Article VII - Administration

Special Permits by the City Planning Commission

74-682

Development over streets

In R9 or R10 Districts when the air space above a #street# or portion thereof is closed, demapped and conveyed by the City to the owner of an adjoining #zoning lot# owned by a nonprofit institution pursuant to State enabling legislation enacted in 1971, the City Planning Commission may, by special permit, allow in such demapped air-space, ee as part of the adjoining #zoning lot#, the #development# or #enlargement# of #buildings# which are an expansion of an existing hospital, college, university or functionally-related facility. In connection therewith, the Commission may also permit modification of off-street loading and #bulk# regulations, except #floor area ratio# regulations, under the applicable district regulation, provided that. In addition to the requirements set forth in the 1973 Agreement among the City of New York, the Society of the New York Hospital, and the New York Society for the Relief of the Ruptured and Crippled, maintaining the Hospital for Special Surgery, and the Rockefeller University are met; and that such demapped air space shall be considered as part of the adjoining #zoning lot#, except that any #building# located in demapped air space shall utilize only unused #floor area# from the portion of the

adjoining #zoning lot# not within the demapped air space. In order to grant such special permit the Commission shall find that:

- for #development# or #enlargements# in such demapped air space and for modification of #bulk# regulations, that the location and distribution of new #bulk# shall result in a good site plan in relation to the existing #buildings# on site and in the area, the location and distributi ult in a good site plan; and
- any #building# located in demapped air space utilizes only unused #floor area# from the of the adjoining #zoning lot# not within the demapped air space; and
- #building# located in the demapped air shall comply with the #accessory# off street parking and loading requirements of the application
- for modification of off-street loading requirements, (a) $\underline{when\ such\ non\text{-}profit\ institution\ includes\ more}$ than one #building# on two or more #zoning lots#, the City Planning Commission may determine the required number of loading berths as if such nonprofit institution were located on a single #zoning lot#, and may permit such loading berths to be located anywhere within such institution without regard for #zoning lot lines#, provided that such loading berths will be:
 - (1) adequate to serve the requirements of the institution;
 - accessible to all the #uses# in such institution without the need to cross any #street# at grade; and
 - <u>(3)</u> located so as not to adversely affect the movement of pedestrians or vehicles on the #streets# within or surrounding such institution.

The Commission may impose additional conditions and safeguards, consistent with the requirements set forth in the 1973 Agreement, to improve the quality of the #development# and minimize adverse effects on the character of the surrounding area.

The #curb level# of a #zoning lot# of which the demapped air space is a part shall not be affected by the closing and demapping of air space above such #street#. However, the Commission may establish an appropriate level or levels instead of #curb level# as the reference plane for the applicable regulations relating to #open space#, #yards#, level of #yards#, equivalent #rear yards#, #rear yard# setback, minimum distance between #buildings#, and the front height and setback.

NOTICE

On Wednesday, July 2, 2008, at 10:00 a.m., in Spector Hall, at the Department of City Planning, 22 Reade Street, in Lower Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning the Hospital for Special Surgery (HSS) Expansion, a proposal involving several actions including a Special Permit for new construction in the air space over the FDR Drive, modification of the existing Special Permit for the East Wing of the Main Hospital, a Zoning Text Amendment for modification of off-street loading requirements to allow loading berths to be located anywhere within the HSS campus, a City Map Amendment to eliminate, discontinue and close portions of the FDR Drive right-of-way and the disposition of real property related thereto, to allow for the placement of columns and footings associated with construction of the proposed River Building on the sidewalk at the west edge of the FDR Drive and east of the roadway of the FDR Drive, in the East

River Esplanade, and Waterfront Revitalization Program consistency determination from the City Coastal Commission. Additionally, the proposed project requires approvals by several other agencies, including the New York City Department of Transportation (NYCDOT) of closures of streets or traffic diversions due to construction, approval from the New York City Art Commission for construction over the FDR Drive, issuance of bonds by the **Dormitory Authority of the State of New York** (DASNY), and Federal construction loan insurance guarantee from the Federal Housing Administration

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 05DCP061M.

