INVOCATION

The Invocation was delivered by Reverend Rashad Raymond Moore, First Baptist Church of Crown Heights, located at 450 Eastern Parkway, Brooklyn, N.Y. 11225.

Good afternoon.

Please join me for a word of prayer.

“How good it is to center down,
to sit quietly and to see our lives pass by.
The streets of our mind seethe with endless traffic,
our spirits resound with clashings with noisy silences
while something deep within this moment
hungers and thirsts for the still small moment,
a direction, a strong sure purpose
that will structure our confusion and our chaos.
How good it is to center down.”
- Howard Thurman.

Oh God, our help in ages past,
our hope for years to come.
We pause for a moment out of the daily rounds
of life and leadership to give you thanks
for the gift of life and for life itself.
For just a moment,
we hush out the noise of the world
to hear your voice again.
Please give us all that we need in this moment
to provide leadership for our city.
All that we need, you have provided,
and so we ask now for your wisdom
to make just decisions,
power to stand for what is right
even if we have to stand alone,
and the patience to tend to the cries, complaints,
concerns, and dreams of the communities
we have been elected to serve.
Give us the strength we need to serve this present age,
to continue our fight for a more just tomorrow.
A time like this demands strong minds,
great hearts, true faith, and ready hands.
A time like this demands that we stand
and bear witness on behalf of all of God’s children
whose rights are threatened and diminished
by a frightening court action that is unjust.
May the beauty of the tulips and lilies of this Eastertide
be a reminder to us, dear God,
that you never intended for us
to live our lives in boxes and closets,

neither do you intend for the laws of our land
to be controlled by distorted
or patriarchal interpretations of Christianity,
nor is it the will of your government, oh God,
to have a role in whatsoever a person decides to do
with their private healthcare decisions,
and so we ask now for your strength
to help us continue to fight,
the good fight, for a just tomorrow.
Give us the courage to speak the truth.
Give us an imagination to dream new dreams
and to see new possibilities.
Give us the sensitive ear, oh God,
to hear the cries of those
who are sick, homeless, and destitute,
and so with your Spirit and strength
we will continue to dream
and to build a new New York,
a new New York where every gender, class, and race
can bring their rainbow gifts and colors
to your limitless embrace,
a new New York where the lines that divide
become the ties that bind,
a new New York where the homeless find a home,
where no children will ever hunger,
where all people work for justice,
where gun violence will cease,
where every class will be gifted and talented,
where the broken streets will be restored,
where we can all live in dignity and peace,
and, with your wisdom and power pushing us on,
we will continue to put our hand to the plow,
to put our hands, heads, and hearts together
to build a new New York this day and forevermore.
This is our prayer.
In your many names we pray and we say amen.
Amen.

Council Member Hudson moved to spread the Invocation in full upon the record.

During the Communication from the Speaker segment of this meeting, the Speaker (Council Member Adams) acknowledged the traffic fatalities that were continuing to plague city streets. She spoke of an incident that had taken place on May 4, 2022 when 16 year old Alissa Kolenovic was fatally struck by a delivery truck as she was walking to school. The accident had taken place in the Morris Park section of Council Member Velazquez's district in The Bronx. The Speaker (Council Member Adams) emphasized that the city needed to take every precaution necessary to put an end to such deadly accidents. She also reiterated that the Council was committed to the work of legislative equity in order to right such wrongs that were impacting city residents.

At this point, the Speaker (Council Member Adams) asked for a moment of silence in memory of all the children lost to traffic fatalities during the year.

A moment of silence was observed in the Council Chambers.

Re: Statement of Debt Affordability

Pursuant to Chapter 16 of the Laws of 1997 of the State of New York, which includes the New York City Transitional Finance Authority Act (the "Act"), I am providing the annual statement of debt affordability. This statement does not constitute the annual declaration of need pursuant to Section 2799-ff of the Act, which will be prepared following adoption of the City of New York's (the "City's") fiscal year 2023 Budget by the City Council.

In order to finance projects within its Capital Budget, the City currently has a capital financing need of up to \$9.1 billion, \$10.2 billion, \$11.6 billion and \$12.0 billion in fiscal years 2023 through 2026, respectively. To the extent that General Obligation Bonds are issued to finance such projects, the capital financing need to be met by the issuance of future tax-secured bonds ("FTS") of the New York City Transitional Finance Authority ("TFA") would be reduced accordingly. The City currently expects to issue General Obligation Bonds to provide funding for approximately half of such four year financing program.

