INVOCATION

The Invocation was delivered by: Pastor Malobe Sampson, Thessalonia Baptist Church, 951 Reverend James A. Polite Avenue, Bronx, N.Y. 10459.

Let us pray. Gracious and kind Heavenly Father,
we come to say thank you for life, health and strength
that has been bestowed upon this great body,
and upon all who are here.
And we pray, oh, God,
that you would unite this body
to carry out the task, oh, God,
of ministering and helping
the people of this great city of New York.
Comfort us, oh, God. Keep us together.
Let not one life be valued above another,
but let all be treated equally, oh, God.
Now Father, we ask that your presence come upon us even now.
Give us compassion, give us love,
bring your great joy into this arena
that the people would know, oh, God
that your presence is here.
Bless us now.
Unite us as one.
In Jesus name we pray.
Everyone said Amen.

Council Member Salamanca moved to spread the Invocation in full upon the record.

During the Communication from the Speaker segment of the Meeting, the Speaker (Council Member Mark-Viverito) acknowledged the presence of the family of Briana Ojeda. Briana was an eleven year old from Brooklyn who suffered a fatal asthma attack in 2010 and could not be saved by a police officer at the scene because he was not sufficiently trained in CPR procedure. This tragedy led to the introduction of State legislation known as Briana's law which would require law enforcement officers to receive training on CPR techniques every two years. The legislation was passed by the State Assembly but has yet to be passed by the State Senate. The Speaker (Council Member Mark-Viverito) extended the Council's sympathy to the Ojeda family for their loss. She also called on the New York Legislature to pass and for the Governor to sign Briana's law (please see Res No. 1181-A in the voice-vote Resolutions calendar section of these Minutes).

ADOPTION OF MINUTES

Council Member Ferreras-Copeland moved that the Minutes of the Stated Meeting of September 28, 2016 be adopted as printed.

Communication from the Mayor - Transmitting proposed maritime lease ("Lease") between the City of New York ("City"), acting by and through its Department of Small Business Services, as landlord ("Landlord") and Ferrara Bros. LLC, as tenant ("Tenant"), initially for approximately 58,000 square foot City-owned parcel located on the waterfront and along 3rd Avenue in Sunset Park, Brooklyn ("Moore McCormack Site"), pursuant to City Charter Section 1301(2)(f).

October 19, 2016

Jon Paul Lupo
Director
Mayor's Office of City Legislative Affairs
City Hall
New York, New York 10007

Re: City Council Approval Required for Maritime Lease for approximately 58,000 square feet on Brooklyn Block 644 Lot 50

Dear Mr. Lupo:

I am writing this letter to request that the Office of City Legislative Affairs submit to the City Council for approval a proposed maritime lease ("Lease") between the City of New York ("City"), acting by and through its Department of Small Business Services, as landlord ("Landlord"), and Ferrara Bros. LLC, as tenant ("Tenant"), initially for an approximately 58,000 square foot City-owned parcel located on the waterfront and along 3rd Avenue in Sunset Park, Brooklyn ("Moore McCormack Site"), pursuant to City Charter Section 1301(2)(f). As more fully described below, the Lease provides that upon termination of a certain City lease for property adjacent to the Moore McCormack Site, property being subleased by Tenant under that City lease will be incorporated automatically into the Lease and become a part of the Moore McCormack Site. The Lease will be administered by the New York City Economic Development Corporation ("NYCEDC").

The proposed Lease to be entered into between the City and the Tenant will be substantially in the form attached hereto as Exhibit A.

On October 7, 2016, the Department of Small Business Services issued a determination, a copy of which is attached as Exhibit B, that the proposed Lease would have no significant environmental impacts.

Background

In June 2012, NYCEDC, on behalf of the City, issued a Request for Proposals for the Moore McCormack Site ("REP"), seeking proposals for a lease with the City that increased industrial maritime activity across the bulkhead or through the adjacent 25th Street Pier. The RFP sought uses that would create quality jobs for City residents and support and enhance the growth of the City's industrial base and other positive community impacts. The Moore McCormack site is presently vacant and has lacked job-intensive uses since 1986.

NYCEDC received three responses to the RFP, and the Tenant was selected to enter into the Lease. The Tenant's selection was based on the following: (i) over 45 years of experience as a ready-mixed concrete company providing quality jobs to its unionized workforce; and (ii) a commitment to operate a compressed natural gas ("CNG") fueling station to power its fleet of trucks. Additionally, the Lease facilitates the Tenant's relocation from its current plant at 435 Hoyt Street, a City-owned site managed by the New York City Department of Housing Preservation and Development ("HPD Site"). The Tenant's departure from the HPD

Site will enable remediation of the Gowanus Canal around the property and the construction of affordable housing on the HPD Site.

The Tenant will construct and operate a maritime dependent concrete manufacturing batch plant and a CNG fueling station (collectively, the "Project") on the Moore McCormack Site. The Lease will revive the Moore McCormack Site's use as an industrial property and restore the property to active maritime uses, helping to retain industrial jobs in Brooklyn. The Moore McCormack Site's proximity to the water and multiple thoroughfares will enable the efficient movement of raw materials into the plant and from the plant to construction sites throughout the City. Ferrara Bros. LLC has been a family-owned concrete company operating several plants in Brooklyn and Queens continuously since 1969. In April 2015, U.S. Concrete, Inc., a national ready-mixed concrete and aggregate company, purchased all of the outstanding stock in Ferrara Bros. Employees will be paid a living wage.

In connection with the Project, Tenant is subleasing approximately 45,000 square feet of property adjacent to the Moore McCormack Site ("Sublease Property") from Lafarge Building Materials, Inc. ("Lafarge"). Lafarge currently leases approximately 296,000 square feet of open area from the City adjacent to the Moore McCormack Site ("Lafarge Lease"). The Lafarge Lease provides for a lease term through December 31, 2035. The transaction to sublease the Sublease Property to Tenant is a closing condition for execution and delivery of the Lease. The Lease provides that, subject to certain conditions, upon the expiration or earlier termination of the Lafarge Lease, the Sublease Property will be automatically incorporated into the Lease and become a part of the Moore McCormack Site and will be leased to Tenant for the balance of the Lease term for the operation of the Project.

Material Lease Terms

The proposed material Lease terms are as follows:

Landlord: The City of New York, acting by and through its Department of Small Business Services

Tenant: Ferrara Bros. LLC

Premises: Approximately 58,000 square feet of land in the Borough of Brooklyn, City and State of New York, Block 644, Lot 50 along the waterfront and 3rd Avenue at 24th Street, initially, and thereafter, upon satisfaction of certain conditions in the Lease for the incorporation of the Sublease Property into the Lease, approximately 45,000 square feet of land will be added to the Premises.

Term: Initial term will be for 25 years, beginning immediately after receipt of all required approvals. Tenant has five consecutive 5 year renewal options to extend the term for a total of an additional 25 years.

Permitted Use: Tenant will cause the Premises to be maintained and used, pursuant to applicable zoning regulations, as a maritime-dependent concrete manufacturing plant and compressed natural gas fueling station. A minimum of fifty percent of the raw materials used by the concrete manufacturing plant must be delivered by waterborne craft.

Base Rent and Production Payment: During the first lease year of the initial term annual Base Rent will equal \$220,000, escalating by 3% annually throughout the initial term of the Lease. For the first year of each renewal option period Base Rent will reset to the higher of Fair Market Rent, as determined by an independent appraiser, or 103% of the Base Rent for the final lease year of the prior period and thereafter escalate by 3% annually for the balance of the renewal option period. After the Abatement Period (hereinafter defined) Tenant is also required to pay the higher of (i) an annual production payment of \$2.50, escalating by 3% annually (including during the Abatement Period) for each cubic yard of concrete produced on the Moore McCormack Site and the Sublease Property, collectively ("Production Payment") or (ii) the total Dockage and Wharfage (described below) due on the Moore McCormack Site and the Sublease Property (provided that while the

sublease for the Sublease Property is in effect Tenant shall receive a reduction in such payments for Dockage and Wharfage paid under the sublease). Provided that Tenant shall not be in default under the Lease, all payments of annual Base Rent, the production payment and Dockage and Wharfage shall be abated for the first seven years of the initial term of the Lease ("Abatement Period") and the 3% annual increase to Base Rent shall not apply during the Abatement Period.

Other Charges:

Dockage: Tenant will have a charge assessed for berthing at the Moore McCormack Site or for mooring to a vessel so berthed (except for vessel calls exclusively related to the initial construction at the Moore McCormack Site), calculated as if the Moore McCormack Site were a Port Authority Marine Terminal (as defined in the Port Authority Tariff, as amended from time to time).

Wharfage: Tenant will have a charge assessed against all cargo (except materials used in connection with initial construction work at the Moore McCormack Site) passing or conveyed over, onto, or under the Moore McCormack Site or between vessels (to or from barge, lighter, or water), when berthed at the Moore McCormack Site or when moored in a slip adjacent to the Moore McCormack Site, calculated as if the Moore McCormack Site were a Port Authority Marine Terminal (as defined in the Port Authority Tariff, as amended from time to time).

Payment of Dockage and Wharfage: After the Abatement Period, Dockage and Wharfage shall be payable as provided under the caption "Base Rent and Production Payment" above.

Sublease Property: In the event that the Sublease Property is incorporated into the Lease, then Tenant shall make the following additional payments:

Base Rent: If the Lafarge Lease terminates prior to December 31, 2035 and the Sublease Property comes into the Lease, Base Rent through December 31, 2035 will be the greater of (i) the Fair Market Rent, as determined by an independent appraiser, or (ii) rent calculated on the following per square foot basis, such calculation to be made when the Sublease Property first comes into the Lease and thereafter at the beginning of each of the following periods:

Period	Rent	Per Square Foot
1/1/2015-12/31/2019	\$3.86	<i>times</i> 44,635
1/1/2020-12/31/2024	\$4.05	<i>times</i> 44,635
1/1/2025-12/31/2029	\$4.25	<i>times</i> 44,635
1/1/2030-12/31/2035	\$4.46	<i>times</i> 44,635

Thereafter, for the balance of the initial term of the Lease Base Rent on the Sublease Property will for the first year equal the greater of (i) the Fair Market Rent, as determined by an independent appraiser, or (ii) 103% of the Base Rent payable in the prior 12-month period or if no Base Rent had been payable for such period then pursuant to the last entry in the above schedule. The Base Rent paid on the Sublease Property shall be escalated by 3% annually. For the first year of each renewal option period Base Rent on the Sublease Property will reset to the higher of Fair Market Rent, as determined by an independent appraiser, or 103% of the Base Rent for the final lease year of the prior period and thereafter escalate by 3% annually for the balance of the renewal option period.

Approvals: The proposed lease is a maritime lease and therefore, pursuant to Section 1301(2)(f) of the City Charter, is subject to City Council approval for disposition. The Council has 45 days to approve the Lease from the time of receipt. If the Council fails to act on the Lease within the 45 days, the Lease will be automatically approved upon the expiration of the 45th day.

Please inform me of the date of submission of the Lease to the City Council. If you have any questions or concerns, please feel free to contact Lydia Downing at (212) 312-4281 or the undersigned at (212) 312-3778. Thank you.

Very Truly Yours,

REPORTS OF STANDING COMMITTEES

Report of the Committee on Consumer Affairs

Report for Int 1017-C

Report of the Committee on Consumer Affairs in favor of approving and adopting, as amended, a Local Law to amend the administrative code of the city of New York, in relation to protections for freelance workers.

The Committee on Consumer Affairs, to which the annexed proposed amended local law was referred on December 7, 2015 (Minutes, page 4308), respectfully

REPORTS:

INTRODUCTION

On October 26, 2016, the Committee on Consumer Affairs will hold a vote on Proposed Introduction Number 1017-C (“Proposed Int. No. 1017-C”), a Local Law to amend the administrative code of the city of New York, in relation to protections for freelance workers, also known as the Freelance Isn’t Free Act. The first public hearing on this bill was held on February 29, 2016. The Committee heard testimony from the Department of Consumer Affairs (“DCA”) and from freelance workers and their advocates. The bill has been amended in response to public testimony and subsequent negotiations.

BACKGROUND

According to a study conducted by the Freelancer’s Union, there are almost 53 million freelancers across the nation¹ and 1.3 million in New York City.² Freelance workers include independent contractors, part-time moonlighters, full-time self-employed workers and others. Their work ranges from highly specialized professions in the tech, fashion and media industries to event planning, caregiving, housekeeping and more in the rapidly expanding gig economy. Unfortunately, many of these independent workers have struggled with nonpayment and delayed payment for work rendered. The Freelancer’s Union reports that 71% of freelancers have faced difficulty getting paid and that the average loss per freelancer totaled nearly \$6,000 in 2014.³

Under current law, the freelancer’s primary legal recourse would be to commence a legal action for breach of contract in small claims court or civil court, depending on the amount of the claim.⁴ Noting the time and expense of hiring a lawyer and going to court, the Freelancer’s Union study found that, in 2014, only 5% of freelancers facing nonpayment filed a claim in small claims court.⁵ The vast majority of independent workers feel they have no choice but to absorb the loss.

At the public hearing on this proposed local law, witnesses provided personal testimony of their struggles with late payment, incomplete payment and nonpayment.⁶ Freelance workers and their advocates testified that a written contract establishes the transparency that makes it possible for freelance workers to speak up against violation of their rights to be paid timely and in full.⁷ Many freelance workers testified that they were pressured to accept partial payment and to give up their claim to the remainder, when facing the risk of losing the entire fee for their work.⁸ Multiple witnesses gave testimony of being intimidated to dissuade them from demanding a written contract, either by industry practice—for example, in the tech, film and fashion industries—or by direct threat by a prospective hiring party to cancel a contract.⁹ Witnesses also spoke of fear of retaliation, including being blacklisted from future work opportunities, if they were to pursue legal action.¹⁰ Witnesses testified that legal action is onerous, expensive and time-consuming and the results too uncertain.¹¹ Further, witnesses testified that they could not afford the expense of an attorney and that individual claims were often too small to secure an attorney on contingency.¹² The provisions of the bill, they testified, that enhance remedies to include double damages for nonpayment scenarios and attorney’s fees would greatly increase the likelihood that freelance workers would avail themselves of their rights in state court.¹³

ANALYSIS OF PROPOSED INT. NO. 1017-C

Section one of Proposed Int. No. 1017-C would amend title 20 of the Administrative Code of the City of New York (“Code”) to add a new Chapter 10 titled “Freelance Workers.” This chapter would begin with a new section 20-927 defining key terms, including “freelance worker” and “hiring party.”

The definition of “freelance worker” would include any natural person or any organization composed of no more than one natural person that is hired or retained as an independent contractor for services in exchange for compensation. The definition would make specific exemption for any person who is a sales representative as defined in Section 191 of the New York State Labor Law, any person licensed to practice law and any person who is a licensed medical professional because of other regulatory structures to which they are subjected.

The definition of “hiring party” would include any person, other than federal, state, local and foreign governments, who retains a freelance worker to provide any service. This term would apply to every industry and person, unless otherwise provided by law. For example, an agent who is licensed as an Employment Agency under New York State Law would have to comply both with the contracting requirements set forth in the statutory provisions governing that license and with the requirements of Proposed Int. No. 1017-C, to the extent that the requirements do not conflict. An agent who claims an exemption from the requirement to be licensed as an Employment Agency would be a hiring party under this local law.

Section 20-928 of the proposed chapter would establish when a contract is required to be written and the terms, at minimum, required to be included in such contract. A written contract would be required when a contract for freelance services has a value of \$800 or more, either by itself or when aggregated with contracts made between the same parties in the immediately preceding 120 days. The written contract must include, at minimum, the name and mailing address of both parties, an itemization of services and the compensation to be paid, and the date on which payment will be made or a mechanism to determine such date.

The requirement for a written contract would vest when the value of the contracted services between a hiring party and a freelancer reaches \$800 within a 120-day period, and the obligation for a writing would continue to apply to every subsequent agreement within any 120-day period. Each writing for each subsequent agreement would have to contain an accurate itemization of services, compensation to be paid and the date on which the payment will be made or a mechanism to determine that date.

The requirement for a written contract would be satisfied by any writing or writings that meet state law requirements for a contract and contain the required terms. For example, an email, a letter, an advertisement or a text message, or some combination of those, that satisfy the state-law requirements for a contract and contain the information required by Proposed Int. No. 1017-C would satisfy the requirement to reduce the contract to a writing.

Section 20-929 of the proposed chapter would detail unlawful payment practices. Subdivision a would require the hiring party to pay the freelance worker on or before the date compensation is due pursuant to the terms of contract or, if the contract did not specify such date, no later than 30 days after the services under the contract have been completed. Subdivision b would provide that, once the contracted services have begun, a hiring party shall not require, pressure or induce the freelance worker to accept less than full compensation.

Section 20-930 of the proposed chapter would provide that a hiring party shall not retaliate against a freelance worker for exercising any right guaranteed by this chapter. Examples of retaliation include blacklisting a freelance worker from an industry, discrediting a freelance worker to other potential hiring parties or canceling a multipart contract after the contracted work has begun. Subject to surrounding circumstances, a claim of retaliation might also exist if, having established the terms of a contract for freelance services, the hiring party cancels the agreement in response to a request by the freelance worker to memorialize the agreement in a written contract.

Section 20-931 of the proposed chapter would establish a complaint procedure to be administered by the director of the Office of Labor Standards (“OLS”), a division of DCA, although the agency would not be enforcing the law. Subdivision a would provide that a freelance worker may submit a complaint to OLS, in a form prescribed by the director, alleging a violation of the chapter and must submit such a complaint within two years after acts occurred. At minimum, the complaint would include the names and mailing addresses of the freelance worker and the hiring party, a statement detailing the terms of the freelance contract, including a copy of the contract if available, the freelance worker’s occupation, a statement detailing the alleged violations of the chapter, and a signed affirmation that all facts alleged in the complaint are true.

Subdivision b would provide that, upon receipt of a complaint, the director will refer the freelance worker to the navigation program to be created pursuant to this local law.

Subdivision c would set forth limitations on the director’s jurisdiction over complaints. The director would not have jurisdiction if either party commenced a civil action in state court or filed an administrative complaint

with any local, state or federal agency. For example, if a freelance worker qualified as an employee in an action before the Department of Labor, Equal Employment Opportunity Commission, or other governmental agency, the freelance worker could file an appropriate action before the relevant agency and OLS consequently would not have jurisdiction over any complaint filed with it. Where the director lacks jurisdiction over a complaint, notice of such would be sent within 10 days.