No. 5 33 GREAT JONES STREET

CD 2 C 070450 ZSM

IN THE MATTER OF an application submitted by Great Jones Realty Corp. pursuant to Sections 197-c and 201 of the New York City Charter for the grant of a special permit pursuant to Section 74-781 of the Zoning Resolution to modify the use regulations of Section 42-14(D)(2)(b) to allow Use Group 6 uses (retail uses) on the ground floor and cellar of an existing three story building on property located at 33 Great Jones Street (Block 530, Lot 24), in an M1-5B District.

Plans for this proposal are on file with the City Planning Commission and may be seen in Room 3N, 22 Reade Street, New York, N.Y. 10007.

Nos. 6, 7, 8 & 9 WHITNEY MUSEUM

N 080406 ZRM

IN THE MATTER OF an application submitted by the Whitney Museum of American Art and the Economic Development Corporation pursuant to Section 201 of the New York City Charter for amendment of the Zoning Resolution of the City of New York, concerning Section 74-92, (Use Group 3A and 4A Community Facilities and Certain Large Retail Establishments in Manufacturing Districts) to facilitate the Whitney Museum expansion, Borough of Manhattan, Community District 2.

Matter **Underlined** is new, to be added; Matter in Strikeout is old, to be deleted; Matter within # # is defined in Section 12-10; * * * indicate where unchanged text appears in the Zoning Resolution

Use Groups 3A and 4A Community Facilities and Certain Large Retail Establishments in Manufacturing **Districts**

74-921

Use Groups 3A and 4A community facilities

Use modifications for Use Groups 3A and 4A <u>(a)</u> in M1 Districts

In M1 Districts, except for houses of worship, the City Planning Commission may permit #uses# listed in Use Group 4A - Community Facilities and, in M1-5 Districts, except in M1-5A, M1-5B and M1-5M Districts, the Commission may permit museums and non-commercial art galleries as listed in Use Group 3A, provided that such community facility is located not more than 400 feet from the boundary of a district where such facility is permitted as-of-right and the Commission finds that:

- an adequate separation from noise, traffic and other adverse effects of the surrounding non-#residential districts# is achieved through the use of sound-attenuating exterior wall and window construction or by the provision of adequate open areas along #lot lines# of the #zoning lot#;
- such facility is so located as to draw a minimum of vehicular traffic to and through local #streets# and that such #use# will not produce traffic congestion or other adverse effects that interfere with the appropriate #use# of land in the district or in any adjacent district;
- where applicable, adequate reservoir space at the vehicular entrance and sufficient vehicular entrances and exits are provided to prevent congestion:
- in selecting the site, due consideration has been given to the proximity and adequacy of bus and rapid transit facilities;
- for a Use Group 4A #use#, within the neighborhood primarily to be served by the community facility, there is no practical possibility of obtaining a site of adequate size located in a district where it is permitted as-of-right because appropriate sites in such districts are occupied by substantial improvements; and
- (**£** <u>6</u>) such facility will not impair the essential character of the surrounding area.

The provisions of this special permit relating to Use Group 3A museums and non-commercial art galleries shall be inapplicable to the #Special Tribeca Mixed Use District#.

Bulk modifications for museums in M1-5

For a #building# containing a museum #use# listed in Use Group 3A, in an M1-5 District, on a #zoning lot# over which the High Line (as defined in Section 98-01) passes, the Commission may modify height and setback regulations, provided that such modifications:

- provide a better distribution of #bulk# on the #zoning lot#;
- result in a better relationship of the #building# to open areas including the High Line, adjacent #streets# and surrounding #developments#;
- provide adequate light and air for #buildings# on the #zoning lot# and do not adversely affect adjacent #zoning lots# by unduly restricting access to light and air to surrounding #streets# and properties; and
- result in a #development# that facilitates the public's use and enjoyment of the High Line.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

