INVOCATION

The Invocation was delivered by Rev. Dr. T. Kenjitsu Nakagaki, Buddhist Council of New York.

As many New Yorkers feel great anxiety towards the direction that our country is going
we need to reconfirm our true value of love and compassion with wisdom
and plant them into the deep... of our mind which should be, or should become the source of our actions.
Now let us meditate with prayer. [*bell rings*]
Relax your body tension and breathe deeply using your lower stomach instead of your lungs.
And now you can close your eyes lightly and focus on breathing.
Simply count your breath and be mindful of your breath. [*bell rings*]
Instead of hate and anger maybe breathe out this way.
Then we bring love and compassion as you breathe in.
Instead of suffering we bring happiness and well beings.
Breathe in. Breathe out. Instead of bias and discrimination breathe out.
We bring equality, mutual respect, and understanding. Breathe in.
Instead of distraction and violence. Breathe out.
We bring peace with nonviolence in our mind and spread that out to the society.
Instead of division we bring togetherness; mind and body together,
you and your neighbors together, all city council members together, and all New Yorkers together.
Instead illusion and delusion we bring enlightenment and freedom. [*bell ringing... bell ringing four times*]
May all living beings be happy, well, and peaceful.
May all beings be free from greed, anger, and ignorance.
May our mindful action bring happiness and peace
to all our family, our city, our nation, and our world.
Peace to you all. [*speaking foreign language*]

Thank you.

Council Member Garodnick moved to spread the Invocation in full upon the record.

During the Communication from the Speaker segment of this Meeting, the Speaker (Council Member Mark-Viverito) asked for a Moment of Silence in memory of two New York City employees who were recently killed in the line of duty:

Police Sergeant Paul Tuozzolo was shot and killed in an exchange of gunfire with an armed man in the South Bronx on November 4, 2016. Sgt Tuozzolo was a 19-year veteran of the NYPD and leaves behind a wife and two sons.

Mr. Lewis Grey, an employee for the Metropolitan Transportation Authority, was fatally struck by an oncoming train on November 3, 2016 while performing maintenance work on the G-line. Mr. Grey had been with the MTA for 15 years and leaves behind a wife and three sons.

ADOPTION OF MINUTES

Council Member Garodnick moved that the Minutes of the Stated Meeting of October 13, 2016 be adopted as printed.

REPORTS OF STANDING COMMITTEES

Report of the Committee on Finance

At this point the Speaker (Council Member Mark-Viverito) announced that the following items had been **preconsidered** by the Committee on Finance and had been favorably reported for adoption.

Report for Res No. 1275

Report of the Committee on Finance in favor of approving the new designation and changes in the designation of certain organizations to receive funding in the Expense Budget.

The Committee on Finance, to which the annexed preconsidered resolution was referred on November 16, 2016, respectfully

REPORTS:

Introduction. The Council of the City of New York (the “Council”) annually adopts the City’s budget covering expenditures other than for capital projects (the “expense budget”) pursuant to Section 254 of the Charter. On June 14, 2016, the Council adopted the expense budget for fiscal year 2017 with various programs and initiatives (the “Fiscal 2017 Expense Budget”). On June 26, 2015, the Council adopted the expense budget for fiscal year 2016 with various programs and initiatives (the “Fiscal 2016 Expense Budget”). On June 26, 2014, the Council adopted the expense budget for fiscal year 2015 with various programs and initiatives (the “Fiscal 2015 Expense Budget”).

Analysis. This Resolution, dated November 16, 2016, approves the new designation and the changes in the designation of certain organizations receiving local and youth discretionary funding and funding for certain initiatives in accordance with the Fiscal 2017 Expense Budget, approves the new designation and the changes in the designation of certain organizations receiving funding for certain initiatives in accordance with the Fiscal 2016 Expense Budget, approves the new designation and the changes in the designation of certain organizations receiving local discretionary funding in accordance with the Fiscal 2015 Expense Budget, and amends the description for the Description/Scope of Services of certain organizations receiving local and youth discretionary funding and funding for certain initiatives in accordance with the Fiscal 2017 Expense Budget.

RE: Finance Committee Agenda of November 16, 2016 - Resolution approving a tax exemption for two Land Use items (Council Districts 24 and 41)

Item 1: The Tree of Life

The Tree of Life is a new construction project that will consist of one building with 174 units of rental housing, including one superintendent's unit. The units will be a mix of studios, one-, two-, and three-bedroom units. The building will be constructed on a portion of what is now a vacant, privately owned lot. The building amenities will include 64 at-grade and below-ground parking spaces, a laundry room, a fitness area, bicycle storage space, and an outdoor terrace. A commercial space will include a health facility and a community space will operate as an education and training center.

The project is being constructed under the Department of Housing Preservation and Development's ("HPD") Mixed Income Program: Mix and Match, under which sponsors purchase City- or privately-owned land or vacant buildings and construct multifamily buildings in order to create affordable rental housing. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including the New York City Housing Development Corporation ("HDC") and HPD. Additional funding may also be provided from the syndication of low-income housing tax credits. The newly constructed or rehabilitated buildings provide rental projects affordable to households earning up to 165% of the Area Median Income ("AMI") and may have a range of affordability tiers.

Under the proposed project, First Jamaica 164 Street Housing Development Fund Company ("HDFC") will acquire the property and TOL Workforce LLC will be the beneficial owner and will operate the property. Together, they will construct the building. The HDFC and the LLC will enter into a regulatory agreement with

HPD establishing that all units must be rented to households whose incomes do not exceed 50%, 60%, 90%, or 120% of AMI. In 2016, those AMIs are as follows:

AMI	Family of Four	Family of Three	Family of Two	Individual
50%	\$45,300	\$40,800	\$36,250	\$31,750
60%	\$51,780	\$48,960	\$43,500	\$38,100
90%	\$81,540	\$73,440	\$65,250	\$57,150
120%	\$108,720	\$97,920	\$87,000	\$76,200

In order to facilitate the project, HPD is requesting that the Council approve, pursuant to Section 577 of the Private Housing Finance Law, a full, 30-year property tax exemption that will be coterminous with the term of the regulatory agreement.

Summary:

- Council District – 24
- Council Member – Lancman
- Council Member approval – Yes
- Borough – Queens
- Block/Lot – Block 9793, part of Lot 78 (a/k/a Tentative Lot 79)
- Number of Buildings – 1
- Number of Units – 174, including one superintendent’s unit
- Type of Exemption – Article XI, full, 30-year
- Population Served – Rentals for low- and moderate-income households
- Sponsor/Developer – The Bluestone Organization, First Jamaica 164 Street HDFC, TOL Workforce LLC
- Purpose – new construction
- Cost to the City – \$9.4M
- Housing Code Violations – none
- Income Limitation –
 - 17 units would be rented to households earning between 47-50% of AMI with rents set at affordable to 47% of AMI;
 - 70 units would be rented to households earning between 57-60% of AMI with rents set at affordable to 57% of AMI;
 - 43 units would be rented to households earning between 80-90% of AMI with rents set at affordable to 80% of AMI; and
 - 43 units would be rented to households earning between 90-120% of AMI with rents set at affordable to 90% of AMI.

Item 2: 2178 Atlantic Avenue

2178 Atlantic Avenue is a preservation project consisting of 1 building with 16 units of rental housing. The building, which is an existing HDFC owned by the Tenants of 2178 Atlantic Avenue HDFC, has been in financial hardship since 2005. The bank which holds the building’s mortgage had been paying the building’s property taxes, but the building was unable to make the payments for the taxes to the bank. The bank then foreclosed and received a judgment on which it has not yet acted. In order to prevent the property from being foreclosed upon and sold at auction, HPD is requesting that the Council approve a 40-year property tax exemption, pursuant to Section 577 of the Private Housing Finance Law, which would be a full, retroactive property tax exemption back to 2005 and then a partial, prospective exemption between 2017 and 2045. The HDFC and HPD would enter into a regulatory agreement that would be coterminous with the exemption which would establish that all units must be rented to households whose incomes do not exceed 60% of AMI, which in 2016 was follows:

AMI	Family of Four	Family of Three	Family of Two	Individual
60%	\$51,780	\$48,960	\$43,500	\$38,100

Summary:

- Council District – 41

- Purpose – preservation
- Cost to the City – \$731K
- Housing Code Violations – 6 Class A violations, 25 Class B violations, and 1 Class C violation
- Income Limitation – all units will be available to households earning up to 60% of AMI with rents set as affordable to those earning 60% of AMI

(For coupled resolution for LU No. 521, please see the Report of the Committee on Finance for LU No. 521 printed in these Minutes; for coupled resolution for LU No. 520, please see below:)

Accordingly, this Committee recommends the adoption of LU Nos. 520 and 521.

In connection herewith, Council Member Ferreras-Copeland offered the following resolution:

Res No. 1276

Resolution approving an exemption from real property taxes for property located at (Block 1433, Lot 35) Brooklyn, pursuant to Section 577 of the Private Housing Finance Law (Preconsidered L.U. No. 520).

By Council Member Ferreras-Copeland.

WHEREAS, the New York City Department of Housing Preservation and Development (“HPD”) submitted to the Council its request dated October 3, 2016 that the Council take the following action regarding a housing project located (Block 1433, Lot 35) Brooklyn, (“Exemption Area”):

Approve an exemption of the Project from real property taxes pursuant to Section 577 of the Private Housing Finance Law (the "Tax Exemption");

WHEREAS, the project description that HPD provided to the Council states that the purchaser of the Project (the “Sponsor”) is a duly organized housing development fund company under Article XI of the Private Housing Finance Law;

WHEREAS, the Council has considered the financial implications relating to the Tax Exemption;

RESOLVED:

The Council hereby grants an exemption from real property taxes provided:

1. For the purposes hereof, the following terms shall have the following meanings:
 - (a) “Effective Date” shall mean July 1, 2005.
 - (b) “Exemption” shall mean the exemption from real property taxation provided hereunder.
 - (c) “Exemption Area” shall mean the real property located in the Borough of Brooklyn, City and State of New York, identified as Block 1433, Lot 35 on the Tax Map of the City of New York.
 - (d) “Expiration Date” shall mean the earlier to occur of (i) a date which is forty (40) years from the Effective Date, (ii) the date of the expiration or termination of the Regulatory Agreement, or (iii) the date upon which the Exemption Area ceases to be owned by either a housing development fund company or an entity wholly controlled by a housing development fund company.
 - (e) “HDFC” shall mean Tenants of 2178 Atlantic Avenue Housing Development Fund Corporation.
 - (f) “HPD” shall mean the Department of Housing Preservation and Development of the City of New York.
 - (g) “J-51 Program” shall mean the program of exemption from and/or abatement of real property taxation authorized pursuant to Real Property Tax Law §489 and City of New York Administrative Code §11-243.
 - (h) “J-51 Benefits” shall mean any tax benefits pursuant to the J-51 Program that are granted for eligible work performed at the Exemption Area on or after October 1, 2016.
 - (i) “Owner” shall mean the HDFC or any future owner of the Exemption Area.
 - (j) “Regulatory Agreement” shall mean the regulatory agreement between HPD and the HDFC establishing certain controls upon the operation of the Exemption Area on and after the date such Regulatory Agreement is executed.
 - (k) “Tax Payment” shall mean an annual real property tax payment on an assessed valuation equal to an amount calculated by multiplying \$3,500 times the number of residential units included in the Exemption Area and increasing such product by three and seven tenths percent (3.7%) on July 1, 2017 and on July 1 of each successive year until the Expiration Date.

2. All of the value of the Exemption Area shall be exempt from real property taxation, including both the land and any improvements (excluding those portions, if any, devoted to business or commercial use), other than assessments for local improvements, for a period commencing upon the Effective Date and terminating upon June 30, 2016.
3. Commencing upon July 1, 2016 and during each year thereafter until the Expiration Date, the Owner shall make real property tax payments in the sum of the Tax Payment. Notwithstanding the foregoing, the total annual real property tax payment by the HDFC shall not at any time exceed the amount of real estate taxes that would otherwise be due in the absence of any form of tax exemption or abatement provided by an existing or future local, state, or federal law, rule or regulation.
4. Notwithstanding any provision hereof to the contrary:
 - (a) The Exemption shall terminate if HPD determines that (i) the Exemption Area is not being operated in accordance with the requirements of Article XI of the Private Housing Finance Law, (ii) the owner of the Exemption Area has failed to execute the Regulatory Agreement within three hundred sixty-five (365) days after the date of approval of the Exemption, (iii) the Exemption Area is not being operated in accordance with the requirements of the Regulatory Agreement, (iv) the Exemption Area is not being operated in accordance with the requirements of any other agreement with, or for the benefit of, the City of New York, (v) the Exemption Area is conveyed to a new owner without the prior written approval by HPD, or (vi) the construction or demolition of any private or multiple dwelling on the Exemption Area has commenced without the prior written consent of HPD. HPD shall deliver written notice of any such determination to the Owner and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than sixty (60) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the Exemption shall prospectively terminate.
 - (b) The Exemption shall apply to all land in the Exemption Area, but shall only apply to a building in the Exemption Area that exists on the Effective Date.
5. In consideration of the Exemption, the owner of the Exemption Area shall (i) execute and record the Regulatory Agreement, and (ii) for so long as the Exemption shall remain in effect, waive the benefits, if any, of any additional or concurrent exemption from or abatement of real property taxation, other than the J-51 Benefits, which may be authorized under any existing or future local, state or federal law, rule or regulation.

On motion of the Speaker (Council Member Mark-Viverito), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

At this point the Speaker (Council Member Mark-Viverito) announced that the following items had been **preconsidered** by the Committee on Finance and had been favorably reported for adoption.

Report for LU No. 521

Report of the Committee on Finance in favor of approving The Tree of Life, Block 9793, part of Lot 78 (a/k/a Tentative Lot 79); Queens, Community District No. 12, Council District No. 24.

The Committee on Finance, to which the annexed preconsidered land use item was referred on November 16, 2016, respectfully

REPORTS:

(For text of report, please see the Report of the Committee on Finance for LU No. 520 printed in these Minutes)

Accordingly, this Committee recommends its adoption.

In connection herewith, Council Member Ferreras-Copeland offered the following resolution:

Res No. 1277

Resolution approving an exemption from real property taxes for property located at (Block 9793, part of Lot 78 (a/k/a Tentative Lot 79)) Queens, pursuant to Section 577 of the Private Housing Finance Law (Preconsidered L.U. No. 521).

By Council Member Ferreras-Copeland.

WHEREAS, the New York City Department of Housing Preservation and Development (“HPD”) submitted to the Council its request dated October 31, 2016 that the Council take the following action regarding a housing project located (Block 9793, part of Lot 78 (a/k/a Tentative Lot 79)) Queens, (“Exemption Area”):

Approve an exemption of the Project from real property taxes pursuant to Section 577 of the Private Housing Finance Law (the “Tax Exemption”);

WHEREAS, the project description that HPD provided to the Council states that the purchaser of the Project (the “Sponsor”) is a duly organized housing development fund company under Article XI of the Private Housing Finance Law;

WHEREAS, the Council has considered the financial implications relating to the Tax Exemption;

RESOLVED:

The Council hereby grants an exemption from real property taxes provided:

1. For the purposes hereof, the following terms shall have the following meanings:

(a) “HDFC” shall mean First Jamaica 164 Street Housing Development Fund Corporation

- (b) “HPD” shall mean the Department of Housing Preservation and Development of the City of New York.
 - (c) “HDC” shall mean New York City Housing Development Corporation.
 - (d) “LLC” shall mean TOL Workforce LLC or an affiliate.
 - (e) “New Owner” shall mean the HDFC and the LLC or any future owner of the Exemption Area.
 - (f) “Exemption” shall mean the exemption from real property taxation provided hereunder.
 - (g) “Effective Date” shall mean the later of (i) the date of conveyance of the Exemption Area to the HDFC, and (ii) the date that HPD, HDC and the New Owner enter into the Regulatory Agreement in their respective sole discretion.
 - (h) “Exemption Area” shall mean the real property located on the Tax Map of the City of New York in the Borough of Queens, City and State of New York, identified Block 9793, part of Lot 78 (a/k/a Tentative Lot 79), as more particularly described in Exhibit A hereto.
 - (i) “Expiration Date” shall mean the earlier to occur of (i) a date which is thirty (30) years from the Effective Date, (ii) the date of the expiration or termination of the Regulatory Agreement, or (iii) the date upon which the Exemption Area ceases to be owned or leased by either a housing development fund company or an entity wholly controlled by a housing development fund company.
 - (j) “Project” shall mean the construction of one multiple dwelling building on the Exemption Area containing approximately 173 rental dwelling units, plus one unit for a superintendent, approximately 15,337 square feet of commercial space, and approximately 9,555 square feet of community facility space to be used by the First Jamaica Community and Urban Development Corporation.
 - (k) “Regulatory Agreement” shall mean the regulatory agreement between HPD, HDC and the New Owner establishing certain controls upon the operation of the Exemption Area during the term of the Exemption.
2. All of the value of the property in the Exemption Area, including both the land and any improvements (excluding those portions, if any devoted to business, commercial or community facility use other than such community facility use(s) required or permitted under the Regulatory Agreement) shall be exempt from real property taxation, other than assessments for local improvements, for a period commencing upon the Effective Date and terminating upon Expiration Date.
 3. (a) Notwithstanding any provision hereof to the contrary, the exemption from real property taxation provided hereunder (“Exemption”) shall terminate if HPD determines at any time that (i) the Exemption Area is not being operated in accordance with the requirements of Article XI of the Private Housing Finance Law, (ii) the Exemption Area is not being operated in accordance with the requirements of the Regulatory Agreement, (iii) the Exemption Area is not operated in accordance with the requirements of any other agreement with, or for the benefit of, the City of New York, (iv) the Exemption Area is conveyed to a new owner without the prior written consent of HPD, or (v) the demolition or construction of any private or multiple dwelling on the Exemption Area has commenced without the prior written consent of HPD. HPD shall deliver written notice of any such determination to the New Owner and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than sixty (60) days. If the

noncompliance specified in such notice is not cured within the time period specified therein, the Exemption shall prospectively terminate.

- (b) Nothing herein shall entitle the New Owner to a refund of any real property taxes which accrued and were paid with respect to the Exemption Area prior to the Effective Date.
 - (c) The Exemption shall not apply to any building constructed on the Exemption Area which does not have a permanent or temporary certificate of occupancy by December 31, 2021, as such date may be extended in writing by HPD.
4. In consideration of the Exemption, the New Owner (i) shall execute and record the Regulatory Agreement, and (ii) for so long as the Exemption shall remain in effect, shall waive the benefits of any additional or concurrent exemption from or abatement of real property taxation which may be authorized under any existing or future local, state, or federal law, rule, or regulation.

Report of the Committee on Fire and Criminal Justice Services

Report for Int. No. 1228-B

Report of the Committee on Housing & Buildings in favor of approving and adopting, as amended, a Local Law to amend the New York city charter, in relation to the investigation, review, study, audit of, and recommendations relating to, the operations, policies, programs and practices of the department of correction by the commissioner of the department of investigation.

The Committee on Fire and Criminal Justice Services, to which the annexed proposed amended local law was referred on July 14, 2016 (Minutes, page 2540), respectfully

REPORTS:

I. INTRODUCTION

On Monday, November 14, 2016, the Committee on Fire and Criminal Justice Services, chaired by Council Member Elizabeth S. Crowley, will hold a hearing on Proposed Introductory Bill Number 1228-B (“Int. 1228-B”). The Committee previously held a hearing on Int. 1228-A on September 26, 2016. At that time, the Committee heard testimony from the Department of Correction (“DOC”), the Department of Investigation, the Correction Officers Benevolent Association, The Osborne Association, Brooklyn Defender Services, the Jails Action Coalition, the Urban Justice Center, the NAACP Legal Defense and Educational Fund, and The Legal Aid Society regarding this and other bills heard at that time.

II. BACKGROUND AND ANALYSIS OF PROPOSED INT. NO. 1228-B

Issues with the DOC and accountability for employee misbehavior have been well-publicized.¹ Presently, DOC is subject to oversight via a federal court monitor pursuant to a lawsuit filed by advocates and joined by the federal government,² as well as two City-based external oversight bodies: the Board of Correction (“BOC”) and the Department of Investigation (“DOI”).³ The DOI has broad statutory authority to conduct investigations for any department or agency within the Administration,⁴ including the DOC. In practice, the DOI employs an “inspector general” (“IG”) with responsibility for overseeing the DOC.⁵ In recent years, the DOI has exercised authority to investigate faulty hiring practices,⁶ issues with contraband smuggling by DOC employees,⁷ and similar issues related to corruption within the DOC. Historically, the DOI’s role in investigating issues of violence by DOC staff against inmates has been arguably unclear. In the United States Department of Justice’s (“DOJ”) initial report on conditions at Rikers Island, the DOJ stated that standards for determining a DOI review of an incident of violence were unclear: “Although we believe it is important to have a watchdog agency outside the Department review use of force incidents that are of particular concern, there do not appear to be clearly established criteria concerning the types of investigations that require external review, nor is it clear how incidents are brought to the attention of the DOI.”⁸ The settlement agreement reached in the Nunez case remedies this issue to some extent, by establishing a simple standard for a DOI referral: if the use of force at issue “appears to be criminal in nature.”⁹

The Council is interested in further solidifying the DOI’s role in addressing issues related to the treatment of inmates in DOC facilities. The DOC’s settlement in the Nunez case covers numerous issues in this arena, but this settlement is not meant to address every issue related to the treatment of inmates. Moreover, while the monitoring of the Nunez settlement is likely to continue for many years, this monitoring is by its nature temporary. Therefore, while the Council does not intend to duplicate or impede efforts of the monitor appointed pursuant to the Nunez settlement, or to impede or limit the existing work of the DOI’s IG for the DOC, the Council finds that it is necessary and appropriate to create a permanent entity to monitor, review, and report on the DOC on an ongoing basis as part of the permanent structure of city government, and for that entity to focus its attention on the issues related to the treatment of inmates outlined in the proposed legislation.

The bill requires the DOI to, “on an ongoing basis, investigate, review, study, audit and make recommendations regarding system-wide operations, policies, programs, and practices of the department of correction with the goal of improving conditions in city jails.” The bill also requires the DOI Commissioner to appoint a person responsible for implementing these specific duties, and to report to the Council regarding the “identity and qualifications” of this person. The bill contains a provision to protect any person who makes a complaint or discloses information to the DOI, and requires the DOI to provide a link on its website for the reporting of complaints or issues regarding the DOC. Finally, the bill requires the DOI to issue a report on any “system-wide investigation, review, study, or audit” made pursuant to this law, as well as a yearly report on such activities. The bill would take effect 60 days after it becomes law.

V. AMENDMENTS TO INT. NO. 1228

Int. 1228 has been modified since it was first introduced. The original version of the bill created a separate reporting section in section 808 of the City Charter that has been folded into City Charter Section 803 in the A version of the bill. Also, a section requiring certain members of the DOC to report issues to the DOI was removed in the A version of the bill. The B version of the bill added a section permitting the DOI to redact

its public reports “as necessary to preserve safety and security in the facilities under the control of the department of correction.” The B version also eliminated a reference to section 7-112 of the Administrative Code and replaced it with a reference to civil actions filed against the DOC or individual correction officers, and is otherwise substantively the same as the A version of the bill.

The following is from the text of the Fiscal Impact Statement for Int No. 1228-B:

SUMMARY OF LEGISLATION: Proposed Intro. 1228-B would create a permanent entity to monitor, review, and report on the Department of Correction (“DOC”) on an ongoing basis as part of the structure of City government within the Department of Investigation (“DOI”). The proposed legislation would require the Commissioner of the DOI to appoint an individual to conduct system-wide investigations, reviews, studies, and audits, and to make recommendations regarding operations, policies, programs, and practices of the DOC with the goal of improving conditions in City jails. The bill would also require the Commissioner of the DOI to submit reports regarding these investigations. The Commissioner of the DOC would then be required to provide a written response to the Commissioner of the DOI, the Mayor, and the Council. In addition, this legislation would require an annual summary of its activities.

EFFECTIVE DATE: This local law would take effect 60 days after it becomes law.

FISCAL YEAR IN WHICH FULL FISCAL IMPACT ANTICIPATED: Fiscal 2018

FISCAL IMPACT STATEMENT:

	Effective FY17	FY Succeeding Effective FY18	Full Fiscal Impact FY18
Revenues	\$0	\$0	\$0
Expenditures	\$405,789	\$973,895	\$973,895
Net	\$405,789	\$973,895	\$973,895

IMPACT ON REVENUES: It is anticipated that there would be no impact on revenues as a result of this legislation.

IMPACT ON EXPENDITURES: While this legislation would codify an existing investigation squad within the DOI, it is estimated that additional resources would be needed to provide the staffing necessary to comply with this legislation. It is estimated that the DOC investigation squad within the DOI would need an additional five confidential investigators, four special investigators, and one background investigator for a total of ten positions with a budget of \$885,359 for Personal Services (PS). Furthermore, it is estimate than an additional \$88,536 in Other Than Personal Services (OTPS) would be needed for administrative support, for a total budget of \$973,895, including fringe benefits in Fiscal 2018.

It is also possible that the DOC would require additional resources in order to respond to requests made by the DOI as part of its investigations, but because such amount, if any, would be based on factors not known at the time of this writing, an exact estimate cannot be determined.

LEGISLATIVE HISTORY: This legislation was introduced to the Council on July 14, 2016 as Intro. No. 1228 and referred to the Committee on Fire and Criminal Justice Services. The legislation was subsequently amended and the Committee on Fire and Criminal Justice Services considered the amended legislation, Proposed Intro. No. 1228-A, at a hearing on September 26, 2016 and the legislation was laid over. The legislation was subsequently amended and the amended version, Proposed Intro. No. 1228-B, will be voted on by the Committee on Fire and Criminal Justice Services at a hearing on November 14, 2016. Upon successful vote by the Committee, Proposed Intro. No. 1228-B will be submitted to the full Council for a vote on November 16, 2016.

DATE PREPARED: November 10, 2016.

Accordingly, this Committee recommends its adoption as amended.

(The following is the text of Int No. 1228-B:)

Int. No. 1228-B

By The Speaker (Council Member Mark-Viverito) and Council Members Crowley, Chin, Lander and Kallos.

A Local Law to amend the New York city charter, in relation to the investigation, review, study, audit of, and recommendations relating to, the operations, policies, programs and practices of the department of correction by the commissioner of the department of investigation.

Be it enacted by the Council as follows:

Section 1. Section 803 of the New York city charter is amended by adding a new subdivision d, relettering subdivisions d through f as subdivisions e through g, and amending relettered subdivisions e and f to read as follows:

d. 1. The commissioner shall, immediately upon appointment of the individual described in paragraph 2 of this subdivision, in addition to the investigatory work done in the normal course of the commissioner's duties, on an ongoing basis, conduct system-wide investigations, reviews, studies, and audits, and make recommendations regarding system-wide operations, policies, programs, and practices of the department of correction, with the goal of improving conditions in city jails, including but not limited to, reducing violence in departmental facilities, protecting the safety of departmental employees and inmates, protecting the rights of inmates, and increasing the public's confidence in the department of correction. The commissioner may consider, in addition to any other information the commissioner deems relevant, information regarding civil actions filed in state or federal court against individual correction officers or the city regarding the department of correction, notices of claim received by the comptroller filed against individual correction officers or the city regarding the department of correction, settlements by the comptroller of claims filed against individual correction officers or the city regarding the department of correction, complaints received and investigations conducted by the board of correction, complaints received and any investigations regarding such complaints conducted by the department of correction, complaints received pursuant to section 804, and

any criminal arrests or investigations of individual correction officers known to the department of investigation in its ongoing review of the department of correction.