Subdivision d would provide that, within 20 day of receiving a complaint from a freelance worker, the director will send a written notice of the complaint to the hiring party named in the complaint. The notice would inform the hiring party that a complaint has been filed, detail remedies available to the freelance worker pursuant to Proposed Int. No. 1017-C and include a copy of the complaint. The notice would also inform the hiring party that failure to respond to the complaint would create a rebuttable presumption in any action commenced in state court pursuant to this local law that the hiring party committed the violations alleged in the complaint. The director would send this notice by certified mail and bear the cost of sending the notice.

Subdivision e would detail the response required from the hiring party. Paragraph 1 would provide that the hiring party must respond to the director's notice within 20 days with a written statement either that the freelance worker has been paid in full and proof of such payment, or that the freelance worker has not been paid in full and the reasons for nonpayment. Paragraph 2 would provide that within 20 days of receiving the hiring party's response, the director will send the freelance worker a copy of the response, any enclosures, materials about bringing action in civil court, any other information about the status of the complaint and information about the navigation program created by this local law. Paragraph 3 would provide that if the director does not receive a response to the notice sent to the hiring party, the director shall mail a notice of non-response to the freelance worker and the hiring party and include proof that the notice on complaint was sent to the hiring party by certified mail.

Section 20-932 of the proposed chapter would create a navigation program to provide information and assistance about the rights pursuant to Proposed Int. No. 1017-C. The navigation program would include online resources and assistance by a natural person by phone and email. The bill would require the director to make model contracts available on the OLS website, and those model contracts would be available in English and in the six languages most commonly spoken by individuals with limited English proficiency. The navigation program would provide general court information and information about the procedures under this chapter; information about templates and relevant court forms; general information about classification as an employee or an independent contractor; information about translation, interpretation and other courtroom services; a list of organizations that can identify attorneys; and any other information related to filing a complaint or civil action pursuant to this chapter that the director would require. The navigation program would include outreach and education to the public on the provisions of the proposed chapter. The navigation program would not be permitted to provide legal advice.

Section 20-933 would create a civil action to enforce the provisions of Proposed Int. No. 1017-C. Subdivision a would detail the freelance worker's cause of action, and subdivision b would detail the damages for each type of violation of this chapter. A plaintiff who files a civil action for violation of this chapter would be required to serve a copy of the complaint on the director, but failure to do so would not adversely affect the plaintiff's cause of action.

Any action alleging a violation of section 20-928, requiring a written contract, would have to be brought within two years of the violation. A standalone cause of action for failure of a written contract would entitle the prevailing freelance worker to damages of \$250. To prevail on a standalone cause of action for failure to provide a written contract, the freelance worker would have to prove that he or she requested a written contract from the hiring party before the contracted work began. If, in addition to prevailing on a claim for failure of written contract, the plaintiff also prevailed on one or more other provisions of the proposed chapter, then damages for failure of written contract claim no longer would be \$250 but instead would equal the full value of the contract. All damages would also include attorney's fees and costs.

Any action alleging a violation of section 20-929, unlawful payment practices, would have to be brought within six years after the acts alleged to violate the proposed chapter. A plaintiff who prevails on this cause of action would be awarded double damages, injunctive relief and other such remedies as appropriate. All awards of damages would also include attorney's fees and costs.

Any action alleging a violation of section 20-930, retaliation, would have to be brought within six years after the acts alleged to violate the proposed chapter. A plaintiff who prevails on this cause of action would be

awarded damages equal to the full value of the contract. All awards of damages would also include attorney's fees and costs.

Section 20-934 of the chapter would provide for a civil action for a pattern or practice of violations. Where reasonable cause exists to believe that a hiring party has engaged in a pattern or practice of violations, the Corporation Counsel may commence legal action on behalf of the City in a court of competent jurisdiction. Such an action would be commenced by filing a complaint setting forth the facts relating to the alleged pattern or practice of violations and requesting relief, which could include injunctive relief, civil penalties and any other appropriate relief. The filing of a pattern or practice complaint by the City would not prohibit any complaint or civil action by a freelance worker. Upon a finding that a hiring party has engaged in a pattern or practice of violations, the trier of fact could impose a civil penalty of up to \$25,000.

Section 20-935 would provide additional details about how the proposed chapter would apply and how it would interact with other laws. Subdivision a would provide that, except as otherwise provided by law, any provision of a contract that purports to waive the rights granted by this chapter is void as against public policy. Subdivision b would provide that the provisions of this chapter would supplement and not diminish or replace any other basis of liability or other requirement established by statute or common law. Subdivision c would provide that failure to comply with the provisions of this chapter would not void or impair a contract between a hiring party and freelance worker. Finally, subdivision d would provide that nothing in this chapter shall be construed as providing a determination about the legal classification of any individual as an employee or independent contractor.

Section 20-936 of the chapter would require OLS to conduct follow-up, data collection and reporting. Subdivision a would require the director to send a follow-up survey to every freelance worker who submits a complaint to OLS within six months after the director sent either a hiring party's response or a letter of non-response to the freelance worker. The survey would ask whether or not the freelance worker pursued any claims in court or through an alternative dispute resolution process and whether the hiring party ultimately paid any or all of the compensation that the freelance worker alleged was due, or if the matter was resolved in a different manner. The survey would state clearly that response is voluntary.

Subdivision b would require the director to collect and track information about complaints including, at minimum: the identity of the hiring party alleged to have violated the chapter, the freelance worker's occupation, the section of the chapter that was alleged to have been violated, the value of the contract, the response or non-response from the hiring party, and information from completed follow-up surveys.

Subdivision c would require the director to submit a recurring report to the Council and to publish such report on the OLS website. The first report would be due one year after the effective date of this local law and subsequent reports would be due every five years thereafter on November 1. The report would include, at minimum, the number of complaints the director has received pursuant to this chapter; the value of the contracts disaggregated into ranges of \$500 and by section of the chapter alleged to have been violated; the number of responses and non-responses received from hiring parties disaggregated into ranges of \$500 and by section of the chapter alleged to have been violated; the proportion of surveys received from freelance workers indicating that they pursued their claims in court, the proportion indicating that they pursued their claims through an alternative dispute resolution process, and a summary of the outcomes of such cases; and legislative recommendations for this chapter, including consideration of whether certain occupations should be exempted from the definition of freelance worker.

Section three of the bill would provide that this local law would take effect 180 days after it becomes law and applies only to future contracts, except that the director may take any necessary action, such as promulgation of rules, before such date.

THE COUNCIL OF THE CITY OF NEW YORK
FINANCE DIVISION
 LATONIA MCKINNEY, DIRECTOR
FISCAL IMPACT STATEMENT
PROPOSED INTRO. NO. 1017-C
COMMITTEE: Consumer Affairs

TITLE: A Local Law to amend the administrative code of the city of New York, in relation to protections for freelance workers

SPONSORS: Council Members Lander, Levin, Johnson, Cumbo, Espinal, Chin, Mendez, Ferreras-Copeland, Constantinides, Richards, Rose, Torres, Kallos, Reynoso, Rodriguez, Levine, Treyger, Van Bramer, Gentile, Cabrera, Menchaca, Dickens, Rosenthal, Koslowitz, Miller, Palma, Salamanca, Williams, Cornegy, Gibson and Ulrich and the Public Advocate (Ms. James)

SUMMARY OF LEGISLATION: Proposed Intro. No. 1017-C would create a set of legal protections for certain freelance workers that would be enforced by the filing of a civil action in state court. The bill would also require by the Office of Labor Standards (“OLS”) within the Department of Consumer Affairs (“DCA”) to create a navigation program. Specifically, the law would require that whenever a hiring party retains a freelance worker and the contract between them has a value of \$800 or more, such contract must be in writing and must contain certain provisions. In addition, the law would require the hiring party to pay the freelance worker on time and in full according to the terms of the contract, or within 30 days of completion of the work and would prohibit retaliation against any freelance worker for exercising the rights granted pursuant to the law.

To enforce these rights, an aggrieved freelance worker would file a civil action in state court. A hiring party that refused to provide a written contract would be liable to the freelance worker for damages of \$250, and if the hiring party also violates other provisions of the law those damages would be increased to equal the total value of the contract. A hiring party that fails to pay timely and in full would be liable for double damages, and a hiring party that retaliates against a freelance worker would be liable for the full value of the contract. All awards of damages would also include attorney’s fees and costs. The law also grants authority to Corporation Counsel to file a civil cause of action for a pattern or practice of violations. Upon a finding of a pattern or practice of violations, a court could award civil

The legislation would also require the Office of Labor Standards (“OLS”) within the Department of Consumer Affairs (“DCA”) to receive complaints from freelance workers, which must be filed within two years of the alleged violation, and forward those complaints to the hiring parties, along with information about the rights granted to freelance workers under this law. Any freelance worker filing a complaint would be referred to a new navigation program that OLS would be required to establish. The navigation program would provide information and resources to the public regarding the requirements of the law, including model contracts available in multiple languages, and would require OLS to conduct outreach and education about the law to the public.

Lastly, the legislation would require OLS to 1) send a survey to freelancers who filed complaints requesting additional information about the resolution, if any, of their claims; 2) collect and track information about complaints made; 3) and provide to Council, and publish on its website, a report due one year after the effective date of the local law and every fifth year thereafter, about the effectiveness of the local law at improving freelance contracting and payment practices.

EFFECTIVE DATE: This local law would take effect 180 days after it becomes law and would apply only to contracts entered into on or after the effective date of this local law, except that the Director shall take any actions necessary for the implementation of this local law, including the promulgation of rules, before such date.

FISCAL YEAR IN WHICH FULL FISCAL IMPACT ANTICIPATED: Fiscal 2018

FISCAL IMPACT STATEMENT:

	Effective FY17	FY Succeeding Effective FY18	Full Fiscal Impact FY18
Revenues (+)	\$0	\$0	\$0
Expenditures (-)	\$95,000	\$450,000	\$450,000
Net	(\$95,000)	\$(450,000)	(\$450,000)

IMPACT ON REVENUES: This legislation is not expected to impact revenue. Individuals aggrieved by violations of this law would pursue action in state court for damages. These individual actions would not yield any penalty for the City. Although the legislation authorizes the imposition of civil penalty up to \$25,000 for a pattern or practice of violations, it is anticipated that there would be no impact on revenues resulting from this cause of action because full compliance with this cause of action is expected.

IMPACT ON EXPENDITURES: This legislation establishes a navigation program that provides information and assistance to the public. It is estimated that implementation of this legislation would cost \$95,000 in Fiscal 2017 and \$450,000 in Fiscal 2018. This funding will pay for the hiring of two full time associates, one full time call center representative and one lawyer. There will be a one-time cost for a graphic design consultant, who will to create contract templates, as well as funding for subway ads or other digital marketing. The graphic design consultant expense will be incurred in Fiscal 2017. The agency has 180 days before the local law takes into effect and can shift resources within the agency as needed to implement the law.

2. Any person engaged in the practice of law pursuant to the contract at issue and who is a member in good standing of the bar of the highest court of any state, possession, territory, commonwealth or the District of Columbia and who is not under any order of any court suspending, enjoining, restraining, disbaring or otherwise restricting such person in the practice of law; and
3. Any person who is a licensed medical professional.

Hiring party. The term “hiring party” means any person who retains a freelance worker to provide any service, other than (i) the United States government, (ii) the state of New York, including any office, department, agency, authority or other body of the state including the legislature and the judiciary, (iii) the city, including any office, department, agency or other body of the city, (iv) any other local government, municipality or county or (v) any foreign government.

Office. The term “office” means the office of labor standards established pursuant to section 20-a of the charter.

§ 20-928 Written contract required. a. Whenever a hiring party retains the services of a freelance worker and the contract between them has a value of \$800 or more, either by itself or when aggregated with all contracts for services between the same hiring party and freelance worker during the immediately preceding 120 days, the contract shall be reduced to writing. Each party to the written contract shall retain a copy thereof.

b. The written contract shall include, at a minimum, the following information:

- 1. The name and mailing address of both the hiring party and the freelance worker;*
- 2. An itemization of all services to be provided by the freelance worker, the value of the services to be provided pursuant to the contract and the rate and method of compensation; and*
- 3. The date on which the hiring party must pay the contracted compensation or the mechanism by which such date will be determined.*

c. The director may by rule require additional terms to ensure that the freelance worker and the hiring party understand their obligations under the contract.

§ 20-929 Unlawful payment practices. a. Except as otherwise provided by law, the contracted compensation shall be paid to the freelance worker either:

- 1. On or before the date such compensation is due under the terms of the contract; or*
- 2. If the contract does not specify when the hiring party must pay the contracted compensation or the mechanism by which such date will be determined, no later than 30 days after the completion of the freelance worker's services under the contract.*

b. Once a freelance worker has commenced performance of the services under the contract, the hiring party shall not require as a condition of timely payment that the freelance worker accept less compensation than the amount of the contracted compensation.

§ 20-930 Retaliation. No hiring party shall threaten, intimidate, discipline, harass, deny a work opportunity to or discriminate against a freelance worker, or take any other action that penalizes a freelance worker for, or is reasonably likely to deter a freelancer worker from, exercising or attempting to exercise any right guaranteed under this chapter, or from obtaining future work opportunity because the freelance worker has done so.

§ 20-931 Complaint procedure; jurisdiction of director. a. Complaint. A freelance worker who is aggrieved by a violation of this chapter may file a complaint with the director within two years after the acts alleged to have violated this chapter occurred. The director shall prescribe the form of the complaint, which shall include, at a minimum:

- 1. The name and mailing address of the freelance worker and of the hiring party alleged to have violated this chapter;*
- 2. A statement detailing the terms of the freelance contract, including a copy of such contract if available;*
- 3. The freelance worker's occupation;*
- 4. A statement detailing the alleged violations of this chapter; and*
- 5. A signed affirmation that all facts alleged in the complaint are true.*

b. Referral to navigation program. At the time the director receives a complaint alleging a violation of this chapter, the director shall refer the freelance worker to the navigation program identified in section 20-932.

c. Jurisdiction. 1. The director does not have jurisdiction over a complaint if:

(a) Either party to the contract has initiated a civil action in a court of competent jurisdiction alleging a violation of this chapter or a breach of contract arising out of the contract that is the subject of the complaint filed under subdivision a of this section, unless such civil action has been dismissed without prejudice to future claims; or

(b) Either party to the contract has filed a claim or complaint before any administrative agency under any local, state or federal law alleging a breach of contract that is the subject of the complaint filed under subdivision a of this section, unless the administrative claim or complaint has been withdrawn or dismissed without prejudice to future claims.

2. Where the director lacks jurisdiction over a complaint, the director shall notify the following, in writing, within 10 days of discovering the lack of jurisdiction:

(a) The freelance worker; and

(b) The hiring party, if the director discovered the lack of jurisdiction after sending a notice to the hiring party pursuant to subdivision d of this section.

d. Notice to hiring party. Within 20 days of receiving a complaint alleging a violation of this chapter, the director shall send the hiring party named in the complaint a written notice of complaint. Such notice shall inform the hiring party that a complaint has been filed alleging violations of this chapter, detail the remedies available to a freelance worker for violations of this chapter by a hiring party and include a copy of the complaint and notice that failure to respond to the complaint creates a rebuttable presumption in any civil action commenced pursuant to this chapter that the hiring party committed the violations alleged in the complaint. The director shall send such notice by certified mail and shall bear the cost of sending such notice.

e. Response. 1. Within 20 days of receiving the notice of complaint, the hiring party identified in the complaint shall send the director one of the following:

(a) A written statement that the freelance worker has been paid in full and proof of such payment; or

(b) A written statement that the freelance worker has not been paid in full and the reasons for the failure to provide such payment.

2. Within 20 days of receiving the written response, the director shall send the freelance worker a copy of:

(a) The response;

(b) Any enclosures submitted to the director with the response;

(c) Materials informing the freelance worker that he or she may bring an action in a court of competent jurisdiction;

(d) Any other information about the status of the complaint; and

(e) Information about the navigation program described in section 20-932.

3. If the director receives no response to the notice of complaint within the time provided by paragraph 1 of this subdivision, the director shall mail a notice of non-response to both the freelance worker and the hiring party by regular mail and shall include with such notice proof that the director previously mailed the notice of complaint to the hiring party by certified mail. Upon satisfying the requirements of this paragraph, the director may close the case.

§ 20-932 Navigation program. a. The director shall establish a navigation program that provides information and assistance, as set forth in subdivision c of this section, relating to the provisions of this chapter. Such program shall include assistance by a natural person by phone and e-mail and shall also include online information.

b. The director shall make available model contracts on the website of the office for use by the general public at no cost. Such model contracts shall be made available in English and in the six languages most commonly spoken by limited English proficient individuals in the city as determined by the department of city planning.

c. The navigation program shall provide the following:

1. General court information and information about procedures under this chapter;

2. Information about available templates and relevant court forms;

3. General information about classifying persons as employees or independent contractors;

4. Information about obtaining translation and interpretation services and other courtroom services;

5. A list of organizations that can be used for the identification of attorneys; and

6. Other information, as determined by the director, related to the submission of a complaint by a freelance worker or the commencement of a civil action pursuant to this chapter by a freelance worker.

d. The navigation program shall include outreach and education to the public on the provisions of this chapter.

e. The navigation program shall not provide legal advice.

§ 20-933 Civil action. a. Cause of action. 1. Except as otherwise provided by law, a freelance worker alleging a violation of this chapter may bring an action in any court of competent jurisdiction for damages as described in subdivision b of this section.

2. Any action alleging a violation of section 20-928 shall be brought within two years after the acts alleged to have violated this chapter occurred.

3. Any action alleging a violation of sections 20-929 or 20-930 shall be brought within six years after the acts alleged to have violated this chapter occurred.

4. Within 10 days after having commenced a civil action pursuant to subdivision a of this section, a plaintiff shall serve a copy of the complaint upon an authorized representative of the director. Failure to so serve a complaint does not adversely affect any plaintiff's cause of action.

5. A plaintiff who solely alleges a violation of section 20-928 must prove that such plaintiff requested a written contract before the contracted work began.

b. Damages. 1. A plaintiff who prevails on a claim alleging a violation of this chapter shall be awarded damages as described in this subdivision and an award of reasonable attorney's fees and costs.

2. Violation of section 20-928. (a) A plaintiff who prevails on a claim alleging a violation of section 20-928 shall be awarded statutory damages of \$250.

(b) A plaintiff who prevails on a claim alleging a violation of section 20-928 and on one or more claims under other provisions of this chapter shall be awarded statutory damages equal to the value of the underlying contract for the violation of section 20-928 in addition to the remedies specified in this chapter for the other violations.

