Use Groups 3A and 4A Community Facilities and Certain Large Retail Establishments in Manufacturing

74-921

Use Groups 3A and 4A community facilities

In M1 Districts, except for houses of worship, the City Planning Commission may permit #uses# listed in Use Group 4A - Community Facilities and, in M1-5 Districts, except in M1-5A, M1-5B and M1-5M Districts, the Commission may permit museums and non-commercial art galleries as listed in Use Group 3A, provided that such community facility is located not more than $400\ \mathrm{feet}$ from the boundary of a district where such facility is permitted as-of-right and the Commission finds that:

- such facility will not impair the essential character of the surrounding area.

The provisions of this special permit relating to Use Group 3A museums and non-commercial art galleries shall be inapplicable to the #Special Tribeca Mixed Use District#.

Bulk modifications for museums in M1-5 **Districts**

For a #building# containing a museum #use# listed in Use Group 3A, in an M1-5 District, on a #zoning lot# over which the High Line (as defined in Section 98-01) passes, the Commission may modify height and setback regulations, provided that such modifications:

- provide a better distribution of #bulk# on the #zoning lot#;
- result in a better relationship of the #building# to open areas including the High Line, adjacent #streets# and surrounding #developments#;
- provide adequate light and air for #buildings# on the #zoning lot# and do not adversely affect adjacent #zoning lots# by unduly restricting access to light and air to surrounding #streets# and properties; and
- result in a #development# that facilitates the public's use and enjoyment of the High Line.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects on the character of the surrounding area.

The City Planning Commission, acting as lead agency, issued a Notice of Completion on May 16, 2008 for a Draft Environmental Impact Statement (DEIS) for the proposed Dutch Kills Rezoning and Related Actions in accordance with Article 8 of the Environmental Conservation Law. A public hearing on the DEIS will be held on Wednesday, July 23rd, 2008 at 10:00 A.M. in Spector Hall, at the Department of City Planning located at 22 Reade Street, New York, New York 10007. Comments are requested on the DEIS and will be accepted until Monday, August 4th, 2008.

The DEIS analyzes a proposal by the New York City Department of City Planning (DCP) to adopt zoning map and text amendments for an area encompassing approximately 40 blocks in the Dutch Kills neighborhood of Queens Community District 1. The area would generally be rezoned from current M1-3D and M1-1 to M1-2/R5B, M1-2/R5D, and M1-3/R7X mixed-use zoning districts and, for a small portion of the western side of the rezoning area, to M1-2. The proposed zoning text amendments would facilitate the creation of the Dutch Kills Subdistrict within the Special Long Island City Mixed-Use District, establish an Inclusionary Housing program in the proposed M1-3/R7X district near Northern Boulevard, and modify certain provisions of the proposed underlying districts.

The rezoning area is comprised of 70 acres and is generally bound by 36th Avenue to the north, the west side of Northern Boulevard to the east, 41st Avenue to the south, and 23rd Street to the west. The rezoning area is located north and west of the Sunnyside Yard and north of the Queens Plaza Subdistrict and the Special Long Island City Mixed-Use District. The proposed zoning changes are intended to encourage appropriate new development and economic growth opportunities in the Dutch Kills Subdistrict as well as accomplish the following land use policies: allow residential and mixed-use development in the Dutch Kills Subdistrict that would more closely match existing building scales and context; direct new development at higher densities to wide streets with good access to transit; provide incentives for affordable housing in areas proposed for higher density mixed-use development; and support a broad range of commercial and light industrial businesses consistent with the area's diverse mix of land uses.

The development scenario outlined in the DEIS identified 40 projected development sites considered most likely to be developed by 2017 as a result of the proposed actions. In addition, there are 192 potential development sites considered to have less development potential and which are less likely to be developed in the foreseeable future. Development in the rezoning area is expected to achieve a net increase of 1,555 dwelling units than in the future condition without the proposed actions, of which approximately 187 would be affordable units provided through proposed the Inclusionary Housing program, and 410 additional accessory parking spaces. It would also result in a net decrease of 197,470 square feet (sf) of commercial space; a net decrease of 180,536 sf of industrial space; and a net decrease of 41,697 sf of community facility space from the anticipated future condition without the proposed actions.

The DEIS identifies potential significant adverse impacts related to open space, historic resources, and traffic. The DEIS identifies measures that would fully or partially mitigate impacts for open space and traffic and these potential mitigation measures will be further explored and evaluated in the FEIS. If the proposed mitigation measures are determined to be infeasible, the significant adverse impacts would remain unmitigated. The DEIS identifies unavoidable significant adverse impacts in the areas of historic resources and traffic.

