

# Infrastructure Update, Spring 2024

## District of New York State Senator James Sanders

---

# Benefits of infrastructure upgrades

## Storm sewer

- Less frequent flooding
- Avoid combined sewer overflow

## Green infrastructure

- Collects stormwater from street and sidewalks
- Improves health of local waterways

## Water main

- Stable and secure supply of clean water
- Improved water pressure

# Active Projects

# HWQ274F2 Rosedale Reconstruction, Phase 2

## Construction timeline

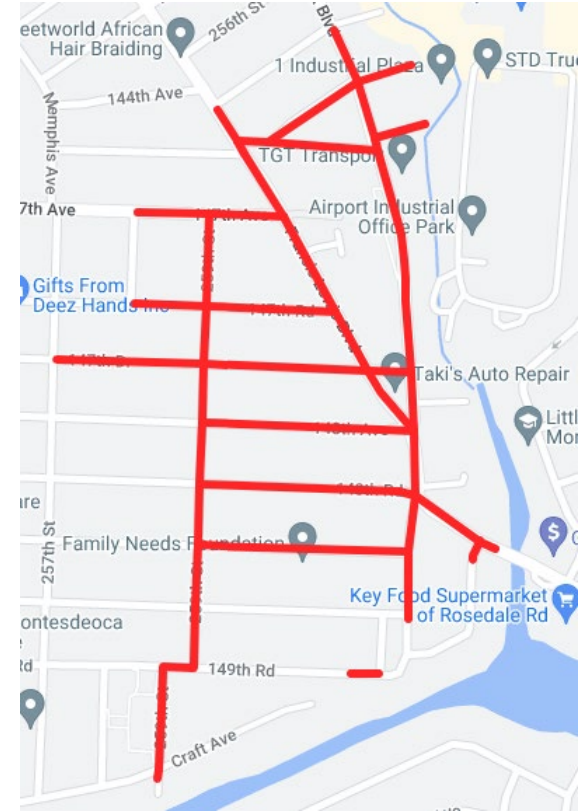

- Spring 2024 - End of 2026

## Project goal

- Minimize street flooding and ponding

## Scope of work

- DOT – roadways, curbing, sidewalks, traffic signage, traffic signals, street lighting, bus pads
- DEP – catch basins, storm sewers, sanitary sewers, water mains

# HWQ274F2 Rosedale Reconstruction, Phase 2