3. Violation of section 20-929. In addition to any other damages awarded pursuant to this chapter, a plaintiff who prevails on a claim alleging a violation of section 20-929 is entitled to an award for double damages, injunctive relief and other such remedies as may be appropriate.

4. Violation of section 20-930. In addition to any other damages awarded pursuant to this chapter, a plaintiff who prevails on a claim alleging a violation of section 20-930 is entitled to statutory damages equal to the value of the underlying contract for each violation arising under such section.

§ 20-934 Civil action for pattern or practice of violations. a. Cause of action. 1. Where reasonable cause exists to believe that a hiring party is engaged in a pattern or practice of violations of this chapter, the corporation counsel may commence a civil action on behalf of the city in a court of competent jurisdiction.

2. An action pursuant to paragraph 1 of this subdivision shall be commenced by filing a complaint setting forth facts relating to such pattern or practice and requesting relief, which may include injunctive relief, civil penalties and any other appropriate relief.

3. Nothing in this section prohibits:

(a) A person alleging a violation of this chapter from filing a civil action pursuant to section 20-933 based on the same facts as a civil action commenced by the corporation counsel pursuant to this section.

(b) The director from sending a notice of complaint pursuant to section 20-931, unless otherwise barred from doing so.

b. Civil penalty. In any civil action commenced pursuant to subdivision a of this section, the trier of fact may impose a civil penalty of not more than \$25,000 for a finding that a hiring party has engaged in a pattern or practice of violations of this chapter. Any civil penalty so recovered shall be paid into the general fund of the city.

§ 20-935 Application; waiver; effect on other laws. a. Except as otherwise provided by law, any provision of a contract purporting to waive rights under this chapter is void as against public policy.

b. The provisions of this chapter supplement, and do not diminish or replace, any other basis of liability or requirement established by statute or common law.

c. Failure to comply with the provisions of this chapter does not render any contract between a hiring party and a freelance worker void or voidable or otherwise impair any obligation, claim or right related to such contract or constitute a defense to any action or proceeding to enforce, or for breach of, such contract.

d. No provision of this chapter shall be construed as providing a determination about the legal classification of any individual as an employee or independent contractor.

§ 20-936 Follow-up; data collection; reporting. a. No later than six months after the director sends to a freelance worker either a hiring party's response and accompanying materials or a notice of non-response pursuant to paragraph 2 or 3 of subdivision e of section 20-931, the director shall send the freelance worker a survey requesting additional information about the resolution of the freelance worker's claims. Such survey shall ask whether or not the freelance worker pursued any such claims in court or through an alternative dispute resolution process and whether or not the hiring party ultimately paid any or all of the compensation the freelance worker alleged was due or if the matter was resolved in a different manner. Such survey shall state clearly that response to the survey is voluntary.

b. The director shall collect and track information about complaints alleging violations of this chapter. The information collected shall include, at minimum:

1. The identity of the hiring party alleged to have violated this chapter;
2. The freelance worker's occupation;
3. The section of this chapter that was alleged to have been violated;

4. *The value of the contract;*
5. *The response or non-response from the hiring party; and*
6. *Information from a completed survey identified in subdivision a of this section.*

c. One year after the effective date of the local law that added this chapter, and every fifth year thereafter on November 1, the director shall submit to the council and publish on its website a report regarding the effectiveness of this chapter at improving freelance contracting and payment practices. That report shall include, at a minimum:

1. *The number of complaints the director has received pursuant to this chapter;*
2. *The value of the contracts disaggregated into ranges of \$500 and by section of this chapter alleged to have been violated;*
3. *The numbers of responses and non-responses received by the director disaggregated by contract value into ranges of \$500 and by section of this chapter alleged to have been violated;*
4. *The proportion of surveys received from freelance workers that indicate that they pursued their claims in court and the proportion of surveys received from freelance workers that indicate that they pursued their claims through an alternative dispute resolution process and a summary of the outcomes of such cases; and*
5. *Legislative recommendations for this chapter, including consideration of whether certain occupations should be exempted from the scope of the definition of freelance worker in section 20-927.*

§ 3. This local law takes effect 180 days after it becomes law and applies only to contracts entered into on or after the effective date of this local law, except that the director shall take any actions necessary for the implementation of this local law, including the promulgation of rules, before such date.

Report of the Committee on Finance

Report for Int No. 1242

Report of the Committee on Finance in favor of approving and adopting a local law to amend the administrative code of the city of New York, in relation to the establishment of the Greater JFK business improvement district.

The Committee on Finance, to which the annexed proposed amended local law was referred on August 16, 2016 (Minutes, page 2756), respectfully

REPORTS:

BACKGROUND

Under Local Law 82 of 1990, the City Council assumed responsibility for adopting the legislation that would establish individual business improvement districts (“BIDs”).

BIDs are specifically defined areas of designated properties. They use the City’s real property tax collection mechanism to collect a special tax assessment that the BID District Management Association uses to pay for additional services beyond those that the City provides. The additional services would be designed to enhance the area and to improve local business. Normally, a BID’s additional services would be in the areas of security, sanitation, physical/capital improvements (lighting, landscaping, sidewalks etc.), seasonal activities (Christmas lighting) and related business services (marketing and advertising).

Under the process established by Chapter 4 of Title 25 of the Administrative Code, the City Council has already adopted Resolution 1178, which set the hearing date for the Greater JFK BID plan and its enacting legislation for Wednesday, September 14, 2016.

Prior to the Council's action, the Community Boards for the district in which the proposed BID is located -- Community Boards 12 and 13 of Queens -- voted to approve the plan on March 16, 2016 and March 21, 2016, respectively. The City Planning Commission ("CPC") reviewed the plan and held a public hearing on the plan on April 13, 2016. The CPC approved a resolution on May 11, 2016 (Calendar No. 4), which certified the CPC's unqualified approval of the plan.

Resolution 1178, approved by the Finance Committee and adopted by the Council on August 16, 2016, set the date for the hearing and directed that all notice provisions contained in the law be complied with. Therefore, the Department of Small Business Services was directed to publish the Resolution or its summary in the City Record not less than ten nor more than thirty days before the public hearing and the Greater JFK BID Steering Committee was directed to mail the Resolution or its summary to each owner of real property within the BID, to such other persons as are registered with the City to receive tax bills for property within the BID and to occupants of each building within the BID, also not less than 10 nor more than 30 days before the public hearing.

The public hearing to consider both the Plan itself and the enacting legislation, according to the provisions of the law, was closed without a vote. The Committee then must wait at least 30 days before it can again consider and possibly vote to approve this legislation. The 30-day period immediately after the public hearing serves as an objection period. Any property owner may, during this time period, formally object to the Plan by filing such objection in the Office of the City Clerk, on forms provided by the City Clerk. In the event that either at least 51 percent of the total number of property owners or owners with at least 51 percent of the assessed valuation of all the benefited real property within the proposed BID object to the Plan, then the City Council is prohibited, by law, from approving such Plan.

When the Committee considers this legislation after the conclusion of the objection period, it must answer the following four questions:

1. Were all notices of hearing for all hearings required to be held published and mailed as so required?;
2. Does all the real property within the district's boundaries benefit from the establishment of the district, except as otherwise provided by the law?;
3. Is all real property benefited by the district included within the district?; and
4. Is the establishment of the district in the best interests of the public?

If the Committee finds in the affirmative on these four questions and the number of objections required to prevent the creation of such district are not filed, then the legislation can be adopted.

This local law takes effect after all requirements contained in chapter four of title 25 are complied with.

SEPTEMBER 14, 2016 HEARING

On September 14, 2016, as set forth in Resolution 1178, the Finance Committee held a public hearing to consider Intro. 1242 that would establish the Greater JFK BID. Representatives of SBS, Queens Community Board 13, a residential block association and several businesses affected by the establishment of the proposed BID testified in support of the proposed BID's establishment. As required by law, the hearing closed without a vote and the 30-day period for property owners to file objections to the Plan with the Office of the City Clerk began. Copies of objection forms were made available at the Office of the City Clerk which is located at 1 Centre Street in Manhattan.

GREATER JFK BID DETAILS

The proposed Greater JFK BID (hereinafter the "District") is located in the borough of Queens in an industrial/commercial area of the Springfield Gardens neighborhood adjacent to the John F. Kennedy Airport. The proposed District has approximately 4.1 million square feet of commercial and industrial space, with most business related to the off-airport air cargo industry, such as customs brokers, messengers, logistics services,

The proposed District is comprised of 525 parcels, which include 199 commercial or industrial lots, 154 residential lots (primarily individual condominiums), 103 vacant or undeveloped lots, 10 mixed use lots, and 59 tax-exempt lots and is located in Queens Community Boards 12 and 13.

The District will be managed by the Greater JFK District Management Association, Inc. Services to be provided within the District include: district marketing, networking, and labor force development; public safety and security; technical services and planning studies for project development; and advocacy and administrative. The proposed maximum annual budget is \$500,000.

Report for Res No. 1259

Report of the Committee on Finance in favor of approving a Resolution authorizing an increase in the amount to be expended annually in the Queens Plaza/Court Square Business Improvement District in the Borough of Queens, an extension of the Queens Plaza/Court Square Area Business Improvement District, and a change in the method of assessment upon which the district charge in

the Queens Plaza/Court Square Business Improvement District is based, and setting the date, time and place for the public hearing of the local law authorizing such changes as set forth in the amended District Plan of the Queens Plaza/Court Square Business Improvement District.

The Committee on Finance, to which the annexed preconsidered resolution was referred on October 27, 2016, respectfully

REPORTS:

BACKGROUND

Pursuant to the authority granted by chapter 4 of title 25 of the Administrative Code of the City of New York (hereinafter the “Law”), the Mayor and the Council are authorized to establish and extend Business Improvement Districts (hereinafter “BIDs”) in New York City and thereafter amend each BID’s district plan or authorize an increase in annual expenditures. BIDs, which are specifically established areas, use the City’s property tax collection mechanism to approve a special tax assessment with which to fund additional services that would enhance the area and improve local business. The additional services are normally in the areas of security, sanitation, physical/capital improvements (lighting, landscaping, sidewalks, etc.), seasonal activities (Christmas lighting) and related business services (marketing and advertising). The District Management Association of a BID carries out the activities described in the BID’s district plan.

The Queens Plaza/Court Square Area BID was first established in 2005 and the area in and around the BID constitutes a major transportation, retail, manufacturing, and retail hub of western Queens. Much of the area covered by the BID was rezoned in 2001 to a new special district that increases density and in some areas allowed new residential uses. That rezoning has successfully facilitated a large daytime working population and, increasingly, a large residential population.

The BID is currently requesting that the Council approve the following changes to its district plan:

- 1) an extension of its boundaries to add a new “South Sub-District” to the existing boundaries that will become the “North Sub-District” and to rename the entire BID the Long Island City BID (“LIC BID”);
- 2) a change to the method by which assessments are calculated to be based on a formula that factors in the assessed value of property and the linear foot frontage of commercial properties; and
- 3) a \$350,000 increase in its annual assessment from \$450,000 to \$800,000.

Boundary Expansion

The current boundaries of the BID generally includes all street-facing property lots extending north along Jackson Avenue on both sides of the street from Court Square to Queens Plaza, and extends west along Queens Plaza North and Queens Plaza South from Northern Boulevard / Jackson Avenue to 21st Street. The proposed South Sub-District would expand the existing BID to generally include properties facing Jackson Avenue from Court Square to 51st Avenue, properties facing Vernon Boulevard from Borden Avenue north to 44th Drive, and properties facing 44th Drive from Vernon Boulevard east to Hunter Street.

The existing North Sub-District is a mixed-use area comprised of approximately 85 properties. The district has about 2.8 million square feet of existing office space with about 1.1 million additional square feet in planning. This includes three large office buildings: the 50-story Citigroup tower, the MetLife Building, and 2 Gotham Center, a 21-story building occupied by the New York City Department of Health. Additionally, there are a number of smaller office buildings, two existing hotels, and one hotel in planning. The North Sub-District also contains national retail chains and locally owned retail businesses. According to the BID, there are currently 669 residential units, with another 4,085 units in planning or construction.

The South Sub-District would be comprised of approximately 115 wholly commercial properties and approximately 93 mixed-use residential properties, predominantly two-stories or three-stories in height, with ground floor retail or office uses. There are currently an additional 2,700 residential units in planning or construction. Two Court Square, a large building tenanted by Citigroup and CUNY Law School, would be located within the district, as well as Hunters Point Plaza, which contains a mix of government and private

offices. The BID estimates that there are approximately 140,000 square feet of additional commercial space in planning or construction. Within the proposed extension of the BID, there is also one existing hotel and three more in planning. The South Sub-District would also contain many professional services such as real estate brokerage offices and medical offices. There are about 18 industrial businesses interspersed throughout the district, including auto repair and general contracting.

Change in Method of Assessment

For both Sub-Districts, the BID proposes an assessment based on a formula which factors in the assessed value of property and the linear foot frontage of commercial properties. The assessment formula is structured to meet the total annual budget for each Sub-District. The formula differs slightly between the two Sub-Districts to account for the higher proportion of mixed-use buildings in the South Sub-District where commercial frontage weighs more heavily in the formula than assessed value of the property.

In the North Sub-District, assessed value from commercial property will account for 60% of assessments, while the linear foot frontage of commercial properties will account for 40% of assessments. In the South Sub-District, assessed value from commercial property will account of

30% of assessments and the linear foot frontage of commercial properties will account for 70% of the assessments. Commercial uses above the ground floor will be assessed an additional 50% of the linear foot frontage for each floor of commercial use or part thereof. Residential property will be assessed \$1 per year. Government and non-profit property are exempt.

The following is a breakdown of the high, low, average, and median assessments expected to be paid by fully assessed properties under this proposed assessment scheme for each Sub-District:

	North Sub-District	South Sub-District
High	\$ 110,633.65	\$ 38,127.64
Low	\$ 304.31	\$ 400.98
Median	\$ 2,703.61	\$ 699.31
Average	\$ 6,617.65	\$ 1,680.72

Increase in Annual Expenditures

The Queens Plaza/Court Square BID is proposing to increase its annual expenditures from \$450,000 to \$800,000. The \$350,000 increase would represent the budget of the South Sub-District whereas the budget of the North Sub-District would remain \$450,000.

PRECONSIDERED RES. 1259

This Resolution is required by law to set the public hearing date, time, and place for the consideration of the local law which would amend the district plan of the Queens Plaza/Court Square BID. The public hearing will be held on November 16, 2016, in the City Council Committee Room, 2nd Floor, City Hall at 10:00 a.m. before the Committee on Finance.

Because the proposal involves an amendment to the BID’s district plan that would increase the amount it expends annually and change the method of assessment, the Resolution directs the Queens Plaza/Court Square District Management Association to, not less than ten nor more than thirty days before the date of the public hearing, mail a copy of the Resolution or a summary thereof to each owner of real property within the BID at the address shown on the latest City assessment roll, to such other persons as are registered with the City to receive tax bills concerning real property within the BID, and to the tenants of each building within the BID. The Resolution also directs Small Business Services to arrange for the publication of a copy of this Resolution or a summary thereof at least once in the City Record or a newspaper in general circulation in the City, the first publication to be not less than ten nor more than thirty days before the date of the public hearing. The resolution further directs the Queens Plaza/Court Square District Management Association to publish in a newspaper having general circulation in the BID, not less than ten days prior to the public hearing, a notice stating the time and place of the public hearing and stating the increase in the amount to be expended annually in the BID.

Accordingly, this Committee recommends its adoption.

RE: Finance Committee Agenda of October 27, 2016 - Resolution approving a tax exemption for one Land Use item (Council District 11)

Item 1: Villa Gardens

Villa Gardens is a new construction project that will consist of 1 building with 53 units of rental housing, including one superintendent's unit. The units will be a mix of studios, one-, two-, and three-bedroom units. The building will be constructed on what is now a vacant, privately owned lot used for parking.

The project is being constructed under the Department of Housing Preservation and Development's ("HPD") Mixed Income Program: M², under which sponsors purchase City- or privately-owned land or vacant buildings and construct multifamily buildings in order to create affordable rental housing units with a range of affordability in which up to 25 percent of the units are affordable to low-income households earning up to 60% of the Area Median Income ("AMI") and the remaining units are affordable to other low-income households. Construction and permanent financing is provided through loans from private institutional lenders and from

public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the federal government. Additional funding may also be provided from the syndication of low-income housing tax credits.

Under the proposed project, HP Villa Gardens Housing Development Fund Company, Inc. (“HDFC”) will own the property as the legal owner and Villa 204 Associates LLC will be the beneficial owner and will operate the property. Together, they will construct the building. The HDFC and the LLC will enter into a regulatory agreement with HPD establishing that all units must be rented to households whose incomes do not exceed 60%, 90%, or 110% of AMI. In 2016, those AMIs are as follows:

AMI	Family of Four	Family of Three	Family of Two	Individual
60%	\$51,780	\$48,960	\$43,500	\$38,100
90%	\$81,540	\$73,440	\$65,250	\$57,150
110%	\$99,660	\$89,760	\$79,750	\$69,850

In order to facilitate the project, HPD is requesting that the Council approve, pursuant to Section 577 of the Private Housing Finance Law, a full, 40-year property tax exemption that will be coterminous with the term of the regulatory agreement.

Report of the Committee on General Welfare

Report for Int No. 1187-A

Report of the Committee on General Welfare in favor of approving and adopting, as amended, a Local Law to amend the administrative code of the city of New York, in relation to a report on obtaining government-issued identification for youth

The Committee on General Welfare, to which the annexed proposed amended local law was referred on May 25, 2016 (Minutes, page 1473), respectfully

REPORTS:

Introduction

On October 26, 2016, the Committee on General Welfare chaired by Council Member Stephen Levin, held a hearing on a package of legislation including seven bills and one resolution regarding foster care. The Committee passed the bills and resolution by a vote of seven in the affirmation, zero in the negatives and zero abstentions. This was the second hearing on the bills and resolution, the first hearing was held on June 16, 2016. At the hearing representatives from the Administration for Children's Services (ACS), youth who had aged out of foster care, providers and advocates testified. Amendments were made to the bill after the hearing.

Background

Over the past six years, New York City has seen a continuous decline in both the number of children entering foster care and the total number of children who have remained in foster care.

¹ The City's most recent data reflects this trend. Compared to the same period in Fiscal 2015, during the first four months of Fiscal 2016 (July 2015 – October 2015)² the number of children entering foster care fell by 8.8 percent from 1,379 to 1,257;³ and the number of children in foster care declined by 6.7 percent, from 11,156 to 10,408.⁴ As of March 2016, the number of children in foster care has decreased to 9,563.⁵ In addition, the number of total days all children spent in foster care declined by 4.7 percent, from 1,616,786 to 1,540,852 during the first four months of Fiscal 2016.⁶ Despite the steady decline in length of stay in foster care, there are many youth who spend extended periods of time in care, which will be discussed further in this paper.