Copies of the Draft Environmental Impact Statement, Final Scope of Work, and the Environmental Assessment Statement for the proposed Dutch Kills Rezoning and Related Actions may be obtained from the Environmental Assessment and Review Division, New York City Department of City Planning, 22 Reade Street, 4E, New York, New York 10007, Robert Dobruskin, Director (212) 720-3423; or from the Mayor's Office of Environmental Coordination, 253 Broadway, 14th floor, New York, New York 10007, Robert Kulikowski, Director (212) 788-2937; and on the New York City Department of City Planning's website at http://www.nyc.gov/html/dcp/html/env_review/eis.shtml.

Notice of Adoption of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board (ECB) by Section 1404(c) (3) of the New York City Charter, and in accordance with Section 1043(b) of the Charter, that the Environmental Control Board hereby promulgates the following rule. The rule was published in The City Record on April 30, 2008, and a Public Hearing was held on June 4, 2008.

Section 1. The Sanitation Penalty Schedule found in Section 31-122 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of, New York is amended, to add a new charge, at the end of that Penalty Schedule, immediately following the entry in that penalty schedule for 16 RCNY 11-02(a), (b), "Late filing of medical waste plans or reports Within 30 days as per 16 RCNY 11-02(c)," as follows:

New matter is <u>underlined</u>.

SECTION/RULE DESCRIPTION PENALTY DEFAULT

NYS General Placement of unsolicited 250 250

Business Law

§397-a advertisements on private property in a manner contrary to sign authorized by General Business Law \$397-a.

Statement of Basis and Purpose of Final Rule

The Environmental Control Board (ECB) and the Department of Sanitation (DSNY) had a joint Public Hearing on June 4, 2008. There were four individuals present to offer verbal comments into the public record. Two were private citizens, one was a representative from Councilman Vincent

Gentile's Office, and one was Councilman Simcha Felder.

The Board has revised the Sanitation Penalty Schedule found in Section 31-122 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add one charge, for a violation of NYS General Business Law Section 397-a, for placement of unsolicited advertisements on private property without the authorization of the property owner. This charge is being added in light of the fact that on January 28, 2008, Governor Spitzer signed into law Chapter 3 of the Laws of 2008, in relation to the distribution of unsolicited advertising on private property. This law amends Section 397-a of the General Business Law to prohibit persons or entities, in cities having a population of one million or more, from placing advertisements, circulars, etc. at private premises where the owner displays a conspicuous sign, at least 5 inches by 7 inches in size, stating "Do Not Place Unauthorized Materials On This Property." Mayor Bloomberg has designated the NYC Department of Sanitation to enforce this law. Accordingly, a new charge, corresponding to the provisions of the new law, has been added to the Sanitation Penalty Schedule to enforce against violations thereof.

(a) at least one unit owner or lessee of each separate dwelling unit within the building or on the property has agreed to prohibit unsolicited advertisements; and

(b) the property-owner has posted or caused to be posted in a conspicuous location a sign which is not less than 5 inches by 7 inches in size and which states in legible letters at least one inch in size: "Do Not Place Unsolicited Advertising Materials On This Property"; or

2) one or more unsolicited advertisements are placed on private property at a multiple dwelling in a location other than that specified on a sign at the multiple dwelling, or the number of unsolicited advertisements exceeds the number specified on the sign, where:

(a) the property-owner has posted or caused to be posted in a conspicuous location a sign which is not less than 5 inches by 7 inches in size and which states in legible letters at least one inch in size i) the number of unsolicited advertisements that may be left on the property and/or ii) a particular location or appropriate receptacle where the unsolicited advertisements may be placed; and

(b) if a number of permitted unsolicited advertisements is specified on the sign, the number represents at a minimum every separate dwelling unit in the building where the unit owners or lessees have not consented to prohibit unsolicited advertisements.

The department may issue a notice of violation to any person it determines to be responsible for the unauthorized placement of an unsolicited advertisement at a multiple dwelling based upon the submission of a property owner complaint form to the department by the owner of a multiple dwelling, or the owner's designated agent. The property owner must complete the complaint form and, as set forth in the complaint form, certify that the information is truthful and accurate, and acknowledge that false statements in the complaint form are punishable under section 210.45 of the New York State Penal Law. The property owner must submit the signed and completed complaint form together with the unsolicited advertisement. If one or more advertisements are bundled and tied together by a rubber band, string, or otherwise, or are bundled and placed inside any outer wrapper, all of the materials must be submitted together with the complaint form.