2. No later than 90 days after the effective date of the local law that added this subdivision, the commissioner shall appoint an individual responsible for implementing the duties described in paragraph 1 of this subdivision and shall report to the council regarding the identity and qualifications of such individual, the number of personnel assigned or to be hired to assist such individual as deemed necessary by the commissioner, and the details of the management structure covering them. In the event such individual is removed or resigns, the commissioner shall replace such individual within 90 days of such removal or resignation and shall provide notification of such replacement, and the identity and qualifications of the new individual responsible for overseeing the implementation of the duties described in paragraph 1 of this subdivision.

3. No officer or employee of an agency of the city shall take any adverse personnel action with respect to another officer or employee in retaliation for such person making a complaint to, disclosing information to, or responding to queries from the commissioner pursuant to activities undertaken pursuant to paragraph 1 of this subdivision unless the complaint was made or the information was disclosed with the knowledge that it was false or with willful disregard for its truth or falsity. Any officer or employee who believes he or she has been retaliated against in violation of this subdivision may report such action to the commissioner as provided for in subdivision c of section 12-113 of the administrative code.

4. The department's website will provide a link for individuals to report any problems and deficiencies relating to the department of correction's operations, policies, programs and practices. Individuals making such reports will not be required to provide personally identifying information.

[d.] e. 1. For any investigation made pursuant to subdivision a or b of this section, the commissioner shall prepare a written report or statement of findings and shall forward a copy of such report or statement to the requesting party, if any. In the event that any matter investigated, reviewed, studied, or audited pursuant to this section involves or may involve allegations of criminal conduct, the commissioner, upon completion of the investigation, review, study, or audit, shall also forward a copy of his or her written report or statement of findings to the appropriate prosecuting attorney, or, in the event the matter investigated, reviewed, studied, or audited involves or may involve a conflict of interest or unethical conduct, to the conflicts of interest board.

2. For any investigation, review, study, or audit made pursuant to paragraph [one] 1 of subdivision c or any investigation, review, study, or audit undertaken to examine system-wide operations, policies, programs, and practices made pursuant to paragraph 1 of subdivision d of this section, the commissioner shall prepare a written report or statement of findings and, upon completion, shall forward a copy of such report or statement to the mayor, the council, and either the commissioner of correction or the police commissioner[upon completion], as applicable. Within [ninety] 90 days of receiving such report or statement, the police commissioner or commissioner of correction, as applicable, shall provide a written response to the commissioner, the mayor, and the council. Each such written report or statement, along with a summary of its findings, as well as the reports described in paragraph 3 of this subdivision, shall be posted on the department's website in a format that is searchable and downloadable and that facilitates printing no later than [ten] 10 days after it is delivered to the mayor, the council, and either the department of correction or the police department, as applicable. The commissioner may redact such report or statement as necessary to preserve safety and security in the facilities under the control of the department of correction. All such reports, statements, and summaries so posted on the department's website shall be made easily accessible from a direct link on the homepage of the website of the department.

3. In addition to the reports and statements of findings to be delivered to the mayor, the council, the commissioner of correction, and the police commissioner pursuant to paragraph 2 of this subdivision, there shall be an annual summary report on the activities undertaken pursuant to paragraph 1 of subdivision c and paragraph 1 of subdivision d of this section containing the following information: (a) a description of all significant findings from the investigations, reviews, studies, and audits conducted in the preceding year; (b) a description of the recommendations for corrective action made in the preceding year; (c) an identification of each recommendation described in previous annual reports on which corrective action has not been implemented or completed; and (d) the number of open investigations, reviews, studies, or audits that have been open, as of the close of the preceding calendar year, for a time period of [1] (1) six months up to and including one year, [2] (2) more than one year up to and including two years, [3] (3) more than two years up

to and including three years, and [4] (4) more than three years. The annual summary report required by this paragraph *relating to the police department* shall be completed and delivered to the mayor, the council, and the police commissioner on April 1, 2015 and every April 1 thereafter. *The annual summary required by this paragraph relating to the department of correction shall be completed and delivered to the mayor, the council, and the commissioner of correction on April 1 beginning in 2018.*

[e.] *f.* The jurisdiction of the commissioner shall extend to any agency, officer, or employee of the city, or any person or entity doing business with the city, or any person or entity who is paid or receives money from or through the city or any agency of the city.

[f.] *g.* The commissioner shall forward to the council and to the mayor a copy of all reports and standards prepared by the corruption prevention and management review bureau, upon issuance by the commissioner.

§ 2. Section 804 of chapter 34 of the New York city charter, as amended by local law number 70 for the year 2013, is amended to read as follows:

§ 804. Complaint bureau. There shall be a complaint bureau in the department which shall receive complaints from the public, including, but not limited to, complaints about any problems and deficiencies relating to the New York city police department's *or department of correction's* operations, policies, programs and practices.

§ 2. This local law takes effect 60 days after it becomes law.

ELIZABETH S. CROWLEY, *Chairperson*; FERNANDO CABRERA, RORY I. LANCMAN, PAUL A. VALLONE; Committee on Fire and Criminal Justice Services, November 14, 2016.

On motion of the Speaker (Council Member Mark-Viverito), and adopted, the foregoing matter was coupled as a General Order for the day (see ROLL CALL ON GENERAL ORDERS FOR THE DAY).

Report of the Committee on Higher Education

Report for Int. No. 1138-A

Report of the Committee on Higher Education in favor of approving and adopting, as amended, a Local Law to establish a task force on affordability, admissions, and graduation rates at the City University of New York

The Committee on Higher Education, to which the annexed proposed amended local law was referred on April 7, 2016 (Minutes, page 892), respectfully

REPORTS:

INTRODUCTION

On November 15, 2016, the Committee on Higher Education, chaired by Council Member Inez D. Barron, will hold a hearing on Proposed Int. No. 1138-A, a local law to establish a task force on affordability, admissions, and graduation rates at the City University of New York (CUNY). This will be the second hearing on this legislation. The first hearing on the original bill was held on June 16, 2016. At the hearing, witnesses who testified included CUNY, the University Student Senate, the Professional Staff Congress, higher education advocates, and other interested parties. Amendments were made to the bill after the hearing.

BACKGROUND

CUNY is the largest urban public university in the United States, providing accessible high quality education for more than 274,000 degree-seeking students and 260,000 adult and continuing education students

at 24 campuses across the five boroughs.¹ With over a half million students enrolled in more than 1,400 academic programs, 200 majors leading to associate and baccalaureate degrees and 800 graduate degree programs, the University offers learning opportunities at every level, from certificate courses to the Ph.D., in a single integrated system of seven community colleges, 12 senior colleges, five graduate and professional schools and an assortment of research centers, institutes and consortia.²

The University has its origins in the Free Academy, established in 1847 as New York City's first publicly-financed institution of higher education.³ Conceived by then-NYC Board of Education (BOE) President Townsend Harris as a college that would "Open the doors to all [and] let the children of the rich and the poor take their seats together, and know of no distinction save that of industry, good conduct and intellect," it provided male children of immigrants and the poor access to free education based on academic merit alone.⁴

The tuition-free policy continued through the establishment of the nation's first free teachers college, now Hunter College, in 1870,⁵ the City's first public coeducation liberal arts college, Brooklyn College, in 1930,⁶ and Queens College in 1937.^{7,8} Merit-based free tuition continued after the BOE established the City University of New York to unite the seven existing schools into a formally integrated citywide system of public higher education in 1961.⁹ In 1970 the University eliminated all tuition charges and implemented an open admissions policy, guaranteeing all NYC public high school graduates admission to one of its colleges.¹⁰ However, CUNY was only able to operate tuition-free until the financial crisis of 1976 when the State took over administration of the University to alleviate help the City avoid bankruptcy. The State imposed dramatic budget cuts and imposed tuition, limiting financial aid to students from families with an annual income of less than \$20,000.¹¹ CUNY currently operates 7 community colleges and 12 senior colleges. For New York State residents, the annual tuition is \$4,800 for full-time community college students; for part-time students, the rate is \$210 per credit.¹² For students at the senior college, the annual in-state tuition is \$6,330 for full-time students; for part-time students, the rate is \$275 per credit.¹³ Full-time students are eligible for financial aid. Part-time students remain ineligible.¹⁴

The proposed legislation would establish a task force of stakeholders from the CUNY community, government officials, experts in education finance, and advocates to develop recommendations for how to restore free tuition at CUNY.

ANALYSIS OF LEGISLATION

PROPOSED INT. NO. 1138-A

Proposed Int. No. 1138-A would establish a temporary task force that would examine the feasibility of eliminating tuition at CUNY. The task force would also be responsible for issuing a report six months after its first meeting. The report would include, but not be limited to, an analysis of existing and potential sources of

revenue that could replace tuition at CUNY, the obstacles preventing the elimination of CUNY, recommendations as to how those obstacles should be addressed and the steps the City should take to implement those recommendations. The task force would be comprised of thirteen members, including the Speaker of the City Council and the Public Advocate or their respective designees. Seven members would be appointed by the Mayor, and four members would be appointed by the Speaker. The members will be appointed within ninety days of enactment and no meeting would be held without at least thirty days' notice to the members. The taskforce would cease to exist after the issuing the report.

Since its introduction, Proposed Int. No. 1138-A was amended to require the task force to examine how to increase affordability, admissions, and graduation rates at CUNY including the feasibility of eliminating tuition and making recommendations to achieve these objectives. The task force would also be responsible for examining the State's role in funding CUNY, available revenue resources, the obstacles affecting affordability and admissions, including the feasibility of eliminating tuition and make recommendations to address those problems. The task force is required to meet at least three times and issue its findings in a report by October 15, 2017, after which it shall cease to exist. Proposed Int. No. 1138-A would take effect immediately.

TITLE: To amend the administrative code of the city of New York, in relation to establishing a task force on affordability, admissions, and graduation rates at the City University of New York

SPONSORS: Council Members Barron, Chin, Dickens, Dromm, Rose, Cohen, Williams, Cornegy, Kallos, Rodriguez, Rosenthal, Richards, Palma and Lander.

SUMMARY OF LEGISLATION: Proposed Intro. No. 1138-A would establish a temporary task force to examine ways to increase affordability, admissions, and graduation rates to the City University of New York (CUNY), including the feasibility of eliminating tuition at CUNY and, to the extent appropriate, develop recommendations for addressing such matters. The task force would be composed of 13 members including the Public Advocate or her designee, the Speaker of the City Council or her designee, seven members to be appointed by the Mayor, and four members to be appointed by the Speaker of the City Council. Members would be appointed within 90 days of enactment of this local law and would serve without compensation. Members would meet at least three times before issuing a report to the Mayor and the Speaker no later than October 15, 2017. The report would take into account the State's role in substantially funding CUNY and would include, but not be limited to, an analysis of obstacles affecting the affordability of, admission to, and timely graduation from CUNY. After the report's submission, the task force would cease to exist.

EFFECTIVE DATE: This local law would take effect immediately.

A Local Law to establish a task force on affordability, admissions, and graduation rates at the City University of New York

Be it enacted by the Council as follows:

Section one. Task force on affordability, admissions, and graduation rates at the City University of New York. a. There is hereby established a temporary task force to examine ways to increase affordability and admission to the City University of New York, including the feasibility of eliminating tuition at the University and, to the extent appropriate, develop recommendations for addressing such matters.

b. The task force shall be composed of 13 members, who shall include:

1. the public advocate, or their designee;

2. the speaker of the city council or their designee;

3. seven members as appointed by the mayor, including one member who shall represent faculty of the City University of New York, one member who is a non-student member of the board of trustees of the City University of New York, one member with expertise in the finance and management of public institutions of higher education, one member with expertise in improving student performance in higher education, one

member with expertise in management and budgetary operations, one member who shall represent advocacy organizations with relevant experience in improving college affordability and admissions, and one additional member; and

4. four members, as appointed by the speaker of the city council, including one member who shall represent students at the City University of New York, one member who shall represent advocacy organizations with relevant experience in improving college affordability and access, one member who has expertise in state and municipal budgeting and finance, and one additional member.

c. All members shall be appointed within 90 days of the enactment of this local law. Members of the task force shall serve without compensation and shall meet no less than three times before the task force is required to issue a report. Members of the task force shall also meet when deemed necessary by the chair or upon the written request of at least three members of the task force, provided that no meeting of the task force shall be held without at least 30 days' notice to the members of the task force. No member of the task force shall be removed except for cause and upon notice and hearing by the appropriate appointing official.

d. Upon appointment of all members, the task force shall elect a chair from its membership by a majority vote at the first meeting of such task force. The task force shall issue a report to the mayor and the speaker of the council no later than October 15, 2017. Such report shall take into account the state's role in substantially funding the City University of New York and shall include, but need not be limited to, an analysis of obstacles affecting the affordability of, admission to, and timely graduation from the City University of New York, examining revenue sources, recommendations on how obstacles could be addressed, and the feasibility of eliminating tuition at the University. After the submission of such report, the task force shall cease to exist.

Report of the Committee on Housing and Buildings

Report for Int. No. 738-A

Report of the Committee on Housing and Buildings in favor of approving and adopting, as amended, a Local Law to amend the administrative code of the city of New York, in relation to a qualification for gas work.

The Committee on Housing and Buildings, to which the annexed proposed amended local law was referred on February 24, 2016 (Minutes, page 1006), respectfully

REPORTS:

Introduction

On November 15, 2016, the Committee on Housing and Buildings, chaired by Council Member Jumaane D. Williams will hold a hearing for the purposes of conducting a vote on Proposed Int. No. 738-A, Proposed Int. No. 1079-A, Proposed Int. No. 1088-A, Proposed Int. No. 1090-A, Proposed Int. No. 1093-A, Proposed Int. No. 1094-A, Proposed Int. No. 1098-A, Proposed Int. No. 1100-A, Int. No. 1101 and Int. No. 1102. The Committee previously held a hearing on these bills on April 12, 2016 and heard testimony from representatives of the Department of Buildings, the Department of Housing Preservation and Development, gas corporations,

including Con Edison and National Grid, industry experts, property owners and other interested members of the public.

Background

In the past two years, there have been several major gas-related explosions in New York City. In response to those explosions, the City Council introduced a package of legislation with the goal of improving gas safety, which will be discussed individually in further detail below.

Background on Recent Gas Explosions

East Harlem Explosion

The East Harlem explosion, reported on March 12, 2014 at 9:30 AM, collapsed two buildings at 1644 and 1646 Park Avenue.¹ The smell of gas was originally reported to Con Edison at 9:06 AM, who dispatched a team at 9:15 AM. The team was in route when the explosion occurred.² Con Edison also called the Fire Department at 9:19 AM but subsequently withdrew the phone call. The Fire Department arrived four minutes after the explosion occurred, at 9:34 AM. By 1:44 PM, Con Edison and the City were able to turn off the gas flow to the block where the accident occurred.³ The gas explosion resulted in 8 persons dying, more than 50 injured and more than 100 families displaced.⁴

The National Transportation Safety Board (NTSB) sent a team to investigate the scene. The NTSB is an independent federal agency that is charged by Congress to investigate every civil aviation accident in the United States and significant accidents on other forms of transportation that includes railroad, highway, marine and pipeline.⁵

The NTSB concluded that the explosion would not have happened if Con Edison's gas pipes were welded properly. The improperly welded joint between a service tee and a 9 inch diameter HDPE natural gas pipe (plastic pipe) caused the gas leak.⁶ The incomplete fusion of the pipes was due to surface contamination and resulted in a weak joint.⁷ This allowed for the leaking natural gas to flow undetected and underground into the building. The NTSB also determined that a gaping hole in the nearby sewer line may have been a contributing factor.⁸ Additional pressure was put on the joint when the soil that supported the plastic pipe washed away into the damaged sewer line.⁹ The City knew about the condition of the sewer line since 2006.¹⁰

Con Edison disputed the NTSB investigators' findings. Con Edison did acknowledge that the weld was flawed but claims that the natural gas that caused the explosion was from a different crack that the investigators found.¹¹ Con Edison is also blaming the City for failure to maintain the sewer and water mains near their gas pipes.¹² The City claims that there was not enough evidence to place any blame on the damaged sewer main line. The sewer main sits more than a dozen feet below the gas main line and has been there longer than any of Con Edison pipes.¹³

As result of the investigation, NTSB issued six recommendations. One of the recommendations was to the New York State Public Service Commission (PSC), four were to Con Edison and one to the City of New York. NTSB recommended that the PSC revise their gas utility operator program to ensure that all elements of the regulations are included in the 5 year audit plan.¹⁴ NTSB recommended that Con Edison: 1) revise their pipe fusion welding procedure to require cleaning of the surfaces to be welded; 2) revise their plastic fusion welding procedure to specify that the solidified beads should be visually examined after completing a joint to ensure that the beads are the same shapes and sizes; 3) the Gas Emergency Response Center staff should receive additional training and have clear written guidance on when the Fire Department should be promptly notified; 4) extend its gas main isolation valve installation program to include strategic locations where long distribution mains currently cannot be isolated which gives priority to pipelines in more densely populated areas.¹⁵ The NTSB also requested that the City implement a written program or procedure to ensure the integrity of sewer lines, repair breaches in a timely manner and coordinate with other agencies to identify and address potential soil disruption.¹⁶

East Village Explosion

On March 26, 2015 an explosion occurred at 121 Second Avenue around 3:17 PM. It was reported that 2 persons died and 22 persons were injured. The fire escalated to seven alarms within an hour of the explosion which resulted in 250 firefighters on the scene.¹⁷ The explosion ended up destroying 3 buildings and damaged 1 additional building.¹⁸

Before the explosion, the property owner's plumber was conducting work to upgrade the gas service for the building. Con Edison was at the site to check on a planned meter installation about an hour before the explosion. The work failed the inspection and gas could not be introduced to the residential units.¹⁹ The owner and general contractor remained in the building to work on the gas lines but left the building a few minutes before the building exploded.²⁰

The investigation of the East Village Explosion also revealed that in August 2014 Con Edison became aware of a gas leak at this same building during a routine gas meter inspection. The Con Edison worker called the utility company to inspect the gas smell. They found a hose had been attached to the gas line that served a restaurant was leaking.²¹ Con Edison deemed it as a hazardous situation and shut the gas off for 10 days until it was determined safe. One month after the inspection, Con Edison included the building in a list that had gas leaks to Department of Buildings. However, the notice did not mention that there was unauthorized tapping to the gas line.²²

John F. Kennedy High School Explosion

On August 21, 2015, a gas explosion occurred at John F. Kennedy High School at 8:09 PM.²³ Contractors were working on the school's science labs which was part of a project by the School Construction Authority through a private contractor. One of the contractors decided to check the gas leak by lighting a match.²⁴ This

Proposed Int. No. 738-A

Proposed Int. No. 738-A would bar individuals from performing work on gas piping systems after January 1, 2020 unless such individuals are (1) licensed master plumbers, (2) hold a gas qualification or (3) hold a limited gas qualification and perform work under the personal and immediate supervision of a gas qualification holder or a licensed master plumber. In order to qualify for a gas qualification before January 1, 2019 an applicant would have to be a registered journeyman plumber. In order to qualify for a gas qualification on or after January 1, 2019 and individuals would have to demonstrate an understanding of and proficiency and competence with gas work and either (1) be a registered journeyman plumber, (2) successfully complete an apprenticeship in plumbing and have at least one year of full-time experience performing or supervising plumbing work under the direct and continuing supervision of a licensed master plumber or (3) have at least five years of full-time experience performing or supervising plumbing work under the direct and continuing supervision of a licensed master plumber.²⁷ This local law would take effect immediately after enactment.

Proposed Int. No. 1079-A

Proposed Int. No. 1079-A would require that the final inspection of gas piping systems be performed by the Department of Buildings. This local law would take effect January 1, 2018.

Proposed Int. No. 1088-A

Proposed Int. No. 1088-A would require that, commencing on January 1, 2019, owners of buildings with gas piping systems have such systems periodically inspected. This local law would take effect immediately after enactment.

Proposed Int. No. 1090-A

Proposed Int. No. 1090-A would require owners to instruct their tenants to call 911 and their gas service providers, prior to informing such owners, when a gas leak is suspected. This local law would take effect 180 days after enactment.

Proposed Int. No. 1093-A

Proposed Int. No. 1093-A would require gas service operators and building owners to notify the Department of Buildings within twenty-four hours when gas service is shut-off or not restored. This local law would take effect 90 days after enactment.

Proposed Int. No. 1094-A

Proposed Int. No. 1094-A would require an agency or office designated by the mayor to identify a set of factors related to natural gas violations that risk the safety of residential and commercial buildings. The bill would also require this designated agency to submit a report to the council on how such risk factors have been used to target enforcement of laws and rules relating to the delivery by pipe or usage of gas in residential and commercial buildings and the efficacy of such targeted enforcement. This local law would take effect immediately after enactment.

Proposed Int. No. 1098-A

Proposed Int. No. 1098-A would require that gas corporations report to an agency or office designated by the mayor annually on asset conditions, planned infrastructure projects and investment priorities. Further, such corporations would be required to meet annually with such agency or office designated by the mayor, the

Speaker of the City Council and the Mayor to discuss the information contained in such report and related gas safety issues. This local law would take effect immediately after enactment.

Proposed Int. No. 1100-A

Proposed Int. No. 1100-A would require the Department of Buildings to establish or adopt a standard governing the installation and location of natural gas detectors after an industry standard has been promulgated. It would also require the installation of natural gas detectors that comply with such standards in all multiple dwellings. This local law would take effect immediately after enactment except that the provisions requiring the installation of natural gas detectors in multiple dwellings would take effect on May 1, of the first year that commences after the Department of Buildings establishes or adopts a standard governing the installation and location of such detectors.

Int. No. 1101

Int. No. 1101 would require the Commissioner of the Department of Buildings to establish a temporary fuel gas violation resolution program to allow owners of buildings with fuel gas piping systems or appliances which violate any provision of the New York City Construction Codes to bring such systems or appliances into compliance with such codes without penalties. This local law would take effect 120 days after enactment.

Int. No. 1102

Int. No. 1102 would designate violations of existing law regarding gas piping systems as “immediately hazardous”. This local law would take effect 120 days after enactment.

(The following is from the text of the Fiscal Impact Statement for Int No. 738-A:)

SUMMARY OF LEGISLATION: Proposed Intro. 738-A would require that, beginning on January 1, 2020, work on gas piping systems must be performed by 1) a licensed master plumber, 2) by a person with a gas work qualification issued by the Department of Buildings (“DOB”) who is working under the continuing supervision of a licensed master plumber, or 3) a person with a limited gas work qualification issued by the DOB who is working under the immediate supervision of a person with a gas work qualification or a licensed master plumber. The legislation would also set forth the standards by which gas work qualification and limited gas work qualifications would be issued.

EFFECTIVE DATE: This local law would take effect immediately.

FISCAL YEAR IN WHICH FULL FISCAL IMPACT ANTICIPATED: Fiscal 2018

FISCAL IMPACT STATEMENT:

	Effective FY17	FY Succeeding Effective FY18	Full Fiscal Impact FY18
Revenues	\$0	\$0	\$0
Expenditures	\$0	\$0	\$0
Net	\$0	\$0	\$0

IMPACT ON REVENUES: It is estimated that there would be no impact on revenues resulting from the enactment of this legislation. Under the legislation, DOB would not charge an application fee for a gas work qualification if the applicant is registered as a journeymen or is applying for journeymen plumber registration. As such, this estimate assumes DOB would not collect revenue related to application fees. In addition, under the legislation, DOB would establish a procedure for applying for journeymen registration, which may include

a fee for persons who are not registered journeymen or applying for journeymen plumber registration, but these fees are not mandated under this legislation, and thus not assumed in this cost estimate.

IMPACT ON EXPENDITURES: It is anticipated that there would be no impact on expenditures resulting from the enactment of this legislation because existing resources would be used to implement the provisions of this local law.

A Local Law to amend the administrative code of the city of New York, in relation to a qualification for gas work

Be it enacted by the Council as follows:

Section 1. Chapter 4 of title 28 of the administrative code of the city of New York is amended by adding a new article 423 to read as follows:

ARTICLE 423
QUALIFICATION FOR GAS WORK

§ 28-423.1 Qualification required. *For the purposes of this article, “gas work” means work covered by section 101.2 of the New York city fuel gas code, where such work is required by this code to be performed under the direct and continuing supervision of a licensed master plumber, provided that the term “gas work” shall not include periodic inspections required pursuant to article 318 of chapter 3 of title 28 of the administrative code. On and after January 1, 2020, it shall be unlawful to perform gas work unless such work is performed by:*

1. *A licensed master plumber; or*
2. *A person working under the direct and continuing supervision of a licensed master plumber if such person:*
 - 2.1. *Holds a gas work qualification pursuant to this article; or*
 - 2.2. *Holds a limited gas work qualification pursuant to this article and is performing such work under the personal and immediate supervision of (i) a person who holds a gas work qualification pursuant to this article or (ii) a licensed master plumber.*

Exception: *The provisions of this article shall not apply to gas work performed, serviced and maintained by utility corporations and subject to the jurisdiction of the New York state public service commission.*

§ 28-423.2 Applications for gas work qualification. *The commissioner shall issue gas work qualifications in accordance with sections 28-423.2.1 and 28-423.2.2.*

§ 28-423.2.1 Applications for gas work qualification submitted before January 1, 2019. *The commissioner shall issue a gas work qualification to a person who before January 1, 2019, submits satisfactory proof establishing that such person is a registered journeyman plumber pursuant to article 409 of this chapter.*

§ 28-423.2.2 Applications for gas work qualification submitted on or after January 1, 2019. *The commissioner shall issue a gas work qualification to a person who on or after January 1, 2019, submits satisfactory proof establishing that such person:*

1. *Has demonstrated an understanding of and proficiency and competency with gas work, including (i) a working familiarity with the fuel gas code and the ability to apply the requirements of such code correctly, (ii) the application of skills relating to gas work on the job site, (iii) a working knowledge of the tools for gas work and the ability to utilize such tools properly and (iv) an ability to draft simple diagrams and interpret from drawings for the purpose of performing gas work, by satisfying a requirement that the commissioner shall establish by rule; and*
2. *Satisfies one or more of the following:*
 - 2.1. *Such person is a registered journeyman plumber pursuant to article 409 of this chapter;*
 - 2.2. *Such person successfully completed an apprenticeship in plumbing through a program approved by the New York state department of labor and has at least one year of full-time experience performing or supervising plumbing work under the direct and continuing supervision of a licensed master plumber; or*
 - 2.3. *Such person has at least five years of full-time experience performing or supervising plumbing work under the direct and continuing supervision of a licensed master plumber, provided that at least one year of such experience occurred in the city.*

§ 28-423.2.3 Concurrent applications. *The commissioner shall establish a procedure for concurrently applying for a journeyman plumber registration pursuant to article 409 of this chapter and a gas work qualification pursuant to this section. No application fee shall be charged to an applicant for a gas work qualification if such applicant (i) is, at the time such application is filed, a registered journeyman plumber pursuant to such article or (ii) is applying concurrently for a journeyman plumber registration pursuant to such article and a gas work qualification.*

§ 28-423.3 Applications for limited gas work qualification. *The commissioner shall issue limited gas work qualifications in accordance with sections 28-423.3.1 and 28-423.3.2.*

§ 28-423.3.1 Applications for limited gas work qualification submitted before January 1, 2019. *The commissioner shall issue a limited gas work qualification to a person who before January 1, 2019, submits satisfactory proof that such person has at least six months of full-time experience performing plumbing work under the direct and continuing supervision of a licensed master plumber.*

§ 28-423.3.2 Applications for limited gas work qualification submitted on or after January 1, 2019. *The commissioner shall issue a limited gas work qualification to a person who on or after January 1, 2019 submits satisfactory proof establishing that such person:*

1. *Has at least six months of full-time experience performing plumbing work under the direct and continuing supervision of a licensed master plumber; and*
2. *Satisfies one or more of the following:*
 - 2.1. *Such person has successfully completed a training program that (i) relates to gas work, (ii) is at least 16 hours and (iii) is approved by the commissioner;*
 - 2.2. *Such person is an apprentice in plumbing registered in an apprenticeship program approved by the New York state department of labor; or*
 - 2.3. *Such person satisfies such other requirement for demonstrating competence with gas work as the commissioner may establish by rule.*

§ 28-423.4 Expiration. *The gas work qualification shall have no expiration and need not be renewed or reissued. The limited gas work qualification shall expire five years after issuance and may not be renewed.*

§ 2. This local law takes effect immediately.