After a child is placed in foster care, the goal is to implement a permanency plan for each child, which can be one of the following:⁷

- Reunification;
- Permanent placement with relatives;
- Adoption;
- Legal guardianship; or
- Another or Alternative Planned Permanent Living Arrangement (APPLA).

Permanency can have different meanings depending on the child, family, and case circumstances.⁸ Child welfare professionals first focus on supporting and stabilizing a family to prevent an initial placement.⁹ Reunification with family is the preferred outcome for children removed from their homes and placed in foster care.¹⁰ When children must be removed from their families to ensure their safety, permanency planning efforts focus on returning them to their home as soon as is safely possible or placing them with another lawful permanent family.¹¹ Other permanent families may include relatives, adoptive families who obtain legal custody, or guardians.¹² New York State's Kinship Guardianship Assistance Program (KinGAP) for example, is designed for a foster child to achieve a permanent placement with a relative who had been the child's foster parent for at least six months.¹³ Permanency also includes maintaining or establishing meaningful connections with other caring adults in the child's life (relational permanency) with family, friends, and connections to the community.¹⁴

If family reunification is not possible and the youth is not adopted, the young person will officially age out of the system at the age of 21, and at that time ACS will no longer have legal authority over the young person. ACS, and by extension the contracted foster care agency providers, is mandated by New York State law to help youth prepare for independent living. Youth who will likely age out of foster care without reunification, adoption or guardianship, have no other option but to pursue the APPLA permanency planning goal.

Beginning on the 16th birthday of a youth in foster care, ACS requires caseworkers to begin developing the APPLA plan with the young person. Caseworkers will begin to address "housing, income, medical

coverage, arrangements to receive essential documents... arrangement[s] with any needed service providers and any safety concerns.”¹⁵ Providers must additionally begin a transition plan for youth 180 days prior to his or her 18th birthday, which includes specific options for housing, health insurance and employment and education opportunities; the plan must be completed 90 days prior to the young person’s scheduled discharge.¹⁶

The overall number of foster care children in New York City who achieved permanency remained stable during the first four months of Fiscal 2016 compared to the same period of Fiscal 2015, even as the foster care census declined.¹⁷ While the number of adoptions decreased by 4.5 percent (from 266 to 254 adoptions) and the number of children who achieved permanency through the KinGAP program declined 8.4 percent (from 95 to 87 KinGAP finalizations), the number of children reunified with their families rose 2.2 percent (from 801 to 819 reunifications).¹⁸ In 2015, ACS streamlined administrative processes in order to speed adoptions and expanded the use of KinGAP as a permanency option for children living with relatives.¹⁹ During the course of 2015, over 4,400 youth in New York City were discharged from foster care, of which 2,527 were discharged to reunification,²⁰ 1,023 to adoption,²¹ 260 to KinGAP,²² and 652 to APPLA.²³ In addition, 1,700 foster youth have a permanent connection to a caring adult.²⁴

The Impact of Aging Out of Foster Care

Numerous studies demonstrate that youth who age out of foster care tend to experience worse outcomes than their peers in a variety of critical areas such as education, employment, criminal justice involvement, mental health, income security, and housing.²⁵ Such youth also rely heavily on government benefits. There are limited housing options for youth aging out of foster care. The main options are a (1) private apartment with an ACS subsidy, (2) New York City Housing Authority (NYCHA) apartment or (3) supportive housing. Youth ages 18 and older with an APPLA goal can apply for an ACS housing subsidy, which provides a monthly rent allowance of \$300 per month for up to 3 years or \$10,800.²⁶ Despite the availability of the subsidy, given the New York City housing market, it is questionable whether this subsidy effectively enables youth aging out of foster care to secure and maintain a private apartment. According to the Legal Aid Society, the current ACS housing subsidy is insufficient to meet housing needs and it is “nearly impossible” for youth aging out of care to take advantage of any such private housing opportunity.²⁷ In 2015, of the 652 youth who aged out, only 48 utilized this subsidy.²⁸

Youth aging out of foster care are also eligible for NYCHA apartments.²⁹ In 2001, ACS entered into an agreement with NYCHA which provides youth aging out the N-0³⁰ priority code from NYCHA, the highest

priority code available.³¹ In order to qualify for NYCHA, a young person must be at least 18 years old and contribute 30 percent of their income to rent, and additionally undergo a criminal background check.³² For disabled youth or students, Social Security Supplemental Income (SSI) payments or student loans can be considered a source of income to contribute to rent payments.³³ For youth who are not employed or disabled, in order to submit an application, NYCHA requires the submission of a presumptive budget letter from the Human Resources Administration (HRA), which details the public assistance a youth may receive after aging out of care that can be used to pay rent at NYCHA.³⁴ HRA will not provide the presumptive budget letter until a young person is within 90 days of turning 21.³⁵ In order to qualify for the N-0 priority, the young person must submit their completed application to NYCHA prior to their discharge from foster care.³⁶ According to a recent report by the Federation of Protestant Welfare Agencies, “Keeping Foster Youth Off The Streets, Improving Housing Outcomes for Youth that Age Out of Care in New York City” (FPWA Report), this bureaucratic hurdle often hinders youth from securing a NYCHA apartment because they are not able to get the presumption budget letter on time.³⁷ Additionally, the overall supply of NYCHA apartments, particularly studio apartments, has decreased, leaving youth aging out of care with fewer opportunities for this option.³⁸ In addition to NYCHA apartments, young people aging out of foster care previously were able to apply for a NYCHA Section 8 voucher to pay for a private apartment, however Section 8 vouchers were frozen in 2009, and there has been no indication of the waiting list being re-opened.³⁹

Finally, under the NY/NY III supportive housing agreement, youth who qualify may apply for supportive housing. Youth who qualify include either young adults aged 25 years or younger leaving or having recently left foster care or who had been in foster care for more than a year after their 16th birthdays and who are at risk of street homelessness or sheltered homelessness, and young adults aged 18 to 24, who have a serious mental illness and are being treated in a New York State psychiatric facility or a New York State licensed residential treatment facility and are leaving or having recently left foster care and who could live independently in the community if provided with supportive housing, and who would be at risk of street or sheltered homelessness if discharged without supportive housing assistance.⁴⁰ However, there is only a small portion of supportive housing units set aside for youth and many youth report that supportive housing applications are difficult to understand and complete.⁴¹ In 2015, 1,554 youth with an APPLA goal applied for supportive housing and 1,053 were found eligible.⁴² However, out of the all youth who aged out of care in 2015, only between 0 and 10 youth⁴³ accessed supportive housing.⁴⁴ Mayor de Blasio’s recent announcement of the creation of 15,000 new units of supportive housing over the next 15 years will continue to serve youth aging out of foster care and at risk of homelessness as a category.⁴⁵

Less than half of the 652 foster youth discharged to APPLA last year received some type of housing assistance, including NYCHA housing, ACS housing subsidies, supportive housing, or adult residential care.⁴⁶ Despite these housing options, according to the FPWA Report, it is estimated that between 18 to 21 percent of youth who age out of foster care become homeless, and on any given night, many former foster care youth can

be found couch-surfing, sleeping on the streets or in shelters.⁴⁷ Although ACS is prohibited from discharging a young person from foster care into the shelter system, young people who are unable to maintain their living situations may end up homeless. According to the most recent data available from ACS and the Department of Homeless Services (DHS), during the period from October 31, 2015 to December 31, 2015 180 youth aged 18 to 21 aged out of care.⁴⁸ Out of that group, 8 youth entered the DHS system by March 7, 2016.⁴⁹

Permanency

As discussed above, despite the City's success in continuing to reduce the overall foster care census, children in foster care in New York City spend almost twice the amount of time in foster care compared to the rest of the country; 3.2 years⁵⁰ as compared to 1.7 years.⁵¹ Further, children who are discharged from their families to foster care spend an average of 1.6 years in care prior to being reunified, and children who are adopted have spent an average of 5.1 years in care prior to being adopted.⁵²

When examining New York State compared to the rest of the nation on four federal indicators related to permanency, New York did not meet national standards and received some of the lowest scores compared to the rest of the ranked states. It should be noted that while the data is statewide, the majority of children in the child welfare system in New York State are from the City.

- Permanency in 12 months: 35 out of 49 ranked states.
- Permanency in 12 months for children in care 12 to 23 months: 50 out of 51 ranked states.
- Permanency in 12 months for children in care 24 months or more: 48 out of 51 ranked states.
- Re-entry into foster care in 12 months: 48 out of 51 ranked states.

The inability to move children into permanent situations with families is linked to youth aging out of care into independence at 21. As discussed above, youth who leave foster care without a family tend to have worse outcomes than their peers in critical areas such as housing, employment, education and parenting. Further, many youth currently in foster care or who have recently aged out have reported to the Committee that they felt ill-prepared to enter adulthood at the age of 21 without family support.

Analysis

Res. No. 1073-A - Resolution calling upon the New York State Legislature to pass, and the Governor to sign legislation that would increase the amount of housing subsidy from \$300 to \$600 per month, and extend the age eligibility from 21 to 24 for youth who have aged out of foster care

Res. No. 1073-A would state that several national studies have demonstrated that many youth who age out of foster care are more likely to become homeless, lack a high school diploma, become involved in the criminal justice system, and rely on public assistance; and that according to ACS, there are currently 9,748 youth in foster care in New York City. The resolution would also state that youth who are discharged from foster care either reunify with their families, enter legal guardianship by a relative, become adopted, or end up living on their own. Res. No. 1073 would cite the fact that, according to data from ACS, in 2015, approximately 3,800 youth in New York City were discharged from the foster care system, of which 652 were discharged to independent living, also known as another planned permanent living arrangement (APPLA).

The resolution would then explain that the Housing Subsidy program administered through ACS provides rental assistance to families who need housing in order to reunify with children in foster care or to prevent

children from entering foster care, and that young adults ages 18-21 who have no other permanent living arrangement than to live independently after leaving foster care are also eligible for this program. The resolution would also state that the Housing Subsidy program currently provides a maximum monthly rent allowance of \$300, but the subsidy amount has remained the same for more than 20 years, during which rents throughout New York City have dramatically increased.

Res. No. 1073-A would explain that youth advocates argue that public housing for which foster youth and their families qualify is extremely limited and there are not enough supportive housing units, and points to the fact that of the 652 foster youth discharged to APPLA in 2015, less than half received some type of housing assistance, including public housing, ACS housing subsidies, supportive housing, Section 8 vouchers or adult residential care. The resolution would cite to the fact that out of such group, only 48 received the ACS housing subsidy in 2015. The resolution would also cite to arguments that youth who have aged out of foster care at age 21 do not have enough income to afford housing, and therefore, the age eligibility for a housing subsidy should be increased to 24.

The resolution would state that it is extremely important for the State to enact legislation to increase the housing subsidy from a maximum of \$300 to \$600 per month, not exceeding three years, for youth up to age 24 who aged out of the foster care system and allow former foster youth to live with roommates just as other young adults make such living arrangements to afford their rent.

Res. No. 1073-A would argue that in order to reduce the risk of homelessness among youth who have aged out of foster care, New York State should increase the housing subsidy to enable them to achieve self-sufficiency, and would therefore state that the Council of the City of New York calls upon the New York State Legislature to pass, and the Governor to sign legislation that would increase the amount of housing subsidy from \$300 to \$600 per month, and to extend the age eligibility from 21 to 24 for youth who have aged out of foster care.

Since introduction, the resolution was amended to remove references to the bill number of the State legislation that was proposed during the 2015-2016 legislative session in order to ensure that the resolution would be applicable to any future legislation introduced in the new State legislative session.

Int. No. 1187-A – A Local Law to amend the administrative code of the city of New York, in relation to a report on obtaining government-issued identification for youth

Int. No. 1187-A would amend Local Law 48 of 2014 which requires ACS to report on whether youth in currently in foster care and youth who have recently aged out of care have government-issued identification disaggregated by the type of identification. The bill would add the total number of youth aged 17 and older in care and the total number of youth who aged out of care, and the total number of youth in those groups who obtained any type identification to the local law.

Since introduction, Int. No. 1187-A was amended to add a metric on the number of youth who only possess one form of government-issued identification, and to mandate that any required reports to remain permanently accessible on ACS' website. Int. 1187-A would take effect immediately.

Int. No. 1190-A - A Local Law to amend the administrative code of the city of New York, in relation to a report on the educational continuity of children in foster care

Int. No. 1190-A would require ACS to submit to the Speaker of the Council and post on its website an annual report on the educational stability of children in foster care. The bill would require the reports to include the percentage of children in foster care who remained in their school of origin upon their initial entry into foster care and who remained in their school of origin after transferring foster homes, the percentage of children in foster care who did not return to their school of origin due to a determination that it was not in the child's best interest, and the average school attendance rates of children in foster care. After introduction, Int. 1190-A was amended to remove the requirement that that data be disaggregated based on the best interest determination due to ACS' inability to aggregate such data. Int. No. 1190-A was also amended to make technical changes to the way average school attendance rates would be reported and to mandate that any required reports to remain permanently accessible on ACS' website. Int. 1190-A was would take effect immediately.

Int. No. 1191-A - A Local Law to amend the administrative code of the city of New York, in relation to certain children who have spent the greatest length of time in foster care

Int. No. 1191-A would require ACS to submit to the Speaker of the Council and post on its website a five-year plan to address barriers to permanency for youth in foster care. The plan required pursuant to Int. 1191-A would include a case study of a statistically significant sample of children, no less than 5% of the total foster care population, who have spent at least two years in foster care. The case study would include demographic information, permanency plans, the length of time in care and barriers to permanency for the sample of youth. The five-year plan would also include an analysis of how ACS plans to address the systemic barriers to permanency identified during the case study. The proposed five-year plan would be updated by ACS annually and in the fifth year covered by the plan ACS would submit a new plan.

After introduction, Int. 1191-A was amended to change the structure of the bill from reporting on the 200 children who have spent the greatest length of time in foster care, to a five-year plan to address barriers to permanency with a statistically significant case study of youth who have spent at least two years in care. Such amendments were drafted because the bill in its original form would have captured data on a group of young people that have not achieved permanency for reasons that would not be representative of the overall population of youth in foster care. Int. 1191-A would take effect immediately and is deemed repealed 15 years after it becomes law.

Int. No. 1192-A - A Local Law in relation to a foster care task force

Int. 1192-A would require an interagency task force to develop and submit to the Mayor and the Speaker recommendations for improving services for youth in foster care and outcomes for youth aging out of foster care. The task force would include representatives of ACS, DSS, DOE, DYCD, DOMHM, NYCHA, the City Council, the Public Advocate, foster care providers, advocacy organizations, and youth who are in foster care and youth who have recently aged out of foster care, and a parent with child welfare experience. The task force would submit recommendations regarding education, housing, financial literacy, health and mental health services, parenting, decreasing the number of youth who age out of foster care, and prioritizing permanent placements of youth with families before they age out. The task force would submit follow-up reports regarding implementation of the recommendations one and two years after the submissions of the initial report, and would then cease to exist.

After introduction, Int. 1192-A was to make changes to the membership of the task force; the Public Advocate and parents with child welfare experience were added. Int. 1192-A was also amended to expand the list of topics the task force would make recommendations on to include post-permanency services.

Int. No. 1197-A - A Local Law to amend the administrative code of the city of New York, in relation to information collected and reported about youth and foster care

Int. No. 1197-A would make amendments to Local Law 46 of 2014 which requires ACS to report on youth in foster care and youth that have recently aged out of foster care. The bill would add the total number of youth discharged with an APPLA goal disaggregated by age from 0 to 21 and over 21, and the total number of youth discharged to any other permanency outcomes such as, discharges to psychiatric institutions, correctional facilities, or unspecified destinations, disaggregated by age from 0 to 21 and over 21. The bill would also require ACS to report on the total population of youth currently in care by age from 0 to 21 and over 21. For consistency purposes, Int. No. 1197-A would also amend age disaggregation for certain existing metrics to report data in the following age categories: 14-15; 16-17; 18-19; 20-21; over 21.

The bill would also require ACS to report on the number of youth who enter a DHS or HRA homeless shelter within 30 days, 90 days, 180 days and 1 year of aging out of care, the number of youth who receive cash assistance and Supplemental Nutrition Assistance Program benefits from HRA within 30 days and 60 days of being discharged from foster care, and the number of youth who age out and transition to Medicaid without a gap in coverage.

After introduction, Int. 1197-A was amended to make certain technical amendments to the definitions section of the local law and to require all metrics to be reported by percentage, in addition to whole numbers. Int. 1197-A was also amended to include reporting on all youth in care disaggregated by age. Int. 1197-A would take effect immediately.

Int. No. 1199-A - A Local Law to amend the administrative code of the city of New York, in relation to foster care experience surveys

Int. No. 1199-A would require ACS to provide to all youth in foster care ages 13 and older an annual survey regarding their experiences in foster care. For youth residing with foster parents, the surveys would be administered in a location other than the foster parent's home, unless it was provided online or in a mobile application. The surveys would question about youth's experiences in topic areas including access to food and clothing; religious practices; relationships with foster families, biological families and friends; personal allowances; education and extracurricular activities; internet and phone access. The bill would also require ACS to aggregate the data from the surveys and report it to the City Council and post it on their website on an annual basis.

After introduction, Int. 1199-A was amended to include all youth in foster care, not just youth who were placed with a foster parent. Int. 1199-A was also amended to require that certain topic areas be addressed in the surveys and not require the specific phrasing of survey questions in order to allow ACS to utilize experts to develop the questions. Int. 1199-A was amended to require that ACS begin to administer the surveys within one year of the effective date of the local law, in order to provide ACS with a sufficient period of time to develop the survey. Int. 1199-A was amended to require ACS to report to the Council within 120 days a report for its plan for the implementation of the survey. Int. 1199-A would take effect immediately.

Int. No. 1205-A - A Local Law to amend the administrative code of the city of New York, in relation to high school graduation rates of youth in foster care

Int. No. 1205-A would amend Local Law 49 of 2014 which requires ACS to report on high school graduation rates of youth in foster care. The bill would make technical amendments to age disaggregation categories in the Local Law by changing the age breakdown of the total number of youth in care and the number of youth enrolled in high school from under 16 to the age range 13-15 in order to have a more accurate reflection of youth who should be enrolled in high school based on their age. The bill would also amend Local Law 49 to add the number of youth in foster care who are on track to graduate high school in five years. After introduction, Int. 1205-A was amended to change the reporting metric for youth who are on track to graduate from four to five years, in order to comply with the way the Department of Education currently tracks whether students are on track to graduate. Int. 1205-A was also amended to mandate that any required reports to remain permanently accessible on ACS' website. Int. 1205-A would take effect immediately.