There is no reserve or surplus fund held by TFA as of the date of this statement and there was none as of the end of the most recently completed fiscal year. The TFA's Debt Service Fund contained and contains amounts in excess of minimum retention requirements, which amounts are applied to make debt service payments during the City's Financial Plan period.

Schedule A shows the City's and TFA's debt-incurring power, excluding Building Aid Revenue Bond financing capacity. Schedule B presents the sources of financing for the City's four-year capital program. Schedule C specifies amounts of debt service payable on City General Obligation bonds and TFA FTS bonds, amounts expected to be outstanding in each of the Financial Plan years for General Obligation and TFA FTS bonds, and various debt service and debt ratios as required by the Act. Schedule C provides a framework for assessing the affordability to the City of the debt to be issued as described on Schedule B.

In my opinion, debt affordability is a judgment made by balancing the City's need for essential capital improvements and the costs of delaying or not implementing such improvements against the impact of debt service costs arising from the financing of those capital needs on the other competing City priorities funded through the City's operating budget. The judgment is reflected in the City's Financial Plan and in its operating budget and Capital Plan as proposed by the Mayor, which has the result, in fiscal year 2026, of debt service (including the TFA FTS and lease (conduit) debt service) requiring 9.2 percent of total revenues and 13.2 percent of total tax revenues.

Sincerely,

Jacques Jiha, Ph.D

A Local Law to amend the administrative code of the city of New York, in relation to reporting on park and playground inspections conducted by the department of parks and recreation

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 18 of the administrative code of the city of New York is amended by adding a new section 18-158 to read as follows:

§ 18-158 Park and playground inspections. a. Definition. For the purposes of this section, the term “park feature” means a structural or landscape element of a park or other property under the jurisdiction of the department, including, but not limited to: athletic fields; benches; fences; lawns; horticultural areas; paved surfaces; play equipment; safety surfacing; sidewalks; trees; unpaved trails; and any condition related to cleanliness, such as the presence of litter, graffiti, broken glass, ice or weeds.

Upon the conclusion of an inspection, a grade of acceptable or unacceptable for the relevant park features shall be issued.

c. By December 31, 2022 and every six months thereafter, the department shall submit a report to the mayor and the council regarding park features under the jurisdiction of the department that were found to receive an unacceptable rating three or more times during a six month period, resulting from inspections conducted by the department.

d. The report required by subdivision c of this section shall include, but need not be limited to:

1. The date and location of each inspection performed by the department of a park feature of a park, playground, pool, beach or recreation center, where such park feature was issued an unacceptable rating during such inspection three or more times during a six-month period;

2. For each such park feature, a description of the condition that resulted in an unacceptable rating being issued;

3. A plan that describes the work deemed necessary by the department to be performed in order to bring such feature into a condition where it would be rated as acceptable pursuant to an inspection performed by the department; and

4. An estimate of the cost and timeframe required to complete such work.

§ 2. This local law takes effect 90 days after it becomes law.

RESOLUTIONS

presented for voice-vote

The following are the respective Committee Reports for each of the Resolutions referred to the Council for a voice-vote pursuant to Rule 8.50 of the Council:

Report for voice-vote item Res. No. 21

Report of the Committee on Veterans in favor of approving a Resolution reaffirming New York City's status as a Purple Heart City and calling on the State Legislature to pass, and the Governor to sign A.7961/S.2279, designating the State of New York a Purple Heart State.

The Committee on Veterans, to which the annexed resolution was referred on February 24, 2022 (Minutes, page 216), respectfully

REPORTS:

I. INTRODUCTION

On May 4, 2022, the Committee on Veterans, chaired by Council Member Robert Holden, held a hearing on Resolution No. 21 of 2022, sponsored by Council Member Eric Dinowitz, to reaffirm New York City's status as a Purple Heart City and calling on the State Legislature to pass, and the Governor to sign A.7961/S.2279, designating the State of New York a Purple Heart State. In addition, the Committee heard Resolution No. 41 of 2022, sponsored by the Public Advocate Jumaane Williams, calling on Congress to pass, and the President to sign, legislation that allows service members, veterans and eligible surviving spouses to use the United States Department of Veteran Affairs home loans to purchase cooperative apartments.