The following is from the text of the Fiscal Impact Statement for Int No. 1079-A:

SUMMARY OF LEGISLATION: Proposed Intro. 1079-A would require the final inspection of gas piping systems to be performed by the Department of Buildings (“DOB”) in the presence of the building permit holder, the registered design professional, or the superintendent of construction after all work authorized by the building permit has been completed.

DOB would also be required to maintain final inspection reports that outline any defects encountered and corrected in the final inspection and confirm substantial compliance with construction documents and that all required inspections were performed.

EFFECTIVE DATE: This local law would take effect January 1, 2018, except that the Commissioner of Buildings may take actions necessary for implementation, including the promulgation of rules, prior to its effective date.

Int. No. 1079-A

By The Speaker (Council Member Mark-Viverito) and Council Members Williams, Palma, Richards, Rodriguez, Crowley, Rosenthal, Mendez, Menchaca, Cohen, Van Bramer, Levin and Kallos.

A Local Law to amend the administrative code of the city of New York, in relation to final inspections of gas piping systems

Be it enacted by the Council as follows:

Section 1. Section 28-116.2.4 of the administrative code of the city of New York, as added by local law number 33 for the year 2007, is amended to read as follows:

§28-116.2.4 Final inspection. There shall be a final inspection of all permitted work. Final inspections shall comply with sections 28-116.2.4.1 through [28-116.2.4.2] 28-116.2.4.3.

§ 2. Article 116 of title 28 of the administrative code of the city of New York, as amended by local law number 141 for the year 2013, is amended by adding a new section 28-116.2.4.3 to read as follows:

§ 28-116.2.4.3 Final inspection of gas piping systems. *The final inspection of gas piping systems shall be performed by the department in the presence of the permit holder, the registered design professional of record or the superintendent of construction. Such inspection shall be performed after all work authorized by the building permit is completed. All failures to comply with the provisions of this code or approved construction documents shall be noted and the owner promptly notified thereof in writing. All defects noted in such inspection shall be corrected. Reports of such final inspections shall be maintained by the department. The final inspection report shall confirm that defects noted have been corrected, that the work is in substantial compliance with the approved construction documents and with this code and with other applicable laws and rules and that all required inspections were performed.*

§ 3. This local law takes effect January 1, 2018, except that the commissioner of buildings shall take such steps as are necessary for its implementation, including the promulgation of rules, prior to such effective date.

SUMMARY OF LEGISLATION: The proposed legislation would require that owners of buildings with exposed portions of gas piping systems have such systems periodically inspected by a licensed master plumber or under the supervision of one. Inspections would be required at least once every five years beginning January 1, 2019.

Following an inspection, the licensed master plumber would be required to submit a report of the inspection and certification that the inspection has been completed to the building owner. Building owners would be required to submit the report to the gas utility company and submit a certification to DOB that the inspection was completed, that any conditions requiring correction were corrected, and that the report was submitted to the gas utility.

Lastly, the legislation would authorize DOB to charge filing fees for the certifications.

The legislation would exempt residential buildings classified in occupancy group or R-3 and would require initial inspections for new buildings after ten years.

By Council Members Espinal, Williams, Levine, Palma, Rose, Richards, Rodriguez, Crowley, Constantinides, Rosenthal, Mendez, Torres, Salamanca, Menchaca, Cohen, Van Bramer, Levin, Kallos, Ulrich and Borelli.

A Local Law to amend the administrative code of the city of New York, in relation to periodic inspections of gas piping systems

Be it enacted by the Council as follows:

Section 1. Chapter 3 of title 28 of the administrative code of the city of New York is amended by adding a new article 318 to read as follows:

**ARTICLE 318
PERIODIC INSPECTION OF GAS PIPING SYSTEMS**

§ 28-318.1 General. *Commencing January 1, 2019, building gas piping systems, other than gas piping systems of buildings classified in occupancy group R-3, shall be periodically inspected in accordance with this article.*

Exception: *A building that contains no gas piping and for which the owner of such building has submitted to the commissioner, in a form and manner determined by the commissioner, a certificate of a registered design professional, or a person satisfying other qualifications that the commissioner may establish, that such building contains no gas piping.*

§ 28-318.2 Frequency of inspection. *An inspection of a building's gas piping system shall be conducted at periodic intervals as set forth by rule of the commissioner, but such inspection shall be conducted at least once every five years.*

Exceptions:

1. *If the New York state public service commission adopts a rule or other requirement for periodic inspections of service lines, as defined in section 255.3 of title 16 of the New York codes, rules and regulations, with a frequency other than five years, the commissioner may, by rule, require that the periodic inspections required by this article be conducted with such frequency.*
2. *The initial inspection for a new building shall be conducted in the tenth year after the earlier of (i) the issuance by the department of a letter of completion or, if applicable, a temporary or final certificate of occupancy for such building or (ii) the date such building was completed as determined by department rule.*

§ 28-318.3 Inspection process. *Gas piping systems shall be inspected and tested in accordance with sections 28-318.3.1 through 28-318.3.4.*

§ 28-318.3.1 Inspection entity. *Inspections of gas piping systems shall be conducted on behalf of the building owner by a licensed master plumber or by an individual under the direct and continuing supervision of a licensed master plumber, with appropriate qualifications as prescribed by department rule.*

§ 28-318.3.2 Scope. *At each inspection, in addition to the requirements prescribed by this article or by the commissioner, all exposed gas lines from point of entry of gas piping into a building, including building service meters, up to individual tenant spaces shall be inspected for evidence of excessive atmospheric corrosion or piping deterioration that has resulted in a dangerous condition, illegal connections, and non-code compliant installations. The inspection entity shall also test public spaces, hallways, corridors, and mechanical and boiler rooms with a portable combustible gas detector to determine if there is any gas leak, provided that such testing need only include public spaces, hallways and corridors on floors that contain gas piping or gas utilization equipment.*

§ 28-318.3.3 Report and certificate of inspection. *The inspection entity conducting an inspection of a building pursuant to this article and the owner of such building shall comply with the following requirements:*

1. *No later than 30 days after such inspection, such inspection entity shall submit to such owner (i) a report of such inspection, on a form and in a manner determined by the department, and (ii) a certification of the licensed master plumber who performed or exercised direct and continuing supervision over such inspection that an inspection pursuant to this article has been completed for such building. Such report shall be certified by such licensed master plumber and, where applicable, by any individual who performed such inspections under the direct and continuing supervision of such licensed master plumber, and shall include, for each gas piping system inspected, a list of conditions including instances where a part or parts of such system is worn to such an extent that the safe and reliable operation of such system may be affected, gas leaks, any observed non-code compliant installations or illegal connections, any conditions described in section 28-318.3.4 and any additional information required by the department.*
2. *No later than the due date for such inspection, in accordance with department rules, and no earlier than 60 days before such due date, such owner shall submit a certification from a licensed master plumber that an inspection pursuant to this article has been completed by such licensed master plumber for such building, provided that the department may by rule establish an alternative timeframe for such submissions.*
3. *No later than 90 days after the due date for such inspection, in accordance with department rules, such owner shall electronically submit, or cause to be submitted by such inspection entity, such report to the utility company providing gas service to such building. Such submission shall only be required if, before the date that such submission would be required, the department has*

determined and set forth in a rule that such utility company will accept such electronic submission at no cost to such owner.

4. *No later than 120 days after the due date for such inspection, in accordance with department rules, such owner shall submit to the department, in a form and manner determined by the department, (i) a certification from a licensed master plumber that all conditions that were identified in the inspection report for which a certification was submitted pursuant to item 2 of this section have been corrected, except that such certification may note that correction of one or more conditions identified in such report, other than conditions referred to in section 28-318.3.4, will reasonably take additional time to complete and (ii) a certification from such owner that such owner is in compliance with item 3 of this section. If such certification notes that one or more conditions will take additional time to complete, such owner shall, no later than 180 days after the due date for such inspection, submit to the department, in a form and manner determined by the department, a certification from a licensed master plumber that all conditions identified in such report have been corrected.*
5. *All reports and certifications required by this section shall be kept on file by the inspection entity and the building owner for at least eight years after the date of inspection and made available to the department at the department's request.*

§ 28-318.3.4 Reporting and correction of unsafe or hazardous condition. *If an inspection reveals any of the following conditions, the inspection entity shall notify the building owner, the utility and the department immediately and the building owner shall immediately take action to correct such condition in compliance with the New York city construction codes:*

1. *A gas leak;*
2. *Evidence of illegal connections or non-code compliant installations; or*
3. *Any other condition which (i) if verified by a utility company or utility corporation, would constitute a class A condition as described in part 261 of title 16 of the New York codes, rules and regulations or (ii) constitutes an imminently dangerous condition.*

§ 28-318.4 Fees. *The department may charge filing fees for the certifications required by section 28-318.3.3, as set forth in the rules of the department.*

§ 28-318.5 Enforcement. *Failure to submit a certification required by this article shall be classified as a major violation.*

§ 2. This local law takes effect immediately.

A Local Law to amend the administrative code of the city of New York, in relation to requiring owners to provide notice to their tenants regarding procedures that should be followed when a gas leak is suspected

Section 1. Section 27-2005 of the administrative code of the city of New York is amended by adding a new subsection f to read as follows:

f. The owner of a dwelling shall deliver or cause to be delivered to each tenant and prospective tenant of such dwelling, along with the lease or lease renewal form for such tenant or prospective tenant, and shall post and maintain in a common area of the building containing such dwelling, a notice, in a form developed or approved by the department, regarding the procedures that should be followed when a gas leak is suspected. Such notice may be combined with any existing required notices and shall instruct tenants to first call 911 and then call the relevant gas service provider, whose name and emergency phone number shall be set forth on such notice, before contacting such owner or an agent thereof when a gas leak is suspected.

§ 2. This local law takes effect 180 days after it becomes law, except that the commissioner of housing preservation and development may take such measures as are necessary for its implementation, including the promulgation of rules, before such effective date.

A Local Law to amend the administrative code of the city of New York, in relation to identifying the factors indicating gas-related violations in residential and commercial buildings

Be it enacted by the Council as follows:

Section 1. Chapter 4 of title 24 of the administrative code of the city of New York is amended by adding a new section 24-425 to read as follows:

§ 24-425 *Identification of gas safety risk factors.* a. An agency or office designated by the mayor shall seek to identify risk factors that correlate to or otherwise indicate a violation of any law or rule that (i) relates to the delivery by pipe, or usage of, gas in residential or commercial buildings and (ii) poses a hazard to health and safety or a risk of damage to property. Such risk factors may include, but need not be limited to, unauthorized gas usage; unusual gas usage for a building based on its historic usage or usage for buildings of similar size, type or occupancy; abandoned structures; or structures condemned by the city.

b. In developing such risk factors, such designated agency or office shall (i) seek the cooperation of each gas corporation that owns, operates or manages a gas plant located in whole or in part in the city and with each organized labor association that contracts with such corporations and (ii) share with each such corporation appropriate information necessary to minimize impacts of such risk factors. The terms “gas corporation” and “gas plant” as used in this section shall have the meanings ascribed to such terms in section 2 of the public service law.

c. By December first 2017, and every third year thereafter, such designated office or agency shall submit to the mayor and the speaker of the council, and make publicly available online, a report on how the city has made use of such risk factors in targeting enforcement of laws and rules relating to the delivery by pipe or usage of gas in residential and commercial buildings and the efficacy of such targeted enforcement.

§ 2. This local law takes effect immediately.

Report for Int. No. 1100-A

Report of the Committee on Housing and Buildings in favor of approving and adopting, as amended, a Local Law to amend the New York city housing maintenance code and the New York city building code, in relation to requiring the installation of natural gas detecting devices, and to repeal sections 27-2045, 27-2046, 27-2046.1 and 27-2046.2 of the administrative code of the city of New York, relating to smoke detecting devices and carbon monoxide detecting devices

The Committee on Housing and Buildings, to which the annexed proposed amended local law was referred on February 24, 2016 (Minutes, page 507), respectfully

REPORTS:

(For text of report, please see the Report of the Committee on Housing and Buildings for Int No. 738-A printed in these Minutes)

The following is from the text of the Fiscal Impact Statement for Int No. 1100-A:

SUMMARY OF LEGISLATION: Proposed Int. No. 1100-A would require the Department of Buildings (“DOB”) to establish or adopt a standard governing the installation and location of natural gas detectors after an industry standard has been promulgated. It would also require that the owners of multiple and private dwellings install natural gas detectors that comply with such standards in such dwellings, in addition to smoke and carbon monoxide detectors. In addition, owners would be required to replace certain defective devices as well as provide notices regarding the owners’ obligations, the risks posed by carbon monoxide poisoning and natural gas leaks, and protocols for testing and maintaining such devices.

In addition, occupants of the multiple and private dwellings would be required to keep and maintain the devices in good repair and replace the devices if stolen, removed, found missing or rendered inoperable. The legislation would also make it unlawful to tamper with the required devices and authorize the City to enforce the provisions of the local law.

EFFECTIVE DATE: The provision of this local law regarding the promulgation of rules by DOB would take effect immediately, and the remainder of the local law would take effect on May 1 of the first year that commences after DOB adopts those rules, and except that such commissioner of Housing Preservation and Development may take such measures as are necessary for the implementation of such sections, including the promulgation of rules, before such effective date.

FISCAL YEAR IN WHICH FULL FISCAL IMPACT ANTICIPATED: Fiscal 2018**FISCAL IMPACT STATEMENT:**

	Effective FY17	FY Succeeding Effective FY18	Full Fiscal Impact FY18
Revenues	\$0	\$0	\$0
Expenditures	\$0	\$0	\$0
Net	\$0	\$0	\$0

IMPACT ON REVENUES: It is estimated that there will be no impact on revenues resulting from the enactment of this legislation.

IMPACT ON EXPENDITURES: It is anticipated that there would be minimal to no impact on expenditures resulting from the enactment of this legislation. Any expenditures would be related to bringing all City-owned buildings resulting from properties qualifying after the passage of this legislation into compliance and such expenditures would include materials and labor costs to install the required devices. Additionally, it is anticipated that there could be an impact on the expenditures of the New York City Housing Authority's ("NYCHA") budget if it were required to purchase and install natural gas detectors in its 2,547 buildings pursuant to this legislation. However, because DOB has not yet established a standard for governing the installation and location of natural gas detectors, it is not yet known whether NYCHA will be required to do so. If it were, the cost of the legislation would be the cost to purchase the devices and any labor and installation could be achieved using existing resources. In addition, with respect to carbon monoxide and smoke detectors, NYCHA is already in compliance with the legislation, and therefore there is no impact on expenditures as a result of this legislation.

Int. No. 1100-A

By Council Members Vacca, Williams, Palma, Richards, Gentile, Rodriguez, Crowley, Rosenthal, Menchaca, Lander, Cohen, Van Bramer, Levin and Kallos.

A Local Law to amend the New York city housing maintenance code and the New York city building code, in relation to requiring the installation of natural gas detecting devices, and to repeal sections 27-2045, 27-2046, 27-2046.1 and 27-2046.2 of the administrative code of the city of New York, relating to smoke detecting devices and carbon monoxide detecting devices

Be it enacted by the Council as follows:

Section 1. Where an industry standard concerning the use of natural gas detecting devices in residential buildings has been promulgated on or after the effective date of the local law that added this section, the commissioner of buildings shall, within 180 days, by rule, establish or adopt a standard governing the installation and location of single- or multiple-station alarms responsive to natural gas.

§ 2. Sections 27-2045, 27-2046, 27-2046.1 and 27-2046.2 of the administrative code of the city of New York are REPEALED and a new section 27-2045 is added to read as follows:

§ 27-2045 *Duties of owner and occupant with respect to installation and maintenance of smoke detecting devices, carbon monoxide detecting devices and natural gas detecting devices.*

a. As used in this section:

Class A multiple dwelling. The term “class A multiple dwelling” means a class A multiple dwelling as defined in paragraph 8 of subdivision a of section 27-2004, except that such term shall include garden-type maisonette dwellings constructed before April 18, 1954.

Garden-type maisonette dwelling. The term “garden-type maisonette dwelling” means a dwelling project consisting of a series of dwelling units that, together and in their aggregate, are arranged or designed to provide three or more apartments; are provided as a group collectively with all essential services such as, but not limited to, house sewers and heat; and are operated as a unit under single ownership, notwithstanding that certificates of occupancy were issued for portions thereof as private dwellings, as such term is defined in paragraph 6 of subdivision a of section 27-2004.

Private dwelling. The term “private dwelling” means a dwelling unit in a one-family or two-family home that is occupied by a person or persons other than the owner of such unit or the owner’s family.

b. The owner of a class A multiple dwelling, class B multiple dwelling or private dwelling shall:

1. (a) Provide and install one or more approved and operational smoke detecting devices in each dwelling unit in accordance with section 907.2 of the New York city building code or sections 27-978, 27-979, 27-980 and 27-981 of the 1968 building code, as applicable, or, in the alternative for class B multiple dwellings, provide and install a line-operated zoned smoke detecting system with central annunciation and central office tie-in for all public corridors and public spaces, pursuant to rules promulgated by the commissioner of buildings, except that this paragraph shall not apply to private dwellings;

(b) Provide and install one or more approved and operational carbon monoxide detecting devices in each dwelling unit in accordance with section 908.7 of the New York city building code or sections 27-981.1, 27-981.2 and 27-981.3 of the 1968 building code, as applicable, or, in the alternative for class B multiple dwellings, provide and install a line-operated zoned carbon monoxide detecting system with central annunciation and central office tie-in for all public corridors and public spaces, pursuant to rules promulgated by the commissioner of buildings or by the commissioner in consultation with the department of buildings and the fire department;

(c) Provide and install one or more approved and operational natural gas detecting devices in accordance with section 908.10 of the New York city building code or section 28-315.2.3 of the code, as applicable, or, in the alternative for class B multiple dwellings, provide and install a line-operated zoned natural gas detecting system with central annunciation and central office tie-in for all public corridors and public spaces, pursuant to rules promulgated by the commissioner of buildings or by the commissioner in consultation with the department of buildings and the fire department;

2. Periodically replace any device required under paragraph 1 of this subdivision upon expiration of its useful life in accordance with article 312 of title 28 of the code;

3. (a) For a class A multiple dwelling or private dwelling, replace any such device that has been stolen, removed, found missing or rendered inoperable during a prior occupancy of the dwelling unit and that has not been replaced by the prior occupant before commencement of a new occupancy of such dwelling unit, except that this paragraph shall not apply to smoke detecting devices in private dwellings;

(b) For a class B multiple dwelling, replace any such device that has been stolen, removed, found missing or rendered inoperable before commencement of a new occupancy of such dwelling unit;

4. Where any such device becomes inoperable within one year after installation due to a defect in the manufacture of such device and through no fault of the occupant of such dwelling unit, replace such device within 30 calendar days after receiving written notice that such device is inoperable, except that this paragraph shall not apply to class B multiple dwellings or smoke detecting devices in private dwellings;

5. Post a notice in a form approved by the commissioner in a common area of the building or, for private dwellings, provide to the occupants thereof a notice, indicating that (i) the owner is required by law to install such devices and to periodically replace such devices upon the expiration of their useful life, and (ii) each occupant is responsible for the maintenance and repair of such devices that are battery-operated and within such occupant's dwelling unit and for replacing, in accordance with article 312 of title 28 of the code, any or all such devices which are stolen, removed, found missing or rendered inoperable during such occupant's occupancy of such dwelling unit, except that this paragraph shall not apply to class B multiple dwellings or smoke detecting devices in private dwellings;

6. Provide to at least one adult occupant of such dwelling unit information relating to (i) the risks posed by carbon monoxide poisoning and, if natural gas detecting devices are required to be installed in such dwelling unit by rules promulgated by the commissioner of buildings, the risks posed by natural gas leaks, (ii) the testing and maintenance of smoke detecting devices, carbon monoxide detecting devices and, if natural gas detecting devices are required to be installed in such dwelling unit by rules promulgated by the commissioner of buildings, natural gas detecting devices, (iii) what to do if such devices alert, (iv) the useful life of such devices, (v) the owner's duty to replace such devices pursuant to article 312 of title 28 and (vi) the occupant's duty to maintain and repair such devices that are battery-operated and within such occupant's dwelling unit and replace any or all such devices within such dwelling unit that are stolen, removed, found missing or rendered inoperable during such occupant's occupancy of such dwelling unit; provided that the information provided in accordance with this paragraph may include material that is distributed by the manufacturer or material prepared or approved by the department of buildings; except that this paragraph shall not apply to class B multiple dwellings or smoke detecting devices in private dwellings; and

7. Keep such records as the commissioner shall prescribe relating to the installation and maintenance of smoke detecting devices, carbon monoxide detecting devices and natural gas detecting devices in the dwelling, including the manufacturer's suggested useful life of such devices and records showing that such devices meet the requirements of all applicable laws and rules, and make such records available to the commissioner upon request.

c. Notwithstanding the provisions of subdivision a of section 27-2005 and subdivision c of section 27-2006, the occupant of each dwelling unit in a class A multiple dwelling or private dwelling in which a device required by paragraph 1 of subdivision b of this section has been provided and installed shall:

1. Keep and maintain such device in good repair; and

2. Replace such device if it is stolen, removed, found missing or rendered inoperable during the occupant's occupancy of such dwelling unit.

d. It shall be unlawful for any person to tamper with or render inoperable a required smoke detecting device, carbon monoxide detecting device or natural gas detecting device, except to replace the batteries of such device or for other maintenance purposes.

e. The occupant of a dwelling unit within a class A multiple dwelling or private dwelling in which a battery-operated smoke detecting device, carbon monoxide detecting device or natural gas detecting device is newly installed, or installed to replace a device that has exceeded the manufacturer's useful life or that has been lost or damaged by such occupant or installed as a result of such occupant's failure to maintain such device, shall reimburse the owner for the cost of providing and installing such device an amount not to exceed (i) \$25 for each smoke detecting device, carbon monoxide detecting device or natural gas detecting device, (ii)

\$50 for each combined smoke and carbon monoxide detecting device, combined smoke and natural gas detecting device or combined carbon monoxide and natural gas detecting device and (iii) \$75 for each combined smoke, carbon monoxide and natural gas detecting device.

f. This section may be enforced by the department, the department of buildings, the fire department and the department of health and mental hygiene.

§ 3 Article 312 of title 28 of the administrative code of the city of New York, as amended by local law number 112 for the year 2013, is amended to read as follows:

ARTICLE 312
CARBON MONOXIDE, [AND] SMOKE AND NATURAL GAS ALARMS

§ 28-312.1 General. Required carbon monoxide, [and] smoke *and natural gas* alarms shall comply with the provisions of this article.

§ 28-312.2. Periodic replacement of carbon monoxide alarms. Carbon monoxide alarms required pursuant to section 908.7 of the New York city building code or sections 27-981.1, 27-981.2 and 27-981.3 of the 1968 building code shall be replaced when the time elapsed since the installation of such alarm exceeds the manufacturer's suggested useful life of the alarm.

Exception: A carbon monoxide alarm installed [prior to the effective date of this article] *before April 25, 2012* shall be replaced when the time elapsed since the installation of such alarm exceeds the manufacturer's suggested useful life of the alarm or [within 6 months after the effective date of this article] *before October 25, 2012*, whichever is later.

§ 28-312.3[.] Audible notification of expiration of useful life of carbon monoxide alarms. All carbon monoxide alarms installed after [the effective date of this article] *April 25, 2012* shall comply with UL 2034 and be of a type that emits an audible notification at the expiration of the useful life of such alarm.

§ 28-312.4 Periodic replacement of smoke alarms. Smoke alarms required pursuant to section 907.2 of the New York [City] *city* building code or sections 27-978, 27-979, 27-980 and 27-981 of the 1968 building code shall be replaced when the time elapsed since the installation of such alarm exceeds the manufacturer's suggested useful life of the alarm.

Exception: A smoke alarm installed [prior to the effective date of this section] *before April 1, 2014* and whose end of useful life is not known shall be replaced with an alarm that complies with section 28-312.5 [within 7 years after the effective date of this section] *by no later than April 1, 2021*.

§ 28-312.5 Audible notification of expiration of useful life of smoke alarms. All smoke alarms installed after [the effective date of this section] *April 1, 2014* shall comply with UL 217, shall employ a non-removable, non-replaceable battery that powers the alarm for a minimum of 10 years, and shall be of the type that emits an audible notification at the expiration of the useful life of the alarm.

§ 28-312.6 Periodic replacement of natural gas alarms. *Natural gas alarms required pursuant to section 908.10 of the New York city building code shall be replaced when the time elapsed since the installation of such alarm exceeds the manufacturer's suggested useful life of the alarm.*

§ 28-312.7 Audible notification of expiration of useful life of natural gas alarms. *All natural gas alarms installed after the effective date of the local law that added this section 28-312.7 shall comply with a standard established or adopted by department rule and shall be of the type that emits an audible notification at the expiration of the useful life of the alarm.*

§ 4. Section 28-315.2 of the administrative code of the city of New York, as added by local law number 141 for the year 2013, is amended by adding a new section 28-315.2.4 to read as follows:

§ 28-315.2.4 Natural gas alarms. *Natural gas alarms shall be provided and installed in accordance with section 908.10 of the New York city building code on or before May 1 of the first year that commences after the department, by rule, establishes or adopts a standard governing the installation and location of natural gas alarms.*

Exception: *In existing buildings, natural gas alarms shall not be required to comply with the power source and interconnection requirements for smoke alarms in accordance with Sections 907.2.11.2 through 907.2.11.3.*

§ 5. Section 202 of the New York city building code, as amended by local law number 141 for the year 2013, is amended by adding a new definition for “NATURAL GAS ALARM,” in appropriate alphabetical order, to read as follows:

NATURAL GAS ALARM. *See Section 902.1.*

§ 6. Section 902.1 of the New York city building code, as amended by local law number 141 for the year 2013, is amended by adding a new definition for “NATURAL GAS ALARM,” in appropriate alphabetical order, to read as follows:

NATURAL GAS ALARM. *A single- or multiple-station alarm responsive to natural gas.*

§ 7. Section 908.7.1.1.2 of the New York city building, as amended by local law number 141 for the year 2013, is amended to read as follows:

908.7.1.1.2 Installation requirements. *Carbon monoxide alarms or detectors shall comply with the power source, interconnection[,] and acceptance testing requirements as required for smoke alarms in accordance with Sections 907.2.11.2 through 907.2.11.3 and Section 907.7.1.*

§ 8. Section BC 908 of the New York city building code is amended by adding a new section 908.10 to read as follows:

908.10 Natural gas alarms. *Natural gas alarms shall be provided and installed in accordance with Sections 908.10.1 and 908.10.2.*

908.10.1 Location. *Natural gas alarms listed in accordance with a standard established or adopted by department rule shall be provided and installed in accordance with department rules.*

908.10.2 Additional installation requirements. *Natural gas alarms shall comply with the power source, interconnection and acceptance testing requirements for smoke alarms in accordance with Sections 907.2.11.2 through 907.2.11.3 and Section 907.7.1.*

§ 9. This local law takes effect immediately, except that sections two through eight of this local law shall take effect on May 1 of the first year that commences after the commissioner of buildings adopts the rule required by section one of this local law, and except that such commissioner and the commissioner of housing preservation and development may take such measures as are necessary for the implementation of such sections, including the promulgation of rules, before such effective date. Upon adoption of the rule required by section one of this local law, the commissioner of buildings shall notify the New York state legislative bill drafting commission, in order that the commission may maintain an accurate and timely effective database of the official text of the New York city charter and administrative code in furtherance of effectuating the provisions of section 70-b of the public officers law, and the corporation counsel, who shall notify relevant publishers in furtherance of effectuating the provisions of section 7-111 of the administrative code. Failure to provide the notifications described in this section shall not affect the effective date of any section of this local law.

