NOTICE

NOTICE OF PUBLIC SCOPING MEETING

Project Title: World Trade Center Campus Security Plan
CEQR No.: 12NYP001M

Lead Agency: New York City Police Department

Contact Person: Lieutenant David Kelly
New York City Police Department
One Police Plaza
New York, NY 10038
Tel: 646-610-4557
Email: WTCEIS@nypd.org

Notice is hereby given that pursuant to Section 5-07 of the Rules of Procedure for City Environmental Quality Review (CEQR) and 6 NYCRR 617.8 (State Environmental Quality Review), the New York City Police Department (NYPD) is assuming lead agency status for this application and is initiating the CEQR review. NYPD has determined that a Draft Environmental Impact Statement is to be prepared for the proposed World Trade Center Campus Security Plan (CEQR No. 12NYP001M).

The CEQR lead agency will prepare a Draft Environmental Impact Statement in accordance with Article 8 of the New York State Environmental Conservation Law, 6 NYCRR Part 617.9(b) and Sections 6-08 and 6-12 of N.Y.C. Executive Order 91 of 1977, as amended (City Environmental Quality Review).

The Lead Agency, the NYPD, is proposing to implement a comprehensive perimeter vehicle security plan for the World Trade Center (WTC) Site (the "Campus Security Plan") to protect against vehicle-borne explosive devices while ensuring an open environment that is hospitable to remembrance, culture, and commerce. The Campus Security Plan bars unscreened vehicles from entering the Site and certain areas at the perimeter of the site and creates stand-off distances to guard against the risk of progressive collapse of buildings and other catastrophic damage to persons and property. A vehicle seeking to enter restricted areas would be subject to credentialing to determine whether entry is authorized and screening to ensure that the vehicle does not contain dangerous material. The creation of a Trusted Access Program (TAP), in which tenants, car services, taxis and delivery vans could enroll, is envisioned to expedite vehicle entry.

The Vehicular Security Center (VSC) planned in conjunction with the WTC development will control access to the WTC Site's underground traffic network, loading docks, and parking areas. All vehicles parking or making deliveries at the site would be processed and screened at the VSC. As it is anticipated that demand for on-site delivery, tour bus and private occupancy vehicle (POV) parking will be considerable, it is expected that a management strategy including scheduling of tour buses and truck deliveries will be developed to ensure orderly and efficient operations.

The Project Area includes all streets, sidewalks and buildings that would be directly affected by the installation of the proposed security infrastructure. This area is generally bounded by Barclay, West, Thames, and Church Streets. Under the proposed Campus Security Plan four vehicular access points are located at: Washington Street/Barclay Street; West Broadway/Barclay Street; Church Street/Liberty Street; and Liberty Street/West Street. The secure perimeter would consist of various types of vehicle interdiction devices, which would include static barriers (such as bollards or walls) and operable barriers to allow vehicle access, all under NYPD control.

A build year of 2019 has been selected for the Proposed Action to coincide with the anticipated full build-out of the WTC program, including the Performing Arts Center, 2 WTC, and 3 WTC.

A public scoping meeting has been scheduled for **Wednesday, March 14, 2012 from 4:00 P.M. to 8:00 P.M. at the New York City Department of City Planning in Spector Hall**. The Department of City Planning is located at 22 Reade Street, New York, New York. The period for submitting written comments will remain open for a minimum of ten days following the scoping meeting (**Monday, March 26, 2012**). Comments received by NYPD after 5 PM on March 26, 2012 will not be considered. Comments should be sent to Lieutenant David Kelly at the address listed above.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