§ 21-910 *Foster care experience surveys.* a. Commencing one year after the effective date of the local law that added this section, ACS shall provide to all youth in foster care ages 13 and older an annual survey regarding such youth's experiences with each foster care placement where the youth resided that year. For youth placed with foster parents, such surveys shall be administered in a location other than the foster parent's home, or administered online or through a mobile application. ACS shall explain the purpose of such survey to youth and shall not attribute survey responses to youth without their consent. In addition to questions, such survey shall provide space for such youth to provide ACS with any additional information they wish to share.

b. Such survey shall include but not be limited to questions addressing the following topic areas: access to food and clothing; religious practices; relationships with foster families, biological families and friends; personal allowances; education and extracurricular activities; and internet and phone access.

c. No later than six months following the first administration of the survey, and annually thereafter, ACS shall submit to the speaker of the council and post on its website aggregated data from the surveys required pursuant to this section and any steps ACS had taken in response to the information provided in such surveys.

d. Not later than 120 days after the effective date of the local law that added this section, ACS shall submit to the speaker of the council a report on its plan for the implementation of the survey required pursuant to this section.

e. No information that is otherwise required to be reported pursuant to this section shall be reported in a manner that would violate any applicable provision of federal, state or local law relating to the privacy of information respecting youth in foster care or that would interfere with law enforcement investigations or otherwise conflict with the interests of law enforcement. If any category requested contains between 1 and 5 youth in foster care, or allows another category to be narrowed to between 1 and 5 youth in foster care, the number shall be replaced with a symbol.

Report for Int No. 464-A

Report of the Committee on Governmental Operations in favor of approving and adopting, as amended, a Local Law to amend the New York city charter, in relation to the department of correction promoting absentee voting among jailed individuals

The Committee on Governmental Operations, to which the annexed proposed amended local law was referred on August 21, 2014 (Minutes, page 3157), respectfully

REPORTS:

INTRODUCTION

On October 26, 2016, the Committee on Governmental Operations, chaired by Council Member Benjamin Kallos, will hold a hearing and vote on two bills and four resolutions: Proposed Int. No. 464-A, in relation to the department of correction promoting absentee voting among jailed individuals; Proposed Int. No. 796-A, in relation to requiring assistance if requested for individuals signing up to be organ donors as part of the agency-based voter registration program, Proposed Res. No. 232-A, calling upon the New York State Legislature to pass, and the Governor to sign into law, A.9108 and S.6452-A, which would amend the election law to consolidate New York's federal, state, and local primaries into one primary which would take place on the fourth Tuesday of June, Proposed Res. No. 281-A, calling upon the Mayor of the City of New York to create an annual Student Voter Registration Day, Res No. 695, calling upon the New York State Legislature to pass, and the Governor to sign, A2529/S857, allowing 16 and 17 year-olds to pre-register to vote, and Res. No. 870, calling on the New York State Legislature to pass and the Governor to sign A.7634, which would amend both the New York State Election Law and the Correction Law, in relation to voting by convicted felons. This will be the second hearing on the bills and resolution; the first hearing on the bills and Res. No. 695 was held on October 1, 2015 and the first hearing on the remaining resolutions was held on February 29, 2016.

BACKGROUND

Voting and voter engagement is essential to building and maintaining a strong democracy. Yet in the United States, only 36.4% of eligible voters cast a ballot in the 2014 midterm elections, the lowest rate since 1942.¹ In New York State, 29% of those eligible actually voted in the same elections, making it 49th in the nation for voter participation.² Even more alarming was New York City's turnout rate for the 2014 midterm elections, which hit a historic low of 20%.³ There is a clear need for action on the national, state, and city levels.

The youth voter participation rate reached its lowest level on record in the 2014 elections. Nationally, only 17.1% of 18- to 24-year-olds voted, compared to 47.9% of voters 30 and older.⁴ Young people's low turnout rate is mirrored by their low registration rate: only 42.2% of 18- to 24-year-olds were registered as of

November of 2014, compared to 69.5% of citizens 30 and older.⁵ Engaging young voters is particularly important because once registered and voting, young adults are more likely to continue the habit of civic engagement throughout their lives.⁶

Promoting voting among eligible voters who are incarcerated is another challenge. People who have been involved in the criminal justice system are often misinformed about their eligibility to vote, partially due to the confusion caused by jurisdictions having vastly different and changing laws on this issue. As of 2014, citizens in Maine and Vermont could vote even while serving their felony sentences, whereas Florida, Iowa, Kentucky, and Virginia permanently disenfranchised citizens with felony convictions.⁷ The remaining 44 states have enacted laws between the two ends of this spectrum. In New York State, those with felony convictions have their voting rights automatically restored once they finish serving their sentences and are not on parole. While pre-trial detainees and those serving misdemeanor sentences can vote, the process of applying for and returning absentee ballots can seem daunting to many who are incarcerated.

Since 2009, the New York State voter registration form has included an optional section for individuals to enroll as an organ and tissue donor.⁸ In 2010, 1.6% of all newly enrolled donors came from voter registration, increasing to 4.6% in 2011 and 14.6% in 2012.⁹ New York State ranked 49th in the country in 2013 for its rate of registered organ donors,¹⁰ and a New Yorker dies every 15 hours while waiting for an organ transplant.¹¹

Proposed Int. No. 464-A

Proposed Int. No. 464-A would require the Department of Correction to implement and administer a program for the distribution of absentee ballot applications, absentee ballots and then to provide for their collection, from inmates registered to vote. The absentee applications would first be distributed sixty days prior to an election until two weeks prior. The department would provide any assistance needed for filling out applications and ballots, and then transmit completed applications and ballots to the New York City Board of Elections within five days. There is a waiver of the bill's requirements for any specific instance where the department believes it would be unsafe to comply. Proposed Int. No. 464-A would take effect 90 days after enactment.

In addition to technical amendments, the bill has been amended to clarify that absentee ballot applications should be offered to registered voters.

Proposed Int. No. 796-A

Proposed Int. No. 796-A would require all of the agencies participating in the agency-based voter registration law and that are providing assistance to persons completing voter registration forms to also provide assistance for the organ donor section of the form. Proposed Int. No. 796-A would take effect 90 days after enactment.

Only technical amendments were made since its first hearing.

Proposed Res. No. 232-A

Proposed Resolution No. 232-A calls upon the state governments to consolidate the non-presidential state and federal primaries on a single day, specifically the fourth Tuesday of June.

Currently, non-presidential federal primaries are held in June while primaries for state and local offices are held in September. Previously all such primaries had been consolidated in September but a 2013 decision by a U.S. District Court judge moved the federal primary earlier in order to ensure compliance with the Military and

Overseas Voter Empowerment Act, a 2009 federal law. This resolution calls for these primaries to be consolidated again by holding them both in June.

Proposed Res. No. 281-A

Proposed Resolution No. 281-A calls upon the Mayor to create an annual Student Voter Registration Day.

Voting and registration rates among eligible 18- to 29-year olds in New York have been notably low in recent years, with an analysis by the New York City Campaign Finance Board finding that only 11% of such voters registered in that bracket having voted in the 2013 general election. Further, eligible voters who do not register at a young age and do not attend college become unlikely to vote in their lifetimes, leaving them unrepresented in the political process. It is hoped that the City school system can engage students and prepare them for civic engagement. A Student Voter Registration day, with civic education, discussions and activities, may further that goal and increase the number of young voters who are registered.

Res. No. 695

Resolution No. 695 calls upon the state government to pass legislation allowing 16- and 17-year olds to pre-register to vote.

As described above, current registration rates among young voters are low it is hoped that by reaching them at a younger age they will grow to be more civically engaged. The school system or the Department of Motor Vehicles both have contacts with youth in this age bracket and pre-registration might allow them to use that contact to encourage youth to become registered voters.

Res. No. 870

Resolution No. 870 calls upon the state government to pass legislation allowing convicted felons to vote after their discharge from incarceration.

Currently, the New York State Election Law bars persons convicted of a state felony from voting or registering to vote, but later restores those voting rights upon release from parole or arrival of the maximum expiration date of their sentence. Since the parole period is one in which formerly incarcerated persons are encouraged to reintegrate into their communities and reentering civic society, that period might also function as one during which voting rights should be restored.

Report of the Committee on Public Safety

Report for Int No. 83-A

Report of the Committee on Public Safety in favor of approving and adopting, as amended, a Local Law to amend the administrative code of the city of New York, in relation to requiring the police department to publicly post reports concerning cardiopulmonary resuscitation and automated external defibrillator training.

The Committee on Public Safety, to which the annexed amended proposed local law was referred on February 26, 2014 (Minutes, page 440), respectfully

REPORTS:

I. INTRODUCTION

On October 21, 2016, the Committee on Public Safety, chaired by Vanessa L. Gibson, will vote on Proposed Introduction 83-A (“Prop. Int. 83-A”), in relation to requiring the police department to submit reports concerning cardiopulmonary resuscitation and automated external defibrillator certification to the Council, and Proposed Resolution 1181-A (“Res. 1181-A”), which calls on New York State to require all police officers to be retrained in cardiopulmonary resuscitation every two years.

II. BACKGROUND

More than 350,000 out-of-hospital cardiac arrests take place in the United States every year, with almost 90% of the cases resulting in death.¹ When the heart stops during a cardiac arrest, blood stops flowing to the brain, and brain damage and/or death can happen in less than eight minutes.² Cardiopulmonary resuscitation (“CPR”) is a procedure developed to save lives during emergencies in which an individual’s breathing or heartbeat has stopped. CPR is a manual technique of chest compressions and sometimes artificial ventilation to keep oxygenated blood flowing to the brain and other vital organs until further treatment can restore a normal heart beat.³ If CPR is performed within the first few minutes of cardiac arrest, an individual’s chance of survival can be doubled or tripled.⁴

Defibrillation is another procedure used to respond to cardiac arrest and to treat abnormal heart rhythms by delivering an electric shock to the heart to help restore a normal heartbeat.⁵ An automated external defibrillator (“AED”) is a computerized device that can check a person’s heart and deliver an electric shock if needed.⁶ AEDs are designed to be easy to use and most people can operate them safely after a few hours of training.⁷ One estimate indicates prompt use of an AED could save 20,000 lives annually.⁸ CPR training for NYPD officers has generated public scrutiny in recent

years. According to news reports, in 2010, an 11-year-old girl from Brooklyn named Briana Ojeda died of an asthma attack after a police officer claimed he was not qualified to administer CPR on her.⁹ In early 2016, former NYPD officer Peter Liang was tried for manslaughter in the shooting death of Akai Gurley in the stairwell of a Brooklyn public housing development. Liang was also tried for official misconduct, which the prosecution said he committed by failing to administer CPR to Gurley after he was accidentally shot.¹⁰ At the trial, a police academy instructor testified that cadets are required to receive 14 hours of CPR and other first-aid training and must pass such tests in order to graduate.¹¹ However, Liang and other officers testified that they had not been adequately trained in CPR and that instructors had helped students cheat on the exam.¹²

III. ANALYSIS OF PROPOSED INT. 83-A

Section 1 of the bill would add a new section 14-165 to the administrative code and defines CPR and AED. The section would also require the department to identify when CPR and AED training is appropriate and provide all relevant staff such training and re-training, the curriculum for which shall, where practicable, be consistent with standards developed by a nationally recognized organization or association. The Department would also be required to publish a CPR report and an AED report on an annual basis and post it on their website. These reports would include the number of patrol precinct, transit district or police service area officers that were trained and re-trained in the last calendar year. In a separate report, the NYPD would be required to report on the same information with respect to school safety agents.

Section 2 of the bill states that the local law takes effect immediately.

IV. AMENDMENTS TO PROPOSED INT. 83-A

Since Int. 83 was heard it has been amended. The bill previously amended section 14-150 and only required the Department to submit reports to the council. The current version of the bill creates a new section 14-165 in the administrative code, and requires the data to be posted on the Department's website. In addition, Prop. Int. 83-A adds a section on training which would require the department to identify when CPR and AED training is appropriate and provide all relevant staff such training and re-training, the curriculum for which shall, where practicable, be consistent with standards developed by a nationally recognized organization or association. Finally, Prop. Int. 83-A requires reporting on patrol precinct, transit district, police service area and school safety agents whereas the previous version of the bill required reporting on all uniformed officers and civilians, excluding school safety agents.

V. ANALYSIS AND AMENDMENTS TO RES. 1181

Res. No. 1181 calls on New York State to require all police officers to be retrained in CPR every two years. It calls for the passage of Briana's Law, named after Briana Ojeda, an 11-year-old girl from Brooklyn who died of an asthma attack in 2010, after a police officer claimed he was not qualified to administer CPR on her. Res. 1181-A was amended slightly from its original version to reflect that the Briana's Law has not been called for a vote in the Senate.

FISCAL IMPACT STATEMENT

PROPOSED INTRO. NO: 83-A

COMMITTEE: Public Safety

TITLE: To amend the administrative code of the city of New York, in relation to requiring the police department to publicly post reports concerning cardiopulmonary resuscitation and automated external defibrillator training.

SPONSORS: Council Members Levin, Williams, Salamanca, Gentile, Koslowitz, Johnson, Cabrera, Gibson and Lander.

SUMMARY OF LEGISLATION: Proposed Intro. No. 83-A would require the New York Police Department (“NYPD”) to identify when training in cardiopulmonary resuscitation and in the use of automated external defibrillators is appropriate and to train and re-train relevant staff. Proposed Intro. No. 83-A would also require the NYPD to publish one annual report on the number of officers assigned to a patrol precinct, transit district, or police service area and school safety agents trained and re-trained in cardiopulmonary resuscitation and a second report on those trained in automated external defibrillation in the past calendar year.

EFFECTIVE DATE: This local law would take effect immediately.

FISCAL YEAR IN WHICH FULL FISCAL IMPACT ANTICIPATED: Fiscal 2018

FISCAL IMPACT STATEMENT:

	Effective FY17	FY Succeeding Effective FY18	Full Fiscal Impact FY18
Revenues	\$0	\$0	\$0
Expenditures	\$0	\$0	\$0
Net	\$0	\$0	\$0

IMPACT ON REVENUES: It is anticipated that there would be no impact on revenues as a result of this legislation.

IMPACT ON EXPENDITURES: It is anticipated that there would be no impact on expenditures resulting from the enactment of this legislation because the NYPD could use existing resources to implement this local law. According to the Department, it estimates that it would annually train 15,000 uniformed staff and other appropriate personnel. In order to complete this training program, the NYPD would have a one-time equipment purchase of \$100,000. Ongoing training costs will include \$105,000 for the annual course completion cards for the basic life support curriculum, and \$30,000 for annual training costs. These include the cost of an instructor and trainee resources, such as textbooks, DVDs, instructor recertification, routine maintenance of equipment, and general other than personal service costs. The annual course completion cards for approximately 15,000 uniformed members of services are estimated to be \$7 per trainee each. The NYPD anticipates that training will be refreshed every two years. These components total the \$235,000 in the initial year and \$135,000 in subsequent years. It is the Council’s estimate that these training needs could be funded within the Department’s current budget and therefore no additional resources would be required.

REPORTS:

Introduction

On October 27, 2016, the Committee on Recovery and Resiliency, chaired by Council Member Mark Treyger, will hold a hearing for the purposes of conducting a vote on Preconsidered Int. No., in relation to special provisions for approval of demolition and construction work by city contractors under the “build it back” disaster recovery program.

Background

On October 29, 2012, Superstorm Sandy approached New York City from the southeast, causing high winds and a 14-foot storm surge. Sections of Lower Manhattan, Staten Island, Brooklyn and Queens were inundated with seawater. By the end of 2012, the Department of Buildings (DOB) tagged approximately 800 buildings as damaged or destroyed and 70,000 housing units registered with the United States Federal Emergency Management Agency (FEMA) were found to have suffered some amount of damage.¹ On November 9, 2012, then-Mayor Michael Bloomberg announced the start of the Rapid Repairs Program to assist homeowners by utilizing FEMA grants to fund basic repairs so that residents could shelter in their homes while awaiting more extensive repairs or rebuilding.²

To achieve permanent home repairs and rebuilding, on June 13, 2013, the City announced the Build It Back (BIB) program. BIB is designed to help multifamily and single family homes by utilizing funds from the United States Department of Housing and Urban Development’s (HUD) Community Development Block Grant Disaster Recovery (CDBG-DR) program. The BIB program is administered by the New York City Housing Recovery Office (HRO).³

BIB offers multiple pathways to homeowners impacted by the storm: damaged homes may be repaired, repaired and elevated, or rebuilt; already repaired homes may have repair work reimbursed; and severely damaged homes may be made an acquisition offer.⁴ Registration for BIB closed on October 31, 2013.⁵ There are separate programs and processes for single and multifamily homes.⁶ The legislation under consideration concerns “single family homes” (which broadly includes all residential dwellings housing one to four families), so this report will focus on that aspect of the program.

Process for Single Family Homes

After registering, a participant in the single-family home program would go through an intake process and submit required documents. Next, BIB would review the submitted documents to determine the applicant’s eligibility. Third, an on-site damage assessment is scheduled to review the damaged or destroyed property. The assessment would also review any work that has already been completed and any environmental or safety issues that may be present in the home. There would also be coordination of benefits, in which any transfer amount (the total disaster recovery benefits already received, minus the amount spent on allowable activities) would be identified for potential transference to the program.

At this stage a preliminary pathway will be determined at an options review meeting, to either: 1) repair the home, 2) repair and elevate the home, 3) rebuild the home, 4) have the State acquire the home, and/or 5) reimburse for work already done on the home. To be eligible for repair, BIB must determine that the value of the storm damage is less than 50% of the pre-storm market value of the home (as determined by the Department of Finance). Any home for which the cost to complete repairs is greater than 50% of the pre-storm market value can be repaired, but it will also need to be raised above base flood elevation, if necessary, in

order to comply with the NYC Building Code.⁷ To be eligible for a rebuild, a home must have been either completely destroyed by Superstorm Sandy, demolished as a result of damage caused by the storm, or be more cost-effective to rebuild than to repair based on the damage assessment.⁸ Another potential pathway is the buyout and acquisition programs. Buyouts are done under a New York State program to purchase properties and leave them undeveloped. Finally, BIB may reimburse applicants who used personal funds to repair damage to their homes or rental properties if those costs are determined to be reasonable, necessary and to have been completed (or contracted) prior to October 29, 2013.⁹

For those in the repair, elevation or rebuilding pathways, there would next be a design or elevation consultation, as needed, in which a relevant professional would review the available program options with the registrant and the scope of work will be determined. For those registrants in the repair pathway who wish to use their own contractor, that approval would be finalized at this point. At the completion of this stage, legal agreements with the relevant parties would be signed, the registrant's transfer amount would be provided to the program, and a date for the construction to begin will be agreed upon.