Report for Int. No. 1101

Report of the Committee on Housing and Buildings in favor of approving and adopting a Local Law in relation to a temporary waiver of penalties for violations relating to fuel gas piping systems and appliances that are promptly repaired.

The Committee on Housing and Buildings, to which the annexed proposed local law was referred on February 24, 2016 (Minutes, page 511), respectfully

REPORTS:

(For text of report, please see the Report of the Committee on Housing and Buildings for Int No. 738-A printed in these Minutes)

The following is from the text of the Fiscal Impact Statement for Int No. 1101:

SUMMARY OF LEGISLATION: Int. No. 1101 would require the Commissioner of the Department of Buildings (“DOB”) to establish a temporary fuel gas violation resolution program to allow owners of buildings with fuel gas piping systems or appliances which violate any provision of the New York City Construction Codes to bring such systems or appliances into compliance with such codes without penalties. Eligibility for the program would be restricted to building owners who own one or more buildings where the fuel gas piping systems have been installed in violation of the construction codes or applicable rules, and who begin work to bring these piping systems into compliance before the end of six months following the effective date of the law. Lastly, DOB would be required to conduct outreach to building owners for participation in this program and post information regarding the program on DOB’s website.

EFFECTIVE DATE: This local law would take effect 120 days after it becomes law, except that DOB may promulgate rules or take other actions for the implementation of this local law prior to such effective date.

FISCAL YEAR IN WHICH FULL FISCAL IMPACT ANTICIPATED: Fiscal 2018

FISCAL IMPACT STATEMENT:

	Effective FY17	FY Succeeding Effective FY18	Full Fiscal Impact FY18
Revenues	\$0	<i>(de minimis)</i>	<i>(de minimis)</i>
Expenditures	\$0	\$0	\$0
Net	\$0	<i>(de minimis)</i>	<i>(de minimis)</i>

IMPACT ON REVENUES: DOB collects revenue from penalties and fees associated with unsafe buildings. According to the New York City Office of Management and Budget, for the period January 2006 to December 2013, DOB collected an estimated \$1.4 million in revenue from penalties and fees resulting from unsafe building violations issued for gas and plumbing work. Assuming the number of violations related to fuel gas piping systems remains relatively constant, it is estimated that foregone revenue resulting from properties qualifying after the passage of this legislation would be under \$100,000 in Fiscal 2018. The temporary waiver of fines for improper fuel gas piping alterations and installations would be one-time event, thus the fiscal impact will not be forecasted into DOB's Revenue Plan for Fiscal 2018 and the out years.

IMPACT ON EXPENDITURES: It is anticipated that there would be no impact on expenditures resulting from the enactment of this legislation because existing resources would be used to implement the provisions of this local law.

Int. No. 1101

By Council Members Williams, Palma, Richards, Gentile, Rodriguez, Crowley, Rosenthal, Menchaca, Cohen, Van Bramer, Levin, Kallos and Ulrich.

A Local Law in relation to a temporary waiver of penalties for violations relating to fuel gas piping systems and appliances that are promptly repaired

Be it enacted by the Council as follows:

Section 1. a. The commissioner of buildings shall establish a temporary fuel gas violation resolution program. Such program shall allow owners of buildings with fuel gas piping systems or appliances that were designed, installed, modified or maintained in violation of any provision of the New York city construction codes, or rules promulgated pursuant thereto, to bring such systems or appliances into compliance with such codes and rules without the imposition of civil or criminal penalties.

b. Eligibility to participate in such program shall be restricted to building owners who (i) own one or more buildings in the city in which fuel gas piping systems or appliances have been, on or before the effective date of this local law, designed, installed, modified or maintained in violation of the New York city construction codes, or rules promulgated thereto, and (ii) before the end of the sixth month that commences after the effective date of this local law, commence work to bring all fuel gas piping systems and appliances under the control of such owner into compliance with the New York city construction codes and rules promulgated pursuant thereto; provided that such work is diligently carried out and completed to the satisfaction of such commissioner.

c. Notwithstanding any other local law or rule, no civil or criminal penalty shall be imposed for a violation of the New York city construction codes, or rules promulgated pursuant thereto, issued on or after the effective date of this local law and relating to fuel gas piping systems or appliances for a building under the control of a building owner participating in such program.

d. The commissioner of buildings shall conduct outreach to building owners concerning such program and shall post information regarding such program on the website of the department of buildings.

§ 2. This local law takes effect 120 days after it becomes law, except that the commissioner of buildings may promulgate rules or take other actions for the implementation of this local law prior to such effective date.

Res No. 1278

Resolution to approve an amendment to a previously approved project and approve a tax exemption under Section 577 of the Private Housing Finance Law for a portion of the project located at Block 5037, Lot 64 and Block 5037, Lot 65, Community District 7, Borough of Queens (L.U. No. 501; 20175107 HAQ).

By Council Members Greenfield and Dickens.

WHEREAS, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on October 6, 2016 its request dated September 26, 2016 that the Council approve an amendment to a previously approved tax exemption under Section 577 of the Private Housing Finance Law (the "Amended Exemption") for property located at Block 5037, Lot 64 and Block 5037, Lot 65 (the "Exemption Area"), to facilitate the exemption of real property tax for the community facility portion of the previously approved project, Community District 3, Borough of Queens;

WHEREAS, HPD request is related to previously approved City Council Resolution No. 1159, L.U. No. 382, of June 21, 2016 (the "Prior Resolution");

WHEREAS, HPD submitted to the Council on October 6, 2016 its revised request dated September 26, 2016 relating to the Exemption Area as it relates to the Expiration Date and the Regulatory Agreement (the "HPD Request");

WHEREAS, upon due notice, the Council held a public hearing on the Amended Exemption on November 1, 2016; and

WHEREAS, the Council has considered the land use and financial implications and other policy issues relating to the Amended Exemption;

RESOLVED:

The Council approves the real property tax exemption pursuant to Section 577 of the Private Housing Finance Law for the exemption area as follows:

1. For the purposes hereof, the following terms shall have the following meanings:

- a) “Community Facility Property” shall mean those portions of the Exemption Area that include approximately 14,811 square feet for any use that qualifies as Use Group 3 or 4 under Sections 22-13 and 22-14 of the Zoning Resolution of the City of New York, provided, however, that for a period of five years from the date of issuance of the first temporary certificate of occupancy for the project, a minimum of 5,000 square feet qualifies as a community center or settlement house, non-commercial recreation center, library, museum, non-commercial art gallery, or school.
 - b) “Effective Date” shall mean the later of (i) the date of conveyance of the Exemption Area to the HDFC, or (ii) the date that HPD and the New Owner enter into the Regulatory Agreement.
 - c) “Exemption” shall mean the exemption from real property taxation provided hereunder.
 - d) “Exemption Area” shall mean the real property located on the Tax Map of the City of New York in the Borough of Queens, City and State of New York, identified as Block 5037, Lots 64 and 65.
 - e) “Expiration Date” shall mean the earlier to occur of (i) a date which is forty (40) years from the Effective Date, (ii) the date of the expiration or termination of the Regulatory Agreement, or (iii) the date upon which the Exemption Area ceases to be owned or leased by either a housing development fund company or an entity wholly controlled by a housing development fund company.
 - f) “HDFC” shall mean One Flushing Housing Development Fund Corporation.
 - g) “HPD” shall mean the Department of Housing Preservation and Development of the City of New York.
 - h) “LLC” shall mean One Flushing Owner LLC or an affiliate.
 - i) “New Owner” shall mean, collectively, the HDFC and the LLC and any future owner of the Exemption Area.
 - j) “Project” shall mean the construction of one multiple dwelling building on the Exemption Area containing approximately 231 rental dwelling units, plus one unit for a superintendent, approximately 14,811 square feet of community facility space, and approximately 19,000 square feet of open space.
 - k) “Regulatory Agreement” shall mean the regulatory agreement between HPD and the New Owner establishing certain controls upon the operation of the Exemption Area during the term of the Exemption.
 - l) “Residential Property” shall mean all of the real property, other than the Community Facility Property, included in the Exemption Area, excluding those portions, if any, devoted to business or commercial use.
2. All of the value of the Residential Property and the Community Facility Property in the Exemption Area, including both the land and any improvements, shall be exempt from real property taxation, other than assessments for local improvements, for a period commencing upon the Effective Date and terminating upon Expiration Date.

Res No. 1280

Resolution approving an Urban Development Action Area Project, waiving the urban development action area designation requirement, and approving tax exemptions pursuant to Article XI of the Private Housing Finance Law and Article 16 of the General Municipal Law for property located at 754 Miller Avenue (Block 4303, Lot 32), Borough of Brooklyn, (L.U. No. 513; 20175111 HAK).

By Council Members Greenfield and Dickens.

WHEREAS, the New York City Department of Finance ("DOF") and the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on August 31, 2016 its request

dated August 31, 2016 that the Council take the following actions regarding the following Urban Development Action Area Project (the "Project") located at 754 Miller Avenue (Block 4303, Lot 32), Community District No. 5, Borough of Brooklyn, Council District No. 42 (the "Transfer Area"):

1. Find that the present status of the Transfer Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;
2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to Section 693 of the General Municipal Law;
3. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and
4. Approve exemptions of the Project from real property taxes pursuant to Section 577 of Article XI of the Private Housing Finance Law and pursuant to Section 696 of the General Municipal Law (the "Tax Exemptions");

WHEREAS, upon due notice, the Council held a public hearing on the Project on November 1, 2016;

WHEREAS, the Council has considered the land use and financial implications and other policy issues relating to the Project;

RESOLVED:

The Council finds that the present status of the Transfer Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law.

The Council waives the area designation requirement of Section 693 of the General Municipal Law pursuant to Section 693 of the General Municipal Law.

The Council approves the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law.

The Project shall be developed in accordance with the terms and conditions set forth in the Project Summary that HPD has submitted to the Council on August 31, 2016, a copy of which is attached hereto.

The Council approves the Tax Exemptions as follows:

1. Pursuant to Section 577 of the Private Housing Finance Law the Council approves the exemption of the Project from real property taxes as follows:
 - a. All of the value of the property in the Transfer Area, including both the land and any improvements, shall be exempt from real property taxes, other than assessments for local improvements, for a period commencing upon the date of conveyance of the Transfer Area to the transferee ("Article XI Commencement Date") and terminating upon the earlier to occur of (i) the fortieth anniversary of the Article XI Commencement Date, (ii) the date of reconveyance of the Transfer Area to an owner which is not a housing development fund company, or (iii) the date upon which the owner of the Transfer Area voluntarily surrenders and revokes such exemption by written notice to the Department of Finance ("Article XI Expiration Date").

- b. In consideration of the tax exemption pursuant to Section 577 of the Private Housing Finance Law provided hereunder ("Article XI Exemption"), the owner of the Transfer Area shall waive the benefits, if any, of additional or concurrent real property tax abatement and/or tax exemption which may be authorized under any existing or future local, state, or federal law, rule, or regulation ("Alternative Tax Benefit"), for so long as the Article XI Exemption shall remain in effect; provided, however, that the owner of the Transfer Area may (i) voluntarily surrender and revoke the Article XI Exemption at any time by written notice to the Department of Finance, and (ii) following the effective date of the surrender and revocation stated in such written notice, utilize any Alternative Tax Benefit for the Transfer Area.
 - c. The Article XI Exemption shall terminate if HPD determines at any time that (i) the Transfer Area is not being operated in accordance with the requirements of Article XI of the Private Housing Finance Law, (ii) the Transfer Area is not being operated in accordance with the requirements of any agreement with, or for the benefit of, the City of New York, or (iii) the demolition of any private or multiple dwelling on the Transfer Area has commenced without the prior written consent of HPD. HPD shall deliver written notice of any such determination to the property owner and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than sixty (60) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the Article XI Exemption shall prospectively terminate.
 - d. The provisions of the Article XI Exemption shall apply separately to each individual property comprising the Transfer Area, and a sale or other event which would cause the expiration, termination, or revocation of the Article XI Exemption with respect to one property in the Transfer Area shall not affect the continued validity of the Article XI Exemption with respect to other properties in the Transfer Area.
2. Pursuant to Section 696 of the General Municipal Law the Council approves the exemption of the Project from real property taxes as follows:
- a. All of the value of the buildings, structures, and other improvements situated on the Transfer Area shall be exempt from local and municipal taxes, other than assessments for local improvements and land value, for a period of twenty years commencing on the Article XI Expiration Date ("UDAAP Commencement Date"); provided, however, that such exemption shall decrease in ten equal annual decrements commencing upon the July 1st immediately preceding the tenth anniversary of the UDAAP Commencement Date.
 - b. In consideration of the tax exemption pursuant to Section 696 of the General Municipal Law provided hereunder ("UDAAP Exemption"), the owner of the Transfer Area shall waive the benefits, if any, of any Alternative Tax Benefit for so long as the UDAAP Exemption shall remain in effect; provided, however, that the owner of the Transfer Area may (i) voluntarily surrender and revoke the UDAAP Exemption at any time by written notice to the Department of Finance, and (ii) following the effective date of the surrender and revocation stated in such written notice, utilize any Alternative Tax Benefit for the Transfer Area.
 - c. The UDAAP Exemption shall terminate with respect to all or any portion of the Transfer Area if the Department of Housing Preservation and Development ("HPD") determines that such real property has not been, or is not being, developed, used, and/or operated in compliance with the requirements of all applicable agreements made by the transferee or any subsequent owner of such real property with, or for the benefit of, the City of New York. HPD shall deliver written notice of any such determination of noncompliance to the owner of such real property and all mortgagees of record, which notice shall provide for an opportunity

to cure of not less than ninety (90) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the UDAAP Exemption shall prospectively terminate with respect to the real property specified therein.

- d. Notwithstanding any other provision to the contrary, the combined duration of the Article XI Exemption and the UDAAP Exemption shall not exceed forty (40) years.
- e. The provisions of the UDAAP Exemption shall apply separately to each individual property comprising the Transfer Area, and a sale or other event which would cause the expiration, termination, or revocation of the UDAAP Exemption with respect to one property in the Transfer Area shall not affect the continued validity of the UDAAP Exemption with respect to other properties in the Transfer Area.

In connection herewith, Council Members Greenfield and Dickens offered the following resolution:

Res No. 1281

Resolution approving an Urban Development Action Area Project Borough of Manhattan, waiving the urban development action area designation requirement, and approving tax exemptions pursuant to

Article XI of the Private Housing Law and Article 16 of the General Municipal Law for property located at 440 West 164th Street (Block 2110, Lot 76), (L.U. No. 514; 20175112 HAM).

By Council Members Greenfield and Dickens.

WHEREAS, the New York City Department of Finance ("DOF") and the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on August 31, 2016 its request dated August 21, 2016 that the Council take the following actions regarding the following Urban Development Action Area Project (the "Project") located at 440 West 164th Street (Block 2110, Lot 76), Community District No. 12, Borough of Manhattan, Council District No. 10 (the "Transfer Area"):

1. Find that the present status of the Transfer Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law;
2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to Section 693 of the General Municipal Law;
3. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and
4. Approve exemptions of the Project from real property taxes pursuant to Section 577 of Article XI of the Private Housing Finance Law and pursuant to Section 696 of the General Municipal Law (the "Tax Exemptions");

WHEREAS, upon due notice, the Council held a public hearing on the Project on November 1, 2016;

WHEREAS, the Council has considered the land use and financial implications and other policy issues relating to the Project;

RESOLVED:

The Council finds that the present status of the Transfer Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes of Section 691 of the General Municipal Law.

The Council waives the area designation requirement of Section 693 of the General Municipal Law pursuant to Section 693 of the General Municipal Law.

The Council approves the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law.

The Project shall be developed in accordance with the terms and conditions set forth in the Project Summary that HPD has submitted to the Council on August 31, 2016, a copy of which is attached hereto.

The Council approves the Tax Exemptions as follows:

2. Pursuant to Section 577 of the Private Housing Finance Law the Council approves the exemption of the Project from real property taxes as follows:

- a. All of the value of the property in the Transfer Area, including both the land and any improvements, shall be exempt from real property taxes, other than assessments for local improvements, for a period commencing upon the date of conveyance of the Transfer Area to the transferee ("Article XI Commencement Date") and terminating upon the earlier to occur of (i) the fortieth anniversary of the Article XI Commencement Date, (ii) the date of reconveyance of the Transfer Area to an owner which is not a housing development fund company, or (iii) the date upon which the owner of the Transfer Area voluntarily surrenders and revokes such exemption by written notice to the Department of Finance ("Article XI Expiration Date").
 - b. In consideration of the tax exemption pursuant to Section 577 of the Private Housing Finance Law provided hereunder ("Article XI Exemption"), the owner of the Transfer Area shall waive the benefits, if any, of additional or concurrent real property tax abatement and/or tax exemption which may be authorized under any existing or future local, state, or federal law, rule, or regulation ("Alternative Tax Benefit"), for so long as the Article XI Exemption shall remain in effect; provided, however, that the owner of the Transfer Area may (i) voluntarily surrender and revoke the Article XI Exemption at any time by written notice to the Department of Finance, and (ii) following the effective date of the surrender and revocation stated in such written notice, utilize any Alternative Tax Benefit for the Transfer Area.
 - c. The Article XI Exemption shall terminate if HPD determines at any time that (i) the Transfer Area is not being operated in accordance with the requirements of Article XI of the Private Housing Finance Law, (ii) the Transfer Area is not being operated in accordance with the requirements of any agreement with, or for the benefit of, the City of New York, or (iii) the demolition of any private or multiple dwelling on the Transfer Area has commenced without the prior written consent of HPD. HPD shall deliver written notice of any such determination to the property owner and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than sixty (60) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the Article XI Exemption shall prospectively terminate.
 - d. The provisions of the Article XI Exemption shall apply separately to each individual property comprising the Transfer Area, and a sale or other event which would cause the expiration, termination, or revocation of the Article XI Exemption with respect to one property in the Transfer Area shall not affect the continued validity of the Article XI Exemption with respect to other properties in the Transfer Area.
2. Pursuant to Section 696 of the General Municipal Law the Council approves the exemption of the Project from real property taxes as follows:
 - a. All of the value of the buildings, structures, and other improvements situated on the Transfer Area shall be exempt from local and municipal taxes, other than assessments for local improvements and land value, for a period of twenty years commencing on the Article XI Expiration Date ("UDAAP Commencement Date"); provided, however, that such exemption shall decrease in ten equal annual decrements commencing upon the July 1st immediately preceding the tenth anniversary of the UDAAP Commencement Date.
 - b. In consideration of the tax exemption pursuant to Section 696 of the General Municipal Law provided hereunder ("UDAAP Exemption"), the owner of the Transfer Area shall waive the benefits, if any, of any Alternative Tax Benefit for so long as the UDAAP Exemption shall remain in effect; provided, however, that the owner of the Transfer Area may (i) voluntarily surrender and revoke the UDAAP Exemption at any time by written notice to the Department

of Finance, and (ii) following the effective date of the surrender and revocation stated in such written notice, utilize any Alternative Tax Benefit for the Transfer Area.

- c. The UDAAP Exemption shall terminate with respect to all or any portion of the Transfer Area if the Department of Housing Preservation and Development (“HPD”) determines that such real property has not been, or is not being, developed, used, and/or operated in compliance with the requirements of all applicable agreements made by the transferee or any subsequent owner of such real property with, or for the benefit of, the City of New York. HPD shall deliver written notice of any such determination of noncompliance to the owner of such real property and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than ninety (90) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the UDAAP Exemption shall prospectively terminate with respect to the real property specified therein.
- d. Notwithstanding any other provision to the contrary, the combined duration of the Article XI Exemption and the UDAAP Exemption shall not exceed forty (40) years.
- e. The provisions of the UDAAP Exemption shall apply separately to each individual property comprising the Transfer Area, and a sale or other event which would cause the expiration, termination, or revocation of the UDAAP Exemption with respect to one property in the Transfer Area shall not affect the continued validity of the UDAAP Exemption with respect to other properties in the Transfer Area.

Report of the Committee on Transportation

Report for Int. No. 1124-A

Report of the Committee on Transportation in favor of approving and adopting, as amended, a Local Law in relation to establishing an electric vehicle charging station pilot program.

The Committee on Transportation, to which the annexed proposed amended local law was referred on March 22, 2016 (Minutes, page 774), respectfully

REPORTS:

INTRODUCTION

On November 15, 2016, the Committee on Transportation, chaired by Council Member Ydanis Rodriguez, held a second hearing on Int. No. 1124-A, in relation to establishing a pilot program for the installation of street parking electric vehicle charging stations. The first hearing on this legislation was held on April 18,

2016, at which time the Committee heard testimony from the New York City Mayor’s Office of Sustainability, the New York City Department of Citywide Administrative Services, and other interested stakeholders.

BACKGROUND

Introduction

New York City has one of the largest and most complex transportation infrastructures in the world, and automobiles are a crucial component of that infrastructure. In addition to private automobiles, large government and industrial fleets support the City economy. As oil and gas prices have become more volatile in recent years, and environmental conservation has become more important, the City has moved to make its transportation system greener.¹ It is estimated that by 2030, 44 percent of all gas emissions in New York City will come from the transportation sector, up from 22 percent in 2010.²

On December 1, 2015, Mayor Bill de Blasio announced the NYC Clean Fleet initiative.³ The NYC Clean Fleet initiative aims to make the City the largest operator of electric vehicles in the United States; moreover, Mayor de Blasio’s plan establishes the goal of reducing municipal vehicle emissions by 80 percent by 2035.⁴ Mayor de Blasio ambitious plan builds upon efforts of Mayor Michael R. Bloomberg, who in 2011, announced that the City would be increase its fleet of electric vehicles by 70 cars.⁵ At the time of the 2011 announcement, New York City already had one of the largest fleets of hybrid and electric vehicles in the nation.⁶

However, the promise of decreased reliance on fossil fuels and better environmental outcomes also poses a number of challenges to EV adoption, including the high cost of vehicles and the lack of infrastructure to support the vehicle charging. A subset problem of a lack of charging infrastructure is concern about the vehicles’ driving range, or “range anxiety.”

Sample Comparison of Electric Vehicles⁷

Model	Price \$ (MSRP)	Driving Range (miles)
Smart For Two Electric	25,750	68
Chevrolet Spark EV	25,995 – 26,385	82
Nissan Leaf	29,860 – 37,640	84
Fiat 500E	32,795	87
Honda Clarity	60,000	300
Tesla Model S	71,200 – 109,200	240

According to recent research by Bloomberg New Energy Finance (“BNEF”), the dramatic fall in the cost of batteries over the new few years will mean that in the 2020s the cost of electric vehicle would be

comparable, if not lower, than cars powered by internal combustion.⁸ Consequently, the authors of the BNEF report predict that that the 2020s will be the “start of a real mass-market liftoff for electric cars.”⁹

Electric Vehicles

Currently, three types of electric vehicles exist on the market: hybrid electric vehicles (“HEV”), plug-in hybrid electric vehicles (“PHEV”), and battery electric vehicles (“BEV”). Hybrid electric vehicles operate on conventional fossil fuels, but can also charge an electric battery by converting fuel into electricity.¹⁰ Plug-in hybrid electric vehicles are powered by a combination of fuel and electricity, and the battery is recharged through an external source (examples of a PHEV include the Toyota Prius and Chevy Volt).¹¹ Battery electric vehicles operate exclusively by a rechargeable electric pack (an example of a BEV is the Nissan Leaf).¹²

PHEVs and BEVs each require that the vehicle has access to an external charging station, since these vehicles are either partly or exclusively charged by an electric battery. The first public charging station in New York City opened in July 2010.¹³ The charging station, located in a public parking lot near Port Authority was made possible by a \$37 million grant from the federal government.¹⁴ According to DOT, New York City is home to 260 public charging sites, and additionally the City has installed over 200 chargers for charging its own EV fleet.¹⁵ In 2015, the City reported that it installed an additional 33 chargers at municipal parking lots at the following locations:¹⁶

Charging Infrastructure

Electric vehicles can be charged in a home garage using a conventional AC plug, or they can be charged at public charging stations. There are four levels of charging stations currently available, each of which corresponds to a different speed at which an EV can be charged. Level 1 charging is best for charging PHEVs, and uses a 110 volt AC.¹⁷ Level 2 charging is typically necessary for BEVs, and uses a 220 volt AC, but allows a vehicle to be recharged in about 4 hours.¹⁸ DC Fast Chargers allow for the fastest recharging time, but uses a 480 Volt option and is limited to certain types of EVs.¹⁹

While DC Fast Chargers are the fastest, their prohibitive cost means that they are only available at public charging stations and public/private garages. Level 1 and Level 2 charging can be done in private homes; however, Level 2 charging requires an electric upgrade for which a Department of Building permit is necessary. Finally, Tesla Superchargers can charge a vehicle in a matter of minutes, but these chargers are proprietary and are available only to owners of Tesla vehicles. In 2016, Tesla Motors announced plans to expand its network of Superchargers in New York City to 105.²⁰

Electric Vehicle Task Force

In 2013, the Council enacted Local Law 122, which mandated the establishment of the Electric Vehicle Task Force. The primary purpose of the Task Force was to bring together government, private, and members of the advocacy community to discuss various ways to encourage the use of EV's in New York City. In 2015, the Advisory Committee issued its first report and recommendations. The Advisory Committee made the following findings:²¹

- EV ownership in New York City has been steadily increasing, but remains relatively low and, accordingly, so has the demand for additional charging solutions.
- The existing charging situation is mostly reliant on private parking facilities. New solutions may be needed in the future as electric vehicle populations continue to grow.
- Expanded publically available infrastructure could inspire purchaser confidence and stimulate additional market demand. This infrastructure does not necessarily require the City's involvement.
- Local law 130 of 2013 will provide some additional charging opportunities in private property in the near future.

In addition to passing Local Law 122, the Council in 2013, enacted Local Law 130 which requires that the electrical capacity in new privately owned garages and parking lots support EV charging in at 20 percent of parking spaces.

ANALYSIS OF INT. NO. 1124-A

Section one of Int. No. 1124-A would establish an electric vehicle charging station pilot program. Subdivision a would require that, no later than March 1, 2018, the City install 25 publicly accessible electric vehicle charging stations, with at least two charging stations in each borough. DOT would be required to post the locations of charging stations on its website.