These two resolutions were previously heard at a joint hearing of this Committee and the Committee on General Welfare held on April 4, 2022. At that hearing, the committees received testimony from the New York City Department of Veterans' Services (DVS), the New York City Department of Homeless Services (DHS), veteran service organizations, supportive housing and homeless services providers, advocates, veterans and other interested parties.

II. UPDATE

The Committee on Veterans passed Resolution 21-2022 by a vote of five in the affirmative, zero in the negative, and zero abstentions. The Committee also passed Resolution 41-2022 by a vote of five in the affirmative, zero in the negative, and zero abstentions.

III. ANALYSIS OF LEGISLATION

Resolution 21 of 2022 calls on the State Legislature to pass, and the Governor to sign A.7961/S.2279, designating the State of New York a Purple Heart State. The Purple Heart decoration is a solemn distinction and is presented to service members who have been wounded or killed while serving in the United States military. By adopting the Purple Heart designation on a statewide basis, New York State can take another critical step in ensuring our veterans are welcomed and respected.

Resolution 41 of 2022 calls on the United States Congress to pass, and the President to sign, legislation that would allow service members, veterans and eligible surviving spouses to use the home loans backed by the United States Department of Veteran Affairs to purchase cooperatively owned apartments, or co-ops. Currently, the VA loans cannot be used to purchase co-ops, which can pose a significant problem for veterans and military members looking to become homeowners in large cities, such as New York, where co-ops often account for a sizable share of housing.

(For text of Res. No. 41, please see the Report of the Committee on Veterans for Res. No. 41 printed below in this voice-vote Resolutions Calendar section of these Minutes)

Accordingly, this Committee recommends its adoption.

(The following is the text of Res. No. 21:)

Res. No. 21

Resolution reaffirming New York City's status as a Purple Heart City and calling on the State Legislature to pass, and the Governor to sign A.7961/S.2279, designating the State of New York a Purple Heart State.

By Council Members Dinowitz, Yeger, Brooks-Powers, Menin and Holden.

Whereas, According to the Military Order of the Purple Heart, an organization for combat wounded veterans, the Purple Heart Medal is the oldest and among the most venerated military decorations in present use; and

Whereas, The Purple Heart is awarded in the name of the President of the United States to those wounded or killed in combat by enemy action, or posthumously to their next of kin; and

Whereas, On August 7, 1782, during the Revolutionary War, General George Washington issued an order establishing a badge of distinction for meritorious action, which consisted of a heart made of purple cloth; and

Whereas, The award was notable because it was a way to honor brave soldiers in the lower ranks who fought under General Washington's command for America's independence at a time when only officers were eligible for decoration in European armies; and

Whereas, Although discontinued after the Revolutionary War, the decoration was reinstated by the Department of Defense in 1932; and

Whereas, Our nation's military leaders have awarded the Purple Heart to honor an estimated 1.8 million Americans who have been wounded in battle or killed in action; and

Whereas, New York City is home to 230,000 veterans, according to the New York City Department of Veteran Services; and

Whereas, In 2015, the New York City Council issued a proclamation declaring New York City a Purple Heart City; and

Whereas, S.2279, sponsored by Senator Daphne Jordan and its companion bill A.7961, sponsored by Assembly Member Jake Ashby, would designate the State of New York a Purple Heart State, recognizing the heroic sacrifices our nation's soldiers have made in order to protect our country; now, therefore, be it

Resolved, That the Council of the City of New York reaffirms New York City's status as a Purple Heart City and calls on the State Legislature to pass, and the Governor to sign A.7961/S.2279, designating the State of New York a Purple Heart State.

Pursuant to Rule 8.50 of the Council, the Majority Leader and Acting President Pro Tempore (Council Member Powers) called for a voice-vote. Hearing no objections, the Majority Leader and Acting President Pro Tempore (Council Member Powers) declared the Resolution to be adopted.

Adopted unanimously by the Council by voice-vote.

Res. No. 41

Resolution calling on Congress to pass, and the President to sign, legislation that allows service members, veterans and eligible surviving spouses to use the United States Department of Veteran Affairs home loans to purchase cooperative apartments.