In October 2015, Mayor de Blasio announced the goal of completing the BIB single-family home program by the end of calendar year 2016.¹⁰

Main Issues Slowing Down the Completion of BIB Work in Single-Family Program

Demolition

The current demolition process requires extensive documentation prior to work beginning, including construction document approval. In some cases, approving construction documents and completing compliance-related requirements have delayed demolition starts for homes in BIB as long as six months.

Open DOB permits and violations

Many homes in BIB have open DOB permits or unresolved violations that effectively prohibit contractors from working on them and prohibit DOB from providing a Certificate of Occupancy when that work is complete.

Civil penalties

Homes in the program that are subject to a DOB violation must pay the penalty prior to continuing with the program. This involves a complex process to calculate the amount of the civil penalty.

Preconsidered Int. No. 1341

Preconsidered Int. No. would (1) allow detached one- to four-family dwellings undergoing full demolition under BIB through a contract held by the Department of Environmental Protection (DEP), the Department of Design and Construction (DDC), or the Department of Housing Preservation and Development (HPD) to begin demolition work before DOB approval of construction documents and without prior correction of open violations, provided that such work is supervised by a registered design professional (e.g. an engineer or architect) designated by the relevant agency; (2) allow owners of one- to four-family dwellings undergoing elevation work under BIB through such a contract to continue to occupy the dwelling without a new certificate of occupancy, even where (a) such work would have require a new certificate and (b) a new certificate could not have been issued because of pre-existing violations; and (3) waive penalties for pre-existing violations relating to work without a permit for owners of one-to-four-family homes in BIB.

The legislation would take effect immediately upon enactment.

COMMITTEE: Recovery and Resiliency

TITLE: A Local Law in relation to special provisions for approval of demolition and construction work by city contractors under the “build it back” disaster recovery program

SPONSORS: Council Member Treyger (by request of the Mayor)

SUMMARY OF LEGISLATION: The City has implemented a disaster recovery program known as the Build it Back program for the recovery of residential property damaged or destroyed during Superstorm Sandy. This legislation would allow full demolitions and elevations of one- to four-family dwellings to proceed even where an existing violation or other condition may have previously delayed such work. This legislation applies only where such work is being funded under the Build it Back program through a contract held by the Department of Environmental Protection (“DEP”), the Department of Design and Construction (“DDC”), or the Department of Housing Preservation and Development (“HPD”). Lastly, this bill would also waive certain civil penalties for such buildings.

EFFECTIVE DATE: This local law would take effect immediately.

FISCAL YEAR IN WHICH FULL FISCAL IMPACT ANTICIPATED: Fiscal 2017

FISCAL IMPACT STATEMENT:

	Effective FY17	FY Succeeding Effective FY18	Full Fiscal Impact FY17
Revenues (+)	\$(34,400)	\$0	\$(34,400)
Expenditures (-)	\$0	\$0	\$0
Net	\$(34,400)	\$0	\$(34,400)

IMPACT ON REVENUES: It is anticipated that this legislation would impact revenues as a result of the waiver of civil penalties for pre-existing violations for work without a permit that, without the passage of this legislation, would otherwise be required to be paid prior to the Build it Back permits being issued. According to the Administration, based on a review of the properties currently enrolled in the Build it Back program, approximately 43 properties would be eligible for such a waiver. Assuming all 43 properties were granted a waiver, then the amount of civil penalties waived would be approximately \$34,400. This estimate is based on the minimum penalty amount for performing work without a permit which is \$800 for one- and two-family dwellings and \$5,000 for three- and four-family dwellings. It is also possible that properties that had previously exited the program would be eligible for re-entry and, by extension, eligible for the waiver in this legislation. This would further reduce revenues.

IMPACT ON EXPENDITURES: It is anticipated that there would be no impact on expenditures resulting from the enactment of this legislation as existing resources can be used to implement this law.

(The following is the text of Int No. 1341:)

Preconsidered Int. No. 1341

By Council Members Treyger and Kallos (by request of the Mayor).

A Local Law in relation to special provisions for approval of demolition and construction work by city contractors under the “build it back” disaster recovery program

Be it enacted by the Council as follows:

Section 1. **Intent.** The city has implemented a disaster recovery program known as the build it back program for the recovery of residential property damaged or destroyed in the severe storm known as Sandy that occurred on October 29 and October 30 in 2012. The purpose of this local law is to expedite such recovery by implementing special procedures for the review and approval of demolition and construction work by city contractors under such program, consistent with public safety.

§ 2. **Definitions.** a. Unless otherwise indicated in subdivision b of this section, the terms used in this local law have the meanings ascribed to such terms in title 28 of the administrative code of the city of New York.

b. As used in this local law:

Build it back program. The term “build it back program” means the disaster recovery program funded by a community development block grant pursuant to the disaster relief appropriations act of 2013 and implemented by the city for recovery of residential property damaged or destroyed in the severe storm known as Sandy that occurred on October 29 and October 30 in 2012.

Contracting agency. The term “contracting agency” means, with respect to work performed under the build it back program, and funded through (i) a contract held by the department of environmental protection, (ii) a contract held by the department of design and construction or (iii) a disbursement agreement held by the department of housing preservation and development, the agency holding such contract or disbursement agreement.

§ 3. **Applicability.** This local law applies only to one- to four-family dwellings enrolled in the build it back program, where work on such dwellings is funded through a contract or disbursement agreement held by a contracting agency.

§ 4. **Full demolition of detached one- to four-family dwellings.** Notwithstanding any inconsistent provision of sections 28-104.1 and 28-105.1 of the administrative code, the full demolition of a detached one- to four-family dwelling funded through a contract or disbursement agreement held by a contracting agency under the build it back program, which would otherwise require construction document approval and a permit, may be performed without such approval and permit, consistent with public safety, subject to the following conditions:

(1) A complete application for approval of construction documents and issuance of a permit, including all required submittal documents, shall be submitted to the department of buildings as soon as practicable after the completion of the demolition work. The department of buildings will not issue a new building permit for the site of the demolition until a complete application for the demolition is submitted.

(2) The work is performed under the supervision of a registered design professional designated by the contracting agency.

(3) For demolition by hand held devices, or where mechanical equipment is used only for foundation removal, such registered design professional, or a qualified individual with experience in demolition operations designated by the contracting agency under the supervision of such registered design professional is at the site to monitor the demolition from the commencement of the work until its completion. In all other instances where mechanical demolition equipment, other than hand held devices, is being used, such registered design professional shall be at the site to monitor the demolition from the commencement of the work until its completion.

(4) The registered design professional ensures that all required documentation and certifications relating to compliance with the provisions of title 28 of the administrative code and other applicable law have been obtained before commencement of demolition work, except where such documentation or certification is waived by the certifying authority. Such documentation and certifications shall be maintained at the site and available for inspection by the department of buildings.

(5) Where section 3306.5.1 of the New York city building code applies to such demolition, documents complying with such section shall be prepared and professionally certified by a registered design professional for compliance with the New York city construction codes, including the certification that any alternate means of protection of adjoining properties are equally safe as those required by such codes, before commencement of the demolition and shall be available at the site for inspection by the department of buildings.

§ 5. **Option for buildings with outstanding pre-existing violations or pre-existing permits not signed off.** Notwithstanding any inconsistent provision of sections 28-118.3.2 or 28-118.3.3 of the administrative code at the option of the owner and subject to the discretion of the mayor's office of housing recovery, the elevation of a one- to four-family dwelling funded through a contract or disbursement agreement held by a contracting agency under the build it back program that would otherwise require the issuance of a certificate of occupancy by the department of buildings before re-occupancy of such dwelling, may be performed under a permit that will allow such dwelling to be occupied by the owner without a new certificate of occupancy or under its last issued certificate of occupancy, if any. Under this option, the owner may re-occupy the building after the issuance of a letter of completion for such work. Such letter of completion may be issued notwithstanding pre-existing violations or pre-existing permits that have not been signed off. The contracting agency must notify the owner before undertaking the elevation of a one- to four-family dwelling under this option, that although such dwelling may be occupied by the owner without the issuance of a new certificate of occupancy or under the last issued certificate of occupancy, if any, any inconsistency with such last issued certificate of occupancy or not obtaining a new certificate of occupancy may have an impact on the ability of such owner to obtain a mortgage or sell such dwelling and that all pre-existing violations and pre-existing permits that have not been signed off will remain in effect and must be remedied before the department of buildings will issue a new certificate of occupancy for such dwelling. The mayor's office of housing recovery shall establish guidelines for the exercise of its discretion pursuant to this section to exclude the use of this option where the pre-existing violations consist of work without a permit that substantially increased the square footage of the dwelling or where the pre-existing violations are of such a nature that there is no reasonable expectation that the violations will be corrected in the future.

§ 6. **Letter of completion where no certificate of occupancy is required.** Where a letter of completion is required for the alteration of a one- to four-family dwelling funded through a contract or disbursement agreement held by a contracting agency under the build it back program, such letter may be issued notwithstanding pre-existing violations or pre-existing permits that have not been signed off. This section shall not apply where, in accordance with sections 28-118.3.2 or 28-118.3.3 of the administrative code, such work would require the issuance of a new certificate of occupancy.

§ 7. **Waiver of penalties by the department of buildings.** Notwithstanding the provisions of sections 28-213.1.1, 28-213.1.2 and 28-213.3 of the administrative code, civil penalties that may be imposed for pre-existing violations for work without a permit which would otherwise be required to be paid before the issuance of a permit shall be waived by the department of buildings with respect to permits for work on one- to four-family dwellings funded through contracts or disbursement agreements with contracting agencies under the build it back program. Any necessary permits for such work shall be issued, provided all other requirements for such permits are met.

§ 8. Except as specifically provided, nothing in this local law is intended to grant authorization for any work to be done in any manner in violation of the provisions of the New York city construction codes, the zoning resolution or any other law or rules.

§ 9. This local law takes effect immediately.

The Committee on Rules, Privileges and Elections, to which the annexed preconsidered Mayor's Message was referred on October 27, 2016 and which same Mayor's Message was coupled with the resolution shown below, respectfully

REPORTS:

Topic I: *New York City Taxi and Limousine Commission – (Candidate recommended by the Council for appointment by the Mayor)*

- **KENNETH MITCHELL [Pre-considered M-456]**

In a letter dated October 14, 2016, Mayor Bill de Blasio formally submitted the name of Kenneth Mitchell to the Council of the City of New York, for its advice and consent, regarding his nomination for appointment to the New York City Taxi and Limousine Commission ("TLC").

The TLC was created pursuant to Local Law 12 of 1971. Chapter 65 of section 2300 of the *Charter* states that there shall be a TLC, which shall have the purpose of further developing and improving the taxi and limousine service in New York City ("the City"). It shall also remain consistent with the promotion and protection of the public comfort and convenience, adopting and establishing an overall public transportation policy, which will govern taxi, coach, limousine, and wheelchair accessible van services, as it relates to the overall public transportation network of the City. The TLC is also responsible for establishing certain rates, standards, and criteria for the licensing of vehicles, drivers, chauffeurs, owners, and operators engaged in such services. Furthermore, the TLC provides authorization to individuals who wish to operate commuter van services within the City.

The TLC consists of nine members appointed by the Mayor, all with the advice and consent of the Council. Five of the said members must be a resident from each of the five boroughs of the City, and are recommended for appointment by a majority vote of the Council Members from the respective borough. The TLC members are appointed for seven year terms, and can serve until the appointment and qualification of a successor. Vacancies, other than those that occur due to an expiration of a term, shall be filled for the unexpired term. Furthermore, the mayor may remove any such member for cause, upon stated charges.

The mayor designates one TLC member to act as the Chairperson and Chief Executive Officer. The Chairperson shall have be in-charge of the organization of his/her office, and possesses the authority to employ, assign, and superintend the duties of such officers and employees, as may be necessary to carry out the provisions of Chapter 65 of the *Charter*. The *Charter* provides that the Chairperson shall devote his/her full time to this position and as such, the Chair will receive compensation that is set by the Mayor. The Chair currently receives an annual salary of \$192,198.00. The other TLC members are not entitled to compensation.

Pursuant to the *Charter*, all TLC proceedings and all documents and records in its possession, shall be public records. Furthermore, the TLC is required to make an annual report to the Council, on or before the second Monday of January, of every year, concerning information that consists of the following; complaints received by the commission from the public, including, but is not limited to, complaints of overcharging, as well as enforcement actions undertaken by the commission, whether the enforcement action was dismissed or settled, or if a penalty was imposed by the commission on the subject of the enforcement action. The

information regarding enforcement actions shall also include, but is not limited to; enforcement action relating to illegal street hails, unlicensed vehicles, overcharging, and toll lane infractions.

If Mr. Mitchell, a Staten Island resident, receives the advice and consent of the Council and is subsequently appointed to the TLC, he will be eligible to complete the remainder of a seven-year term, expiring on January 31, 2022.

Copies of the following are annexed to this briefing paper: the candidate's résumé as well as the related associated message.

Topic II: *New York City Art Commission – (Mayor's nominees for appointment upon advice and consent of the Council)*

- **LAURIE HAWKINSON [M-449]**

In a letter dated October 6, 2016, Mayor Bill de Blasio formally submitted the name of Laurie Hawkinson to the Council of the City of New York, for its advice and consent, regarding her nomination for appointment to the New York City Art Commission.

The New York City Art Commission, also known as the Public Design Commission¹ (“PDC”) reviews permanent works of art, architecture and landscape architecture proposed on or over City-owned property. Projects include construction, renovation or restoration of buildings, such as museums and libraries; creation or rehabilitation of parks and playgrounds; installation of lighting and other streetscape elements; and design, installation and conservation of artwork.²

The PDC itself does not contract for any artwork, nor does it select contractors, negotiate fees, or otherwise involve itself in the selection or approval of contracts. The PDC brings its expertise to the process by reviewing submitted plans or work in accordance with standards enumerated in the *Charter*. PDC members have no say in what projects are initiated, or how City funds are allocated. The *Charter* states that the PDC has general advisory oversight over all works of art belonging to the City, and advises agencies having jurisdiction over them as to methods and procedures for their proper maintenance. [*Charter* § 857 (a).]

The PDC is composed of the Mayor or his representative, the President of the Metropolitan Museum of Art, the President of the New York Public Library, the President of the Brooklyn Museum, one painter, one sculptor, one architect, one landscape architect, all of whom shall be residents of the City, and three other residents of the City who cannot be painters, sculptors, architects, landscape architects, or active members of any other profession in the fine arts. *Charter* § 851 (a). The Mayor and the museum and library presidents serve in an ex-officio capacity. Section 31 of the *Charter* states that the Council performs an advice and consent review of mayoral appointees for membership on the PDC. The Council does not review ex-officio members. [*Charter* § 851 (a).]

The appointive members whose service is not ex-officio are chosen from a list submitted by the Fine Arts Federation of not less than three times the number to be appointed. If the Federation fails to present a list of nominees within three months from the time when a vacancy occurs, the Mayor may appoint an individual without such input. In case the Mayor fails to appoint within one year from the time when a vacancy occurs,

¹ On July 21, 2008, Mayor Michael R. Bloomberg issued Executive Order No. 119, which changed the name of the Art Commission of the City of New York to the Public Design Commission of the City of New York, except in court documents, contracts and any other situation where the name “Art Commission” is legally required.

² <http://www.nyc.gov/html/artcom/html/about/about.shtml>

the PDC is authorized to fill such vacancy for any balance of the un-expired term without the Council's advice and consent review. [*Charter* § 851 (b).]

All members serve on the PDC without compensation. Members serve for three-year terms, or until a successor has been appointed and qualified. [*Charter* § 851 (b).]

Upon appointment by the Mayor with the advice and consent of the Council, Ms. Hawkinson, a Manhattan resident, will fill a vacancy and serve as the architect member for the remainder of a three-year term that expires on December 31, 2016. Copies of her résumé and report/resolution are annexed to this Briefing paper.

RESOLUTIONS

presented for voice-vote

The following are the respective Committee Reports for each of the Resolutions referred to the Council for a voice-vote pursuant to Rule 8.50 of the Council:

Report for voice-vote item Res No. 232-A

Report of the Committee on Governmental Operations in favor of approving, as amended, a resolution calling upon the New York State Legislature to pass, and the Governor to sign into law, A.9108 and S.6452-A, which would amend the election law to consolidate New York's federal, state, and local primaries into one primary which would take place on the fourth Tuesday of June.

The Committee on Governmental Operations, to which the annexed amended resolution was referred on May 14, 2014 (Minutes, page 1653), respectfully

REPORTS:

(For text of report, please see the Report of the Committee on Governmental Operations for Int No. 464-A printed in the Reports of Standing Committees section of these Minutes)

Accordingly, this Committee recommends its adoption, as amended.

(The following is the text of Res No. 232-A:)

Res. No. 232-A

Resolution calling upon the New York State Legislature to pass, and the Governor to sign into law, A.9108 and S.6452-A, which would amend the election law to consolidate New York's federal, state, and local primaries into one primary which would take place on the fourth Tuesday of June.

By Council Members Kallos, Constantinides, Dickens, Johnson, Levine, Mendez, Rosenthal, Vallone, Menchaca, Lander, Cohen, Van Bramer, Levin and Ulrich.

Whereas, This year, the State of New York put voters through another unnecessary and expensive election year by having two non-presidential primaries: one for federal offices in June and another for state and local offices in September; and

Whereas, According to the New York Times, the cost of putting on each statewide election is approximately \$50 million; and

Whereas, In 2013, U.S. District Court Judge Gary Sharpe designated the fourth Tuesday in June as the date to hold congressional primaries in New York; and

Whereas, The reason for this designation was to ensure that the State was compliant with the Military and Overseas Voter Empowerment Act, a 2009 federal law which requires election authorities to ensure that Americans abroad get absentee ballots with enough time to vote and mail them back for an election; and

Whereas, Although Judge Sharpe's decision only applies to federal elections, military personnel should receive the same consideration for state and local elections, and taxpayer money should not be wasted on staging two separate primaries when a single primary could be held instead; and

Whereas, Voter turnout in the State of New York, and especially in the City of New York, is already very low; and

Whereas, Asking voters to go to the polls for two primaries months apart is both confusing and further depresses turnout; and

Whereas, A.9108, introduced by Assembly Member Michael Cusick, would create a consolidated primary on the fourth Tuesday of June and was passed overwhelmingly by the New York State Assembly; and

Whereas, S.6452-A, introduced by State Senate Minority Leader Andrea Stewart-Cousins, which is the accompanying bill in the New York State Senate, has yet to be voted upon; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the New York State Legislature to pass, and the Governor to sign into law, A.9108 and S.6452-A, which would amend the election law to consolidate New York's federal, state, and local primaries into one primary which would take place on the fourth Tuesday of June.