c) The owner of a multiple dwelling, or his or her designated agent, who has submitted a property owner complaint form resulting in the department's issuance of a notice of violation, may be called upon to furnish to the environmental control board for the city of New York a list of all current occupants of each apartment or unit within the multiple dwelling at the time the violation occurred, indicating whether the occupants residing therein at the time of such alleged violation consented to prohibiting the placement of unsolicited advertisements within such multiple dwelling, and how this information was obtained.

d) The owner of any multiple dwelling, or his or her designated agent, may obtain a property owner complaint form through the department of sanitation website or by calling the city of New York 3-1-1 action center.

e) The owner, or his or her designated agent, of any multiple dwelling shall mail his or her signed complaint form together with the unsolicited advertisement to: Director of Enforcement c/o Lawn Litter, New York City Department of Sanitation, 1824 Shore Parkway, Brooklyn, New York 11214.

The owner of a multiple dwelling, or his or her

designated agent, who has submitted a property owner complaint form resulting in the department's issuance of a notice of violation, may be called upon to appear at an adjudicatory hearing by the environmental control board for the city of New York for the purpose of testifying in such adjudicatory matter. If the environmental control board determines that the appearance of the property owner or designated agent is necessary, such property owner or designated agent shall be contacted so that a date and time for the property owner or designated agent's appearance can

§16-04 Enforcement Agent Authority

Nothing in this chapter shall be construed to preclude an enforcement agent from issuing a notice of violation based on his or her own observations, or in any other way to limit the authority of any enforcement agent.

Statement of Basis and Purpose. Pursuant to §753 of the New York City Charter, the Sanitation Commissioner is authorized to adopt rules relating to street and sidewalk cleanliness. In New York City, the owners of private homes and multiple dwellings are responsible for maintaining their properties in a clean manner. This includes the areas behind owners' property lines, as well as the public sidewalks abutting their properties and 18 inches from the curb line. While many property owners carefully monitor their properties to ensure they are kept free from sidewalk and street litter debris, unsolicited advertisements that are deposited on doorsteps or other areas of private property can be blown away by the wind causing litter to accumulate upon

the streets and sidewalks abutting residential premises. This causes a serious visual and physical blight upon communities across New York City. Also, the accumulation of materials when residents are away can send a signal to potential burglars or others that no one is at home. In addition, when deposited in front of private homes and in the foyer entrances of apartment buildings, unsolicited printed material accumulated in sufficient quantities can jeopardize the safety of the occupants and their guests. The materials, when wet or covered with snow and ice, may cause a person to slip and fall. A similar slip and fall may also occur when printed matter is placed on smooth interior floors of apartment buildings. These materials also create a nuisance for unwilling recipients who must ultimately collect and dispose of them. Additionally, distribution of unsolicited advertising materials invades the privacy of individuals and families who do not wish to be solicited in their homes.

To address the littering problem associated with the distribution of advertisements to private residences while preserving the privacy of persons who do not wish to be solicited at their homes or apartments, the Governor signed into law Chapter 3 of the Laws of 2008 on January 28, 2008. This new law, together with Chapter 585 of the Laws of 2007, amends Section 397-a of the New York State General Business Law ("NYS GBL") by making it unlawful for any person to distribute unwanted advertisements on private property if the owner posts a sign in accordance with the law indicating his or her desire not to receive such materials. Also pursuant to Chapter 3 of the Laws of 2008, on February 20, 2008, Mayor Michael Bloomberg designated the New York City Department of Sanitation (DSNY) to locally enforce the new chapter law requirements in the City

The purpose of this rule is to set forth the procedures for owners of one, two and three family dwellings, and multiple dwellings, to inform DSNY of any violation that has occurred at the owner's property in order for DSNY to take necessary enforcement action against the responsible party. Additionally, this rule defines "unsolicited advertisement" in accordance with the law. Specifically, the only advertising materials that are covered are materials advertising one or more businesses or soliciting business, which do not contain more than a de minimis amount of news, in that they do not contain any editorial content or information other than material concerning a) the business or businesses, or b) services or products offered by the business or businesses.

This final rule has been modified to reflect the comments received by DSNY during the public comment period. In response to these comments, DSNY has deleted the provision requiring home owners to have their complaint form signed before a notary. Instead, home owners will be required to certify that the information is truthful and accurate, and acknowledge that false statements in the complaint form are punishable under section 210.45 of the New York State Penal Law. A violation of section 210.45 of the Penal Law is a class A misdemeanor. Additionally, DSNY has redefined a twofamily dwelling to allow an absentee owner to post the required sign as well as submit the property owner complaint form. The three-family dwelling definition has been clarified to indicate that a three-family home that does not meet the requirements of the "three-family dwelling" definition will be treated as a "multiple dwelling" for purposes of this rule.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers. workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