By the Public Advocate (Mr. Williams) and Council Members Hanif, Yeger, Louis, Brooks-Powers, Dinowitz, Menin and Holden.

Whereas, The United States Department of Veteran Affairs (VA) helps service members, veterans and eligible surviving spouses to become homeowners by offering a home loan; and

Whereas, Home loans offered by the VA, known as VA loans, are provided by private lenders such as banks and mortgage companies; and

Whereas, The VA guarantees a portion of the home loan, which enables the lender to provide favorable terms; and

Whereas, The New York Times published an article titled, “A Loan Program for Veterans Comes Wrapped in Red Tape”, on June 10, 2013, which identified obstacles to using the VA loan to purchase a condominium or cooperative apartment in New York; and

Whereas, The New York Times article highlights three challenges: 1) New York real estate firms have no experience with VA loans, 2) VA loans can only be used to purchase a condominium if the entire building applies to the VA for approval and 3) cooperative buildings are excluded from the VA loan program; and

Whereas, According to the National Association of Housing Cooperatives, more than 1.2 million families in the United States live in homes owned and operated through a cooperative association and most of these units are located in major urban areas such as Chicago, San Francisco and New York City; and

Whereas, Cooperative units are often a less expensive housing option when compared to condominium units or single-family houses; and

Whereas, Veterans seeking to find a home in New York City or other major urban areas should have similar home buying support as veterans who purchase homes in suburban or rural areas; now, therefore, be it

Resolved, That the Council of the City of New York calls on Congress to pass, and the President to sign, legislation that allows service members, veterans and eligible surviving spouses to use the United States Department of Veteran Affairs home loans to purchase cooperative apartments.

INTRODUCTION AND READING OF BILLS

Res. No. 153

Resolution calling upon the Department of Education to create a Jewish Heritage Day in New York City public schools.

By Council Members Abreu, Dinowitz, Restler, Menin, Schulman, Vernikov, Yeger, Kagan, Joseph, Bottcher, Ung, Avilés, De La Rosa and Carr.

Whereas, Hate crimes, defined by the United States (U.S.) Department of Justice as “crimes committed on the basis of the victim’s perceived or actual race, color, religion, national origin, sexual orientation, gender, gender identity, or disability,” are on the rise in the U.S.; and

Whereas, According to the latest Federal Bureau of Investigation (FBI) Hate Crime Statistics report released in November 2020, 2019 had the highest level of reported hate crimes nationally in more than a decade; and

Whereas, Further, the majority of hate crimes motivated by religious bias were anti-Jewish, according to the FBI report; and

Whereas, In New York City, hate crimes also continue to grow, with a reported 76% increase in the first few months of 2022 compared to the same period last year, according to data from the New York Police Department Hate Crimes Task Force (HCTF); and

Whereas, There were 194 hate crimes in NYC between January 1 and April 10 of 2022, in comparison to the 110 hate crimes from the same dates in 2021, the HCTF report shows; and

Whereas, According to the HCTF data, crime incidents targeting Jewish people, which comprise the largest number of NYC hate crimes so far this year, increased from 28 crimes for this period last year to 86 in 2022, a rise of more than 200%; and

Whereas, Many educators and advocates maintain that schools can play an important role in helping to reduce bias in our society, as biases often develop at a young age according to *Psychology Today*; and

Whereas, Students in NYC schools learn about anti-Semitism by studying the Holocaust, the systematic, state-sponsored persecution and murder of six million Europeans of Jewish faith by the Nazi German regime and its allies and collaborators during World War II, which is required to be taught starting in 10th grade according to the New York State Grades 9-12 Social Studies Framework; and

Whereas, However, there is no requirement to teach about the more than 350-year history of Jewish Americans, who immigrated to this country in waves since colonial times in search of religious freedom and to escape oppression and persecution, according to the National Humanities Center; and

Whereas, Additionally, there is no formal mechanism or requirement to teach about Jewish contributions to America and the American culture; and

Whereas, Pursuant to a resolution passed unanimously by the U.S. Congress in February 2006, on April 20, 2006, then-President George W. Bush proclaimed that May would be Jewish American Heritage Month; and