Report for voice-vote item Res No 281-A

Report of the Committee on Governmental Operations in favor of approving, as amended, a resolution calling upon the Mayor of the City of New York to create an annual Student Voter Registration Day.

The Committee on Governmental Operations, to which the annexed amended resolution was referred on June 11, 2014 (Minutes, page 2069), respectfully

REPORTS:

(For text of report, please see the Report of the Committee on Governmental Operations for Int No. 464-A printed in the Reports of Standing Committees section of these Minutes)

Accordingly, this Committee recommends its adoption, as amended.

(The following is the text of Res No. 281-A:)

Res. No. 281-A

Resolution calling upon the Mayor of the City of New York to create an annual Student Voter Registration Day.

By Council Members Rosenthal, Levine, Kallos, Constantinides, Cumbo, Ferreras-Copeland, Gentile, Mendez, Reynoso, Rodriguez, Torres, Richards, Miller, Menchaca, Van Bramer, Cohen and Levin.

Whereas, According to the Center for Information and Research on Civic Learning and Engagement, only 19.9% of 18-to 29-year-olds cast ballots in the 2014 elections nationally, the lowest rate in 40 years; and

Whereas, An analysis by the New York City Campaign Finance Board (CFB) found that only 11% of 18-to 29-year-old registered New Yorkers cast ballots in the 2013 general elections; and

Whereas, According to a report by the Center for American Progress Action Fund, by 2020, the millennial generation will comprise just under 40% of all eligible voters nationwide; and

Whereas, Eligible voters who do not register by the age of 18 and do not attend college are the least likely group to vote in their lifetimes, which means that they will not be represented in the political process, and are less likely to have their issues addressed or become involved in their communities; and

Whereas, A 2012 CFB report speculated that part of the reason young voters are so underrepresented is because they are generally not engaged by political campaigns, and as a result, do not feel like their vote makes a difference or that voting is important; and

Whereas, New York City schools offer the best opportunity to engage students and prepare them for civic engagement as citizens and non-citizens; and

Whereas, Schools in New York City should participate in an annual Student Voter Registration Day with voter and civic education, discussion, services and activities for citizen and non-citizen students, and voter registration for eligible 17- and 18-year-olds; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the Mayor of the City of New York to create an annual Student Voter Registration Day.

BEN KALLOS, *Chairperson*; DAVID G. GREENFIELD, MARK LEVINE, CARLOS MENCHACA, ANTONIO REYNOSO, RITCHIE J. TORRES, JOSEPH C. BORELLI; Committee on Governmental Operations, October 26, 2016. *Other Council Members Attending: Council Members Lander, Wills and Rodriguez.*

Pursuant to Rule 8.50 of the Council, the Public Advocate (Ms. James) called for a voice-vote. Hearing no objections, the Public Advocate (Ms. James) declared the Resolution to be adopted.

Adopted unanimously by the Council by voice-vote

Report for voice-vote item Res No. 695-A

Report of the Committee on Governmental Operations in favor of approving, as amended, a resolution calling upon the New York State Legislature to pass, and the Governor to sign, A2529/S857, allowing 16 and 17 year-olds to pre-register to vote.

The Committee on Governmental Operations, to which the annexed amended resolution was referred on May 14, 2015 (Minutes, page 1761), respectfully

REPORTS:

(For text of report, please see the Report of the Committee on Governmental Operations for Int No. 695-A printed in the Reports of Standing Committees section of these Minutes)

Accordingly, this Committee recommends its adoption, as amended.

(The following is the text of Res No. 695:)

Res. No. 695

Resolution calling upon the New York State Legislature to pass, and the Governor to sign, A2529/S857, allowing 16 and 17 year-olds to pre-register to vote.

By Council Members Rosenthal, Kallos, Constantinides, Cumbo, Johnson, Richards, Rose, Gentile, Menchaca, Miller, Lander, Cohen, Van Bramer and Levin.

Whereas, The U.S. Census Bureau found that in 2010 only 46.6% of eligible New York voters between the ages of 16 and 24 were registered to vote; and

Whereas, New York State does not currently allow 16- and 17-year-olds to pre-register to vote; and

Whereas, Over one dozen states allow 16- and 17-year-olds to pre-register to vote; and

Whereas, Advocates argue that young adults who are engaged in the election process at an early age are more likely to stay engaged in the political process and continue to meet their civic duty to vote; and

Whereas, At the age of 16 many youth first interact with the Department of Motor Vehicles, making it an appropriate time and place for collecting information for voter pre-registration; and

Whereas, In New York City, school is still compulsory for 16- and 17-year olds, making school an appropriate venue for providing information on and encouraging pre-registration and registration; and

Whereas, Submission of voter registration or pre-registration forms would not interfere with the education of students, as it would not be a course requirement or graded assignment for students; and

Whereas, A2529/S857, legislation introduced in the New York State Assembly and Senate, respectively, during the 2015-2016 legislative session, would require local boards of education to adopt policies to promote student voter registration and pre-registration; and

Whereas, A2529/S857 would allow 16- and 17-year-olds to pre-register to vote; and

Whereas, A version of these bills from last session, A2042, passed the Assembly in 2013 and 2014, but its companion bill S1992 died in the Senate both years; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the New York State Legislature to pass, and the Governor to sign, A2529/S857, allowing 16 and 17 year-olds to pre-register to vote.

BEN KALLOS, *Chairperson*; DAVID G. GREENFIELD, MARK LEVINE, CARLOS MENCHACA, ANTONIO REYNOSO, RITCHIE J. TORRES, JOSEPH C. BORELLI; Committee on Governmental Operations, October 26, 2016. *Other Council Members Attending: Council Members Lander, Wills and Rodriguez.*

Report for voice-vote Res No. 870

Report of the Committee on Governmental Operations in favor of approving a resolution calling on the New York State Legislature to pass and the Governor to sign A.7634, which would amend both the New York State Election Law and the Correction Law, in relation to voting by convicted felons.

The Committee on Governmental Operations, to which the annexed resolution was referred on September 30, 2015 (Minutes, page 3596), respectfully

REPORTS:

(For text of report, please see the Report of the Committee on Governmental Operations for Int No. 695-A printed in the Reports of Standing Committees section of these Minutes)

Accordingly, this Committee recommends its adoption, as amended.

(The following is the text of Res No. 870:)

Res. No. 870

Resolution calling on the New York State Legislature to pass and the Governor to sign A.7634, which would amend both the New York State Election Law and the Correction Law, in relation to voting by convicted felons.

By Council Members Rodriguez, Wills, Kallos, Chin, Cumbo, Rose, Menchaca, Lander, Cohen, Van Bramer, Levin and Cornegy.

Whereas, The New York State Election Law (“Election Law”) Section 5-106 bars individuals convicted of a state felony from voting or registering to vote, but restores voting rights upon release from parole or arrival of the maximum expiration date of their sentence; and

Whereas, The New York State Correction Law (“Correction Law”) Section 75 stipulates that “Upon the discharge from a correctional facility of any person whose maximum sentence of imprisonment has expired or upon a person’s discharge from community supervision, the department shall notify such person of his or her right to vote and provide such person with a form of application for voter registration together with written information distributed by the board of elections on the importance and the mechanics of voting”; and

Whereas, A.7634, introduced by New York State Assembly Member Daniel J. O’Donnell and pending in the Assembly, seeks to promote community reintegration and civic engagement by restoring voting rights to parolees, rather than restricting them to waiting until a discharge from parole or an expiration of a sentence; and

Whereas, According to The Sentencing Project, as of 2010, only a minority of disenfranchised voters remain in prison, as 75% of the disenfranchised population reside within communities under probation, parole, or a completed sentence; and

Whereas, According to The Sentencing Project, the disenfranchisement rate for the United States has increased dramatically as the prison population has grown, with 1.17 million individuals disenfranchised in 1976, to 5.85 million disenfranchised in 2010; and

Whereas, This dramatically increasing prison population is disproportionately made up of African-Americans—making up 1 million out of 2.3 million incarcerated, according to the NAACP—thus disproportionately disenfranchising many more African-Americans who have been convicted; and

Whereas, the New York State Department of Corrections and Community Supervision (“DOCCS”) reported that in 2013, 50% of inmates were African-American, and 24% of inmates were Hispanic; and

Whereas, According to the New York Civil Liberties Union, as of 2010, “an estimated 122,018 people with felony convictions are barred from voting in New York”, with 54% of the disenfranchised in prison or jail and 46% of the disenfranchised on parole; and

Whereas, According to a 2010 study conducted by The Sentencing Project, “over 40% of prisoners believe that incarceration causes someone to permanently lose his or her right to vote, and almost 60% of prisoners believe that being on probation makes them ineligible to vote”; and

Whereas, A.7634 would amend Election Law Section 5-106 by restoring voting rights to individuals who have been released to community supervision from incarceration; and

Whereas, A.7634 would amend Election Law Section 5-106 by extending Section 1 to apply to Federal felony convictions and convictions from other states; and

Whereas, A.7634 would amend Correction Law Section 75 by requiring the DOCCS to notify each individual on parole of his or her right to vote, along with the provision of registration forms; and

Whereas, Most individuals on parole may be barred from voting despite being in the community for many years after leaving incarceration, awaiting the end of their parole or sentence, and are unaware of their ability to vote even after they become eligible; and

Whereas; Voting is a universal right and should not be withheld from individuals who are on the path to reentering society as members of the community, and those who are able to vote post-incarceration should be made aware of their rights to civic participation; and

Whereas, Parole is utilized as a means to prevent recidivism and aid to reintegrate someone into society, and disenfranchisement after prison prevents them from exercising constitutional rights and displaying civic responsibility, thus hindering the reintegration process; and

Whereas, Individuals who have left prison and are being reintegrated into society should have their voting rights restored and be made aware of their restoration; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the New York State Legislature to pass and the Governor to sign A.7634, which would amend both the New York State Election Law and the Correction Law, in relation to voting by convicted felons.

Report for voice-vote item Res No. 1073-A

Report of the Committee on Governmental Operations in favor of approving a resolution calling upon the New York State Legislature to pass, and the Governor to sign legislation that would increase the amount of housing subsidy from \$300 to \$600 per month, and extend the age eligibility from 21 to 24 for youth who have aged out of foster care.

The Committee on Governmental Operations, to which the annexed amended resolution was referred on May 25, 2016 (Minutes, page 1489), respectfully

REPORTS:

(For text of report, please see the Report of the Committee on Governmental Operations for Int No. 695-A printed in the Reports of Standing Committees section of these Minutes)

Accordingly, this Committee recommends its adoption, as amended.

(The following is the text of Res No. 1073-A:)

Res. No. 1073-A

Resolution calling upon the New York State Legislature to pass, and the Governor to sign legislation that would increase the amount of housing subsidy from \$300 to \$600 per month, and extend the age eligibility from 21 to 24 for youth who have aged out of foster care.

By Council Members Salamanca, Levin, Dromm, Eugene, Richards, Chin, Grodenchik, Miller, Johnson, Cohen, Mendez, Menchaca, Lander and Van Bramer.

Whereas, Several national studies have demonstrated that many youth who age out of foster care are most likely to become homeless, lack a high school diploma, become involved in the criminal justice system, and rely on public assistance; and

Whereas, According to the most recent data provided by the Administration for Children's Services ("ACS"), there are 9,748 youth in the New York City foster care system; and

Whereas, Youth who are discharged from foster care either reunify with their families, enter legal guardianship by a relative, become adopted, or end up living on their own; and

Whereas, In 2015, 4,462 youth in New York City were discharged from the foster care system, of which 652 were discharged to independent living, also known as another planned permanent living arrangement (APPLA), according to ACS data; and

Whereas, The Housing Subsidy program administered through ACS provides rental assistance to families who need housing in order to reunify with children in foster care or to prevent children from entering foster care; and

Whereas, Young adults ages 18-21 who have no other permanent living arrangement than to live independently after leaving foster care are also eligible for this program; and

Whereas, The Housing Subsidy program currently provides a maximum monthly rent allowance of \$300; and

Whereas, The subsidy amount has remained the same since 1988, during which rents throughout New York City have dramatically increased; and

Whereas, Youth advocates argue that public housing for which foster youth and their families qualify is extremely limited and there are not enough supportive housing units; and

Whereas, Of the 652 foster youth discharged to APPLA, less than half received some type of housing assistance, including public housing, ACS housing subsidies, supportive housing, Section 8 vouchers or adult residential care; and

Whereas, In fact, only 48 youth who aged out of foster care received an ACS housing subsidy in 2015; and

Whereas, Advocates also argue that youth who have aged out of foster care at age 21 do not have enough income to afford housing, and thus, the age eligibility for a housing subsidy should be increased to 24 to cover more young people who have been negatively impacted by the current policy; and

Whereas, It is extremely important for the State to enact legislation that would amend the Social Services law to increase the housing subsidy from a maximum of \$300 to \$600 per month, not exceeding three years, for youth up to age 24 who aged out of the foster care system; and

Whereas, Such legislation should also allow former foster youth to live with roommates just as other young adults make such living arrangements to afford their rent; and

Whereas, In order to reduce the risk of homelessness among youth who have aged out of foster care, New York State must increase the housing subsidy to enable them to achieve self-sufficiency; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the New York State Legislature to pass, and the Governor to sign legislation that would increase the amount of housing subsidy from \$300 to \$600 per month, and to extend the age eligibility from 21 to 24 for youth who have aged out of foster care.

Report for voice-vote item Res No. 1181-A

Report for the Committee on Public Safety in favor of approving, as amended, a resolution calling upon the New York State Legislature to pass, and the Governor to sign, Briana's Law, requiring all police officers to be retrained in cardiopulmonary resuscitation every two years.

The Committee on Public Safety, to which the annexed amended resolution was referred on August 16, 2016 (Minutes, page 2770), respectfully

REPORTS:

(For text of report, please see the Report of the Committee on Public Safety for Int No. 83-A printed in the Reports of Standing Committees section of these Minutes)

Accordingly, this Committee recommends its adoption, as amended.

(The following is the text of Res No. 1181-A:)

Res. No. 1181-A

Resolution calling upon the New York State Legislature to pass, and the Governor to sign, Briana's Law, requiring all police officers to be retrained in cardiopulmonary resuscitation every two years.

By Council Members Levin, Cohen, Richards, Palma, Gentile, Koslowitz, Deutsch, Salamanca, Johnson, Chin, Cabrera, Gibson, Lander, Van Bramer and Menchaca.

Whereas, According to the American Heart Association ("AHA"), more than 350,000 out-of-hospital cardiac arrests take place in the United States every year, with almost 90% of the cases resulting in death; and

Whereas, If cardiopulmonary resuscitation ("CPR") is performed within the first few minutes of cardiac arrest an individual's chance of survival can be doubled or tripled, as reported by the AHA; and

Whereas, In 2010, New York State Assembly Member Félix Ortiz and New York State Senator Eric Adams first introduced Briana's Law, legislation requiring all police officers, including state police officers, to be retrained in CPR and to demonstrate satisfactory completion of such training every two years; and

Whereas, The legislation is named after Briana Ojeda, an 11-year-old girl from Brooklyn who died of an asthma attack in 2010, after a police officer claimed he was not qualified to administer CPR on her, according to the *New York Daily News*; and

Whereas, Briana's Law is supported by the AHA and the American Red Cross in New York State; and

Whereas, Briana's Law has been reintroduced in the New York State Legislature during every session since 2010, and it passed the Assembly in 2013, 2014, and 2015; and

Whereas, In November 2014, Akai Gurley, an unarmed man, was killed when the gun of an NYPD officer went off while patrolling the stairwell of a public housing development; and

Whereas, The trial of the former officer, Peter Liang, drew public attention to CPR training for NYPD officers; and

Whereas, According to various news reports, including the *New York Times*, Liang and his partner testified at trial that they did not attempt to perform CPR on Gurley and that they had been insufficiently trained to do so; and

Whereas, Liang's case once again highlighted the importance of effective CPR training for police officers; and

Whereas, In April 2016, Briana's Law (A.4364-A) passed the Assembly again with an overwhelming majority of votes; and

Whereas, However, the bill has not been called for a floor vote in the Senate, where it is currently sponsored by Senator Jack. M. Martins (S.6717); and

Whereas, Because CPR can double or triple the chance of survival of an individual in cardiac arrest, mandating police officers to be retrained in properly administering the procedure would save a significant number of lives in New York every year; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the New York State Legislature to pass, and the Governor to sign, Briana's Law, requiring all police officers to be retrained in cardiopulmonary resuscitation every two years.

§ 20-913 Right to [sick] *safe/sick* time; accrual.

a. All employees have the right to [sick] *safe/sick* time pursuant to this chapter.

1. All employers that employ five or more employees and all employers of one or more domestic workers shall provide paid [sick] *safe/sick* to their employees in accordance with the provisions of this chapter.

2. All employees not entitled to paid [sick] *safe/sick* pursuant to this chapter shall be entitled to unpaid [sick] *safe/sick* time in accordance with the provisions of this chapter.

b. All employers shall provide a minimum of one hour of [sick] *safe/sick* time for every thirty hours worked by an employee, other than a domestic worker who shall accrue [sick] *safe/sick* time pursuant to

paragraph 2 of subdivision d of this section. Employers shall not be required under this chapter to provide more than forty hours of [sick] *safe/sick* time for an employee in a calendar year. For purposes of this subdivision, any paid days of rest to which a domestic worker is entitled pursuant to *subdivision 1* of section [161(1)] *161* of the labor law shall count toward such forty hours. Nothing in this chapter shall be construed to discourage or prohibit an employer from allowing the accrual of [sick] *safe/sick* time at a faster rate or use of sick time at an earlier date than this chapter requires.

c. An employer required to provide paid [sick] *safe/sick* time pursuant to this chapter who provides an employee with an amount of paid leave, including paid time off, paid vacation, paid personal days or paid days of rest required to be compensated pursuant to *subdivision 1* of section [161(1)] *161* of the labor law, sufficient to meet the requirements of this section and who allows such paid leave to be used for the same purposes and under the same conditions as [sick] *safe/sick* time required pursuant to this chapter, is not required to provide additional paid [sick] *safe/sick* time for such employee whether or not such employee chooses to use such leave for the purposes included in subdivision a of section 20-914 of this chapter. An employer required to provide unpaid [sick] *safe/sick* time pursuant to this chapter who provides an employee with an amount of unpaid or paid leave, including unpaid or paid time off, unpaid or paid vacation, or unpaid or paid personal days, sufficient to meet the requirements of this section and who allows such leave to be used for the same purposes and under the same conditions as [sick] *safe/sick* time required pursuant to this chapter, is not required to provide additional unpaid [sick] *safe/sick* time for such employee whether or not such employee chooses to use such leave for the purposes set forth in subdivision a of section 20-914 of this chapter.

d. 1. For an employee other than a domestic worker, [sick] *safe/sick* time as provided pursuant to this chapter shall begin to accrue at the commencement of employment or on the effective date of this local law, whichever is later, and an employee shall be entitled to begin using [sick] *safe/sick* time on the one hundred twentieth calendar day following commencement of his or her employment or on the one hundred twentieth calendar day following the effective date of this local law, whichever is later. After the one hundred twentieth calendar day of employment or after the one hundred twentieth calendar day following the effective date of this local law, whichever is later, such employee may use [sick] *safe/sick* time as it is accrued.