Subdivision b would require that, beginning in 2018, the Electric Vehicle Advisory Committee—established pursuant to Local Law 122 of 2013—would be required to examine the pilot program in its annual recommendations, including information on the cost of the pilot, utilization of stations, recommendations with respect to expanding or making the pilot permanent, and any other recommendations regarding the pilot or the installation of electric vehicle charging stations, including the feasibility of on-street electric vehicle charging. Following the submission of the Committee’s recommendations in 2019, and by March 1, 2020, the Committee would be required post online and provide to the Council a written report on the impact of such pilot program, including any recommendations regarding the installation of electric vehicle charging stations. Subdivision c would provide that the pilot would cease to exist on March 1, 2020.

Section two of Int. No. 1124-A would state that the proposed local law would take effect immediately.

UPDATE

On November 15, 2016, the Committee on Transportation passed Int. No. 1124-A by a vote of twelve in the affirmative and one in the negative, with zero abstentions.

The following is from the text of the Fiscal Impact Statement for Int No. 1124-A:

SUMMARY OF LEGISLATION: Proposed Int. 1124-A would require the City to establish a pilot program to install electric vehicle charging station. As part of such program, at least 25 publicly accessible stations must be installed by March 1, 2018, with at least two stations in every borough. In addition, the Electric Vehicle Advisory Committee (EVAC) would be required to include information about this pilot program in its annual recommendations. The pilot program would expire on March 1, 2020.

EFFECTIVE DATE: This local law would take effect immediately.

FISCAL YEAR IN WHICH FULL FISCAL IMPACT ANTICIPATED: Fiscal 2018

FISCAL IMPACT STATEMENT:

	Effective FY17	FY Succeeding Effective FY18	Full Fiscal Impact FY18
Revenues	\$0	\$0	\$0
Expenditures	\$122,030	\$48,812	\$48,812
Net	\$122,030	\$48,812	\$48,812

IMPACT ON REVENUES: It is estimated that there would be no impact on revenues resulting from the enactment of this legislation.

IMPACT ON EXPENDITURES: It is estimated that this legislation would impact expenditures in the amount of \$170,842 for the Department of Transportation (“DOT”) to purchase, install, and maintain seven double wall mount charging units, consisting of 14 charging stations, at the cost of \$24,406 each. In addition, DOT would deploy and maintain 11 existing solar mobile charging units using existing resources to reach the

total of 25 charging stations required by the legislation. Of the seven double wall mount charging units, five would be installed in Fiscal 2017 with the remaining two installed in Fiscal 2018.

ESTIMATE PREPARED BY: Chima Obichere, Unit Head

ESTIMATE REVIEWED BY: Rebecca Chasan, Counsel

LEGISLATIVE HISTORY: This legislation was introduced to the full Council on March 22, 2016 as Intro. 1124 and was referred to the Committee on Transportation. A hearing was held by the Committee on Transportation on April 18, 2016 and the bill was laid over. The legislation was subsequently amended, and the amended version, Proposed Intro. 1124-A, will be considered by the Committee on Transportation on November 15, 2016. Following a successful Committee vote, the bill would be submitted to the full Council for a vote on November 16, 2016.

DATE PREPARED: November 14, 2016

Accordingly, this Committee recommends its adoption, as amended.

A Local Law in relation to establishing an electric vehicle charging station pilot program

Be it enacted by the Council as follows:

Section 1. Electric vehicle charging station pilot program. a. The city shall establish a pilot program to install electric vehicle charging stations. As part of such program, no later than March 1, 2018, 25 publicly accessible electric vehicle charging stations shall be installed in the city, provided that at least two such electric vehicle charging stations shall be installed in each of the city's five boroughs. The department of transportation shall post the location of such electric vehicle charging stations on its website.

b. Commencing in 2018, the advisory committee established pursuant to section 19-101.5 of the code shall include within its annual recommendations pursuant to such section information regarding the pilot program established pursuant to this local law, including, to the extent such information is available, the cost of such pilot program, the rate of utilization of each charging station installed pursuant to such pilot program, recommendations with respect to expanding or making such pilot program permanent, and any other recommendations regarding such pilot program or the installation of electric vehicle charging stations in the city, including the feasibility of on-street electric vehicle charging. Notwithstanding any inconsistent provision of law, following the submission of such committee's recommendations in 2019, and on or before March 1, 2020, such committee shall post online and provide to the speaker of the council a written report on the impact

of such pilot program, including any recommendations regarding the installation of electric vehicle charging stations in the city.

c. Such pilot program shall cease to exist on March 1, 2020.

§ 2. This local law takes effect immediately.

Res No 1282

Resolution approving the decision of the City Planning Commission on ULURP No. C 160030 ZMK, a Zoning Map amendment (L.U. No. 472).

By Council Members Greenfield and Richards.

WHEREAS, the City Planning Commission filed with the Council on September 19, 2016 its decision dated September 7, 2016 (the "Decision"), on the application submitted by 385 Gold Property Investors IIA, LLC, pursuant to Sections 197-c and 201 of the New York City Charter, for an amendment of

the Zoning Map, Section No. 16c, to change a C6-1 District and a C6-4 District to a C6-6 District, which in conjunction with the other related actions would facilitate the construction of a new 49-story, 577-foot high, 372,078 square foot mixed-use development located at 141 Willoughby Street (Block 2060, Lots 1, 4 and 8) in Downtown Brooklyn, (ULURP No. C 160030 ZMK), Community District 2, Borough of Brooklyn (the "Application");

WHEREAS, the Application is related to applications C 160054 MMK (L.U. No. 473), an amendment to the City Map by the NYC Department of Housing Preservation and Development and the NYC Economic Development Corporation to eliminate, discontinue, and close a portion of Flatbush Avenue Extension at its intersection with Gold Street; and N 160029 ZRK (L.U. No. 474), amendments to the Zoning Resolution by 385 Gold Property Investors IIA, LLC, modifying Article X, Chapter 1 (Special Downtown Brooklyn District) to add a C6-6 District and update its bulk and envelope regulations, and modifying Appendix F (Inclusionary Housing Designated Areas) to add a Mandatory Inclusionary Housing area to the proposed project area;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on October 5, 2016;

WHEREAS, the Council has considered the land use and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the negative declaration (CEQR No. 15DME003K) issued on April 29, 2016 (the "Negative Declaration");

RESOLVED:

Pursuant to Section 197-d and 200 of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, C 160030 ZMK, incorporated by reference herein, the Council approves the Decision.

The Zoning Resolution of the City of New York, effective as of December 15, 1961, and as subsequently amended, is further amended by changing the Zoning Map, Section No. 16c:

1. changing from a C6-1 District to a C6-6 District property bounded by Willoughby Street, Gold Street, a line 200 feet northerly of Willoughby Street, and Flatbush Avenue Extension; and
2. changing from a C6-4 District to a C6-6 District property bounded by Gold Street and its northerly centerline prolongation, a line 320 feet northerly of Willoughby Street, Flatbush Avenue Extension, and a line 200 feet northerly of Willoughby Street;

Res No. 1283

Resolution approving the decision of the City Planning Commission on ULURP No. C 160054 MMK, an amendment to the City Map (L.U. No. 473).

By Council Members Greenfield and Richards.

WHEREAS, the City Planning Commission filed with the Council on September 19, 2016 its decision dated September 7, 2016 (the "Decision"), on the application submitted by the New York City Department of Housing Preservation and Development and the New York City Economic Development Corporation, LLC, pursuant to Sections 197-c and 199 of the New York City Charter, and Section 5-430 *et seq.* of the New York City Administrative Code for an amendment to the City Map involving:

- the elimination, discontinuance and closing of a portion of Flatbush Avenue Extension at its intersection with Gold Street; and
- the adjustment of grades and block dimensions necessitated thereby;

including authorization for any acquisition or disposition of real property related thereto, in The Borough of Brooklyn, Community District 2, accordance with Map Nos. X-2745 and X-2746 dated April 1, 2016 and signed by the Borough President, (ULURP No. C 160054 MMK), Community District 2, Borough of Brooklyn (the “Application”);

WHEREAS, the Application is related to applications C 160030 ZMK (L.U. No. 472), a zoning map amendment to rezone a C6-1 District and portion of a C6-4 District to a C6-6 District within the Special Downtown Brooklyn District; and N 160029 ZRK (L.U. No. 474), amendments to the Zoning Resolution by 385 Gold Property Investors IIA, LLC, modifying Article X, Chapter 1 (Special Downtown Brooklyn District) to add a C6-6 District and update its bulk and envelope regulations, and modifying Appendix F (Inclusionary Housing Designated Areas) to add a Mandatory Inclusionary Housing area to the proposed project area;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(3) of the City Charter;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on October 5, 2016;

WHEREAS, the Council has considered the land use implications and other policy issues relating to the Decision and Application;

WHEREAS, the Council has considered the relevant environmental issues, including the negative declaration (CEQR No. 15DME003K) issued on April 29, 2016 (the “Negative Declaration”);

RESOLVED:

The Council finds that the action described herein will have no significant impact on the environment as set forth in the Negative Declaration.

Pursuant to Sections 197-d and 199 of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in this report, C 160054 MMK, incorporated by reference herein, the Council approves the Decision for an amendment to the City Map involving:

- the elimination, discontinuance and closing of a portion of Flatbush Avenue Extension at its intersection with Gold Street; and
- the adjustment of grades and block dimensions necessitated thereby;

including authorization for any acquisition or disposition of real property related thereto, in the Borough of Brooklyn, Community District 2, accordance with Map Nos. X-2745 and X-2746 dated April 1, 2016 and signed by the Borough President is approved; and be it further

RESOLVED:

Pursuant to Section 5-432 of the New York City Administrative Code, the City Planning Commission determines that “such closing or discontinuance will further the health, safety, pedestrian or vehicular circulation, housing, economic development or general welfare of the City”; and be it further

RESOLVED:

Pursuant to Section 5-433 of the New York City Administrative Code, the City Planning Commission adopts the legally required number of counterparts of Map Nos. X-2745 and X-2746 dated April 1, 2016 providing for

the discontinuance and closing of a portion of Flatbush Avenue Extension at its intersection with Gold Street being more particularly described as follows:

DISCONTINUING AND CLOSING FLATBUSH AVENUE EXTENSION AT ITS INTERSECTION WITH GOLD STREET

In the matter of discontinuing and closing Flatbush Avenue Extension at its intersection with Gold Street, Borough of Brooklyn, County of Kings, City and State of New York, in accordance with Borough President Map No. X-2746:

Starting at a Point of Beginning located at the intersection of the westerly street line of Flatbush Avenue Extension and the easterly street line of Gold Street, as those streets were hereinbefore laid out on the City Map;

- 1) Running thence southerly, along the projection of the westerly line of Flatbush Avenue Extension, 122.78 feet to its intersection with the former southerly street line of Flatbush Avenue Extension, discontinued and closed;
- 2) Running thence westerly, along said southerly line of Flatbush Avenue Extension, discontinued and closed, said course forming a deflection angle to the right with the last mentioned course of 113 degrees 30 minutes 11 seconds, 47.73 feet to its intersection with the easterly street line of Gold Street;
- 3) Running thence northerly, along said easterly street line of Gold Street, said course forming a deflection angle to the right with the last mentioned course of 89 degrees 21 minutes 49 seconds, 112.60 feet, the Point or Place of Beginning.

The area described above consists of 2,686 square feet, more or less, located in Section 7 of the Kings County Land Map.

All such approvals being subject to the following conditions:

- a. The subject amendment to the City Map shall take effect on the day following the day on which certified counterparts of Map Nos. X-2745 and X-2746 dated April 1, 2016 are filed with the appropriate agencies in accordance with Section 198 subsection c of the New York City Charter and Section 5-435 of the New York City Administrative Code; and
- b. The subject streets to be discontinued and closed shall be discontinued and closed on the day following the day on which such maps adopted by this resolution shall be filed in the offices specified by law.

FILING OF MODIFICATIONS WITH THE CITY PLANNING COMMISSION

The Committee's proposed modifications were filed with the City Planning Commission on November 4, 2016. The City Planning Commission filed a letter dated November 14, 2016, with the Council on November 14, 2016, indicating that the proposed modifications are not subject to additional environmental review or additional review pursuant to Section 197-c of the City Charter.

In connection herewith, Council Members Greenfield and Dickens offered the following resolution:

Res No. 1284

Resolution approving with modifications the decision of the City Planning Commission on Application No. N 160029 ZRK, for an amendment of the Zoning Resolution of the City of New York, modifying X, Chapter 1 (Special Downtown Brooklyn District) to add a C6-6 District and update its bulk and envelope regulations, and modifying Appendix F (Inclusionary Housing Designated Areas) to add a Mandatory Inclusionary Housing Area to the proposed project area, in Community District 2, Borough of Brooklyn (L.U. No. 474).

By Council Members Greenfield and Richards.

WHEREAS, the City Planning Commission filed with the Council on September 19, 2016 its decision dated September 7, 2016 (the "Decision"), pursuant to Section 201 of the New York City Charter, regarding an application submitted by 385 Gold Property Investors IIA, LLC, for an amendment of the text of the Zoning Resolution of the City of New York, to modify X, Chapter 1 (Special Downtown Brooklyn District) to add a C6-6 District and update its bulk and envelope regulations, and modifying Appendix F (Inclusionary Housing Designated Areas) to add a Mandatory Inclusionary Housing Area to the proposed project area, (Application No. N 160029 ZRK), Community District 2, Borough of Brooklyn (the "Application");

WHEREAS, the Application is related to applications C 160030 ZMK (L.U. No. 472), a zoning map amendment to rezone a C6-1 District and portion of a C6-4 District to a C6-6 District within the Special Downtown Brooklyn District; and C 160054 MMK (L.U. No. 473), an amendment to the City Map by the

NYC Department of Housing Preservation and Development and the NYC Economic Development Corporation to eliminate, discontinue, and close a portion of Flatbush Avenue Extension at its intersection with Gold Street;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on October 5, 2016;

WHEREAS, the Council has considered the land use implications and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the negative declaration (CEQR No. 15DME003K) issued on April 29, 2016 (the “Negative Declaration”);

RESOLVED:

The Council finds that the action described herein will have no significant impact on the environment as set forth in the Negative Declaration.

Pursuant to Sections 197-d and 200 of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, N 160029 ZRK, incorporated by reference herein, the Council approves the Decision with the following modifications:

In connection herewith, Council Members Greenfield and Richards offered the following resolution:

Res No. 1285

Resolution approving the decision of the City Planning Commission on ULURP No. C 150312 ZMX, a Zoning Map amendment (L.U. No. 495).

By Council Members Greenfield and Richards.

WHEREAS, the City Planning Commission filed with the Council on October 7, 2016 its decision dated October 5, 2016 (the "Decision"), on the application submitted by the Upper Manhattan Development Corporation, pursuant to Sections 197-c and 201 of the New York City Charter, for an amendment of the Zoning Map, Section No. 6a, which in conjunction with the related action would facilitate the development of a mixed-use complex containing approximately 213 affordable dwelling units, commercial, and community facility spaces in the Concourse Village neighborhood in the Borough of the Bronx, (ULURP No. C 150312 ZMX), Community District 4, Borough of the Bronx (the "Application");

WHEREAS, the Application is related to application N 150313 ZRX (L.U. No. 496), a zoning text amendment pursuant to Appendix F to establish a Mandatory Inclusionary Housing Designated Area;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on October 19, 2016;

WHEREAS, the Council has considered the land use and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the negative declaration (CEQR No. 16DCP146X) issued on May 23, 2016 and subject to the conditions of CEQR Declaration E-386 (the "Negative Declaration");

RESOLVED:

The Council finds that the action described herein will have no significant impact on the environment as set forth in the Negative Declaration.

Pursuant to Section 197-d and 200 of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, C 150312 ZMX, incorporated by reference herein, the Council approves the Decision.

The Zoning Resolution of the City of New York, effective as of December 15, 1961, and as subsequently amended, is further amended by changing the Zoning Map, Section No. 6a:

1. changing from a C8-3 District to an R7D District property bounded by a line 100 feet northwesterly of Concourse Village West, East 156th Street, Concourse Village West, East 153rd Street, the centerline of the easterly portion of Grand Concourse, and a line 525 feet southwesterly of East 156th Street;
2. changing from a C8-3 District to an R8 District property bounded by the centerline of the easterly portion of Grand Concourse, a line 450 feet southwesterly of East 156th Street, a line 100 feet northwesterly of Concourse Village West, and a line 525 feet southwesterly of East 156th Street; and
3. establishing within the proposed R7D District a C1-4 District bounded by a line 100 feet northwesterly of Concourse Village West, East 156th Street, Concourse Village West, and a line 200 feet southwesterly of East 156th Street;

as shown on a diagram (for illustrative purposes only) dated May 23, 2016, and subject to the conditions of CEQR Declaration E-386, Community District 4, Borough of the Bronx.

FILING OF MODIFICATIONS WITH THE CITY PLANNING COMMISSION

The Committee's proposed modifications were filed with the City Planning Commission on November 4, 2016. The City Planning Commission filed a letter dated November 14, 2016, with the Council on November 14, 2016, indicating that the proposed modifications are not subject to additional environmental review or additional review pursuant to Section 197-c of the City Charter.

In connection herewith, Council Members Greenfield and Richards offered the following resolution:

Res No. 1286

Resolution approving with modifications the decision of the City Planning Commission on Application No. N 150313 ZRX, for an amendment of the Zoning Resolution of the City of New York, modifying Appendix F for the purpose of establishing a Mandatory Inclusionary Housing area, in Community District 4, Borough of the Bronx (L.U. No. 496).

By Council Members Greenfield and Richards.

WHEREAS, the City Planning Commission filed with the Council on October 7, 2016 its decision dated October 5, 2016 (the "Decision"), pursuant to Section 201 of the New York City Charter, regarding an application submitted the Upper Manhattan Development Corporation, for an amendment of the text of the Zoning Resolution of the City of New York, modifying Appendix F for the purpose of establishing a Mandatory Inclusionary Housing area, which in conjunction with the related action would facilitate the development of a mixed-use complex containing approximately 213 affordable dwelling units, commercial, and community facility spaces in the Concourse Village neighborhood in the Borough of the Bronx, (Application No. N 150313 ZRX), Community District 4, Borough of the Bronx (the "Application");

WHEREAS, the Application is related to application C 150312 ZMX (L.U. No. 495), an amendment to the Zoning Map to rezone property from C8-3 to R8, R7D, and R7D/C1-4 Districts;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on October 19, 2016;

WHEREAS, the Council has considered the land use implications and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the negative declaration (CEQR No. 16DCP146X) issued on May 23, 2016 and subject to the conditions of CEQR Declaration E-386 (the “Negative Declaration”);

RESOLVED:

The Council finds that the action described herein will have no significant impact on the environment as set forth in the Negative Declaration.

Pursuant to Sections 197-d and 200 of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, N 150313 ZRX, incorporated by reference herein, the Council approves the Decision with the following modifications:

Int. No. 1345

By The Speaker (Council Member Mark-Viverito) and Council Members Garodnick, Crowley, Lander, Kallos, Menchaca and Richards.

A Local Law to amend the administrative code of the city of New York, in relation to conflicts of interest and organizations affiliated with elected officials

Be it enacted by the Council as follows:

Section 1. Title 3 of the administrative code of the city of New York is amended by adding a new chapter 9 to read as follows:

Chapter 9. Organizations Affiliated with Public Officials.

§ 3-901 Definitions.

§ 3-902 Reserved.

§ 3-903 Prohibition of Acceptance of Certain Donations.

§ 3-904 Enforcement.

§ 3-905 Penalties.

§ 3-906 Rulemaking.

§ 3-901 Definitions. As used in this chapter, the following terms have the following meanings.

Corporation. The term “corporation” means any corporation, limited liability company, limited liability partnership or partnership.

Doing business database. The term “doing business database” means the doing business database as defined in section 3-702 of the administrative code.

Donation. The term “donation” means any contribution, including in-kind donations, gifts, loans, advances or deposits of money, or anything of value.

Elected official communications. The term “elected official communications” means a communication in the form of: (i) radio, television, cable or satellite broadcast; (ii) printed material such as advertisements, pamphlets, circulars, flyers, brochures or letters; (iii) telephone communication; or (iv) paid internet advertising; which includes the name or likeness of the person holding office as mayor, comptroller, public advocate, borough president or member of the council with whom such organization is affiliated. Elected official communications do not include: (i) communications with a professional journalist or newscaster, including an editorial board or editorial or opinion writer of a newspaper, magazine, news agency, press association or wire service; or (ii) a communication that is: (A) directed, sent or distributed by the distributing organization only to individuals who affirmatively consent to be members of the distributing organization, contribute funds to the distributing organization, or, pursuant to the distributing organization’s articles or bylaws, have the right to vote directly or indirectly for the election of directors or officers, or on changes to bylaws, disposition or all or substantially all of the distributing entity’s assets or the merger or dissolution of the distributing entity; or (B) for the purpose of promoting or staging any candidate debate, town hall or similar forum to which at least two candidates seeking the same office, or two proponents of differing positions on a referendum or question submitted to voters, are invited as participants, and which does not promote or advance one candidate or position over another.

Labor organization. The term “labor organization” means any organization, including any local, state, district council, joint council or national organization, which exists and is constituted for the purpose, in whole or in part, of collective bargaining, or of dealing with employers concerning grievances, terms or conditions of employment, or of other mutual aid or protection, or any political committee established by such an organization pursuant to state or federal law.

Organization affiliated with an elected official. The term “organization affiliated with an elected official” means an entity for which a person holding office as mayor, comptroller, public advocate, borough president or member of the council, or an agent authorized by such a person, is a principal owner or officer, or over which such a person otherwise exercises control; or which was created by such an officeholder, or by an agent

authorized by such an officeholder, within the previous two calendar years. Principal committees and political committees, as those terms are defined in section 3-702, are not organizations affiliated with an elected official.

Person with business dealings with the city. The term “person with business dealings with the city” means any person who is listed in the doing business database, or any domestic partner, spouse, or unemancipated child of such a person.

§ 3-902 Reserved.

§ 3-903 *Prohibition of Acceptance of Certain Donations.* 1. Organizations affiliated with an elected official that spend or reasonably expect to spend at least 10% of their expenditures in the current or next calendar year on elected official communications shall not accept donations with a reasonable value in excess of \$400 in a single year by any person who such organization knows or should know has business dealings with the city on the date of such donation. No violation shall issue and no penalty shall be imposed where any excess donation under this subdivision is refunded within 20 days of receipt by such organization.

2. Organizations affiliated with an elected official that spend or reasonably expect to spend at least 10% of their expenditures in the current or next calendar year on elected official communications shall return any donations with a reasonable value in excess of \$400 in a single year by any person who is not a person who such organization knows or should know has business dealings with the city on the date of such donation, but who is added to the doing business database within 180 days of receipt by the organization. No violation shall issue and no penalty shall be imposed where any excess donation under this subdivision is refunded within 200 days of receipt by such organization.

3. Organizations affiliated with an elected official that spend or reasonably expect to spend at least 10% of their expenditures in the current or next calendar year on elected official communications shall not accept donations by any corporation or labor organization, or from any person who fails to respond to the inquiry required by subdivision four of this section.

4. Organizations affiliated with an elected official that spend or reasonably expect to spend at least 10% of their expenditures in the current or next calendar year on elected official communications shall require a written submission in a manner and form determined by the conflicts of interest board from every individual making a donation with a reasonable value in excess of \$400 in a single year to determine whether such individual is a person with business dealings with the city. .

5. Entities that have, as their sole purpose, advocating for New York city as the location for a national or international sporting event, a national political convention, or another event publicly determined by the conflicts of interest board to be similar to such an event are not subject to the requirements or limitations of this section.

§ 3-904 *Enforcement.* Complaints alleging violations of, and directives by the conflicts of interest board to investigate matters related to, this chapter shall be made, received, investigated and adjudicated in a manner consistent with investigations and adjudications of conflicts of interest pursuant to chapters 34 and 68 of the charter.

§ 3-905 *Penalties.* 1. Reserved.

2. Any person who violates subdivisions 1, 2 or 3 of section 3-903 shall be subject to a civil penalty, which for the first offense shall be not more than \$5,000, for the second offense not less than \$5,000 and not more than \$15,000, and for the third and subsequent offenses not less than \$15,000 and not more than \$30,000. In addition to such civil penalties, for the second and subsequent offenses any person who knowingly and willfully violates any such subdivision of section 3-903 shall also be guilty of a class A misdemeanor.

3. Any person who violates subdivision 4 of section 3-903 shall be subject to a civil penalty, which for the first offense shall be not more than \$1,000, and for the second and subsequent offenses not more than \$10,000.

§ 3-906 *Rulemaking.* The conflicts of interest board shall adopt such rules as are necessary to ensure the implementation of this chapter.

§ 2. Section 3-902 of the administrative code of the city of New York is amended to read as follows:

§ 3-902 [Reserved] *Reporting and Donor Disclosure of Organizations Affiliated with Public Officials.* 1. All organizations affiliated with an elected official shall report to the conflicts of interest board annually by August 1, in a manner determined by the conflicts of interest board by rule.

2. Such report shall include:

- a. the name of the organization;*
- b. the name or names of the person holding office as mayor, comptroller, public advocate, borough president or member of the council, or of the agent or agents authorized by such a person, who operates or created the organization;*
- c. the names of any other principal owners, officers, and board members of the organization;*
- d. whether the organization has tax-exempt status pursuant to the internal revenue code and, if so, the section of such code that grants such status;*
- e. the website of the organization, if any;*
- f. the names of any people who such organization knows had business dealings with the city on the date of such donation, or who were added to the doing business database within 180 days after the receipt of such donation, who made a donation to the organization during the previous calendar year, if any, and the addresses, dates of donation, and value of donation of any such people;*
- g. the names of any other individuals who, or any corporation or labor union that, made a donation with a reasonable value of \$1,000 or more to the organization during the previous calendar year, if any, and the addresses, dates of donation, and value of donation of any such individuals or entities;*
- h. an accounting of the expenditures of the organization during the previous calendar year, in a manner and form determined by the conflicts of interest board;*
- i. for an organization affiliated with an elected official that did not spend or reasonably expect to spend at least 10% of their expenditures in the previous or current calendar year on elected official communications, a certification that they did not do so; and*
- j. any other information required to be included by the conflicts of interest board.*

3. The conflicts of interest board shall maintain and regularly update a list on its website of all organizations that reported, and all donor information disclosed, to such board pursuant to this section.

4. Donor inquiry responses received pursuant to section 3-903 shall be retained by the inquiring organization for at least three years from the date of receipt.

§ 3. Subdivision a of section 3-905 is amended to read as follows:

a. Any person who violates any provision of section 3-902 shall be subject to a civil penalty of not more than \$10,000. In addition to such civil penalties, for the second and subsequent offense any person who knowingly and willfully violates any provision of section 3-902 shall also be guilty of a class A misdemeanor.

§ 4. Section 1 of this local law takes effect on January 1, 2018; and sections 2 and 3 of this local law take effect on January 1, 2019; provided that the conflicts of interest board shall promulgate rules prior to such dates as are necessary for the timely implementation of this local law.

Res. No. 1273

Resolution calling upon the New York State Legislature to pass and the Governor to sign A.5982 and S.6342 to prohibit employers from seeking the salary history of a prospective employee for an interview or as a condition of employment.

By Council Members Cabrera, Richards and Mendez.