Whereas, Each year since then, U.S. presidents have issued proclamations declaring May as Jewish American Heritage Month in order to raise awareness and appreciation of Jewish American contributions to this nation; and

Whereas, However, Jewish American Heritage Month is not formally celebrated by NYC public schools, nor is there much recognition or commemoration of the month anywhere in the U.S., according to the Jewish Telegraphic Agency; and

Whereas, The NYC Department of Education could designate a Jewish Heritage Day in City public schools to celebrate the positive contributions and achievements of Jewish Americans, and particularly Jewish New Yorkers, which would benefit all students by helping them to appreciate others’ strengths, build empathy, and reduce implicit bias; and

Whereas, The recent rise in hate crimes reinforces how important it is to raise awareness about the contributions and achievements of Jewish Americans as early as possible to help combat stereotypes and bias against Jewish people; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the Department of Education to create a Jewish Heritage Day in New York City public schools.

Referred to the Committee on Education.

Res. No. 155

Resolution calling upon the New York State Legislature to pass, and the Governor to sign, legislation that adds a gravely disabled standard to the civil commitment law.

By Council Members Holden and Yeger.

Whereas, Every state has civil commitment laws that establish criteria for determining when involuntary treatment for individuals with severe mental health needs who cannot seek care voluntarily is necessary; and

Whereas, New York State has such standards that include the use of court ordered treatment known as Assisted Outpatient Treatment (AOT), which 47 states and Washington DC have adopted, and such laws have led to a reduction in hospitalization, arrest, incarceration, homelessness, and violence related to mental illness; and

Whereas, The New York State 2023 enacted budget expanded upon these laws; and

Whereas, According to an analysis by the Treatment Advocacy Center of data from the US Census Bureau from 2020 and the National Institute of Mental Health prevalence rates from 2021 and 2017, there are approximately 177,000 and 370,000 adults with schizophrenia and severe bipolar disorder, respectively, which are deemed severe mental health illnesses; and

Whereas, The Treatment Advocacy Center, a national organization dedicated to removing barriers to effective severe mental health treatment, espouses a standard of a minimum of 50 public psychiatric beds per 100,000 people in order for states to adequately meet the need for treatment; and

Whereas, State psychiatric facilities in New York City lost 15 percent of their total bed capacity for adults between 2014 and 2018, and yet between 2015 and 2017, the number of severely mentally ill homeless people in the city increased by over 20 percent; and

Whereas, New York State lost 1,742 beds between 2010 and 2016, with 16.3 beds per 100,000 people, which is far below the minimum standard in order to adequately address the need for severe mental health treatment; and

Whereas, According to the New York State Nurses Association, New York City accounts for 72 percent of the decline in inpatient psychiatric beds between 2000 and 2019, a total loss of 459 beds; and

Whereas, In 1969, California enacted the Lanterman-Petris-Short Act or LPS Act, which established a standard for mental health commitment due to an individual being either an imminent danger or due to “grave disability,” in which a person is unable to meet their basic needs in order to survive, and the LPS Act served as a model for others states in crafting civil commitment laws; and

Whereas, “Grave disability” is generally defined as an individual’s inability to provide themselves with personal basic needs such as food, clothing, or shelter, with some states, such as Alaska, using a definition that also encompasses a standard of the disability being so severe as to cause a substantial risk that the individual will experience harm, according to the Substance Abuse and Mental Health Services Administration; and

Whereas, New York State’s current standard for the involuntarily commitment of an individual is if they are deemed in need of inpatient psychiatric treatment by physicians, are unable to make the determination of need for themselves, and present a threat of harm or a danger to themselves and others; and

Whereas, New York is one of four states, along with Washington, DC, that has failed to incorporate a grave disability standard into its standards for civil commitment of those with mental illnesses and the Treatment Advocacy Center urgently calls for the standard to be adopted into state law; now, therefore, be it

Resolved, That the Council of the City of New York calls on the New York State Legislature to pass, and the Governor to sign, legislation that adds a gravely disabled standard to the civil commitment law.

Res. No. 156

Resolution calling on the New York State Legislature to pass, and the Governor to sign the Treatment Not Jail Act (S2881 /A6603), which would amend Criminal Procedure Law Article 216 of the judicial diversion law in order to expand eligibility for treatment for court-involved individuals and shift the presumption from incarceration to community support.