JUVENILE JUSTICE

■ SOLICITATIONS

Human / Client Service

CORRECTION: PROVISION OF NON-SECURE **DETENTION CENTERS** – Negotiated Acquisition – Judgment required in evaluating proposals -PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – CORRECTION: The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be \$1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 110 William Street, 13th Floor, New York, NY 10038. The expression of interest should specifically address the following:

- 1. Indicate each program facility for which the vendor is submitting.
- 2. Describe each proposed facility, its location, and proposed date of operation.
- 3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

- 4. For each proposed facility, a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
- b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.
- 5. Demonstrate the vendor's organizational capability to: a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in $addition\ to\ those\ already\ provided.)$
- b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.
- 6. Demonstrate the quantity and quality of the vendor's successful relevant experience.
- $7.\ Attach\ for\ each\ proposed\ facility\ three-year\ annual\ line$ item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

AGENCY RULES

SANITATION

■ NOTICE

NOTICE OF ADOPTION OF FINAL RULES RELATING TO RESIDENTIAL ENFORCEMENT ROUTING HOURS

NOTICE IS HEREBY GIVEN in accordance with the requirements of Section 1043 of the New York City Charter and pursuant to the authority vested in the Commissioner of the Department of Sanitation by section 753(a) and (b) of the New York City Charter that the Department proposes to adopt the following rule governing the designation of certain hourly periods during the day when authorized Department representatives may issue notices of violation to residential property owners for litter conditions in front of their premises. This rule amends section 15-01(c) of Chapter 15 of Title 16 of the Rules of the City of New York. The Department published a Notice of Opportunity to Comment on the proposed rule in the City Record on May 16, 2008. On June 17, 2008 the Department held a public hearing on the proposed rules. Existing provisions to be deleted are shown below in brackets and new provisions are underlined.

Section 1. $\S15-01(c)$ of Chapter 15 of Title 16 of the Rules of the City of New York is amended to read as follows:

(c) Hours of Residential Enforcement Routing. The Department establishes the periods from 8:00 A.M. to 9:00 A.M. and from [12:00 P.M. to 1:00 P.M.] 6:00 P.M. to 7:00 P.M. as the two (2) one-hour periods during which time the Department will conduct citywide enforcement routing for residential premises.

STATEMENT OF BASIS AND PURPOSE

The Commissioner of the New York City Department of Sanitation is authorized to adopt rules relating to street cleanliness pursuant to section 753(a) and (b) of the New York City Charter. Pursuant to Administrative Code \$16-118(2), owners, lessees, tenants, occupants, and persons in charge of any building or dwelling, or portion thereof, are responsible for maintaining the sidewalks in front of their premises, and eighteen inches from the curb into the street, free of litter.

Local Law No. 47 of 2007 amended \$16-118.1 of the New York City Administrative Code by limiting the period of time when the Department could issue notices of violation to owners, lessees, tenants, occupants, and persons in charge of residential premises for violations \$16-118(2) to two predetermined one-hour periods each day. This local law establishes the predetermined times as 8:00 to 9:00 A.M. and 6:00 to 7:00 P.M. As a result of this local law, the Department proposes to amend its rules to establish the second, predetermined one hour residential enforcement period as being from 6:00 to 7:00 P.M.

The Landmarks Preservation Commission, at the Public Meeting of May 20, 2008, following the Public Hearing of the same date, voted to issue a positive report for a proposal for modifications to a vehicular entrance, near East 102nd Street, within Central Park, as put forward in your application completed on April 24, 2008. Aspects of this work are related to the permanent closing of the roadway to vehicular traffic.

The proposal, as approved, consists of modifying the vehicular entrance and adjoining pedestrian pathways, sidewalk and landscaping, including eliminating a traffic island and section of the roadway; replacing the existing asphalt vehicular drive, with painted traffic lines, with new asphalt paving, without traffic lines; replacing concrete curbing with granite curbing and granite gutters, with metal catch basin grates, at the sides of the roadway; replacing the existing hexagonal paving at pedestrian pathways with new asphalt paving, matching adjoining pathways; installing a band of granite block pavers at the eastern end of the roadway, adjoining Fifth Avenue; installing black-painted, metal bollards at the western and eastern ends of the roadway; relocating and replacing lampposts at the sides of the roadway; and replacing a lamppost light fixture with a traffic signal light at an existing post base. The proposal was shown on eleven presentation boards, dated May, 2008, and one presentation board, labeled March 2008, consisting of drawings and photographs, and all prepared by the Central Park Conservancy and presented at the Public Hearing and Public Meeting.

