DMAPs are not transferrable if you realize that you will not be able to use the tag, please return it to DEP so that we can make it available to other hunters on our

waiting list. Mail the tag to: DEP – DMAP Permit, 71 Smith Avenue, Kingston, NY 12401, Attention: DEP Recreation

Reminders

Please carry your DEP Access Permit, NYSDEC big-game hunting license and your DMAP tag when hunting on DEP DMAP recreation units.

DMAPs may only be used on DEP DMAP recreation units for which the permit was issued.

Crossbows are permitted for use in areas DEP has identified as ‘Bow Only’ areas. All NYSDEC crossbow use regulations apply.

Please stay out of restricted/closed areas with an active forest management project underway. These areas are indicated on the enclosed property maps. Signs will be posted around these closed areas.

At the end of the season, please destroy any un-used tags. They no longer need to be mailed back.

For general questions regarding recreation on DEP lands and waters please e-mail recreation@dep.nyc.gov or call: 1-800-575-LAND (1-800-575-5263)

To report any unusual, suspicious or dangerous activity to DEP Police, please call 1-888-H20-SHED (1-888-426-7433)

Helpful Resources on the Web

In an effort to conserve natural resources, DEP has reduced the number of printed maps mailed with DMAP tags. Additional maps can be viewed, downloaded, or printed as needed from the DEP interactive **RecMapper** found on the DEP Watershed Recreation Website or directly here: www.nyc.gov/dep/recmap Also, if you misplace your DEP Access Permit card, you can print a new one online at www.nyc.gov/dep/accesspermit