By Council Members Rivera, Hudson, Louis, Hanif, Narcisse, Avilés, Williams, Cabán, Ossé, Ayala, Restler, Richardson Jordan, Gutiérrez and Barron.

Whereas, According to the most recent Preliminary Mayor's Management Report, 53 percent of those in New York City Department of Correction custody had a mental health diagnosis and 16.5 percent had a serious mental illness diagnosis; and

Whereas, According to a 2018 report from the New York City Health and Hospitals Corporation, 45 percent of those in City jails had a substance abuse disorder; and

Whereas, While efforts have been made to reduce the number of people in New York City jails with mental health and substance use problems and increase the availability of community mental health resources and access to diversion programs, much more needs to be done; and

Whereas, It costs New York City and local governments across the state more to incarcerate individuals with mental health and substance use problems than it does to provide them treatment within their communities for a variety of reasons, including that they cannot use Medicaid dollars for their treatment; and

Whereas, Reports indicate that placing these individuals in treatment programs, rather than incarcerating them, reduces recidivism rates; and

Whereas, Under current state law, only people with substance use disorders charged with specific drug- and property-related criminal offenses are eligible for judicial diversion; and

Whereas, All court-involved people with disabilities and other behavioral health-related problems deserve an opportunity to access and benefit from treatment and support; and

Whereas, S2881, introduced by State Senator Jessica Ramos, and companion bill A6603, introduced by State Assembly Member Andrew Hevesi, would amend the judicial diversion law to expand eligibility for treatment for court-involved individuals and shift the presumption from incarceration to community support; and

Whereas, S2881/A6603 would expand eligibility for treatment by eliminating charge-based eligibility and making people with mental health illness and those with intellectual and physical disabilities eligible for diversion; and

Whereas, S2881/A6603 would shift the presumption from incarceration to community support by ensuring that participation in judicial diversion is not tied to a guilty plea and participants are not incarcerated without due process; and

Whereas, Expanding eligibility for judicial diversion would save taxpayer money because diversion programs qualify for Medicaid and federal matching-funds; and now, therefore, be it

Resolved, That the Council of the City of New York calls on the New York State Legislature to pass, and the Governor to sign the Treatment Not Jail Act (S2881/A6603), which would amend Criminal Procedure Law Article 216 of the judicial diversion law in order to expand eligibility for treatment for court-involved individuals and shift the presumption from incarceration to community support.

Res. No. 157

Resolution calling upon the United States Food and Drug Administration to require warning labels on sugar sweetened beverages.

By Council Member Schulman, the Public Advocate (Mr. Williams) and Council Members Louis, Hanif, Joseph, Ung, Ayala and Abreu.

Whereas, The United States is facing an obesity epidemic, and, according to the Centers for Disease Control and Prevention, 42.4 percent of adults in 2017-2018 were obese; and

Whereas, This epidemic also impacts children as approximately 14.4 million children and adolescents between the ages of 2 and 19 were obese in 2017-2018; and

Whereas, There are many factors that contribute to obesity including caloric intake, level of physical activity, environment, and genetics; and

Whereas, Obesity is also an acute problem in New York City, as a majority of New Yorkers are overweight or obese, according to the Department of Health and Mental Hygiene (DOHMH); and

Whereas, According to the DOHMH, a large contributor to obesity is the sugar that people consume; and

Whereas, Sugar-sweetened beverages, such as soda, sports drinks, fruit drinks and tea drinks, are a common source of sugar, with some containing 16 teaspoons of added sugar in a 20-ounce serving; and

Whereas, Due to the negative impact that sugar sweetened beverages can have on an individual's health, many organizations have urged the United States Food and Drug Administration to take action; and

Whereas, The Center for Science in the Public Interest (CSPI), along with other health groups and state agencies, including, but not limited to, the American Public Health Association, the Trust for America's Health, and the New York State Department of Health, have advocated for messages warning consumers about the risks of weight gain, obesity, diabetes, and other associated health problems; and

Whereas, CSPI recommended several labels including: "Drinking too many sugary drinks can promote diabetes and heart disease" and "For better health, the U.S. government recommends that you limit your consumption of sugary drinks"; and

Whereas, CSPI believes that warning labels will raise public awareness about the possible health concerns associated with consuming sugar sweetened beverages; and

Whereas, Government must take an increased role in combating the obesity epidemic; and

Whereas, Providing warning labels on sugar sweetened beverages is one method to educate the public about the serious health consequences associated with these products; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the United States Food and Drug Administration to require warning labels on sugar sweetened beverages.

