Dear Sirs and Madams:

Re: Funding Agreement dated as of _____, 20__ (“Funding Agreement”) by and between The City of New York acting by and through its Department of Design and Construction (the “City”) and _____ (“Funding Recipient”); Security Agreement dated as of _____, 20__ (“Security Agreement”) by Funding Recipient in favor of the City; and License Agreement dated as of _____, 20__ (the “License Agreement”) by and between the undersigned (“Licensor”) and Funding Recipient.

Funding Recipient has advised Licensor that the City has provided funding (“Funding”) to Funding Recipient pursuant to the Funding Agreement to finance the acquisition of certain equipment (“Equipment”) and software (“Software”) necessary to operate said Equipment. Licensor is the holder of all copyrights and trademarks and owns all rights, benefits and privileges appurtenant to the Software. Accordingly, upon the occurrence of an Event of Default under the Funding Agreement, the City may avail itself of all of its rights against the Equipment under the Security Agreement, and the City and/or its designee shall be vested with all of the rights, benefits and privileges of Funding Recipient with respect to the Software under the License Agreement.

At the request of Funding Recipient, Licensor hereby consents to the pledge, transfer and assignment to the City and/or the City's designee of the rights, benefits and privileges of Funding Recipient with respect to the Software under the License Agreement for the remaining term of the License, provided that prior to exercising its rights with respect to the Software as collateral assignee of the License Agreement: (i) the City shall give notice to Licensor of the occurrence of an Event of Default under the Funding Agreement; and (ii) the City shall identify to Licensor the person or entity that will make use of the Software, including, name and address and such other information as Licensor shall reasonably request.

Licensor further agrees that the pledge, transfer and assignment to the City and/or the City's designee of the rights, benefits and privileges of Funding Recipient with respect to the Software, and the use thereof by the City and/or the City's designee during the Performance Term shall be at no cost whatsoever to the City and/or the City's designee.

Very truly yours,

[LICENSOR]