Whereas, According to the 2014 Census Bureau American Community Survey (ACS), a woman in New York State working full-time makes about 87 cents for every dollar a man earns, or a difference of \$6,778 in median annual income; and

Whereas, According to the 2014 ACS, women of color are disproportionately hurt by the gender pay gap, with Hispanic, Black or African American, and Asian women experiencing a 54, 45, and 37 percent wage gap respectively compared to white men in New York City; and

Whereas, According to the 2014 ACS, among women with college or post-graduate degrees in New York City, the gender wage gap persists at 16 percent and 20 percent respectively; and

Whereas, A 2016 policy report titled “Advancing Pay Equity in New York City,” released by the Public Advocate for the City of New York, recommended prohibiting employers from relying on salary histories, a practice that perpetuates the gender wage gap; and

Whereas, On August 16, 2016, the Public Advocate for the City of New York introduced Int. 1253-2016 to prohibit employers from seeking a job applicant’s salary history, a bill that 30 Council Members had joined as co-sponsors within two months of introduction; and

Whereas, The need for legislation prohibiting salary history inquiries extends beyond the City of New York; and

Whereas, New York State Assembly Member Marcos A. Crespo, in 2015, and, New York State Senator Brad Hoylman, in 2016, introduced A.5982 and S.6342 respectively, making it an unlawful discriminatory practice for employers to seek a salary history from a prospective employee for an interview or as a condition for employment; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the New York State Legislature to pass, and the Governor to sign, A.5982 and S.6342 to prohibit employers from seeking the salary history of a prospective employee for an interview or as a condition of employment.

Int. No. 1346

By Council Members Constantinides, Richards, Gibson, Rosenthal, Johnson, Rodriguez, Lancman, Van Bramer, Vacca, Koslowitz, Torres, Gentile, Espinal, Cohen, Kallos, Vallone, Levin and Crowley (by request of the Mayor).

A Local Law to amend the New York city charter, the administrative code of the city of New York, the New York city plumbing code and the New York city building code, in relation to water pollution control, including provisions relating to stormwater management and control of discharges into storm sewers

Be it enacted by Council as follows:

Section 1. Paragraphs 2 and 3 of subdivision a of section 1403 of the New York city charter, as added by local law number 24 for the year 1977, are amended to read as follows:

(2) The commissioner shall examine into the sources of water supply of any private companies supplying the city or any portion thereof or its inhabitants with water to see that the same is wholesome and the supply is adequate, to establish such rules and regulations in respect thereof as are reasonable and necessary for the convenience of the public and to exercise superintendence, regulation and control in respect to the supply of water by such water companies [;

(3) Except as otherwise provided by law and subject to the provisions of this chapter, the commissioner shall regulate and control emissions into water within and about the city of New York of harmful or objectionable substances, contaminants and pollutants; enforce all laws, rules and regulations with respect to such emissions; make such investigations and studies as may be desirable for the purpose of such enforcement and of controlling and eliminating pollution of such waters, and for such purpose shall have the power to compel the attendance of witnesses and to take their testimony under oath].

§ 2. Section 1403 of the New York city charter is amended by adding a new subdivision b-1 to read as follows:

b-1. Water pollution control.

(1) *Except as otherwise provided by law and subject to the provisions of this chapter, the commissioner shall have the power to: administer and enforce provisions of law, rules and regulations relating to the management and control of discharges and runoff from public and private property, including but not limited to stormwater discharges; regulate and control discharges into water within and about the city of New York of harmful or objectionable substances, contaminants and pollutants that may have an adverse impact on waters of the state; enforce all laws, rules and regulations with respect to discharges described in this paragraph; and make such investigations and studies as may be desirable for the purpose of such enforcement and of controlling and eliminating pollution of waters within and about the city of New York; and for the purposes set forth in this paragraph shall have the power to compel the attendance of witnesses and to take their testimony under oath.*

(2) *The commissioner shall have the power to coordinate the actions of city agencies with respect to compliance with the state pollutant discharge elimination system (SPDES) permit for municipal separate storm sewer systems of New York city, SPDES No. NY-0287890 or its successor. City agencies shall have the power to take such actions, including but not limited to the promulgation of rules, as they determine to be necessary to ensure compliance with the provisions of such permit or its successor, and with provisions of law related thereto.*

§ 3. Subdivision c of section 19-137 of the administrative code of the city of New York is amended by adding a new paragraph 3 to read as follows:

3. *To land contour work for which a stormwater construction permit issued by the department of environmental protection is required pursuant to subchapter 2 of chapter 5-A of title 24 of the administrative code.*

§ 4. Chapter 5 of title 24 of the administrative code of the city of New York is amended by adding a new section 24-502.1 to read as follows:

§ 24-502.1 *References to environmental control board. When used in this chapter, the term "environmental control board" means the environmental control board established pursuant to section 1049-a of the charter within the office of administrative trials and hearings.*

§ 5. Section 24-519 of the administrative code of the city of New York is amended to read as follows:

§ 24-519 *Volatile, flammable liquids. It shall be unlawful to use any connection with, opening into, or gutter leading into, any sewer or drain, either public or private, for the conveyance or discharge, directly or indirectly, into such sewer or drain, of any volatile flammable liquid, gas or vapor[;]. [() A volatile, flammable liquid is any liquid that will emit a flammable vapor at a temperature [below one hundred sixty degrees, Fahrenheit]] specified in rules of the department.*

§ 6. The administrative code of the city of New York is amended by adding a new section 24-520.1 to read as follows:

§ 24-520.1 *Non-stormwater discharges prohibited. a. For purposes of this section, the following terms have the following meanings:*

Allowable runoff. The term "allowable runoff" means runoff authorized by the rules of the department to enter storm sewers, provided that such rules shall be consistent with the proper maintenance and purpose of such storm sewers and with the state pollutant discharge elimination system (SPDES) permit for municipal separate storm sewer systems of New York city, SPDES No. NY-0287890 or its successor.

Storm sewer. The term "storm sewer" means a sewer, the primary purpose of which is to carry stormwater.

b. No person shall discharge or cause to be discharged, directly or indirectly, into any storm sewer any substance other than stormwater or allowable runoff. Rules governing allowable runoff may require practices and procedures related to such discharges in furtherance of this section. Such rules may also require approval by the department of such discharges.

c. For purposes of this section, indirect discharges include but are not limited to discharges to any street, gutter, or other conveyance that could reasonably lead to a storm sewer.

§ 7. Section 24-524 of the administrative code of the city of New York, subdivisions f and g of such section as amended by local law number 55 for the year 2013, is amended to read as follows:

§ 24-524 *Enforcement and penalties. a. Orders. Notwithstanding any other provision of law, the commissioner of environmental protection and the environmental control board shall enforce the provisions of subdivisions b and b-1 of section 1403 of the charter and sections 24-504 through [24-522 and] 24-523 of this*

chapter and the [regulations] *rules* promulgated pursuant thereto. Such commissioner and board shall have the power to issue such orders as may be provided for therein and such additional orders as may be necessary for the enforcement of such provisions. *The department shall promulgate rules governing the appeal of orders issued by the commissioner.*

b. *Commissioner's cease and desist orders.* 1. Whenever the commissioner of environmental protection has reasonable cause to believe that: (i) a discharge *has occurred* in violation of the provisions of *subdivision b or b-1 of section 1403 of the charter or sections 24-504 through [24-522 and] 24-523 of this chapter or any order[,] or rule [or regulation] issued by the board or commissioner pursuant to such provisions or subdivision a of this section in furtherance of such provisions* or in violation of the conditions of any permit issued pursuant to such provisions and (ii) *that such discharge* creates or may create an imminent danger to the sewer system or to the public health or to the life or safety of persons, [he or she] *the commissioner* may issue a cease and desist order requiring any person who owns, leases, operates, controls or supervises any building, structure, facility or installation from which the unlawful discharge is emitted to take such action as may be necessary to halt or prevent such discharge.

2. If service of the order cannot be made personally because such person cannot be located at such time then service may be made by delivering a copy to a person of suitable age and discretion at the residence or place of business of the person sought to be served. If service cannot be made personally or by such delivery to a person of suitable age and discretion because of inability to locate or to obtain the name or address of such person at such time, service may be made by conspicuously posting a copy of such order upon the property to which it *relates and mailing the order to the most recent residential or business address of record of the person sought to be served.* The posting *and mailing* of such order shall be sufficient notice of such order to all persons having a duty in relation thereto under the provisions of this subdivision.

3. If the order is not complied with or so far complied with as such commissioner may regard as reasonable, within the time specified therein such commissioner may act to halt or prevent such discharge by:

- i. sealing, blocking or otherwise inactivating any equipment, facility, or device;
- ii. terminating the water supply to the premises;
- iii. sealing, blocking or otherwise inactivating any private sewer or drain emptying directly or indirectly into the sewer system; *or*
- iv. any other means or method that is reasonable under the circumstances. For such purpose the commissioner of environmental protection or his or her deputies or such other officers or employees as are designated by the commissioner may enter on any public or private property.

4. Any person affected by such an order may make written application to the environmental control board for a hearing. Such hearing shall be provided, pursuant to the rules and regulations of the board, and shall be held within [forty-eight hours] *2 business days* after the receipt of such application. The board may suspend, modify or terminate such order.

d. *Environmental control board cease and desist orders.* 1. In the case of any continued or knowing violation of any of the provisions of *subdivision b or b-1 of section 1403 of the charter or sections 24-504 through [24-522 and] 24-523 of this chapter or any order[,] or rule [or regulation] issued by the environmental control board or commissioner of environmental protection pursuant [thereto] to such provisions or subdivision a of this section in furtherance of such provisions* or of the conditions of any permit issued pursuant to such provisions or where the board finds that the violation of any of such provisions or of the conditions of any such permit presents or may present a danger to the environment or threatens to interfere with the operation of the sewer system, the board after notice and the opportunity for a hearing in accordance with the rules and regulations of the board, may issue a cease and desist order requiring any person who owns, leases, operates, controls or supervises any building, structure, facility or installation to cease and desist from any activity or process which causes or is conducted so as to cause such violation within the time specified in such order.

2. Such order may provide that if the order is not complied with or so far complied with as the commissioner of environmental protection may regard as reasonable within the time specified therein, such commissioner may take such action as shall be specified therein, including but not limited to:

- i. sealing, blocking or inactivating any equipment, facility or device;
- ii. terminating the water supply to the premises;

iii. sealing, blocking or inactivating any private sewer or drain emptying directly or indirectly into the sewer system; *or*

iv. any other means or method that is reasonable under the circumstances.

For such purpose the commissioner of environmental protection or his or her deputies or such other officers or employees as are designated by such commissioner may enter on any public or private property.

e. Action by corporation counsel. If the respondent fails to comply with any order issued by the environmental control board or commissioner of environmental protection or with the conditions of any permit, or such board or commissioner otherwise deems it necessary, the corporation counsel, acting in the name of the city, may maintain an action or proceeding in a court of competent jurisdiction to compel compliance with or restrain by [injunction] *injunction* the violation of any order or permit issued by such board or commissioner.

f. Civil penalties. Any person who violates or fails to comply with any of the provisions of subdivision b or b-1 of section 1403 of the charter or section 24-504 through [24-522 and] 24-523 of this chapter or any order[,] *or rule [or regulation]* issued by the environmental control board or commission of environmental protection pursuant [thereto] *to such provisions or subdivision a of this section in furtherance of such provisions* or with the conditions of any permit issued pursuant thereto shall be liable for a civil penalty not exceeding ten thousand dollars for each violation, provided that this subdivision shall not apply to subdivision c of section 24-509 or subdivisions a and b of section 24-521, and provided that the penalty for the removal of a manhole cover in violation of section 24-517 shall be not less than two thousand five hundred dollars. In the case of a continuing violation each day's continuance shall be a separate and distinct offense. The environmental control board shall have the power to impose such civil penalties. A proceeding to impose such penalties shall be commenced by the service of a notice of violation returnable to such board. Such board, after a hearing as provided by the rules and regulations of the board, shall have the power to enforce its final decisions and orders imposing such civil penalties as if they were money judgments pursuant to subdivision d of section one thousand forty-nine-a of the New York city charter. A civil penalty imposed by the board may also be collected in an action brought in the name of the city in any court of competent jurisdiction. The board, in its discretion, may, within the limits set forth in this subdivision, establish a schedule of civil penalties indicating the minimum and maximum penalty for each separate offense *or may use a schedule adopted by the department.*

g. Criminal penalties. In addition to the civil penalties set forth in subdivision f of this section, any person who knowingly violates or fails to comply with any provision of *subdivision b or b-1 of section 1403 of the charter or sections 24-504 through [24-522 or section] 24-523 of this chapter or any order[,] or rule [or regulation]* issued by the environmental control board or commission of environmental protection pursuant [thereto] *to such provisions or subdivision a of this section in furtherance of such provisions* or with the conditions of any permit issued pursuant thereto shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than two hundred fifty nor more than ten thousand dollars, or by imprisonment not exceeding thirty days, or both for each offense, provided that this subdivision shall not apply to subdivision c of section 24-509 or subdivisions a and b of section 24-521, and provided that the punishment for the removal of a manhole cover in violation of section 24-517 shall be a fine of not less than five hundred dollars nor more than ten thousand dollars, or imprisonment not exceeding thirty days, or both for each offense. In the case of a continuing violation each day's continuance shall be a separate and distinct offense. In addition to its application to any other person, the fine provided for in this paragraph shall be deemed a special fine for a corporation within the meaning of section 80.10 of the penal law of the state of New York.

h. Liability to the city. Any person who violates or fails to comply with any of the provisions of *subdivision b or b-1 of section 1403 of the charter or sections 24-504 through [24-522 and] 24-523 of this chapter or any order[,] or rule [or regulation]* issued pursuant [thereto] *to such provisions or subdivision a of this section in furtherance of such provisions* or with the conditions of any permit issued pursuant thereto shall be liable to the city for any expense, *including but not limited to costs for response, remediation and emergency services or any other loss or damage suffered by the city by reason of such violation.*

i. Service. Unless otherwise provided in this section, service of any notice or order required by this section may be made either personally or by mail [addressed to the last known address of the person to be served].

j. Issuance. Officers and employees of the department and of other city agencies designated by the commissioner shall have the power to issue summonses, appearance tickets, orders and notices of violation based upon violations of this chapter or rules of the department promulgated hereunder.

k. Entry and inspection. An authorized representative of the department may enter on any property, consistent with applicable law and in accordance with rules of the department related to such entry and inspection, to inspect for compliance with this chapter and rules of the department promulgated hereunder.

§ 8. Title 24 of the administrative code of the city of New York is amended by adding a new chapter 5-A to read as follows:

*CHAPTER 5-A
WATER POLLUTION CONTROL
SUBCHAPTER 1
GENERAL*

§ 24-540 Policy. Land development and associated increases in site impervious cover increase stormwater runoff causing flooding, soil erosion, and sediment transport and deposition in waterways. A high percentage of impervious area correlates with a higher rate of stormwater runoff, which generates greater pollutant loadings to the city's separate stormwater and combined sewer systems. Pollutants found in urban runoff include, but are not limited to, nitrogen, phosphorus, silt and sediment, pathogens, floatables, petroleum hydrocarbons, heavy metals, and polycyclic aromatic hydrocarbons (PAHs).

Clearing and grading during construction may increase soil erosion and add to the loss of native vegetation necessary for terrestrial and aquatic habitat. Improperly designed and constructed stormwater management practices increase the velocity of stormwater runoff thereby increasing erosion and sedimentation. Impervious surfaces allow less water to percolate into the soil, thereby decreasing groundwater recharge and stream baseflow. Stormwater runoff, soil erosion and nonpoint source pollution can be controlled and minimized through the regulation of stormwater runoff from land development activities. Regulation of land development activities by means of performance standards governing long-term stormwater management and site design produces development compatible with the natural functions of a particular site and thereby mitigates the adverse effects of erosion and sedimentation from development.

Material handling and storage, equipment maintenance and cleaning, and other activities at industrial facilities are often exposed to stormwater, which can pick up pollutants and transport them to surface waters directly or via a storm sewer. Appropriate stormwater management at industrial facilities can reduce these impacts.

This chapter establishes stormwater management controls meeting the requirements of state and federal law in areas of the city where stormwater does not pass through wastewater treatment plants before it enters the waters of the state. In these areas water borne pollutants in stormwater runoff are more likely to enter and have an adverse impact on the waters of the state.

The purpose and intent of this chapter is to (i) reduce pollutants discharged in stormwater runoff from construction activities in such areas to the maximum extent practicable through appropriate erosion and sediment controls; (ii) minimize, to the maximum extent practicable, increases in stormwater runoff volume and velocity, and pollutant loading in stormwater runoff, from development sites in such areas; (iii) ensure the proper maintenance of post-construction stormwater management practices; and (iv) ensure compliance by certain industrial facilities in such areas with applicable requirements to manage stormwater runoff in order to reduce pollutants in stormwater from industrial activities to the maximum extent practicable.

§ 24-541 Definitions. As used in this chapter, the following terms have the following meanings:

Authorized inspection agent. The term "authorized inspection agent" means an individual who has been authorized pursuant to a contract entered into by the department for inspection services to conduct inspections on behalf of the department.

Board or environmental control board. The term "board" or "environmental control board" means the environmental control board established pursuant to section 1049-a of the charter within the office of administrative trials and hearings.

Commissioner. The term "commissioner" means the commissioner of environmental protection or the authorized representative of such commissioner.

Covered development project. The term “covered development project” means development activity that involves or results in an amount of soil disturbance within the MS4 area greater than or equal to one acre or as established pursuant to rules of the department in accordance with subdivision d of section 24-553. Such term includes development activity that is part of a larger common plan of development or sale involving or resulting in soil disturbance within the MS4 area greater than or equal to one acre or as established pursuant to rules of the department in accordance with subdivision d of section 24-553. Such term shall include all development activity within the MS4 area that requires a stormwater pollution prevention plan pursuant to the NYSDEC construction general permit.

Department. The term “department” means the department of environmental protection.

Detention system. The term “detention system” means a system that slows and temporarily holds storm water runoff so that it can be released at a controlled rate.

Developer. The term “developer” means a person that owns or leases land on which development activity that is part of a covered development project is occurring, and/or a person that has operational control over the development activity’s construction plans and specifications, including the ability to make modifications to the construction plans and specifications.

Development activity. The term “development activity” means soil disturbance on a site including but not limited to through land contour work, clearing, grading, excavation, demolition, construction, reconstruction, new development, redevelopment, creation or replacement of impervious surface, stockpiling activities or placement of fill. Clearing activities include but are not limited to the cutting and skidding of trees, stump removal and/or brush root removal. Such term does not include routine maintenance (such as road resurfacing) that is performed to maintain the original line and grade, hydraulic capacity, or original purpose of a facility.

Erosion and sediment controls. The term “erosion and sediment controls” means stormwater management practices designed to minimize the discharge of pollutants during development activities including, but not limited to, structural erosion and sediment control practices, construction sequencing to minimize exposed soils, soil stabilization, dewatering control measures, and other pollution prevention and good housekeeping practices appropriate for construction sites.

Impaired water. The term “impaired water” means a water body for which NYSDEC has established a total maximum daily load (“TMDL”), for which NYSDEC expects that existing controls such as permits will resolve the impairment, or a water body identified by NYSDEC as needing a TMDL. A list of impaired waters is issued by NYSDEC pursuant to section 303(d) of the federal water pollution control act, chapter 26 of title 33 of the United States code.

Industrial stormwater source. The term “industrial stormwater source” means any premises or facility that is subject to the MSGP.

Larger common plan of development or sale. The term “larger common plan of development or sale” means a contiguous area where multiple separate and distinct development activities are occurring, or will occur, under one plan. The term “plan” in “larger common plan of development or sale” is broadly defined as any announcement or piece of documentation including a sign, public notice of hearing, sales pitch, advertisement, drawing, permit application, uniform land use review procedure (ULURP) application, state environmental quality review act (SEQRA) or city environmental quality review (CEQR) application, application for a special permit, authorization, variance or certification pursuant to the zoning resolution, subdivision application, computer design, or physical demarcation (including boundary signs, lot stakes, and surveyor markings) indicating that development activities may occur on a specific plot. Such term does not include areawide rezonings or projects discussed in general planning documents. For discrete development activities that are located within a larger common plan of development or sale that are at least 1/4 mile apart, each activity may be treated as a separate plan of development or sale provided that any interconnecting road, pipeline or utility project that is part of the same “common plan” is not concurrently being disturbed.

Multi sector general permit or “MSGP.” The term “multi sector general permit” or “MSGP” means the New York state department of environmental conservation SPDES multi sector general permit for stormwater discharges associated with industrial activity, Permit No. GP-0-12-001 or its successor.

MS4 SWPPP acceptance form. The term “MS4 SWPPP acceptance form” means the form developed by NYSDEC to be used to indicate acceptance of a SWPPP by a municipality.

MS4 area. The term “MS4 area” means those portions of the city of New York served by separate storm sewers and separate stormwater outfalls owned or operated by the city of New York and areas in which municipal operations and facilities drain by overland flow to waters of the state, as determined by the department and described on maps of the MS4 area set forth in the rules of the department.

Municipal operations and facilities. The term “municipal operations and facilities” means any operation or facility serving a New York city governmental purpose and over which the city of New York has operational control.

New development. The term “new development” means any construction or disturbance of a parcel of land that is currently undisturbed or unaltered by human activities and in a natural state.

Notice of intent or NOI. The term “notice of intent” means the document submitted to NYSDEC to obtain coverage under the NYSDEC construction general permit.

Notice of termination or NOT. The term “notice of termination” means the document submitted to NYSDEC to terminate coverage under the NYSDEC construction general permit.

NYC MS4 Permit. The term “NYC MS4 permit” means the state pollutant discharge elimination system (SPDES) permit for municipal separate storm sewer systems of New York city, SPDES No. NY-0287890 or its successor.

NYSDEC. The term “NYSDEC” means the New York state department of environmental conservation.

NYSDEC construction general permit. The term “NYSDEC construction general permit” means the state pollutant discharge elimination system (SPDES) general permit for stormwater discharges from construction activities, Permit No. GP-0-15-002 or its successor.

NYSDEC MS4 general permit. The term “NYSDEC MS4 general permit” means the state pollutant discharge elimination system (SPDES) general permit for stormwater discharges from municipal separate storm sewer systems (MS4s), Permit No. GP-0-15-003 or its successor.

Owner. The term “owner” means a person having legal title to premises, a mortgagee or vendee in possession, a trustee in bankruptcy, a receiver, or any other person having legal ownership or control of premises.

Person. The term “person” means an individual, corporation, partnership, limited liability company or other legal entity.

Pollutant. The term “pollutant” means dredged soil, filter backwash, solid waste, incinerator residue, sewage, garbage, sewage sludge, munitions, chemical wastes, biological materials, radioactive materials, heat, wrecked or discarded equipment, rock, sand and industrial, municipal, and agricultural waste discharged into water; which may cause or might reasonably be expected to cause pollution of the waters of the State in contravention of the standards or guidance values adopted as provided in subdivision a of section 750-1.2 of title 6 of the New York codes, rules and regulations.

Pollutants of concern. The term “pollutants of concern” means pollutants that might reasonably be expected to be present in stormwater in quantities that may cause or contribute to an exceedance of water quality standards. These pollutants include but are not limited to nitrogen, phosphorus, silt and sediment, pathogens, floatables, petroleum hydrocarbons, heavy metals, and polycyclic aromatic hydrocarbons (PAHs).

Post-construction stormwater management facility or post-construction facility. The term “post-construction stormwater management facility” or “post-construction facility” means a stormwater management practice serving a developed site and consisting of technology or strategies designed to reduce pollutants in stormwater runoff or reduce runoff rate or volume from the developed site through infiltration, retention, detention, or other method or treatment. Such term includes, but is not limited to, detention systems and retention systems.

Premises. The term “premises” means any building, lot, parcel of land, or portion of land, whether improved or unimproved, including adjacent sidewalks and parking strips.

Qualified inspector. The term “qualified inspector” means a person who is knowledgeable in the principles and practices of erosion and sediment control, with the qualifications to be established by the rules of the department.

Qualified professional. The term “qualified professional” means a person who is knowledgeable in the principles and practices of stormwater management and treatment, with the qualifications to be established by the rules of the department.

Redevelopment. The term “redevelopment” means reconstruction of or modification to any existing previously developed land such as residential, commercial, industrial, institutional or road/highway, which involves soil disturbance. Redevelopment is distinguished from new development in that new development refers to construction on land where there had not been previous construction. Redevelopment specifically applies to constructed areas with impervious surface or urban fill.

Retention system. The term “retention system” means a system that captures storm water runoff on site with no release.

Separate stormwater outfall. The term “separate stormwater outfall” means a point where stormwater from a storm sewer or other source of concentrated stormwater flow, owned or operated by the city of New York, is discharged into a water of the state or to a separate storm sewer system that requires coverage under the NYSDEC MS4 general permit.

Storm sewer. The term “storm sewer” means a sewer, the primary purpose of which is to carry stormwater.

Stormwater or stormwater runoff. The term “stormwater” or “stormwater runoff” means runoff that is generated when precipitation from rain events or snowmelt flows overland and does not percolate into the ground.

Stormwater construction permit. The term “stormwater construction permit” means a permit issued by the department authorizing development activity on land on which there is a covered development project in accordance with an approved stormwater pollution prevention plan (SWPPP).

Stormwater maintenance permit. The term “stormwater maintenance permit” means a permit issued by the department where maintenance of post-construction stormwater management facilities by owners of real property is required.

Stormwater management practices or SMPs. The term “stormwater management practices” or “SMPs” means measures to prevent flood damage and/or to prevent or reduce point source or nonpoint source pollution inputs to stormwater runoff and water bodies. Such term includes erosion and sediment controls, post-construction stormwater management facilities, and practices to manage stormwater runoff from industrial activities.

Stormwater pollution prevention plan or SWPPP. The term “stormwater pollution prevention plan” or “SWPPP” means (i) when used in connection with a covered development project, a plan for controlling stormwater runoff and pollutants during construction and, where required by department rules, after construction is completed, or (ii) when used in connection with an industrial stormwater source, a plan for controlling stormwater runoff and pollutants required by the MSGP.

Waters of the state. The term “waters of the state” means lakes, bays, sounds, ponds, impounding reservoirs, springs, rivers, streams, creeks, estuaries, marshes, inlets, canals, the Atlantic ocean within the territorial seas of the state of New York and all other bodies of surface water, natural or artificial, inland or coastal, fresh or salt, public or private (except those private waters that do not combine or effect a junction with natural surface or underground waters), which are wholly or partially within or bordering the state or within its jurisdiction.

§24-542 Entry and inspection. An authorized representative of the department may enter on any property, consistent with applicable law and in accordance with rules of the department related to such entry and inspection, to inspect for compliance with this chapter and rules of the department promulgated hereunder.

SUBCHAPTER 2 CONSTRUCTION AND POST-CONSTRUCTION STORMWATER CONTROLS

§24-550 General. This subchapter governs certain land development activities within the MS4 area.

§24-551 Stormwater construction permit required. It shall be unlawful to commence or engage in any development activity on the site of a covered development project unless and until a stormwater construction permit has been issued by the department.