The following comments were among the remarks made by the Speaker (Council Member Adams) during the Communication from the Speaker segment of this meeting:

The Speaker (Council Member Adams) acknowledged the leak of a draft majority opinion of the United States Supreme Court which would overturn the federally protected right to abortion provided by the *Roe v. Wade* decision nearly fifty years previously. She warned that if the draft opinion was reflected in the Court's final decision, this important Federal protection afforded to women as well as to gender-nonconforming and trans individuals would be eliminated across the country. She pointed out that those who would be most impacted would be black, brown and low-income people in states where the right to a safe abortion would be stripped away. The Speaker (Council Member Adams) explained further that such a final decision would jeopardize an entire range of rights undermining protections based on race, sexual orientation, gender identity and expression among others. She urged the U.S. Senate to pass the Women's Health Protection Act to ensure that fundamental healthcare rights were protected by Federal law.

The Speaker (Council Member Adams) recalled her experiences as a student at Spelman College in Atlanta when she majored in a sector of healthcare and worked as an advocate at a women's health care center. She noted that this women's center had provided reproductive healthcare services, sexual health education, contraception, and pregnancy termination. She spoke of how she had held the hands of women who were agonizing over well thought-out and informed choices and that she still carried their stories with her to the present day. The Speaker (Council Member Adams) acknowledged that the rallies and the marches would not cease until women, gender non-conforming, and trans individuals across the United States had the right to access safe and legal abortions. She agreed with Council Member Cabán's statement made at an earlier press conference that there would be an enormous fight ahead for all on this issue. The Speaker (Council Member Adams) urged everyone to come together with profound love, courage, solidarity and to march on.

The Speaker (Council Member Adams) acknowledged the recent observation of May Day which honored the workers who helped make the city what it is today. She noted how the power of organized labor was being felt with the success of many recent worker-organizing victories. She pointed out that these victories helped ensure that workers had a voice in their struggle to win the protections and fair wages which they deserved. She noted that the Council would continue to support workers and their union-partners in the movement.

The Speaker (Council Member Adams) acknowledged National Teachers Appreciation Week when tribute is paid to our educators. She noted that teachers were unsung heroes even before the outbreak of the pandemic and that our gratitude for teachers and educators should continue well beyond the duration of Teachers Appreciation Week.

The Speaker (Council Member Adams) acknowledged the conclusion of the holy month of *Ramadan* for our Muslim communities. She wished *Eid Mubarak* to those New Yorkers who were celebrating and expressed her hope that they had a happy, safe, and peaceful *Eid al-Fitr* with family and friends.

The Speaker (Council Member Adams) acknowledged the month-long celebration in May of Asian-American and Pacific Islander Heritage Month when the contributions of the diverse AAPI communities are recognized. She expressed her pride that the present historically diverse Council included the first Korean-American representative in Council Members Lee and Won as well as the first South Asian representatives in Council Members Hanif and Krishnan.

The Speaker (Council Member Adams) acknowledged that Mother's Day would be celebrated during the upcoming weekend. She noted that this Mother's Day would be especially meaningful with the Council's first women-majority in its history -- this new majority in the Chambers included daughters, young and older mothers, mothers-to-be, and future mothers. She also acknowledged the men and the fathers who recognized the importance of Mother's Day as well. On behalf of the Council, the Speaker (Council Member Adams) wished a Happy Mother's Day to all mothers.

The Speaker (Council Member Adams) also wished everyone a Happy *Cinco de Mayo* during the meeting.

Shortly before the adjournment of the meeting, the Speaker (Council Member Adams) congratulated both Council Member Restler and the Speaker's Office Special Counsel Carlos Beato on their respective wedding celebrations taking place in the upcoming weekend.

Whereupon on motion of the Speaker (Council Member Adams), the Majority Leader and Acting President Pro Tempore (Council Member Powers) adjourned these hybrid proceedings to meet again for the Stated Meeting on Thursday, May 19, 2022.

MICHAEL M. McSWEENEY, City Clerk
