhoods of Queens, Community Districts 1

The proposed sidewalk cafe amendments would affect all or portions of 195 block fronts within the LIC District and all or portions of two block fronts within Sunnyside Gardens. The proposed zoning text amendments would allow unenclosed and small sidewalk cafes on five existing and 14 emerging retail corridors within the LIC District and allow small sidewalk cafes on a one and one half block portion of Skillman Avenue within the Sunnyside Gardens. The sidewalk café amendments would also legalize several existing small sidewalk cafes.

The proposed zoning text amendments would affect the following sections:

- Section 14-44 to list the LIC District and the PC District (Sunnyside Gardens);
- Section 14-43 (Locations Where Only Small Sidewalk Cafes Are Permitted) to allow small sidewalk cafes in the PC District, along Jackson Avenue from 44th Drive to the prolongation of Dutch Kills Street, and along Queens Plaza North and Queens Plaza South; and
- Sections 117-03 (District Plan and Maps), 117-05 (Permitted Sidewalk Café Locations), and 117-00 (Appendix A) to specify streets where unenclosed and small sidewalk cafes would be allowed within the LIC District.

The proposed zoning text amendment to Section 117-532 would establish a minimum base height of 40 feet for buildings or portions of buildings facing Davis Street between the Sunnyside Yards and a point 75 feet from Jackson Avenue and 60 feet for the remaining street frontages of the two blocks, thereby ensuring predictable, pedestrian-scaled building bases for new buildings on these two blocks. Buildings with base heights as low as 10 to 15 feet, depending on the ground floor use, could be developed on two blocks within Area C of the QP Subdistrict. The proposed zoning text amendment is also proposed for Section 117-56 to allow projects associated with ULURP applications filed prior provisions. An application for a special permit to increase the allowable floor area ratio (FAR) from 5.0 to 8.0 is expected to be filed for a proposed development on Block 86/72, which is currently developed with a loft building complex known as 5Pointz. The proposed text amendment to Section 117-56 would allow the special permit project to proceed under the current height and setback provisions.

The proposed text amendments are intended to enliven streets where the proposed text amendment would allow small sidewalk cafes and support the growing residential, employee, student, and tourist populations along them and encourage buildings to relate harmoniously to surrounding development through appropriate minimum base heights and establish a strong pedestrian scale along the streets on which they front.

These changes are intended to reinforce the character of existing retail corridors and help to enliven emerging retail corridors and ensure predictable and pedestrian scaled building forms. The sidewalk cafes would promote active uses along established and emerging retail corridors and the minimum base height modification would promote a consistent and predictable streetscape. The text amendment would not increase the allowable FAR or change the location or type of development allowed. The proposed action is intended to produce better urban design and predictability along the existing and emerging retail corridors. The proposed text amendments are not intended to induce new development.

Absent the proposed action, the existing LIC/M1-5/R7-3 zoning would remain in effect and the existing sidewalk cafes would be removed. The analysis year is 2022.

TRANSPORTATION

NOTICE

PUBLIC NOTICE OF A CONCESSION OPPORTUNITY FOR THE OPERATION, MANAGEMENT AND MAINTENANCE OF PEDESTRIAN PLAZAS LOCATED AT DELANCEY STREET, NORFOLK STREET, SUFFOLK STREET AND CLINTON STREET, BOROUGH OF MANHATTAN

Pursuant to the Concession Rules of the City of New York, the Department of Transportation ("DOT") intends to enter into a concession for the operation, management, and maintenance of pedestrian plazas located at Delancey Street, Norfolk Street, Suffolk Street, and Clinton Street, Borough of Manhattan ("Licensed Plaza"), including through DOT-approved events, sponsorships, and subconcessions including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that helps brand or promote the neighborhood or the concessionaire, and other similar merchandise.

Subconcessions would be awarded based on solicitations issued by the concessionaire in the basic form of Request for Proposals or Request for Bids, subject to DOT's prior written approval of both solicitation and award.

DOT has identified the Lower East Side (LES) District Management Association, Inc. as a potential concessionaire, but DOT will consider additional expressions of interest from other potential not-for-profit concessionaires for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly accessible facilities, including but not limited to programming/events management and concession or retail operation/management.

Not for profit organizations may express interest in the proposed concession by contacting Andrew Wiley-Schwartz, Assistant Commissioner for Public Spaces, by email at awileyschwartz@dot.nyc.gov or in writing at 55 Water Street, 9th Floor, New York, NY 10041 by January 7, 2013. Mr. Wiley-Schwartz may also be contacted with any questions relating to the proposed concession by email or by telephone at (212) 839-6678.

Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the concession process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, New York 10007, telephone number (212) 669-2323.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nvc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

OLB/c recycled preference

other: (specify)

OLB/d

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