In reviewing this proposal, the Commission noted that Central Park Scenic Landmark Designation Report In reviewing this proposal, the Commission noted that Celinal Fails Section 2000 Offmsted and Vaux, and in the existing entrance, near East 102nd Street, is one of the original vehicular entrances to the park. The Commission also notes that Commission Advisory Report 07--07-5 (LPC 07-1615) was issued February 9, 2007 for alterations to the east side landscapes, located between East 102nd Street and East 108th Street in entral Park, including selectively replacing pathways.

With regard to this proposal, the Commission found that the realignment of the vehicular roadway to With regard to this proposal, the Commission found that the realignment of the vehicular roadway to eliminate the traffic island and one section of roadway will return the roadway closer to its historic configuration and reduce the overall amount of paving in keeping with the naturalistic character of the park; that the replacement of pathway paving and curbing materials will not eliminate any significant landscape features or alter the overall character of the entrance; that the proposed concrete and asphalt pathway paving, grainte block sidewalk paving and granite curbing, as well as the new band of granite block pavers at the roadway entrance and granite thresholds at the pedestrian pathway entrances, will be compatible with the adjoining paving and curbing materials, as well as in keeping with the utilization of these materials throughout the park and sidewalk; that the limited use of bollards at the intersection of this roadway with adjoining active vehicular roadways will help address traffic pattern changes without disrupting significant landscaped areas or prominent vistas; that the simple design, dark finish, small size, and limited number of bollards will help these installations to remain a discreet presence; that the proposed lampposts, granite block gutters, catch basins and traffic signal light will be in keeping with the style, scale and placement of these furnishings throughout the park; and that the proposed work will support the significant historic and naturalistic character of the Central Park Scenic Landmark. Based on these findings, the Commission determined that the work is appropriate to the site and voted to issue a positive report. determined that the work is appropriate to the site and voted to issue a positive report.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction. requires a report from the Landmarks reservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission, at the Public Meeting of May 22, 2008, following the Public Hearing of April 22, 2008, voted to issue a positive report for a proposal for the replacement of artificial to at an athletic field within the Riverside Park and Riverside Drive Scenic Landmark, as put forward in your application completed on March 27, 2008.

The proposal, as approved, consists of the replacement of an existing brown artificial turf surface at an athletic field, within Riverside Park and near West 101st Street, with a new green artificial turf surface (Mondoturf Artificial Turf System). The proposal was shown on three presentation boards, labeled Sk-1, EC-1 and HS-1, dated April 11, 2008, and consisting of photographs and drawings, as well as a sample of the artificial turf, all submitted by the City of New York Department of Parks & Recreation and presented the Public Hearing and Public Meeting.

In reviewing this application, the Commission noted that the Riverside Park and Riverside Drive Scenic Landmark Designation Report describes the park and drive as an English Romantic style park and parkway, built in 1873-1902 and designed by Frederick Law Olmsted, with modifications and additions designed by Clifton Lloyd and Gilmore Clarke and built in 1934-1937. The Commission also noted that the West 101st Street athletic field is within the area added to Riverside Park during the 1930s; and that Advisory Commission Report 97-2641 (LPC 97-0613) was issued November 27, 1996 for the installation of artificial turf at the athletic field.

