NOTICE

#### PUBLIC NOTICE OF A SCOPING MEETING DRAFT ENVIRONMENTAL IMPACT STATEMENT (CEQR No. 09DCP002K)

The scoping notice below, which was originally published in the City Record on August 8, 2012, corrects a typographical error in the first paragraph. The original notice erroneously named the project the Gowanus Rezoning instead of the Rheingold Development Rezoning. The scoping notice is otherwise accurate.

Notice is hereby given that pursuant to Section 5-07 of the Rules of Procedure for Environmental Review (CEQR) AND 6

NYCRR 617.8 (State Environmental Quality Review) that the New York City Department of City Planning, acting on behalf of the City Planning Commission as CEQR lead agency, has determined that a draft environmental impact statement is to be prepared for the proposed actions related to the redevelopment of Rheingold Development Rezoning and Related Actions, CEQR Number 09DCP002K. The SEQRA classification for this proposal is Unlisted.

A public scoping meeting has been scheduled for Monday, September 10th, 2012 at the New York City Department of City Planning, Spector Hall, 22 Reade Street, New York, New York, 10007. The meeting will be held at 10:00 A.M. Written comments will be accepted by the lead agency until September 24, 2012.

Copies of the Draft Scope of Work and the Environmental Assessment Statement may be obtained from the Environmental Assessment and Review Division, New York City Department of City Planning, 22 Reade Street, 4E, New York, New York 10007, Robert Dobruskin, AICP, Director (212) 720-3423; or from the Office of Environmental Coordination, 253 Broadway, 14th Floor, New York, New York 10007, Robert Kulikowski, Ph.D., Director (212) 788-2937.

The applicant, Forrest Lots, LLC, is seeking zoning map and text amendments, and amendments to the City Map (collectively, the "Proposed Action") to facilitate residential and mixed-use development on five full blocks and a portion of one block in the Bushwick neighborhood of Brooklyn, Community District 4. The area affected by the Proposed Action is bounded by Flushing Avenue on the north, Evergreen Avenue on the east, Melrose Avenue on the south, and Stanwix, Beaver, Garden Streets to the west. The Proposed Action would rezone all or portions of Blocks 3137, 3138, 3139, 3140, 3141, and 3152 from the current M1-1 and M3-1 districts to R6A, R7A and M1-2 districts, map C2-4 commercial overlays, make the Inclusionary Housing Program (IH) zoning regulations applicable in the proposed R6A and R7A districts and map two streets (Noll and Stanwix Streets) that are currently unmapped.

The rezoning area comprises approximately 623,080 square feet covering 93 lots, 47 of which are applicant owned (Block 3139, Lots 18, 19, 20, 21, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36; Block 3140, Lots 1, 50; Block 3141, Lots 1, 5, 6, 7, 8, 10, 11, 12, 14, 15, 18, 20, 21, 22, 23, 36; Block 3152, Lots 1, 2, 45, 48, 56, 58, 62, 63, 64, 66).

In order to assess the impacts associated with the Proposed Action, a Reasonable Worst Case Development Scenario was established. 8 projected development sites were identified as most likely to be developed in the future with the proposed action. Four applicant-controlled projected development sites, under the RWCDS, would result in a net increase 977 dwelling units, 195 of which would be affordable under the Inclusionary Housing program, and 54,182 sf of local retail. Four non-applicant controlled projected development sites were identified (Block 3152, Lots 36, 37, 38, 41, 43; Block 3138, Lots 20, 22, 28; Block 3137, Lot 56). These projected development sites are anticipated to be developed with 99 DUs, 20 of which would be affordable under the Inclusionary Housing program, and 27,609 gross sf of ground floor retail. In total, it is anticipated that the Proposed Action would result in the net increase of 1,076 dwelling units, of which 215 would be affordable under the Inclusionary Housing program, and 74,194 gross square feet of retail space, and a net decrease of 79,915 gross square feet of manufacturing space, 53,895 gross square feet of open storage/vehicle parking space and 129,513 square feet of vacant land. Additionally, 3 potential development sites were identified as less likely to be developed in the future with the proposed action. These sites could be redeveloped with mixed-use buildings with ground floor retail and residential uses on the