§24-552 Review of stormwater pollution prevention plan or SWPPP. Before the commencement of development activity on the site of a covered development project the developer must submit a copy of the notice of intent and a stormwater pollution prevention plan, certified by a qualified professional, to the department for review in accordance with the rules of the department. The department or a qualified

professional designated by the department shall review the SWPPP within time periods to be specified in the rules of the department. If the department accepts the SWPPP the department shall issue a stormwater construction permit to the developer and, for projects subject to the NYSDEC construction general permit, shall issue an MS4 SWPPP acceptance form for filing with NYSDEC. If the department rejects the SWPPP the department shall send notice of such rejection to the developer indicating the specific deficiencies that caused the department to reject the SWPPP. The department may require that the SWPPP or other documents be submitted electronically.

§24-553 Rules. The department shall promulgate rules to carry out the provisions of this subchapter in accordance with the NYC MS4 permit and the NYSDEC construction general permit, including but not limited to rules that:

a. Set forth the content of SWPPPs, consistent with the NYSDEC construction general permit, including identifying those development projects requiring only erosion and sediment controls during construction and those requiring erosion and sediment controls and post-construction stormwater management facilities.

b. Establish design standards for erosion and sediment controls and post-construction stormwater management facilities which shall not be less stringent than the standards set forth or incorporated by reference in the NYSDEC construction general permit.

c. Establish exemptions from permit requirements, consistent with the NYC MS4 permit and the NYSDEC construction general permit.

d. After completion of the lot size soil disturbance study required by the NYC MS4 permit, provide for the regulation of development activity of less than one acre, based either on total disturbance of soil or on amount of impervious surface created or replaced, where an appropriate reduction in the threshold is necessary in accordance with the NYC MS4 permit.

e. Establish procedures and fees for the review of SWPPPs and the issuance and renewal of permits required by this subchapter.

f. Establish training, experience and/or education requirements for qualified professionals and qualified inspectors, which shall not be less stringent than those required by the NYSDEC construction general permit.

g. Establish record keeping, inspection and reporting requirements for applicants and permittees to monitor compliance with this subchapter and approved SWPPPs.

h. Establish requirements for compliance certifications by contractors to be included with SWPPPs.

i. Establish standards for the maintenance, inspection, repair and replacement of required erosion and sediment controls and post-construction stormwater management facilities.

§24-554 SWPPP to be retained on site. A copy of the SWPPP shall be retained at the site of the project from the date of initiation of development activities to the date notice of termination is submitted to NYSDEC and shall be made available to officers and employees of the department and/or qualified inspectors authorized by the department in accordance with the rules of the department.

§24-555 Recordkeeping. A developer shall keep and maintain records of all inspections and tests required to be performed pursuant to this subchapter and rules of the department, as follows: records of inspections and tests performed during construction must be maintained throughout construction and for 5 years after completion of construction; and records of post-construction inspections and tests must be maintained for 5 years after performance of such inspections or tests. Such records and tests shall be made available to the department in accordance with the rules of the department. The department may require such records to be maintained and provided to the department electronically.

§24-556 Compliance with terms and conditions of SWPPP required. Every stormwater construction permit issued by the department shall include the condition that the applicant and all contractors and subcontractors performing work at the site will comply with this subchapter, rules of the department and the terms and conditions of the SWPPP. Any changes in the SWPPP are subject to the prior approval of the department in accordance with rules of the department.

§24-557 Suspension or revocation of permit. The department may suspend or revoke a stormwater construction permit, after notice and the opportunity for a hearing in accordance with the rules of the department, when the department or NYSDEC finds that there is substantial non-compliance with this subchapter, the rules of the department, the NYSDEC construction general permit or the SWPPP, including any major change to erosion or sediment controls or any change in a post-construction stormwater management facility during construction that has or could have an effect on the discharge of pollutants, or

when a permit was issued in error and conditions are such that a permit should not have been issued. When a permit is revoked or suspended all development activity at the project site shall cease and shall not be resumed until the issuance of a new permit or until such suspension is terminated except that the department may allow performance of work that is necessary to ensure public safety or to stabilize the construction site.

§24-558 Stop work order. a. Whenever the department finds that any development activity is being executed in violation of this subchapter, the SWPPP or rules of the department to the extent that work being performed at the site has or could have an effect on the discharge of pollutants or stormwater runoff volume or velocity, the department may issue a stop work order.

b. Such order shall be posted at the site and served personally on or mailed to the owner or developer or to the person executing the work at the site or the agent of any of them. When there is an immediate danger of a release of pollutants a verbal order to stop work may be given followed promptly by a written order in accordance with this subdivision.

c. Upon issuance of a stop work order, work specified in the order shall immediately cease, except work authorized or required by the commissioner to stabilize the site or make it safe.

d. No person shall with knowledge or notice of a stop work order allow, authorize, promote, continue or cause to be continued any work covered by the stop work order, except work authorized or required by the commissioner to stabilize the site or make it safe.

e. Upon application in accordance with the rules of the department, the commissioner shall rescind the stop work order where the commissioner finds (i) that the condition that gave rise to its issuance has been corrected and either all civil penalties or criminal fines assessed for any violation of such order have been paid or, where a violation is pending, security for the payment of such penalties or fines has been posted or, (ii) where the stop work order was issued in error or conditions are such that it should not have been issued. The commissioner may by rule require the payment of a fee in the amount of the expense of additional inspection and administrative expense related to such stop work order.

f. It shall be unlawful to tamper with, remove or deface a written posted stop work order from the location where it was affixed unless and until such stop work order has been rescinded by the commissioner. The owner or other person in control of the location shall ensure that the stop work order remains posted until rescinded by the commissioner.

§24-559 Post-construction stormwater management facilities. Where post-construction stormwater management facilities are required by the department, the department shall not accept the SWPPP or issue a stormwater construction permit for the project until the execution and recording of a maintenance easement, which shall be binding on all subsequent owners of the real property served by such post-construction stormwater management facility, except where the corporation counsel has determined that such a maintenance easement is not necessary due to the property's ownership or use by a public agency or instrumentality. For post-construction stormwater management facilities subject to such an exception, when there is a subsequent conveyance or cessation of public use, the corporation counsel may require the execution and recording of a maintenance easement at that time. The easement shall provide for access to post-construction stormwater management facilities at reasonable times in accordance with law for periodic inspection by the department or qualified inspectors authorized by the department to ensure that such facilities are maintained in good working condition to meet the applicable design standards. The easement shall be recorded by the grantor in the office of the city register or, if applicable, the county clerk after approval by the corporation counsel.

§ 24-560 Stormwater maintenance permit. It is the duty of all owners of real property, jointly and severally, served by a post-construction stormwater management facility required by a SWPPP accepted by the department pursuant to this subchapter to provide for the inspection and maintenance of such facility in accordance with this section and the rules of the department. The department shall maintain a record of all such post-construction stormwater management facilities and the property served by each such facility. As soon as practicable after final stabilization of a site, the owner of property served by a post-construction stormwater management facility shall submit to the department a copy of the notice of termination and an application for a stormwater maintenance permit for such facility. Such owner shall provide for the renewal of such permit every 5 years in accordance with the rules of the department. The department shall issue or renew such permit upon receipt of a satisfactory inspection report certified by a qualified inspector retained by the owner indicating that the facility has been installed and/or is operated and maintained in good working

condition to meet applicable design standards and the rules of the department. A facility shall be maintained in good working condition throughout its useful life and replaced in accordance with the rules of the department.

SUBCHAPTER 3 INDUSTRIAL STORMWATER SOURCES

§ 24-570 Applicability. This subchapter applies only to portions of the city within the MS4 area.

§24-571 Authority to enter and inspect. a. The department shall have the authority to enter and inspect any premises or facility, including, but not limited to, its equipment, practices, operations and records, consistent with applicable law and in accordance with rules of the department related to such entry and inspection. Such entry and inspection shall be conducted during normal operating hours for purposes of determining whether such premises or facility generates significant contributions of pollutants of concern to an impaired water.

b. The department shall have the authority to enter and inspect industrial stormwater sources including, but not limited to, their equipment, practices, operations and records, consistent with applicable law and in accordance with rules of the department related to such entry and inspection. Such entry and inspection shall be conducted during normal operating hours for purposes of determining compliance with this subchapter and any rule promulgated pursuant thereto. The department may enter and inspect such premises and facilities for purposes including, but not limited to, the following:

(1) To conduct a visual observation for evidence of unauthorized discharges, illicit connections, and potential discharges of pollutants to stormwater;

(2) To evaluate the facility's compliance with applicable MSGP requirements; and

(3) To evaluate the facility's compliance with any other relevant local stormwater requirements.

§24-572 Compliance with the MSGP. All industrial stormwater sources must comply with all applicable conditions of the MSGP.

§24-573 Recordkeeping. a. Industrial stormwater sources shall, upon the department's request or pursuant to the rules of the department, submit to the department any information or records necessary to determine compliance with the MSGP and this subchapter and any rule promulgated pursuant thereto. Such records may include, but need not be limited to, stormwater pollution prevention plans and reports of monitoring activities and results required pursuant to the MSGP.

b. The department may require such records to be maintained and provided to the department electronically.

SUBCHAPTER 4 ENFORCEMENT

§24-580 General. Notwithstanding any other provision of law, the commissioner and the board shall enforce the provisions of this chapter and the rules promulgated pursuant thereto.

§24-581 Orders. The commissioner and board shall have the power to issue such orders as may be provided for in this chapter and the rules promulgated pursuant thereto and such additional orders as may be necessary for the enforcement of such provisions. Such orders may include, but are not limited to, orders requiring inspection by a qualified inspector, maintenance repair or replacement of post-construction stormwater management facilities and orders requiring compliance with the MSGP through actions including, but not limited to, monitoring, analysis, and reporting or the installation, implementation and maintenance of SMPs. The department shall promulgate rules governing the appeal of such orders where they are issued by department employees or authorized inspection agents.

§24-582 Commissioner's cease and desist orders. a. Whenever the commissioner has reasonable cause to believe that (i) a condition exists in violation of any of the provisions of sections 24-559, 24-560 or 24-572 or in violation of any order or rule issued by the board or commissioner pursuant to such provisions or section 24-581 in furtherance of such provisions and (ii) that such condition creates or may create an imminent danger to the sewer system or to the public health or to the life or safety of persons, the commissioner may issue a cease and desist order requiring any person who owns, leases, operates, controls or supervises any

building, structure, facility or installation in which the condition is located to take such action as may be necessary to halt or prevent such condition.

b. If service of the order cannot be made personally because such person cannot be located at such time then service may be made by delivering a copy to a person of suitable age and discretion at the residence or place of business of the person sought to be served. If service cannot be made personally or by such delivery to a person of suitable age and discretion because of inability to locate or to obtain the name or address of such person at such time, service may be made by conspicuously posting a copy of such order upon the property to which it relates and mailing the order to the most recent residential or business address of record of the person sought to be served. The posting and mailing of such order shall be sufficient notice of such order to all persons having a duty in relation thereto under the provisions of this subdivision.

c. If the order is not complied with or so far complied with as such commissioner may regard as reasonable, within the time specified therein, such commissioner may act to halt or prevent such condition by:

- i. sealing, blocking or otherwise inactivating any equipment, facility, or device;
- ii. sealing, blocking or otherwise inactivating any private sewer or drain emptying directly or indirectly into the sewer system; or
- iii. any other means or method that is reasonable under the circumstances. For such purpose the commissioner may enter on any public or private property.

d. Any person affected by such an order may make written application to the board for a hearing. Such hearing shall be provided, pursuant to the rules of the board, and shall be held within 2 business days after the receipt of such application. The board may suspend, modify or terminate such order.

§24-583 Environmental control board cease and desist orders. a. In the case of any continued or knowing violation of the provisions of section 24-559, 24-560 or 24-572 or any order or rule issued by the board or commissioner pursuant to such provisions or section 24-581 in furtherance of such provisions or where the board finds that the violation of any of such provisions or conditions presents or may present a danger to the environment or threatens to interfere with the operation of the sewer system, the board, after notice and the opportunity for a hearing in accordance with the rules of the board, may issue a cease and desist order requiring any person who owns, leases, operates, controls or supervises any building, structure, facility or installation to cease and desist from any activity or process which causes or is conducted so as to cause such violation within the time specified in such order.

b. Such order may provide that if the order is not complied with or so far complied with as the commissioner may regard as reasonable within the time specified therein, the commissioner may take such action as shall be specified therein including but not limited to:

- i. sealing, blocking or inactivating any equipment, facility or device;
- ii. sealing, blocking or inactivating any private sewer or drain emptying directly or indirectly into the sewer system; or
- iii. any other means or method that is reasonable under the circumstances. For such purpose the commissioner may enter on any public or private property.

§24-584 Action by corporation counsel. If the respondent fails to comply with any order issued by the board, or the commissioner or the board or the commissioner otherwise deems it necessary, the corporation counsel, acting in the name of the city, may maintain an action or proceeding in a court of competent jurisdiction to compel compliance with or restrain by injunction the violation of any order issued by the board or commissioner.

§24-585 Civil penalties. Any person who violates or fails to comply with any of the provisions of this chapter or any order or rule issued by the board or the commissioner pursuant thereto shall be liable for a civil penalty not exceeding ten thousand dollars for each violation. In the case of a continuing violation each day's continuance shall be a separate and distinct offense. The board shall have the power to impose such civil penalties. A proceeding to impose such penalties shall be commenced by the service of a notice of violation returnable to the board. The board, after a hearing as provided by the rules of the board, shall have the power to enforce its final decisions and orders imposing such civil penalties as if they were money judgments pursuant to subdivision d of section 1049-a of the New York city charter. A civil penalty imposed by the board may also be collected in an action brought in the name of the city in any court of competent jurisdiction. The board, in its discretion, may, within the limits set forth in this subdivision, establish a

schedule of civil penalties indicating the minimum and maximum penalty for each separate offense or may use a schedule adopted by the department.

§24-586 Criminal penalties. In addition to the civil penalties set forth in section 24-585, any person who knowingly violates or fails to comply with any provision of this chapter or any order or rule issued by the commissioner or the board pursuant thereto shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than two hundred fifty nor more than ten thousand dollars, or by imprisonment not exceeding thirty days, or both for each offense. In the case of a continuing violation each day's continuance shall be a separate and distinct offense. In addition to its application to any other person, the fine provided for in this paragraph shall be deemed a special fine for a corporation within the meaning of section 80.10 of the penal law of the state of New York.

§24-587 Liability to the city. Any person who violates or fails to comply with any of the provisions of this chapter or any order or rule issued pursuant thereto shall be liable to the city for any expense, including but not limited to costs for response, remediation and emergency services or any other loss or damage suffered by the city by reason of such violation.

§24-588 Service. Unless otherwise provided in this chapter, service of any notice or order required by this subchapter may be made either personally or by mail.

§24-589 Issuance. Officers and employees of the department and of other city agencies designated by the commissioner shall have the power to issue summonses, appearance tickets, orders and notices of violation based upon violations of this chapter or rules of the department promulgated hereunder.

§ 24-590 Delegation to authorized inspection agents. a. The commissioner shall have the authority to delegate to authorized inspection agents the authority to:

(1) Carry out inspections pursuant to this chapter or any rule promulgated pursuant thereto;

(2) Issue orders pursuant to section 24-581, or issue orders pursuant to subdivision a of section 24-524 when deemed necessary and appropriate in the course of implementing duties delegated to such authorized inspection agent pursuant to this chapter;

(3) Issue notices of violation for civil penalties pursuant to section 24-585, or notices of violation pursuant to subdivision f of section 24-524 when the basis for such notice of violation is observed in the course of implementing duties delegated to such authorized inspection agent pursuant to this chapter.

b. Authorized inspection agents shall perform their duties in accordance with this chapter and rules of the department promulgated pursuant thereto, which rules shall set forth the categories of violations for which such notices may be issued by such agents, the categories of orders that may be issued by such agents and the circumstances in which such agents shall obtain department approval or refer matters to the department for further action. In addition, the department shall, through standards imposed by means of procurement or rulemaking, ensure that such agents are subject to appropriate eligibility criteria, training requirements and grounds for revoking inspection and enforcement authority.

§ 9. Chapter 1 of title 28 of the administrative code of the city of New York is amended by adding a new section 28-104.11 to read as follows:

§28-104.11 Construction documents for sites within the MS4 area. Construction documents shall comply with section 28-104.11.1 through 28-104.11.4 relating to the MS4 area.

§28-104.11.1 Definitions. As used in this code in connection with provisions relating to the jurisdiction of the department of environmental protection, the terms covered development project, development activity, MS4 area, post-construction stormwater management facility, stormwater construction permit, stormwater maintenance permit, and stormwater pollution prevention plan or SWPPP shall have the same definitions as such terms are defined in subchapter 1 of chapter 5-A of title 24 of the administrative code.

§28-104.11.2 Disclosure required. It shall be the duty of an applicant for construction document approval to determine whether the site of the proposed work is part of a covered development project located within the MS4 area and to disclose such information on construction documents. Failure to disclose such information on construction documents shall be a violation of this code.

§28-104.11.3 Required documentation. Applications for construction document approval shall include copies of any required stormwater construction permit issued by the department of environmental protection and the stormwater pollution prevention plan for the covered development project.

§28-104.11.4 Revocation of approval of construction documents. Where the department finds after the approval of construction documents that the applicant failed to disclose the information required by this

section, the department may revoke such approval and any associated work permits in accordance with the provisions of sections 28-104.2.10 and 28-104.2.10.1.

§ 10. Chapter 1 of title 28 of the administrative code of the city of New York is amended by adding a new section 28-105.1.2 to read as follows:

§28-105.1.2 Projects for which a stormwater construction permit is required. *It shall be a violation of this code to engage in any development activity with respect to a covered development project without a stormwater construction permit issued by the department of environmental protection. The issuance of a permit pursuant to this code shall not be construed to be permission for any activity that requires a stormwater construction permit issued by the department of environmental protection. The issuance of a stormwater construction permit by the department of environmental protection shall not be construed as permission for work that requires a permit from the department of buildings pursuant to this code.*

§ 11. Chapter 1 of title 28 of the administrative code of the city of New York is amended by adding a new section 28-116.7 to read as follows:

§28-116.7 Post-construction stormwater management facilities. *The department shall not issue a certificate of occupancy or letter of completion with respect to a building or premises that is part of a covered development project unless the applicant submits proof that the department of environmental protection has issued a stormwater maintenance permit for any post-construction stormwater management facilities serving such building or premises.*

§12. Chapter 1 of title 28 of the administrative code of the city of New York is amended by adding a new section 28-118.22 to read as follows:

§28-118.22 Post-construction stormwater management facilities. *The department shall not issue a certificate of occupancy with respect to a building or premises that is part of a covered development project unless the applicant submits proof that the department of environmental protection has issued a stormwater maintenance permit for any post-construction stormwater management facilities serving such building or premises.*

§ 13. Section 106.6 of chapter 1 of the New York city plumbing code, as amended by local law number 41 for the year 2012, is amended to read as follows:

106.6 Discharge of sewage and discharge and/or management of stormwater runoff. Applications for construction document approval shall comply with Sections 106.6.1 [and], 106.6.2 and 106.6.3.

§ 14. Section PC 106 of chapter 1 of the New York city plumbing code is amended by adding a new section 106.6.3 to read as follows:

106.6.3 Post-construction stormwater management facilities. *A post-construction stormwater management facility that is constructed as a part of a covered development project located within the MS4 area, shall comply with the rules of the Department of Environmental Protection and with this code.*

§ 15. Section PC 202 of chapter 2 of the New York city plumbing code is amended by adding new definitions of “covered development project,” “MS4 area,” “post-construction stormwater management facility,” and “stormwater pollution prevention plan or SWPPP,” in alphabetical order, to read as follows:

COVERED DEVELOPMENT PROJECT. *See Section 28-104.11.1 of the Administrative Code.*

MS4 AREA. *See Section 28-104.11.1 of the Administrative Code*

POST-CONSTRUCTION STORMWATER MANAGEMENT FACILITY. *See Section 28-104.11.1 of the Administrative Code.*

STORMWATER POLLUTION PREVENTION PLAN OR SWPPP. *See Section 28-104.11.1 of the Administrative Code.*

§ 16. Section 1101.11 of chapter 11 of the New York city plumbing code, as amended by local law number 41 for the year 2012, is amended to read as follows:

1101.11 Site grading. Except as otherwise permitted by this code, no person shall perform site grading or land contour work, as defined in Section [19-146] 19-137 of the Administrative Code, that would cause storm water to flow across sidewalks or onto an adjacent property. ***Site grading or land contour work performed on the site of a covered development project shall comply with the rules of the Department of Environmental Protection and this code.***

§ 17. Chapter 11 of the New York city plumbing code is amended by adding a new section 1114.9 to read as follows:

1114.9 Post-construction stormwater management facilities required by stormwater pollution prevention plan. *A post-construction stormwater management facility that is constructed as part of a covered development project shall be designed, installed and maintained in accordance with the rules of the Department of Environmental Protection and this code.*

§ 18. Section 107.11 of chapter 1 of the New York city building code, as amended by local law number 141 for the year 2013, is amended to read as follows:

107.11 Discharge of sewage and discharge and/or management of stormwater runoff. Applications for construction document approval shall comply with Sections 107.11.1 [and], 107.11.2 and 107.11.3.

§ 19. Chapter 1 of the New York city building code is amended by adding a new section 107.11.3 to read as follows:

107.11.3 Post-construction stormwater management facilities. *A post-construction stormwater management facility that is constructed as a part of a covered development project located within the MS4 area shall comply with the rules of the Department of Environmental Protection and with this code.*

§ 20. Section BC 202 of chapter 2 of the New York city building code is amended by adding new definitions of “covered development project,” “MS4 area,” “post-construction stormwater management facility,” and “stormwater construction permit” in alphabetical order, to read as follows:

COVERED DEVELOPMENT PROJECT. *See Section 28-104.11.1 of the Administrative Code.*

MS4 AREA. *See Section 28-104.11.1 of the Administrative Code.*

POST-CONSTRUCTION STORMWATER MANAGEMENT FACILITY. *See Section 28-104.11.1 of the Administrative Code.*

STORMWATER CONSTRUCTION PERMIT. *See Section 28-104.11.1 of the Administrative Code.*

§ 21. Section 3309.1 of chapter 33 of the New York city building code, as amended by local law number 141 for the year 2013, is amended to read as follows:

3309.1 Protection required. Adjoining public and private property, including persons thereon, shall be protected from damage and injury during construction or demolition work in accordance with the requirements of this section. Protection must be provided for footings, foundations, party walls, chimneys, skylights and roofs. Provisions shall be made to control water run-off and erosion during construction or demolition activities. *Where the New York City Department of Environmental Protection has issued a stormwater construction permit for a covered development project, such run-off and erosion controls shall be installed and maintained in accordance with the rules of the Department of Environmental Protection and this code.*

§ 22. This local law takes effect as follows:

1. Sections one, two, four, five, six and seven of this local law take effect 30 days after it becomes law;
2. Sections three and eight through twenty-one of this local law take effect on a date to be set forth in rules adopted by the department of environmental protection implementing the provisions of such sections, but such date shall be no earlier than the date of the final approval by the New York state department of environmental conservation of the storm water management program (SWMP) submitted by the department of environmental protection under the state pollutant discharge elimination system (SPDES) permit for municipal separate storm sewer systems of New York city, SPDES No. NY-0287890 and no later than the earliest date upon which, in the reasonable judgment of the department of environmental protection, it is practicable to commence implementation of such sections consistent with the requirements of such permit, provided that upon the adoption of such rules the commissioner of environmental protection shall notify the New York state legislative bill drafting commission, in order that the commission may maintain an accurate and timely effective database of the official text of the New York city charter and administrative code in furtherance of effectuating the provisions of section 70-b of the public officers law, and the corporation counsel, who shall notify relevant publishers in furtherance of effectuating the provisions of section 7-111 of the administrative code, and provided further that failure to provide the notifications described in this section shall not affect the effective date of any section of this local law;
3. Subchapter 2 of chapter 5-A of title 24 of the administrative code of the city of New York, as added by section eight of this local law, shall not apply to any project for which the notice of intent, as such term is used in such subchapter, was submitted to the New York state department of environmental conservation before the effective date of such section;
4. Effective immediately, the department of environmental protection or any other agency may take such actions as are necessary for the timely implementation of this local law, including the promulgation of rules.

By Council Members Cornegy, Wills, Torres, Richards, Cumbo and Mendez.

A Local Law to amend the administrative code of the city of New York, in relation to requiring the department of education to distribute information regarding the gifted and talented programs and exam

Be it enacted by the Council as follows:

Section 1. Subchapter one of chapter two of title three of the administrative code of the city of New York is amended by adding a new section 3-209.3 to read as follows:

§3-209.3 *Distribution of gifted and talented program and exam materials.* a. For the purposes of this section "Department" shall mean the department of education.

b. The department shall include in materials given to parents regarding the department's universal pre-kindergarten information regarding the department's gifted and talented programs and examination.

§2. This local law shall take effect sixty days after its enactment.

Referred to the Committee on Education.

Int. No. 1348

By Council Members Cornegy, Dromm, Maisel, Johnson, Gentile, Rodriguez, Torres, Vacca, Richards, Mendez and Grodenchik.

A Local Law to amend the administrative code of the city of New York and the New York city charter, in relation to requiring the department of correction to provide inmates vocational or educational programming

Be it enacted by the Council as follows:

Section 1. Section 9-110 of the administrative code of the city of New York, as amended by local law number 50 for the year 1942, is amended to read as follows:

§ 9-110[.] Instruction.

The commissioner of correction may establish and maintain schools or classes for the instruction and training of the inmates of any institution under the commissioner's charge, *and shall provide vocational or educational programming to all inmates incarcerated for more than 30 days.*

§ 2. Section 625 of the New York city charter is amended to read as follows:

§ 625 Labor of prisoners.

Every inmate of an institution under the authority of the commissioner, *except for those pretrial detainees held for less than 30 days or those inmates who will serve, after sentencing, less than 30 days in a New York city correctional facility, shall be employed in some form of industry, provided vocational training, or provided educational programming* [, in farming operations or other employment, and products thereof shall be utilized in the institutions under the commissioner or in any other agency. Those persons held for trial may be employed in the same manner as sentenced prisoners, provided they give their consent in writing.] Such inmates [or prisoners held for trial] may be detailed by the commissioner to perform work or service on the grounds and buildings or on any public improvement under the charge of any other agency.

§ 3. This local law takes effect immediately.

Referred to the Committee on Fire and Criminal Justice Services.

Res. No. 1274

Resolution calling upon the New York State Legislature to pass and the Governor to sign Rory Staunton's law, legislation directing the New York State Commissioner of Education to establish rules and regulations for a sepsis awareness and prevention program for schools, and the New York City Department of Education to develop and disseminate a comprehensive sepsis curriculum.

By Council Members Dromm and Mendez.