2. In addition to the paid day or days of rest to which a domestic worker is entitled pursuant to *subdivision 1* of section [161(1)] *161* of the labor law, such domestic worker shall also be entitled to two days of paid [sick] *safe/sick* time as of the date that such domestic worker is entitled to such paid day or days of rest and annually thereafter, provided that notwithstanding any provision of this chapter to the contrary, such two days of paid [sick] *safe/sick* time shall be calculated in the same manner as the paid day or days of rest are calculated pursuant to the provisions of *subdivision 1* of section [161(1)] *161* of the labor law.

e. Employees who are not covered by the overtime requirements of New York state law or regulations, including the wage orders promulgated by the New York commissioner of labor pursuant to article 19 or 19-A of the labor law, shall be assumed to work forty hours in each work week for purposes of [sick] *safe/sick* time accrual unless their regular work week is less than forty hours, in which case sick time accrues based upon that regular work week.

f. The provisions of this chapter do not apply to (i) work study programs under 42 U.S.C. section 2753, (ii) employees for the hours worked and compensated by or through qualified scholarships as defined in 26 U.S.C. section 117, (iii) independent contractors who do not meet the definition of employee under *subdivision 2* of section [190(2)] *190* of the labor law, and (iv) hourly professional employees.

g. Employees shall determine how much earned [sick] *safe/sick* time they need to use, provided that employers may set a reasonable minimum increment for the use of [sick] *safe/sick* time not to exceed four hours per day.

h. Except for domestic workers, up to forty hours of unused [sick] *safe/sick* time as provided pursuant to this chapter shall be carried over to the following calendar year; provided that no employer shall be required to (i) allow the use of more than forty hours of [sick] *safe/sick* time in a calendar year or (ii) carry over unused paid [sick] *safe/sick* time if the employee is paid for any unused [sick] *safe/sick* time at the end of the calendar year in which such time is accrued and the employer provides the employee with an amount of paid [sick] *safe/sick* time that meets or exceeds the requirements of this chapter for such employee for the immediately subsequent calendar year on the first day of such year.

i. Nothing in this chapter shall be construed as requiring financial or other reimbursement to an employee from an employer upon the employee's termination, resignation, retirement, or other separation from employment for accrued sick time that has not been used.

j. If an employee is transferred to a separate division, entity or location in the city of New York, but remains employed by the same employer, such employee is entitled to all [sick] *safe/sick* time accrued at the prior division, entity or location and is entitled to retain or use all [sick] *safe/sick* time as provided pursuant to the provisions of this chapter. When there is a separation from employment and the employee is rehired within six months of separation by the same employer, previously accrued [sick] *safe/sick* time that was not used shall be reinstated and such employee shall be entitled to use such accrued [sick] *safe/sick* time at any time after such employee is rehired, provided that no employer shall be required to reinstate such [sick] *safe/sick* time to the extent the employee was paid for unused accrued [sick] *safe/sick* time prior to separation and the employee agreed to accept such pay for such unused [sick] *safe/sick* time.

§ 4. Sections 20-914, 20-915 and subdivision a of 20-916 of the administrative code of the city of New York, as added by local law number 46 for the year 2013, are amended to read as follows:

§ 20-914 Use of [sick] *safe/sick* time.

a. *Sick time.*

1. An employee shall be entitled to use [sick] *safe/sick* time for absence from work due to:

[1.](a) such employee's mental or physical illness, injury or health condition or need for medical diagnosis, care or treatment of a mental or physical illness, injury or health condition or need for preventive medical care; or

[2.](b) care of a family member who needs medical diagnosis, care or treatment of a mental or physical illness, injury or health condition or who needs preventive medical care; or

[3.](c) closure of such employee's place of business by order of a public official due to a public health emergency or such employee's need to care for a child whose school or childcare provider has been closed by order of a public official due to a public health emergency.

2. *For an absence of more than three consecutive work days for sick time, an employer may require reasonable documentation that the use of sick time was authorized by this subdivision. For sick time used pursuant to subparagraphs (a) and (b) of paragraph 1 of this section, documentation signed by a licensed health care provider indicating the need for the amount of sick time taken shall be considered reasonable documentation and an employer shall not require that such documentation specify the nature of the employee's or the employee's family member's injury, illness or condition, except as required by law.*

b. *Safe time.*

1. *An employee shall be entitled to use safe/sick time for absence from work due to any of the following reasons when the employee or a family member has been the victim of a family offense matter, sexual offense or stalking:*

(a) to obtain services from a domestic violence shelter, rape crisis center, or other services program for relief from a family offense matter, sexual offense, or stalking;

(b) to participate in safety planning, temporarily or permanently relocate, or take other actions to increase the safety of the employee or employee's family members from future family offense matters, sexual offenses, or stalking;

(c) to meet with a civil attorney or other social service provider to obtain information and advice on matters related to custody, visitation, matrimonial issues, orders of protection, immigration, housing, discrimination in employment, housing or consumer credit;

(d) to file a domestic incident report with law enforcement;

(e) to meet with a district attorney's office;

(f) to enroll children in a new school; or

(g) to take other actions necessary to restore the physical, psychological, or economic health or safety of the employee or the employee's family member or to protect those who associate or work with the employee.

2. *For an absence of more than three consecutive work days for safe time, an employer may require reasonable documentation that the use of safe time was authorized by this subdivision. Documentation signed by an employee, agent, or volunteer of a victim services organization, an attorney, a member of the clergy, or a medical or other professional service provider from whom the individual or that individual's family or household member has sought assistance in addressing family offense matters, sex offenses or stalking and their effects; a police or court record; or a notarized letter from the employee explaining the need for leave shall be considered reasonable documentation and an employer shall not require that such documentation specify the details of the family offense matter, sexual offense or stalking.*

c. An employer may require reasonable notice of the need to use [sick] *safe/sick* time. Where such need is foreseeable, an employer may require reasonable advance notice of the intention to use such [sick] *safe/sick* time, not to exceed seven days prior to the date such [sick] *safe/sick* time is to begin. Where such need is not foreseeable, an employer may require an employee to provide notice of the need for the use of [sick] *safe/sick* time as soon as practicable.

[c. For an absence of more than three consecutive work days, an employer may require reasonable documentation that the use of sick time was authorized by subdivision a of this section. For sick time used pursuant to paragraphs 1 and 2 of subdivision a of this section, documentation signed by a licensed health care provider indicating the need for the amount of sick time taken shall be considered reasonable documentation and an employer shall not require that such documentation specify the nature of the employee's or the employee's family member's injury, illness or condition, except as required by law.]

d. Nothing herein shall prevent an employer from requiring an employee to provide written confirmation that an employee used [sick] *safe/sick* time pursuant to this section.

e. An employer shall not require an employee, as a condition of taking [sick] *safe/sick* time, to search for or find a replacement worker to cover the hours during which such employee is utilizing time.

f. Nothing in this chapter shall be construed to prohibit an employer from taking disciplinary action, up to and including termination, against a worker who uses [sick] *safe/sick* time provided pursuant to this chapter for purposes other than those described in this section.

§ 20-915 Changing schedule.

Upon mutual consent of the employee and the employer, an employee who is absent for a reason listed in subdivision a of section 20-914 of this chapter may work additional hours during the immediately preceding seven days if the absence was foreseeable or within the immediately subsequent seven days from that absence without using [sick] *safe/sick* time to make up for the original hours for which such employee was absent, provided that an adjunct professor who is an employee at an institute of higher education may work such additional hours at any time during the academic term. An employer shall not require such employee to work additional hours to make up for the original hours for which such employee was absent or to search for or find a replacement employee to cover the hours during which the employee is absent pursuant to this section. If such employee works additional hours, and such hours are fewer than the number of hours such employee was originally scheduled to work, then such employee shall be able to use [sick] *safe/sick* time provided pursuant to this chapter for the difference. Should the employee work additional hours, the employer shall comply with any applicable federal, state or local labor laws.

§ 20-916 Collective bargaining agreements.

a. The provisions of this chapter shall not apply to any employee covered by a valid collective bargaining agreement if (i) such provisions are expressly waived in such collective bargaining agreement and (ii) such agreement provides for a comparable benefit for the employees covered by such agreement in the form of paid days off; such paid days off shall be in the form of leave, compensation, other employee benefits, or some combination thereof. Comparable benefits shall include, but are not limited to, vacation time, personal time, [sick] *safe/sick* time, and holiday and Sunday time pay at premium rates.

a. Health information about an employee or an employee's family member, and information concerning an employee's or his or her family member's status or perceived status as a victim of family offenses, sexual offenses or stalking obtained solely for the purposes of utilizing [sick] safe/sick time pursuant to this chapter, shall be treated as confidential and shall not be disclosed except by the affected employee, with the written permission of the affected employee or as required by law. Provided, however, that nothing in this section shall preclude an employer from considering information provided in connection with a request for safe leave in connection with a request for reasonable accommodation pursuant to section 8-107.1 of the administrative code.*

§ 20-922 Encouragement of more generous policies; no effect on more generous policies.

a. Nothing in this chapter shall be construed to discourage or prohibit the adoption or retention of a *safe time or sick time* policy more generous than that which is required herein.

b. Nothing in this chapter shall be construed as diminishing the obligation of an employer to comply with any contract, collective bargaining agreement, employment benefit plan or other agreement providing more generous *safe time or sick time* to an employee than required herein.

c. Nothing in this chapter shall be construed as diminishing the rights of public employees regarding *safe time or sick time* as provided pursuant to federal, state or city law.

§ 7. This local law takes effect 120 days after it becomes law, provided that in the case of employees covered by a valid collective bargaining agreement in effect on such date, this local law takes effect on the date of the termination of such agreement, and provided further that the director of the office of labor standards may take such measures as are necessary for the implementation of this local law, including the promulgation of rules, prior to such effective date.

Resolution calling upon the New York State Legislature to pass, and the Governor to sign, legislation requiring trucks to be equipped with windows on the lower portions of their side doors in order to increase the driver's visibility.

By Council Members Menchaca, Salamanca, Reynoso, Richards, Levin, Lander and Vacca.

Whereas, In 2015, 136 pedestrians and 14 bicyclists were killed in traffic crashes in New York City; and

Whereas, The City has committed to Vision Zero, a multi-faceted plan to eliminate traffic fatalities through better enforcement and education, improved street design, and new street safety legislation; and

Whereas, According to the John A. Volpe National Transportation Systems Center, large truck crashes are more likely to result in a pedestrian or bicyclist fatality than crashes involving passenger vehicles; and

Whereas, Large truck incidents are also more likely to involve side-impact crashes; and

Whereas, Trucks account for 3.6 percent of vehicles on the road in New York City but are responsible for an average of 12.3 percent of pedestrian fatalities and 32 percent of bicyclist fatalities; and

Whereas, In January 2016, the Mayor of London, Boris Johnson, announced a proposal to require trucks in London to have windows installed in the lower half of cab doors in order to improve driver visibility, reduce blind spots, and enhance safety for pedestrians and cyclists; and

Whereas, In 2011, New York State adopted a law requiring convex mirrors to be placed on the front of large trucks being driven in New York City in order to reduce blind spots and protect pedestrians; and

Whereas, The State should build on this law by requiring all trucks of model year 2017 and newer, as well as any trucks that require the installation of a new side door as a result of a collision, to be equipped with transparent panels in the lower portion of their side doors in order to improve driver visibility and crash avoidance; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the New York State Legislature to pass, and the Governor to sign, legislation requiring trucks to be equipped with windows on the lower portions of their side doors in order to increase the driver's visibility.

A Local Law in relation to special provisions for approval of demolition and construction work by city contractors under the “build it back” disaster recovery program

Be it enacted by the Council as follows:

Section 1. **Intent.** The city has implemented a disaster recovery program known as the build it back program for the recovery of residential property damaged or destroyed in the severe storm known as Sandy that occurred on October 29 and October 30 in 2012. The purpose of this local law is to expedite such recovery

by implementing special procedures for the review and approval of demolition and construction work by city contractors under such program, consistent with public safety.

§ 2. **Definitions.** a. Unless otherwise indicated in subdivision b of this section, the terms used in this local law have the meanings ascribed to such terms in title 28 of the administrative code of the city of New York.

b. As used in this local law:

Build it back program. The term “build it back program” means the disaster recovery program funded by a community development block grant pursuant to the disaster relief appropriations act of 2013 and implemented by the city for recovery of residential property damaged or destroyed in the severe storm known as Sandy that occurred on October 29 and October 30 in 2012.

Contracting agency. The term “contracting agency” means, with respect to work performed under the build it back program, and funded through (i) a contract held by the department of environmental protection, (ii) a contract held by the department of design and construction or (iii) a disbursement agreement held by the department of housing preservation and development, the agency holding such contract or disbursement agreement.

§ 3. **Applicability.** This local law applies only to one- to four-family dwellings enrolled in the build it back program, where work on such dwellings is funded through a contract or disbursement agreement held by a contracting agency.

§ 4. **Full demolition of detached one- to four-family dwellings.** Notwithstanding any inconsistent provision of sections 28-104.1 and 28-105.1 of the administrative code, the full demolition of a detached one- to four-family dwelling funded through a contract or disbursement agreement held by a contracting agency under the build it back program, which would otherwise require construction document approval and a permit, may be performed without such approval and permit, consistent with public safety, subject to the following conditions:

(1) A complete application for approval of construction documents and issuance of a permit, including all required submittal documents, shall be submitted to the department of buildings as soon as practicable after the completion of the demolition work. The department of buildings will not issue a new building permit for the site of the demolition until a complete application for the demolition is submitted.

(2) The work is performed under the supervision of a registered design professional designated by the contracting agency.

(3) For demolition by hand held devices, or where mechanical equipment is used only for foundation removal, such registered design professional, or a qualified individual with experience in demolition operations designated by the contracting agency under the supervision of such registered design professional is at the site to monitor the demolition from the commencement of the work until its completion. In all other instances where mechanical demolition equipment, other than hand held devices, is being used, such registered design professional shall be at the site to monitor the demolition from the commencement of the work until its completion.

(4) The registered design professional ensures that all required documentation and certifications relating to compliance with the provisions of title 28 of the administrative code and other applicable law have been obtained before commencement of demolition work, except where such documentation or certification is waived by the certifying authority. Such documentation and certifications shall be maintained at the site and available for inspection by the department of buildings.

(5) Where section 3306.5.1 of the New York city building code applies to such demolition, documents complying with such section shall be prepared and professionally certified by a registered design professional for compliance with the New York city construction codes, including the certification that any alternate means of protection of adjoining properties are equally safe as those required by such codes, before commencement of the demolition and shall be available at the site for inspection by the department of buildings.

§ 5. **Option for buildings with outstanding pre-existing violations or pre-existing permits not signed off.** Notwithstanding any inconsistent provision of sections 28-118.3.2 or 28-118.3.3 of the administrative code at the option of the owner and subject to the discretion of the mayor’s office of housing recovery, the elevation of a one- to four-family dwelling funded through a contract or disbursement agreement held by a contracting agency under the build it back program that would otherwise require the issuance of a certificate of occupancy by the department of buildings before re-occupancy of such dwelling, may be performed under a permit that will allow such dwelling to be occupied by the owner without a new certificate of occupancy or under its last

issued certificate of occupancy, if any. Under this option, the owner may re-occupy the building after the issuance of a letter of completion for such work. Such letter of completion may be issued notwithstanding pre-existing violations or pre-existing permits that have not been signed off. The contracting agency must notify the owner before undertaking the elevation of a one- to four-family dwelling under this option, that although such dwelling may be occupied by the owner without the issuance of a new certificate of occupancy or under the last issued certificate of occupancy, if any, any inconsistency with such last issued certificate of occupancy or not obtaining a new certificate of occupancy may have an impact on the ability of such owner to obtain a mortgage or sell such dwelling and that all pre-existing violations and pre-existing permits that have not been signed off will remain in effect and must be remedied before the department of buildings will issue a new certificate of occupancy for such dwelling. The mayor's office of housing recovery shall establish guidelines for the exercise of its discretion pursuant to this section to exclude the use of this option where the pre-existing violations consist of work without a permit that substantially increased the square footage of the dwelling or where the pre-existing violations are of such a nature that there is no reasonable expectation that the violations will be corrected in the future.

§ 6. **Letter of completion where no certificate of occupancy is required.** Where a letter of completion is required for the alteration of a one- to four-family dwelling funded through a contract or disbursement agreement held by a contracting agency under the build it back program, such letter may be issued notwithstanding pre-existing violations or pre-existing permits that have not been signed off. This section shall not apply where, in accordance with sections 28-118.3.2 or 28-118.3.3 of the administrative code, such work would require the issuance of a new certificate of occupancy.

§ 7. **Waiver of penalties by the department of buildings.** Notwithstanding the provisions of sections 28-213.1.1, 28-213.1.2 and 28-213.3 of the administrative code, civil penalties that may be imposed for pre-existing violations for work without a permit which would otherwise be required to be paid before the issuance of a permit shall be waived by the department of buildings with respect to permits for work on one- to four-family dwellings funded through contracts or disbursement agreements with contracting agencies under the build it back program. Any necessary permits for such work shall be issued, provided all other requirements for such permits are met.

§ 8. Except as specifically provided, nothing in this local law is intended to grant authorization for any work to be done in any manner in violation of the provisions of the New York city construction codes, the zoning resolution or any other law or rules.

§ 9. This local law takes effect immediately.