The affected area is currently zoned M1-1 and M3-1, which allow Use Groups 5-18 and high and low-performance manufacturing uses, respectively. M1-1 districts permit industrial and commercial uses to an FAR of 1.0 and some community facility uses to an FAR of 2.4. The M3-1 district has a maximum commercial/manufacturing FAR of 2.0 and a maximum front wall height of 60 feet or four stories. In M1-1 districts, buildings may rise to 30 feet at the street, above which they are controlled by a sky-exposure plane after a required setback. New residential development is not permitted.

The rezoning area currently contains a mix of land uses, including commercial, residential, parking and vehicle storage, automotive, transportation-related and industrial uses. It also includes a significant amount of vacant land. Commercial uses are generally concentrated near Flushing Avenue and along Bushwick Avenue in the western portion of the rezoning area, and include local retail, restaurant, and office uses. Residential uses are also largely concentrated in the western portion of the rezoning area, and generally include low-rise 3-to 5-story walkup residential tenement buildings, some of which include ground floor retail. Industrial, vehicle storage, parking, automotive and transportation-related uses are largely located to the east of Bushwick Avenue. A small portion of the rezoning area includes some community facility uses. A large two-story warehouse at 930 Flushing Avenue, which occupies most of the M3-1 zoning district within the rezoning area, extends along the west side of Evergreen Avenue between Flushing Avenue and Noll Street.

The proposed R6A and R7A districts are contextual residential districts, which permit Use Groups 1-4 as-of-right. Under the Inclusionary Housing program, R6A and R7A zoning districts have a base FAR of 2.7 and 3.45 and a maximum FAR of 3.6 and 4.6, respectively. In R6A districts buildings would be permitted to a height of 60 feet at the street, and 70 feet after a setback. In R7A districts buildings would be permitted to a height of 65 feet at the street, and 80 feet after a setback. Contextual street-wall lineup provisions

would apply. The C2-4 overlays would permit a maximum FAR of 2.0 for commercial uses.

The Proposed Action also involves changes to the City Map, including: the mapping of an unbuilt, unmapped segment of Stanwix Street between Montieth Street and Forrest Street; and the mapping of an unbuilt, unmapped segment of Noll Street between Evergreen Avenue and Stanwix Street. As a result of the proposed mapping actions, Stanwix Street would connect Forrest and Montieth Streets and Noll Street would connect Stanwix Street and Evergreen Avenue. Stanwix Street would have a mapped width of 50 feet, including a 30-foot travel way and two 10-foot sidewalks. Noll Street would also have a mapped width of 50 feet, including a 30-foot travel way and two 10-foot sidewalks.

Absent the proposed actions, the existing structure and uses on the project site would remain. It is expected that construction of the proposed development would be completed by 2016.

GREEN LIGHTING RESOURCE CENTER – Negotiated Administrative Services ("DCAS") DUE 09-07-12 AT 3:00 P.M. – The Department of Citywide Administrative Services ("DCAS") intends to enter into negotiations with Green Light New York, Inc., for the delivery of resources needed by the New York City Lighting Community (including the design, construction and real estate communities) to install quality, efficient lighting systems. This goal will be met by the provision of continuing education courses, consultations, technology exhibits, demonstrations and mock-ups of various lighting solutions. The benefits of these activities include: dramatically reduced energy consumption, lower greenhouse gas emissions, and less air nollution and less air pollution.

It is anticipated that the term of the contract will be five years.

The agency is utilizing the negotiated acquisition method as there is a limited number of suppliers available and able to perform this work.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above. Department of Citywide Administrative Services, 1 Centre Street, 18th Floor, New York, NY 10007. Erkan Solak (212) 386-0448; esolak@dcas.nyc.gov

#### READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

#### NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

## CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

#### VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

#### SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

### PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

#### NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

#### PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

### ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

#### PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

#### HOW TO READ CR PROCUREMENT NOTICES

OLB/c recycled preference

OLB/d other: (specify)

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