Whereas, Sepsis is a complication caused by the body's overwhelming and life-threatening response to an infection; and

Whereas, Sepsis occurs when chemicals released into the bloodstream to fight a bacterial infection trigger widespread inflammatory responses throughout the body; and

Whereas, This inflammation can trigger changes that can damage multiple organ systems, causing them to fail; and

Whereas, In the worst cases, blood pressure drops and the heart weakens, leading to septic shock and potentially death; and

Whereas, According to the Centers for Disease Control and Prevention (CDC), sepsis can occur to anyone, at any time, from any type of infection, and can affect any part of the body; and

Whereas, Infants and children are at higher risk and sepsis is most common and most dangerous in older adults or those with weakened immune systems; and

Whereas, According to the National Institute of General Medical Sciences, severe sepsis strikes more than a million Americans every year, and it has been estimated that between 28 and 50 percent of these people die; and

Whereas, Early treatment of sepsis, usually with antibiotics and large amounts of intravenous fluids, improves chances for survival; and

Whereas, Rory Staunton, a twelve year-old Queens boy, tragically died as a result of sepsis, when the infection went unnoticed by medical staff; and

Whereas, A day after cutting his arm, Rory saw his pediatrician because he was vomiting, feverish, and had pain in his leg, at which point he was sent to the emergency room at NYU Langone Medical Center; and

Whereas, News media indicated that staff of NYU Langone treated and discharged Rory for an upset stomach and dehydration, although it was later determined that he had an infection, which likely entered through the cut in his arm; and

Whereas, According to media reports, it appears that several signs of sepsis were ignored or overlooked, including Rory's mottled skin, his rapid pulse, and his high volume of white blood cells; and

Whereas, He subsequently went into shock and experienced organ failure, and died three days later; and

Whereas, In the wake of this tragedy, Rory's family started the Rory Staunton Foundation to increase awareness of the symptoms of and risks of sepsis; and

Whereas, On January 29, 2013, Governor Andrew Cuomo of New York announced that all hospitals in New York State would be required to adopt evidence-based protocols for the early diagnosis and treatment of sepsis; and

Whereas, These regulations are now known as Rory's Regulations, in honor of Rory Staunton, and New York was the first state in the nation to implement such measures; and

Whereas, Additionally, a campaign called the STOP (Strengthening Treatment and Outcomes for Patients) Sepsis Collaborative was launched by the Greater New York Hospital Association (GNYHA) and the United Hospital Fund (UHF), which created a data collection tool with a structured checklist to identify and treat sepsis cases in a more standardized way; and

Whereas, “Rory Staunton's law,” as proposed by Senator Carl Marcellino and Assemblymember Catherine Nolan, aims to build on recent sepsis education efforts by requiring the New York State Commissioner of Education to promulgate rules and regulations relating to an ongoing sepsis awareness, prevention and education program; and

Whereas, The regulations would include a model curriculum, lesson plans and instructional resources relating to sepsis awareness and prevention that could be made available to every school district at no cost; and

Whereas, Rory Staunton's law would also require up-to-date instructional tools and materials for schools and libraries developed in collaboration with the New York State Commissioner of Health; and

Whereas, In addition, the Commissioner of Education would be required to issue a guidance memorandum to every school district to inform them of the availability of sepsis awareness and prevention materials and remind school districts of the availability of sepsis materials as part of sepsis awareness month every September; and

Whereas, In September 2015, The Rory Staunton Foundation partnered with Monsignor McClancy High School, a Catholic high school located in Queens, to pilot an education module for high school students examining the science of infectious diseases with a focus on sepsis; and

Whereas, The New York City Department of Education (DOE) should ensure that all schools throughout New York City have access to a comprehensive sepsis curriculum; and

Whereas, Raising awareness about sepsis prevention and recognition through outreach and education can help avert another tragedy; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the New York State Legislature to pass and the Governor to sign Rory Staunton's law, legislation directing the New York State Commissioner of Education to establish rules and regulations for a sepsis awareness and prevention program for schools, and the New York City Department of Education to develop and disseminate a comprehensive sepsis curriculum.

A Local Law to amend the administrative code of the city of New York, in relation to the compatibility of campaign finance board disclosure software

Be it enacted by the Council as follows:

Section 1. Paragraph (b) of subdivision 7 of section 3-708 of the administrative code of the city of New York is amended to read as follows:

(b) The board shall develop a program for informing candidates and the public as to the purpose and effect of the provisions of this chapter. The board shall prepare and make available educational materials, including compliance manuals and summaries and explanations of the purposes and provisions of this chapter. These

materials shall be prepared in plain language. The board shall prepare and make available materials, including, to the extent feasible, computer software, to facilitate the task of compliance with the disclosure and record-keeping requirements of this chapter. When disclosure reports are generated by use of the board's disclosure software, the board shall provide an opportunity for candidates to test their electronic filings on any of the three business days prior to the deadline for the filing of such disclosure reports. Any disclosure software issued by the board on or after January 1, 2008 shall enable users to meet their electronic disclosure obligations under this chapter and under article 14 of the election law, as amended by chapter 406 of the laws of 2005, *provided that if such disclosure software does not enable users to meet their electronic disclosure obligations under article 14 of the election law then the board shall prepare and deliver to the user an individual electronic file that enables the user to meet such obligations in a timely manner upon the request of any user and, for every date upon which disclosure filings are due from candidates and such disclosure software does not have such functionality, report to the council and the mayor the cause for such disclosure software not enabling users to meet such obligations and the date upon which such disclosure software is expected to have such functionality.*

A Local Law to amend the administrative code of the city of New York, in relation to the adjudication of campaign finance violations

Be it enacted by the Council as follows:

Section 1. Paragraph (a) of subdivision (ii) of section 3-710.5 of the administrative code of the city of New York is amended to read as follows:

(a) The board shall give written notice and the opportunity to appear before the board to any participating, limited participating or non-participating candidate, his or her principal committee, authorized committee, committee treasurer or any other agent of such candidate, if the board has reason to believe that such has committed a violation or infraction before assessing any penalty for such action. Any such written notice of alleged violations shall be issued in a timely manner pursuant to all of the requirements of subdivision one of section 3-710 and shall precede the issuance of the final audit required pursuant to subdivision one of section 3-710. In the case of a written notice issued prior to the date of a covered election, or after the date of a covered election in the case of a notice regarding an alleged failure to respond to a request for audit documentation, such notice may be issued prior to the issuance of a draft audit. Alleged violations and proposed penalties shall be subject to resolution by adjudication before the board consistent with the procedures of section 1046 of the charter, unless such procedures are waived by the candidate or principal committee; provided, however, that in the case of adjudications conducted prior to the date of a covered election, the board shall use the procedures of section 1046 of the charter only to the extent practicable, given the expedited nature of such pre-election adjudications; *and further provided that alleged violations and proposed penalties may be subject, at the discretion of the candidate or principal committee prior to the commencement of an adjudication proceeding before the board, to a proceeding before a tribunal of the office of administrative trials and hearings, which shall be docketed by the board within thirty days of receiving valid notice of such selection. The board shall issue a final determination within thirty days of the conclusion of [the] an adjudication proceeding or, for proceedings before a tribunal of the office of administrative trials and hearings, within thirty days of receiving findings and recommendations regarding such proceeding.*

A Local Law to amend the administrative code of the city of New York, in relation to inquiring if a person or entity is doing business with the city

Be it enacted by the Council as follows:

Section 1. Paragraph a of subdivision 1-b of section 3-703 of the administrative code of the city of New York is amended to read as follows:

a. Each participating candidate and his or her principal committee shall [inquire of] *provide to* every individual or entity making[,] a contribution, loan, guarantee or other security for such loan in excess of the amounts set forth in subdivision 1-a of section 3-703[, through a question, in a form prescribed by the campaign finance board, as to whether such individual, corporation, partnership, political committee, employee organization or other entity has business dealings with the city, as that term is defined in this chapter, and, if so, the name of the agency or entity with which such business dealings are or were carried on and the appropriate type or category of such business dealings. Such form shall contain in prominent typeface and in a prominent location] *a notice containing* the statement "If a contributor has business dealings with the City as defined in the campaign finance act, such contributor may contribute only up to two hundred fifty dollars for city council, three hundred twenty dollars for borough president and four hundred dollars for mayor, comptroller or public advocate." [Upon receipt of the response to such inquiry (including any failure to respond), the] The principal committee shall [keep a copy in its records and shall] report each contribution to the board on the next applicable filing deadline in accordance with the board's disclosure schedule. The board shall check each contribution against the doing business database and shall notify the principal committee within twenty days of the reporting of such contribution if a contribution exceeding the doing business

contribution limitation set forth in subdivision 1-a of section 3-703 is subject to such limitations of this subchapter or if a contribution is not matchable pursuant to such subdivision. Notwithstanding any provision in this subdivision, in the six weeks preceding the covered election the board shall provide such notification to the principal or authorized committee within three business days of the reporting of such contribution to the board in accordance with applicable reporting deadlines. If the board fails to notify the principal committee that a contribution is in excess of the limitations set forth in subdivision 1-a of section 3-703 of this chapter in accordance with this subdivision, any such contribution shall be deemed valid for purposes of such limitation, provided, however, that no such contribution shall be matchable. Such principal committee shall have twenty days from the date of any such notification to return the amount of any contribution in excess of the limitations set forth in subdivision 1-a of section 3-703 to the contributor. No violation shall issue and no penalty shall be imposed where such excess amount is postmarked or delivered within twenty days of such notification by the board and the board shall not designate a candidate as having accepted a contribution in excess of such limitations where such excess has been returned in accordance with the time limitations set forth herein. Failure to return such excess amount in accordance with the provisions herein shall not result in the board withholding public funds for which the participating candidate's principal committee is otherwise eligible pursuant to section 3-705 of this chapter; provided, however, that the board may deduct an amount equal to the total unreturned contributions in excess of the limitations set forth in subdivision 1-a of section 3-703 of this chapter from such payment of public funds. For purposes of this section, "individual" shall include any chief executive officer, chief financial officer, and/or chief operating officer of an entity or persons serving in an equivalent capacity, any person in a senior managerial capacity regarding an entity, or any person with an interest in an entity, which exceeds ten percent of the entity. For purposes of this subdivision, the phrase "senior managerial capacity" shall mean a high level supervisory capacity, either by virtue of title or duties, in which substantial discretion and oversight is exercised over the solicitation, letting or administration of business transactions with the city, including contracts, franchises, concessions, grants, economic development agreements, and applications for land use approvals. [Notwithstanding any other provision of this section, no participating candidate shall be liable for any fine or penalty for the failure of any contributor to respond to any such request or for any erroneous response.]

Be it enacted by the Council as follows:

Section 1. Paragraph (b) of subdivision (12) of section 3-703 of the administrative code of the city of New York is amended to read as follows:

(b) The board shall review each disclosure report timely submitted by a candidate prior to the last date upon which such candidate may file a certification pursuant to paragraph (c) of subdivision one of this section, or subdivision one of section 3-718, and issue to the candidate a review [before the next disclosure report is due.] *within 30 days of the date upon which such disclosure report was due, provided that a candidate may agree to an extension of time for such review by the board. Any response from the candidate to such review shall be due no earlier than when the next disclosure report is due.* Such review shall inform the candidate of relevant questions the board has concerning the candidate's: (i) compliance with requirements of this chapter and of the rules issued by the board; and (ii) qualification for receiving public funds pursuant to this chapter. In the course of this review, the board shall give candidates an opportunity to respond to and correct potential violations, before the deadline for filing a certification pursuant to paragraph (c) of subdivision one of this section, or subdivision one of section 3-718, and give candidates an opportunity to address questions the board has concerning their matchable contribution claims or other issues concerning eligibility for receiving public funds pursuant to this chapter; provided, however, this paragraph shall not apply to the last required disclosure report before the deadline for filing a certification pursuant to paragraph (c) of subdivision one of this section or subdivision one of section 3-718. Nothing in this paragraph shall preclude the board from subsequently reviewing such disclosure reports and taking any action otherwise authorized under this chapter, *provided that the board shall not invalidate a matchable contribution claim in a subsequent review unless the board learns of new information that is relevant to the eligibility for matching of such contribution claim and that was not available to the board at the time of the initial review.*

A Local Law to amend the administrative code of the city of New York, in relation to auditing buildings for compliance with the affordability requirements of the 421-a tax exemption program

Be it enacted by the Council as follows:

Section 1. Title 26 of the administrative code of the city of New York is amended by adding a new chapter 12 to read as follows:

*CHAPTER 12
AUDITS FOR COMPLIANCE WITH 421-A TAX EXEMPTION REQUIREMENTS*

§ 26-1201 Definitions.

§ 26-1202 Audits.

§ 26-1203 Report.

§ 26-1201 Definitions. For the purposes of this chapter:

Affordability requirements. The term “affordability requirements” means any requirement that one or more dwelling units within a building receiving benefits under section 421-a of the real property tax law be occupied by or available for occupancy by individuals or families whose incomes at the time of initial occupancy do not exceed a certain threshold.

Department. The term “department” means the department of housing preservation and development.

§ 26-1202 Audit. The department shall audit no fewer than 20 percent of all buildings receiving benefits under section 421-a of the real property tax law annually to determine whether the owners of such buildings are in compliance with all applicable affordability requirements, have received a certification of eligibility and have approved applications for such benefits.

§ 26-1203 Report. Where an audit performed pursuant to section 26-1202 of this chapter reveals that a building owner is not (i) in compliance with the applicable affordability requirements (ii) does not have a certification of eligibility and / or (iii) does not have an approved application for such benefits, the department shall, within 60 days, report such building owner to the speaker of the council and to the department of finance for revocation of benefits under section 421-a of the real property tax law for the period of such noncompliance or, where the department determines that an on-going pattern of non-compliance exists, or that the owner does not have a certificate of eligibility and / or an approved application for such benefits, from the inception of such benefits.

§ 2. Chapter 1 of title 11 of the administrative code of the city of New York is amended by adding a new section 11-139 to read as follows:

§ 11-139 Report on revocations. Within 60 days after receiving a report from the department of housing preservation and development pursuant to section 26-1203 of the code, the department of finance shall report to the speaker of the council and to the mayor, a plan and a timeline for revocation of benefits under section 421-a of the real property tax law.

§ 3. This local law takes effect one year after it becomes law, except that the commissioner of housing preservation and development may take such actions as are necessary for its implementation, including the promulgation of rules, prior to such effective date.

A Local Law to amend the administrative code of the city of New York, in relation to denying building permits where a nursing home has an excessive number of citations

Be it enacted by the Council as follows:

Section 1. Article 105 of chapter 1 of title 28 of the administrative code of the city of New York is amended by adding a new section 28-105.1.2 to read as follows:

§ 28-105.1.2 *Denial of permit. a. Definitions. For the purposes of this section, the following terms have the following meanings:*

Life safety code citation. The term “life safety code citation” means noncompliance with a requirement set forth in the life safety code of the national fire protection association as is applicable to nursing homes.

Nursing home. The term “nursing home” has the same meaning as is ascribed to the term “facility” in section 483.5 of title 42 of the code of federal regulations.

Standard health citation. The term “standard health citation” means noncompliance with a requirement set forth in subpart B of part 483 of title 42 of the code of federal regulations.

b. The commissioner shall not issue permits for any nursing home if:

1. The nursing home contains fewer than 200 beds and was issued more than six standard health citations or more than eight life safety code citations in the aggregate for the three most recent surveys conducted by the New York state department of health pursuant to subpart E of part 488 of title 42 of the code of federal regulations;

2. The nursing home contains between 200 and 300 beds and was issued more than eight standard health citations or more than 10 life safety code citations in the aggregate for the three most recent surveys conducted by the New York state department of health pursuant to subpart E of part 488 of title 42 of the code of federal regulations; or

3. The nursing home contains more than 300 beds and was issued more than 10 standard health citations or more than 12 life safety code citations in the aggregate for the three most recent surveys conducted by the New York state department of health pursuant to subpart E of part 488 of title 42 of the code of federal regulations.

c. The commissioner may issue a permit for a nursing home where the issuance of such permit is necessary to correct an outstanding violation of this code or of any other applicable provisions of law or rule or where the commissioner determines that issuance of such permit is necessary to perform work to protect public health and safety.

§ 2. This local law takes effect 120 days after it becomes law, except that the commissioner shall take such actions as are necessary for the implementation of this local law, including the promulgation of rules, before such date.

Referred to the Committee on Housing and Buildings.

A Local Law to amend the administrative code of the city of New York, in relation to the viewing of dates from the doing business database

Be it enacted by the Council as follows:

Section 1. Subdivision 20 of section 3-702 of the administrative code of the city of New York is amended to read as follows:

20. The term "doing business database" means a computerized database accessible to the board that contains the names of persons who have business dealings with the city; provided, however, that for purposes of this chapter the doing business database shall not be required to contain the names of any person whose business dealings with the city are solely of a type for which the board has not certified that such database includes the names of those persons engaged in such type of business dealings with the city. Such database shall be developed, maintained and updated by the office of the mayor in a manner so as to ensure its reasonable accuracy and completeness; provided, however, that in no event shall such database be updated less frequently than once a month. Such computerized database shall contain a function to enable members of the public to determine if a given person is in the database because such person has business dealings with the city and the date a person is considered doing business with the city pursuant to paragraph d of subdivision 18 of this section. A searchable list of persons removed from such computerized database, pursuant to paragraph c of subdivision 18 of this section, within the preceding five years, including the date the persons were considered doing business with the city and the date of removal from such computerized database, shall also be made available on the city's website. For purposes of this definition, the term "person" shall include an entity that has business dealings with the city, any chief executive officer, chief financial officer and/or chief operating officer of such entity or persons serving in an equivalent capacity, any person employed in a senior managerial capacity regarding such entity, or any person with an interest in such entity which exceeds ten percent of the entity, provided, however, that "entity" for purposes of this definition shall not include a neighborhood, community or similar association consisting of local residents or homeowners organized on a non-profit basis where such association is the applicant pursuant to subsection (3) of subdivision (a) of section 197-c of the charter or pursuant to section 201 of the charter or is a parent company or an affiliated company of an entity. For purposes of this subdivision, the phrase "senior managerial capacity" shall mean a high level supervisory capacity, either by virtue of title or duties, in which substantial discretion and oversight is exercised over the solicitation, letting or administration of business transactions with the city, including contracts, franchises, concessions, grants, economic development agreements and applications for land use approvals.

§ 2. This local law takes effect 120 days after it becomes law.

A Local Law to amend the administrative code of the city of New York, in relation to contributions in a special election

Be it enacted by the Council as follows:

Section 1. Paragraph (a) of subdivision 2 of section 3-705 of the administrative code of the city of New York is amended to read as follows:

(a) If the threshold for eligibility is met, the participating candidate's principal committee shall receive payment for qualified campaign expenditures of six dollars for each one dollar of matchable contributions, up to one thousand fifty dollars in public funds per contributor [(or up to five hundred twenty-two dollars in public funds per contributor in the case of a special election)], obtained and reported to the campaign finance

board in accordance with the provisions of this chapter.

§ 2. This local law takes effect 120 days after it becomes law.

Referred to the Committee on Standards and Ethics.

Int. No. 1363

By Council Members Salamanca, Greenfield and Menchaca.

A Local Law to amend the administrative code of the city of New York, in relation to the deadline for rescinding the written certification of participation in the matching funds program

Be it enacted by the Council as follows:

Section 1. Subparagraph (i) of paragraph (c) of subdivision 1 of section 3-703 of the administrative code of the city of New York is amended to read as follows:

(i) the tenth day of June in the year of the covered election, or such other later date as the board shall provide, provided, however, that any candidate who files such written certification prior to such date shall be permitted to rescind such certification in writing on or before [such date] *the ninth Monday preceding the primary election or prior to the receipt of public funds, whichever occurs first;*

§ 2. This local law takes effect immediately after it becomes law.

Referred to the Committee on Standards and Ethics.

Int. No. 1364

By Council Members Van Bramer and Menchaca.

A Local Law to amend the administrative code of the city of New York, in relation to executive sessions of the campaign finance board

Be it enacted by the Council as follows:

Section 1. Paragraph (a) of subdivision (ii) of section 3-710.5 of the administrative code of the city of New York is amended to read as follows:

(a) The board shall give written notice and the opportunity to appear before the board to any participating, limited participating or non-participating candidate, his or her principal committee, authorized committee, committee treasurer or any other agent of such candidate, if the board has reason to believe that such has committed a violation or infraction before assessing any penalty for such action. Any such written notice of alleged violations shall be issued in a timely manner pursuant to all of the requirements of subdivision one of section 3-710 and shall precede the issuance of the final audit required pursuant to subdivision one of section 3-710. In the case of a written notice issued prior to the date of a covered election, or after the date of a covered election in the case of a notice regarding an alleged failure to respond to a request for audit documentation, such notice may be issued prior to the issuance of a draft audit. Alleged violations and proposed penalties shall be subject to resolution by adjudication before the board consistent with the procedures of section 1046 of the charter, unless such procedures are waived by the candidate or principal committee; provided, however, that in the case of adjudications conducted prior to the date of a covered election, the board shall use the procedures of section 1046 of the charter only to the extent practicable, given the expedited nature of such pre-election adjudications. *No candidate, representative of a candidate or campaign finance board staff other than a professional clerk hired or retained for such purpose and not otherwise supervised by campaign finance board staff shall be present during an executive session of the*

board at which an adjudication before the board is discussed. The board shall issue a final determination within thirty days of the conclusion of the adjudication proceeding.

§ 2. This local law takes effect immediately after it becomes law.

A Local Law to amend the New York city charter, in relation to requiring the department of citywide administrative services to issue an annual report on collisions involving city-owned vehicles

Be it enacted by the Council as follows:

Section 1. Section 827 of chapter 35 of the New York city charter, as added by local law 59 for the year 1996, is amended by adding a new subdivision b to read as follows:

§ 827. Automotive services. *a.* The commissioner shall acquire by purchase, lease or otherwise, vehicles and other automotive equipment for the use of city agencies; manage, maintain, store and operate a fleet of motor vehicles; assign fleets to agencies in accordance with the direction of the mayor and ensure the effective operation of all shops, yards, garages, fuel depots and other facilities required for the maintenance of fleets operated by agencies; and ensure the maintenance of records for all city-owned vehicles.

b. Beginning no later than June 1, 2017 and no later than every June 1 thereafter, the commissioner shall submit to the city council and post on the website of the department of citywide administrative services a report providing information regarding collisions involving city-owned vehicles during the previous calendar year. Such report shall set forth information including but not limited to the following:

(1) total number of collisions, disaggregated by (a) agency, (b) borough, (c) community board, (d) if outside the city of New York, county, (e) whether the collision was with a moving or non-moving object, (f) weather condition at time of collision, (g) roadway surface condition at time of collision and (h) direction of impact;

(2) total number of collisions with fatalities, disaggregated by (a) agency, (b) borough, (c) community board, (d) if outside the city of New York, county, (e) whether the collision was with a moving or non-moving object, (f) weather condition at time of collision, (g) roadway surface condition at time of collision and (h) direction of impact;

(3) total number of collisions with injuries, disaggregated by (a) agency, (b) borough, (c) community board, (d) if outside the city of New York, county, (e) whether the collision was with a moving or non-moving object, (f) weather condition at time of collision, (g) roadway surface condition at time of collision and (h) direction of impact;

(4) total number of collisions in which driver was injured, disaggregated by agency;

(5) total number of collisions in which passengers were injured, disaggregated by agency;

(6) total number of collisions in which a pedestrian was injured, disaggregated by agency;

(7) number of collisions in which a bicyclist was injured, disaggregated by agency; and

(8) total number of preventable collisions, disaggregated by (a) agency, (b) borough, (c) community board, (d) if outside the city of New York, county, (e) whether the collision was with a moving or non-moving object, (f) weather condition at time of collision, (g) roadway surface condition at time of collision and (h) direction of impact.

A Local Law to amend the administrative code of the city of New York, in relation to auditing buildings for compliance with the rent registration requirements of the 421-a tax exemption program

Be it enacted by the Council as follows:

Section 1. Title 26 of the administrative code of the city of New York is amended by adding a new chapter 12 to read as follows:

CHAPTER 12

AUDITS FOR COMPLIANCE WITH 421-A TAX EXEMPTION RENT REGISTRATION REQUIREMENTS

§ 26-1201 Definitions.

§ 26-1202 Audits.

§ 26-1203 Report.

§ 26-1201 Definitions. For the purposes of this chapter:

Rent registration requirements. The term “rent registration requirements” means any requirement that one or more dwelling units within a building receiving benefits under section 421-a of the real property tax law be registered with the state division of housing and community renewal for rent stabilization.

Department. The term “department” means the department of housing preservation and development.

§ 26-1202 Audit. The department shall audit no fewer than twenty percent of all buildings receiving benefits under section 421-a of the real property tax law annually to determine whether such buildings are in compliance with all applicable rent registration requirements.

§ 26-1203 Report. Where an audit performed pursuant to section 26-1202 of this chapter reveals that a building owner is not in compliance with the applicable rent registration requirements, the department shall, within 60 days, report such building to the speaker of the council and to the department of finance for revocation of benefits under section 421-a of the real property tax law for the period of such noncompliance or, where the department determines that an on-going pattern of non-compliance exists, from the inception of such benefits.

§ 2. Chapter 1 of title 11 of the administrative code of the city of New York is amended by adding a new section 11-139 to read as follows:

§ 11-139. Report on revocations. Within 60 days after receiving a report from the department of housing preservation and development pursuant to section 26-1203 of the code, the department of finance shall report to the speaker of the council and to the mayor, a plan and a timeline for revocation of benefits under section 421-a of the real property tax law.

§ 3. This local law takes effect one year after it becomes law, except that the commissioner of housing preservation and development may take such actions as are necessary for its implementation, including the promulgation of rules, prior to such effective date.

Referred to the Committee on Housing and Buildings.

A Local Law to amend the administrative code of the city of New York, in relation to requiring the department of education to report the names of the schools to which teachers placed in the Absent Teacher Reserve have been assigned

Be it enacted by the Council as follows:

Section 1. The administrative code of the city of New York is amended by adding a new Chapter 11 to title 21-A to read as follows:

CHAPTER 11
ABESENT TEACHER RESERVE SCHOOL ASSIGNMENT

§21-977 a. Definitions. For the purpose of this section, the term “absent teacher reserve (ATR)” means teachers whose jobs have been eliminated due to school closure, downsizing, or after disciplinary hearings and who remain available for teaching.

b. Every year on May 1, beginning with May 1, 2017, the department shall submit to the speaker of the council, post to its website and make available to students and parents, an annual report indicating the names of the schools to which teachers from the ATR have been assigned. Such report shall include, but not be limited to:

- 1. The name of the former school where the teacher was assigned;*
- 2. The reason for placement in the ATR;*
- 3. The length of time spent in the ATR; and*
- 4. The name of the school to which the teacher was reassigned.*

c. All information required by this section shall be aggregated citywide, as well as disaggregated by borough, council district, community school district, and school.

d. No information that is otherwise required to be reported pursuant to this section shall be reported in a manner that would violate any applicable provision of federal, state or local law or that would interfere with law enforcement investigations or otherwise conflict with the interests of law enforcement.

§2. This local law takes effect immediately.

[Stated Council Meeting](#).....*Ceremonial Tributes – 1:00 p.m.*
.....*Agenda – 1:30 p.m.*

During the Communication from the Speaker segment of this Meeting, the Speaker (Council Member Mark-Viverito) commented on the results of the 2016 Presidential election. Included in her comments was a pledge that the Council will never stop fighting for all New Yorkers whether an individual was born here, or overcame insurmountable odds to come to our city, or has sought administrative relief from deportation. The Speaker (Council Member Mark-Viverito) reaffirmed that New York City will remain a sanctuary city and that the undocumented community will not be abandoned.

Also during the Communication from the Speaker segment of this Meeting, the Speaker (Council Member Mark-Viverito) asked everyone to give a round of applause to departing Council Communications Director Eric Koch. She noted that he is leaving the Council to join Precision Strategies as a managing principal. The Speaker (Council Member Mark-Viverito) also mentioned the promotion of Press Secretary Robin Levine to be the new Council Communications Director.

During the Meeting and shortly before adjournment, the Speaker (Council Member Mark-Viverito) wished everyone a Happy Thanksgiving.

Whereupon on motion of the Speaker (Council Member Mark-Viverito), the Public Advocate (Ms. James) adjourned these proceedings to meet again for the Stated Meeting on Tuesday, November 29, 2016.