With regard to this proposal, the Commission found that the removal of existing artificial turf will not With regard to this proposal, the Commission found that the removal of existing artificial turf will not eliminate an original feature or a significant lare alreation to the park; that the proposed artificial turf, approximating the color and texture of grass, when seen from a fittance in the context of landscaped portions of the park, will recall the appearance of grass, the reby supporting the naturalistic character of the park; that although the proposed artificial turf will not replicate the appearance of real grass when seen in close proximity, its limited use at this simply-designed athletic field, largely separated from the landscaped areas by asphalt paving, fencing, the highway and maxomy walls will not disrupt a unified landscape feature or vista and will not detract from such protected elements by proximity; and that the proposed work will not detract from the significant architectural and historic character of the Riverside Park and Riverside Drive Scenic Landmark. Based on these findings, the Commission determined that the work is abordoriate to the Scenic Landmark. Based on these findings, the Commission determined that the work is appropriate to the

The Commission received final drawings L-1 and L-2, dated June 6, 2007 and prepared by the Olmsted Center of the New York City Department of Parks and Recreation

Accordingly, staff reviewed these drawings and noted that they include additional work, consisting of resetting existing concrete block pavers surrounding the athletic field and throughout the recreation area. With regard to this work, staff found that that the concrete block pavers will be reset to a level grade, without changes to their placement or the design. Additionally, staff found that the design approved by the Commission has been maintained. Based on these and the above findings, the drawings have been marked approved with a perforated seal, and Commission Advisory Report 08-9859 is being issued.

This report is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those describes in the application or disclosed during the review process.

This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for constructing a temporary covered stage and installing temporary tents, generators, trailer, stairs, and related cables and ballasts, all to be removed by September 2, 2008, as described in written specifications, dated May 27, 2008 and May 28, 2008, and shown on a site plan, dated received May 28, 2008, and drawings 101, 102, 103 and 104, dated May 27, 2008 and prepared by Richard H. Balser, PE, all submitted as components of the application.

In reviewing this proposal, the Commission notes that the McCarren Play Center Designation Report describes the play center as a bath house, pools, and associated buildings, perimeter walls, piers, pathways, and fencing, featuring classical forms and modern vocabulary, designed by Aymar Embury II, Joseph L. Hautman, Henry Ahrens and others and built in 1934-1936, as well as the surrounding landscaping, designed by Gilmore D. Clarke and others.

With regard to this proposal, the Commission finds that in accordance with the provisions of RCNY, Title 63, Section 2-18, that the temporary installations will be installed for less than one year; that the installation will cause no damage to significant protected architectural features of the property; and that a plan and time schedule for the dismantling of the installations has been submitted as a component of the application. This report is issued pursuant to Section 25-318 of the Administrative Code of the City of New York, which requires a report from the Landmarks Preservation Commission for plans for the construction, reconstruction, alteration, or demolition of any improvement or proposed improvement which is owned by the City or is to be constructed upon property owned by the City and is or is to be located on a landmark site or in a historic district or which contains an interior landmark.

The Landmarks Preservation Commission has reviewed a proposal for constructing a temporary covered stage at the southern end of the Long Meadow, to be removed by June 22, 2008, as described in written specifications, dated June 9, 2008 and June 10, 2008, and shown on a site plan, titled Prospect Park, dated revised June 4, 2008; drawing 100, dated June 3, 2008; and drawing 101, dated revised June 6, 2008 and prepared by Richard H. Balser, PE, all submitted as components of the application.

The Commission notes that the Prospect Park Designation Report describes Prospect Park as a primarily naturalistic style park, with picturesque features, designed in 1865 by Frederick Law Olmsted and Calvert

With regard to this proposal, the Commission finds that in accordance with the provisions of RCNY, Title 63, Section 2-18, that the temporary installation will be installed for less than one year; that the installation will cause no darnage to significant protected architectural features of the property; and that a plan and time schedule for the dismantling of the installation has been submitted as a component of the application. The work, therefore, is approved.

Please note that this permit is being issued in conjunction with Staff Advisory Report 09-0777 (LPC 09-0700), issued on June 11, 2008 for the temporary installation of tents, generators and trailers.

This report is issued on the basis of the building and site conditions described in the application and

disclosed during the review process. READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers. workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign** Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
